AGENDA ITEMS

1. City Council Workshop 2020
The City Council will participate in and receive staff presentations that will provide an overview of City services, including: the City's electric utility; potential for issuing a request for proposal for the solid waste function; service outlook for the Corona Cruiser; and the long-term outlook for the Corona Airport. The City Council will also participate in and receive a staff presentation on the City's legislative platform. Additionally, the City Council will participate in and receive staff presentations on the City's implementation of the Security Camera Master Plan, an overview of the forthcoming development of a strategic plan, the potential for developing an Adopt-a-park Program, and discussion of the potential for developing a policy for the cost recovery of booking fees. Finally, the City Council will also participate in and receive staff presentations on Fire Department staffing and overtime use, potential changes to the Temporary Sign Ordinance, franchise licensing for tow services, and a presentation and discussion of the City's Facility Rental Policy. The City Council will review the presentations and provide feedback and direction to staff.

Staff provided the following presentations:

Electric Utility: Discussion and direction on the long-term service outlook

Solid Waste: Discussion and direction on potential for going out to RFP

Corona Cruiser: Discussion and direction on the long-term service outlook

Corona Airport: Discussion and direction on the long-term service outlook

Legislative Platform: Review upcoming annual priorities, development process, and Key Performance Indicators (KPIs)

Citywide Security Camera Masterplan: Implementation update

Strategic Plan: Process overview and update

Fire Department Staffing & Overtime: Discussion & direction

Temporary Sign Ordinance Changes: Discussion & direction on potential program enhancements

Franchise Licensing for Tow Services: Discussion & direction

Facility Rental Policy: Discussion & direction

The Council and staff discussed each presentation. Mayor Steiner and Mr. Ellis provided closing remarks.
