AGENCY: CITY OF CORONA
 PROJECT: LANDSCAPE MAINTENANCE DISTRICT NO. 84-2
 TO: CITY COUNCIL
 CITY OF CORONA
 STATE OF CALIFORNIA

REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Corona (the "City"), State of California, submitted herewith is the Engineer's Report (the "Report") for the Landscape Maintenance District No. 84-2, consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972" (the "Act"), as amended, commencing with Section 22500, and which is in accordance with Resolution Nos. 2024-014, 015, 016 adopted by the City of Corona City Council, Riverside County, California ordering preparation of the Report for Landscape Maintenance District No. 84-2 ("LMD No. 84-2" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2024, to June 30, 2025.

- Section 1 PLANS AND SPECIFICATIONS of the improvements to be maintained and/or improved for the Fiscal Year. The plans and specifications show and describe the existing and proposed improvements and are sufficient in showing and describing the general nature, location and extent of the improvements.
- Section 2 A COST ESTIMATE of the improvements to be maintained and/or improved for the mentioned Fiscal Year.
- Section 3 A METHOD OF APPORTIONMENT OF ASSESSMENT calculates the receipt of special benefit and the general benefit derived from the installation and maintenance and servicing of the respective improvements located throughout the District, and the methodology used to apportion the total assessment to the properties within the District.
- Section 4 An ENGINEER'S SIGNATURE certifying the filing of the Engineer's Report, together with the Assessment Roll and Assessment Diagram.
- Section 5 ASSESSMENT ROLLS showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the boundaries as shown on the below-referenced Diagram. The Assessment Rolls can be found in Appendix A.
- Section 6 The ASSESSMENT DIAGRAMS of the District. Said Diagrams shall show the exterior boundaries of the District and the boundaries of any zones within the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies. The Assessment Diagrams can be found in Appendix B.

LMD No. 84-2 consists of 12 Benefit Zones that were all formed in 1986. The types of services provided for Zones 1, 2, 4, 6, 7, 10, 14, 15, and 17 through 20 are the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, fitness circuit equipment, pathway lighting, green space and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacements, and maintenance required to keep the above-mentioned improvements in a healthy, vigorous, and satisfactory working condition. The above maintenance and services may be referred to herein as the "Landscape Improvements". Below is a description of each Zone within the boundaries of the District.

Description of the Boundaries and Improvement Services of LMD No. 84-2

Benefit Zone 1 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the west parkway of Lincoln Avenue adjacent to the benefit zone. The improvements were required by the conditions of approval for Tract No. 19288 and Tract No.'s 19288-1 through 19288-5.

Benefit Zone 2 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the buffer zone along the westerly boundary of the open space designated as Lot "A" within Tract No. 19981 and the Corydon Street parkways. Also to be maintained are the access road and the natural open space of Lot "A." The improvements were required by the condition of approval for Tract No. 19981.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and open space lot (Lot "A"), within Tract No. 20515. The improvements were required by the condition of approval for Tract No. 20515.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and Lot "C" of Tract No. 21354. The improvements were required by the condition of approval for Tract No. 21354.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street, Tract No.'s 27305-1 through 27305-9, and incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 4 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ Parkway irrigation system, trees, and ground cover along Ontario and Fullerton Avenues and Old Temescal Road within the benefit zone. The improvements were required by the condition of approval for Tract No. 19480.
- ◆ Parkway irrigation system, trees, and ground cover adjacent to the following tracts and along Old Temescal Road and Ontario, Fullerton, and Rimpau Avenues. The improvements were required by the condition of approval for Tract No.'s 19690, 19690-1, and 19690-2.
- ◆ Parkway irrigation system, trees, and ground cover along Old Temescal Road and Fullerton and Rimpau Avenues within the benefit zone. The improvements were required by the condition of approval for Tract No. 19688.
- ◆ Parkway irrigation system, trees, ground cover, and sidewalk within the 12-foot parkways adjacent to Tract No. 22961, along Old Temescal Road and Rimpau Avenue. The improvements were required by the condition of approval for Tract No. 22961.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 6 includes all property within Assessment District No. 79-2, located north and south of Route 91 between Cresta Verde and Buchanan Street. The improvements consist of maintaining the following irrigation systems, trees, and ground cover along the following:

- ◆ McKinley Street median between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line (approximately 200 feet north of Mt. Humpries Street).
- ◆ Promenade Avenue median between 2,000 feet west of McKinley Street and 1,300 feet east of McKinley Street.
- ◆ Parkway and streetscape landscaping along McKinley Street, between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line, except on the west side between Sampson Avenue and Magnolia Avenue.
- ◆ Parkway and streetscape landscaping along Promenade Avenue between the Riverside Freeway and Buchanan Street.
- ◆ Parkway and streetscape landscaping along portions of Buchanan Street adjacent to the area known as Westfield Corona and from Wimbledon Drive to the north boundary of said area.

- ◆ Parkway and streetscape landscaping along the north side of Wimbledon Drive from Buchanan Street to Surry Circle; north side of Dartmouth Street from Buchanan Street to Chelsea Way; both sides of Eaton Street between Coventry Way and Astoria; and both sides of Brittany Drive between Newcastle and Promenade Avenue.
- ◆ Parkway and adjacent slope irrigation, trees, and ground cover along the east side of Mondale Street, between Kennedy Drive and Promenade Avenue; open space Lots 79 and 80 of Tract No. 21213; and the slopes adjacent to the Riverside Freeway. The improvements were required by the conditions of approval for Tract No. 21213.
- ◆ Parkway irrigation, trees, and ground cover along the north side of Cresta Road between Harding Road and Promenade Avenue and the southwest side of Collett Avenue between Coolidge Street and Promenade Avenue as were required by the conditions of approval for Tract No. 19191.
- ◆ Parkway irrigation, trees, and ground cover along the west side of Collett Avenue between Promenade Avenue, and 400 feet southwest of Cresta Road as were required by the conditions of approval for Tract No. 19666.
- ◆ Parkway irrigation and ground cover along the northeast side of Cresta Avenue, along Lots 31 through 34 of Tract No. 19191-2.
- ◆ Natural conditions within open space Lots 69, 83, 84, and 126 of Tract No. 20775.
- ◆ The irrigation system and landscape improvements within Lots D and E of Tract No. 23454 and Lots C, D, and E of Parcel Map No. 23376.
- ◆ The irrigation system and landscaping within the parkway along the northwesterly side of Buchanan Street from the south side of Dartmouth Street to the north side of Wimbledon Drive. The improvements were required by the condition of approval for Tract No. 24129 and Parcel Map No. 24041.
- ◆ The irrigation system and landscaping within the median and parkway along McKinley Street and adjacent to Assessor Parcel Numbers 172-420-002 and 172-420-003. The improvements were required by the condition of approval for Assessor Parcel Numbers 172-420-002 and 172-420-003.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 29876.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.
- ◆ The improvements are required as set forth by Specific Plan "SP 81-2" and were constructed both under Assessment District No. 79-2, City of Corona, State of California and as conditions of approval for various developments.

Benefit Zone 7 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover constructed as part of the detention basin within Lot 142 of Tract No. 20966; and the parkway and slope landscaping along Ontario Avenue. The improvements were required by the condition of approval for Tract No.'s 20818, 21720, and 20966.
- ◆ The irrigation system, trees, and ground cover as part of the detention basin within Lot 1 of Tract No. 19159-1.
- ◆ The irrigation system and landscape improvements within the common lots adjacent to Ontario Avenue and within Tract No.'s 21203 and 21720.
- ◆ Decorative block wall and landscaping in the ten-foot wide landscaping lot along Via Pacifica.
- ◆ Landscape pockets and landscaping within the decorative wall along Citron Street, between Via Pacifica and the Oak Street Channel.
- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 22535 and along Ontario Avenue, and slope easements located within Lots 1, 27, and 28 of Tract No. 22535.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 10 includes two distinct areas that are within Specific Plan "SP 85-2", as approved by the Corona City Council on September 18, 1985. The improvements to be maintained consist of the following:

- ◆ Parkway irrigation system, trees, and ground cover along both sides of Green River Drive, Ridgeline Drive, Serfas Club Drive, Paseo Grande, Montana Ranch Road, and Palisades Drive. Also to be maintained are the lots designated for open space and

the fuel modification zone, including erosion control, plant replacement, and landscaping debris cleanup. The improvements were required by the condition of approval for Tract No. 20872.

- ◆ The irrigation system, trees, and ground cover within the common area designated as Lot No. 17, Tract No. 12166. The improvements were required by the condition of approval for Tract No. 12166.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 14 improvements were a condition of approval for Tract No.'s 20796 and 22579 and consist of maintaining irrigation systems, trees, and ground cover along the following:

- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets.
- ◆ Flood control detention basins.
- ◆ The above improvements were required as set forth by the Woodlake Specific Plan "SP 85-3" approved by the Corona City Council on November 20, 1985 and by the condition of approval for Map No. 20796.
- ◆ The irrigation system and landscaping within Lots A through D, Tract No. 22579 and those portions of the Hidden Valley Parkway within Tract No. 22579. The improvements were required by the condition of approval for said tract.
- ◆ The irrigation system and landscaping within Lots F and I, Tract No. 25249. The improvements were required by the condition of approval for Tract No. 25249.
- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets. The improvements were required by the conditions of approval for Tract No. 29595.
- ◆ Median, parkway, and streetscape landscaping along Stevens Drive. The improvements were required by the conditions of approval for Parcel Map No. 33533.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 15 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover of the parkway along the public right-of-way within Tract No. 20006. The improvements were required by the condition of approval for said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 17 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 21355 and along Stagecoach Road; slope easements located within Lots 1 through 6 and 192 through 205; and the westerly parkway on Stagecoach Road from the southerly boundary of Tract No. 21355 to Corydon Street.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 18 improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No.'s 24716 & 32195; Assessor Parcel Numbers 119-060-018; 119-060-020; and 119-060-022; and along River Road (including the center median area); Lincoln Avenue and Harrington Street; and the riparian habitat area within and adjoining that portion of the Norco Channel within said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 19 consists of various developments within South Corona for which the improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping in accordance with the South Corona Community Facilities Plan. These improvements are also referred to as the "South Corona Streetscapes," and includes parkways, medians, and dedications to the City of Corona from past and future South Corona development.
- ◆ The irrigation system and landscaping within Lots A and B, Parcel Map No. 22908, and the portion of the westerly Lincoln Avenue parkway fronting said map.
- ◆ The irrigation system and landscaping within the easterly Mangular Avenue parkway adjacent to Tract No. 24118.

- ◆ The irrigation system and landscaping within the easterly parkway along Oak Avenue, the northeasterly parkway along Chase Drive, adjacent to Tract No. 23434, and within Lots L, M, O, P, Q, R, S, T, and U of Tract No. 23434.
- ◆ The irrigation system and landscaping within Lots F and G of Tract No. 22707 and that portion of the westerly Mangular Avenue parkway adjacent to said map.
- ◆ The irrigation system and landscaping within Lots A and B of Tract No. 20971 and that portion of Fullerton Avenue (formerly Garretson Avenue) parkway fronting said map.
- ◆ The irrigation system and landscaping within Lots A, K, and L, Tract No. 24326 and the parkways adjacent to said tract and along Chicago Street and Citrus Way. The improvements were required by the condition of approval for Tract No. 24326.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 23861 and along California Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23401-1 and 23401-2, and along California and Chase Avenues; and the bike path adjacent to said tracts and along Chase Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25009 and along Foothill Parkway, Highgrove Street, and Lot F of Tract No. 25009.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24533, along the east side of Lincoln Avenue, north side of Foothill Parkway, and west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24271 and along the west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and J of Tract No. 27199, and the parkways adjacent to said tract and along the north side of Santana Way.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 26807, 25466, and 25652C, and along the east side of Fullerton Avenue (formerly Garretson Avenue), south side of Foothill Parkway, both sides of Valencia Avenue, and the north side of Upper Drive.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 25817 and along the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within Lots D, E, F, and I of Tract No. 26012-1 and the parkways adjacent to Tract No.'s 26012-1 and 26012, along the east side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and E, Tract No. 26903-1 and the parkways adjacent to said tract and along the north side of Chase Drive and the east side of Fullerton Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27504, along the north side of Chase Drive and the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25887, along the north side of Chase Drive and the west side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within parkways on Fullerton and Gilbert Avenues adjacent to Parcel Map 24234, all within Annexation No. 37.
- ◆ The irrigation system and landscaping within parkways north of Encanto Street and west of Hudson Avenue adjacent to Tract No. 26062, all within Annexation No. 40.
- ◆ The irrigation system and landscaping within parkways adjacent to Parcel Map 26695 located east of Gilbert Avenue, all within Annexation No. 45.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25466 and 25466-1 and along the north side of Upper Drive and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 52.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27802, along the north side of Foothill Parkway and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 53.
- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No. 25311R and along the south side of Chase Drive and the north side of Foothill Parkway, all in Annexation No. 54.

- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27916-1, 27916-2, and 27916-3, along the east side of Lincoln Avenue, all in Annexation No. 55.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23956, 23956-1, and 23956-2, along the west side of Kellogg Avenue, all in Annexation No. 56.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27860 along the north side of Foothill Parkway, all in Annexation No. 57.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24272 and Tract No.'s 24272-1 through 24272-8, along the east and west sides of Lincoln Avenue, and along the west side of Buena Vista Avenue, all in Annexation No. 58; and the irrigation system and landscaping within parkways adjacent to Tract No. 25690, along the west side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26117-1, along the north side of Foothill Parkway, all in Annexation No. 59.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25571 and 25571-1 and along the north and south side of Citrus Way, all in Annexation No. 60.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27833, 27833-1, and 27833-2, along the west side of Fullerton Avenue, all in Annexation No. 61.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25315, 25315-1, 25315-2, and 25315-3, along the east side of Kellogg Avenue and the south side of Santana Way, all in Annexation No. 62.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 24077, 24077-1, 24077-2, and 24077-3, all in Annexation No. 63.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25396, along the east side of Rimpau Avenue, and along the west side of California Avenue, all in Annexation No. 64.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24840, along the south side of Valencia Avenue and north side of Upper Drive, all in Annexation No. 65.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 28177 and 28177-1, and along the south side of Foothill Parkway, the east side of Rimpau Avenue, and the north side of Valencia Avenue, all in Annexation No. 66.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25310R, along the south side of Chase Drive, the east side of Fullerton Avenue, and the north side of Foothill Parkway, all in Annexation No. 67.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25468, 25468-1, 25468-2, and 25468-3, along the south side of Foothill Parkway and the west side of California Avenue, all in Annexation No. 68.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26058 and along the south side of Chase Drive and the west side of Fullerton Avenue, all in Annexation No. 69.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 26978 and along the east side of Lincoln Avenue, all in Annexation No. 70.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26238, along the south side of Taber Road, and along the west side of California Avenue, all in Annexation No. 71.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 28180, along the south side of Ontario Avenue and the west side of Rimpau Avenue, all in Annexation No. 73.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25917R-1, all in Annexation No. 74.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26807-R, along the east side of Fullerton Avenue, the north side of Valencia Road, and the south side of Foothill Parkway, all in Annexation No. 75.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Benefit Zone 20 consists of the Mountain Gate Specific Plan and its Amendment ("SPA90-09") Area for which improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkways and medians of the arterial and collector streets, including the additional landscape lots that are proposed to be dedicated along a number of the major streets.
- ◆ The structure and exterior face of the project theme walls located along the major arterial and collector streets in the planned community.
- ◆ Entry monuments and special landscape areas located at the major project entries, secondary project entries, individual subdivision entries, and special landscape areas identified on the Mountain Gate landscape master plan.
- ◆ The landscaping, bicycle paths, recreational improvements, and open space areas which may be developed and dedicated to the public within the designated estate residential cluster development areas, exclusive of public park areas.
- ◆ The designated fuel modification areas in the hillside overlay zone of Planning Area 26.
- ◆ Other improvements which may be accepted by the City Council for maintenance by the landscape maintenance district.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

Changes in Benefit Zone Boundaries

During the lifetime of the District, several changes have occurred that affect the boundaries of the benefit zones. The plans and specifications for the changes are on file with the City of Corona.

1. Due to the nature, location, and extent of the improvements it has been determined that some benefit zones received the same degree of benefit. Accordingly, these benefit zones have been eliminated by consolidating them with other zones, as follows:
 - ◆ Benefit Zone 8 was consolidated into Benefit Zone 7.
 - ◆ Benefit Zone 9 and 13 were consolidated into Benefit Zone 4.
 - ◆ Benefit Zone 11 was consolidated into Benefit Zone 10.
2. Four benefit zones were eliminated for the following reasons:
 - ◆ Benefit Zones 3 and 5 have been eliminated because the interim detention basins are no longer necessary due to the installation of storm drains.
 - ◆ Benefit Zone 12 has been eliminated because improvements formerly maintained by the City are now maintained by the Cresta Verde Golf Course.
 - ◆ Benefit Zone 16 has been eliminated because the interim detention basin is no longer necessary due to the Oak Street Channel improvement. The property maintenance has been turned over to the underlying property owner and all affected property owners were notified of the levy being discontinued.
3. Due to the nature, location, and extent of the improvements, the Mountain Gate Specific Plan Area was detached from Benefit Zone 19 to establish Benefit Zone 20.

The cost of servicing, maintaining, repairing, and replacing the actual improvements as described in the Plans and Specifications are summarized as follows:

Table 2-1
Benefit Zone 1 - Budget

Direct Costs	Estimated through June 30	
	FY 2024	FY 2025
Contract Services	\$871	\$1,111
Maintenance Inspection and Administration	\$975	\$926
Utilities	\$728	\$730
Total Direct Costs	\$2,574	\$2,767
Indirect Costs		
County Admin	\$173	\$160
City Personnel/Overhead	\$97	\$76
Engineering Costs	\$24	\$24
Total Indirect Costs	\$294	\$260
Total Costs	\$2,868	\$3,027
Collection/(Contribution)		
Operating Reserve	\$0	\$0
Capital Replacement Reserve	\$1,280	\$1,120
Total Adjustments	\$1,280	\$1,120
Total Assessment	\$4,147	\$4,147
Reserve Fund Balances		
Beginning Operating Reserve	\$1,434	\$1,514
Reserve Collection	\$0	\$0
Reserve Contribution	\$0	\$0
Est. Ending Operating Reserve⁽¹⁾	\$1,434	\$1,514
Beginning Capital Replacement Reserve	\$26,881	\$27,334
Reserve Collection	\$1,280	\$1,120
Reserve Contribution	\$0	\$0
Est. Ending Capital Replacement Reserve⁽²⁾	\$28,160	\$28,454

⁽¹⁾ The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

⁽²⁾ The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2025, \$1,120 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the capital improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 1.

Est. Ending Capital Replacement Reserve⁽³⁾	\$41,039	\$0

⁽¹⁾ The General Benefit Contribution will be applied to Annexation No. 76.

⁽²⁾ The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy. For FY 2025, \$14,523 is being contributed to subsidize the levy.

⁽³⁾ The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2025, \$8,690 is being contributed to subsidize the levy. Please refer to Appendix C for a list of the capital improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 2.

There are no anticipated major Capital Improvement Projects planned for Zone 20.

Proposition 218 Compliance

On November 5, 1996, California voters approved Proposition 218, entitled the "Right to Vote on Taxes Act," which added Article XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new substantive and procedural requirements for the formation and administration of assessment districts. Proposition 218 provides that all existing, new, or increased assessments must comply with Proposition 218's new substantive and procedural requirements unless the assessment is "grandfathered" as one of the four categories of assessments that existed on or before November 6, 1996, and is therefore exempted from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Two of the four categories of assessments that are "grandfathered" under Proposition 218 and are relevant to the District are:

1. Any assessment imposed exclusively to finance the capital cost or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control.
2. Any assessments levied pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment was initially imposed.

For purposes of applying the first exception, Proposition 218 does not define the term "streets"; however, based upon the opinions of public agency officials, attorneys and assessment engineers, as well as language in the Proposition 218 Omnibus Implementation Act (Government Code §§ 53750 et seq.) and the court's reasoning in *Howard Jarvis Taxpayers Association v. City of Riverside*, 73 Cal.App.4th 679 (1999), it has been determined that the term "streets" includes median and parkway landscaping, traffic signals, safety lighting, and street lighting, and all other public improvements located within the street right-of-way, since assessments for these types of improvements are traditionally appropriate, non-abusive special assessments. The improvements and services financed by LMD No. 84-2 constitute physical parts of the right-of-way in which the street is located, contribute to road and sidewalk safety, and provide for drainage and treatment of runoff. Therefore, the assessments levied by LMD No. 84-2 (other than the assessments for the Post Proposition 218 Annexations, defined below) are grandfathered under the first exception, and thus the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit, do not apply.

The second exception to the application of Proposition 218 also applies to LMD No. 84-2, because the District was initiated by a petition signed by the property owners within the District boundaries at the time it was formed and, therefore, the assessments are exempt from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Even if assessments are initially "grandfathered" under Proposition 218 and thus exempt from the substantive and procedural requirements of Proposition 218, if the assessments are increased in the future the City will need to comply with the provisions of Proposition 218 for that portion of the increased assessment formula (e.g., CPI increase). Additionally, although the assessments levied within LMD No. 84-2 are considered "grandfathered", the City has determined that it is appropriate to ensure that the assessments levied against properties that were annexed to LMD No. 84-2 after the passage of Proposition 218 comply with the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit. The City has identified the following annexations to LMD No. 84-2 as annexations that were approved after the passage of Proposition 218 (collectively "Post 218 Annexations"):

Table 3-1
Annexations

Annexation Year	Annexation Number	Zone	Property Annexed
2013	85	20	TT 34760
2013	84	10	TT 35590R
2007	83	14	PM 33761
2006	82	14	PM 33533
2005	81	18	TR 32195
2005	80	18	APN 119-060-018, -020, -022
2004	79	14	TR 29595
2001	78	14	PM 30197
2001	77	6	TR 29876
1997	76	2	TR 27305-8, -9

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property," (California Constitution, Article XIII D, §2(b)). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

There is no statutory definition or judicially approved formula for calculating general benefit. For purposes of this Report, general benefits are benefits from improvements or services that are not special in nature, are not particular and distinct, and are not over and above the benefits received by other properties. Proposition 218 defines "special benefit" as "a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large. General enhancement of property value does not constitute 'special benefit'."

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that the portion of the cost of the improvements which benefits the public generally (i.e., general benefits) be separated from the portion of the cost of the improvements which specially benefits assessed properties (i.e., special benefits).

The actual assessment and the amount of the assessment for the Fiscal Year 2025 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are listed in Appendix A. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report.

General Benefit

Post 218 Annexations

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, the City has determined that the Landscape Improvements maintained within the Post 218 Annexations by each benefit zone (other than the Nominal General Benefit Annexations, defined and discussed below) provide negligible general public benefit in that each benefit zone is comprised of separate and discrete neighborhoods for which the Landscape Improvements were installed. The Landscape Improvements do not extend beyond the perimeter of the boundary of each of those discrete neighborhoods. Additionally, other than the Nominal General Benefit Annexations discussed below, the improvements financed by LMD No. 84-2 for the Post 218 Annexations do not include any Landscape Improvements in the parkway areas fronting each discrete neighborhood. In other words, all of the Landscape Improvements financed by LMD No. 84-2 for the Post 218 Annexations are located entirely within the interior areas of the developments that comprise and are included in the Post 218 Annexations.

As further explained in the Direct and Special Benefit section, the Landscape Improvements within the Post 218 Annexations provide a direct advantage only to the properties that are within the boundaries of each discrete neighborhood/benefit zone. Although the discrete neighborhoods that comprise each benefit zone could be accessed by the public at large, the Landscape Improvements within the Post 218 Annexations that are financed by LMD No. 84-2 were specifically designed, located and created to provide additional and improved public resources exclusively for real property within the Post 218 Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views and other special benefit factors discussed below under Direct and Special Benefit. Moreover, since all properties within each benefit zone have equal access and opportunity to enjoy the Landscape Improvements within the Post 218 Annexations that are financed by District assessments, all properties within each benefit zone benefit equally from the Landscape Improvements and the costs and expenses for the landscaping maintenance and services are appropriately apportioned on a per parcel or a per acre basis. Based upon the foregoing, the City has concluded that there is no measurable general benefit associated with the Landscape Improvements financed with the assessments levied against properties within the Post 218 Annexations (other than the Nominal General Benefit Annexations discussed below).

Nominal General Benefit Annexations

In reviewing the location and extent of the specific landscaped areas and improvements within the Post 218 Annexations that are funded by the District assessments and the proximity and relationship to properties to be assessed, it has been determined that the following annexation areas include landscape improvements within the parkway areas fronting the developments that comprise and are included in the Post 218 Annexations: Annexation 76 to Zone 2 (TR 27305-8 & 9), Annexation 78 to Zone 14 (PM 30197), Annexation 80 to Zone 18 (APN Nos. 119-060-18, -020, -022), and Annexation 81 to Zone 18 (TR 32195) (collectively, "Nominal General Benefit Annexations"). At the time of annexation of these developments, the improvements to be financed by the District assessments were considered local improvements that were required to be installed in connection with the development of properties within these annexation areas. Similar to the Post 218 Annexations, the Landscape Improvements within the Nominal General Benefit Annexations that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large.

Similar to the Post 218 Annexations, the majority of the Landscape Improvements (see discussion below regarding the Landscape Improvements within frontage parkway areas) provided and maintained within the Nominal General Benefit Annexations do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises the annexation area and are located entirely within the interior areas of the developments that comprise and are included in the Nominal General Benefit Annexations. As such, the interior Landscape Improvements within the Nominal General Benefit Annexations provide a direct advantage only to the properties that are within the boundaries of each annexation area. Although the developments that comprise and are included in the Nominal General Benefit Annexations could be accessed by the public at large, the Landscape Improvements within these annexation areas that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views, and other special benefit factors discussed in the Direct and Special Benefit section.

However, as indicated above, the assessments levied within the Nominal General Benefit Annexations also provide and maintain Landscape Improvements within the parkway areas fronting the developments that comprise and are included in the Nominal General Benefit Annexations. Since these parkway areas are readily accessible and viewable by the public at large, there may be some general benefit enjoyed by the general public as a result of the Landscape Improvements located and maintained in these parkway areas. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within the Nominal General Benefit Annexations at the enhanced level or standard that the Landscape Improvements are currently provided and maintained. The maintenance, upkeep, and repair of such parkway Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. As such, the maintenance of the Landscape Improvements within the parkway areas fronting each annexation area to the current enhanced level and standard of maintenance has a direct and particular impact or special benefit only on those properties within the Nominal General Benefit Annexations and any maintenance or services beyond that which is required to ensure the safety and protection of the general public and property, has no identifiable benefit to the public at large or properties outside these annexations. The general benefit derived from the maintenance of the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations can be quantified as the cost that the City would incur to provide the minimal level of maintenance and services necessary for public health and safety. The costs incurred to maintain the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations over and above this minimum level of service would provide a direct advantage only to the properties within the Nominal General Benefit Annexations and is considered to be a special benefit.

In the absence of the assessments levied by LMD No. 84-2, the City would typically provide only weed abatement and erosion control services for parkway areas. These services would typically be provided twice annually. This level of service provides for public safety and avoids negative impacts on adjacent roadways and vehicles traveling on those roadways, but results in a far less visually pleasing environment than is created with the enhanced level of service currently provided to the parkway areas within the Nominal General Benefit Annexations. The cost to provide the baseline weed abatement and erosion control level of service is approximately \$0.02 per square foot, twice a year, for parkway areas. The general benefit is determined by multiplying the weed abatement and erosion control service costs by the square footage of these parkway areas. Since the baseline services, unlike the enhanced level of service that is provided as a result of the District assessments, provide some benefits to the general public and to the neighborhoods outside of the benefit zones, the cost of providing this baseline service is treated as the cost of general benefits from landscape maintenance services. Utilizing these per square foot costs and the square footages of the parkway areas in the Nominal General Benefit Annexations, the current estimated general benefit costs calculated for the frontage parkway areas within Annexation 76 to Zone 2 is \$209.09, within Annexation 78 to Zone 14 is \$766.66, within Annexation Zones 80 and 81 to Zone 18 is \$382.80, and within Zone 19 is \$29,823.22. These general benefit costs are identified as the "General Benefit Contribution" in the applicable Zone budgets in Section 2 (Cost Estimate) of this Report and will be credited to those properties included within the Nominal General Benefit Annexations. Funding for these general benefit costs will be provided by the City's General Fund.

Direct and Special Benefit

The types of services provided within LMD No. 84-2 is the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacement and maintenance required to keep the above-mentioned improvements in a healthy, vigorous and satisfactory working condition.

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, particular direct and special benefit is provided by the Landscape Improvements which include, but are not limited to, enhanced aesthetics of areas within the benefit zones providing additional desirability for potential buyers, a more pleasant environment to walk, drive, live, and work for property owners in addition to controlling dust and potential erosion. The primary function of these Landscape Improvements and related amenities is to serve as an aesthetically pleasing enhancement and green space for the benefit of the immediately surrounding development within the individual benefit zones for which the improvements were constructed and installed. These improvements are an integral part of the physical environment of parcels within the benefit zones, and if the improvements were not properly maintained, it is these parcels that would be negatively affected. In addition, the landscape improvements serve as a physical buffer as well as a sound reduction or buffer between the roadways and the properties in the

benefit zones, as well as a physical buffer and openness between properties within the benefit zones. The improvements installed in connection with the development of the parcels constituting the benefit zones would not be necessary or required without the development of those parcels within the District.

The assessment revenue derived from real property in each benefit zone is expended only on the Landscape Improvements in that benefit zone. The Landscape Improvements are located in close proximity to the real property within each benefit zone that is subject to the assessments and provide a direct advantage to the property in the benefit zone in that the improvements funded by the assessments are directly provided only to the real property in each benefit zone. Other than the Nominal General Benefit Annexations, the Landscape Improvements do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises a benefit zone and are located entirely within the interior areas of each neighborhood. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within LMD No. 84-2 and the maintenance, upkeep, and repair of such Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. Therefore, the assessments provide and fund Landscape Improvements that are over and above what otherwise would be provided. The fact that the Landscape Improvements are over and above what otherwise would be provided, combined with the unique proximity and access to the Landscape Improvements enjoyed by real property within LMD No. 84-2, demonstrates that the assessments provide a direct advantage and special benefit to real property within LMD No. 84-2.

Method of Apportionment

Pursuant to the Landscaping and Lighting Act of 1972 and Article XIII D of the Constitution of the State of California, all parcels that have special benefit conferred upon them as a result of the maintenance and operation of improvements shall be identified and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire cost of the maintenance and operation of the improvements. Only parcels that receive direct special benefit are assessed, and each parcel is assessed in proportion to the estimated benefit received.

To proportionally allocate special benefit to each parcel, it is necessary to correlate each property's proportional benefit to other properties that benefit from the improvements and services being funded: In order to do this, the assessment methodology assigns each parcel a number of benefit units based on its land use. One benefit unit is defined as the special benefit allocable to a single family home.

Single Family Residential Property - The method of apportionment assigns each fully subdivided single family residential dwelling one benefit unit.

Multi-Family Residential Property - This land use classification identifies residential developments that typically have 60% fewer people per dwelling unit than single family residential property and therefore have been assigned to 0.60 benefit unit, per dwelling.

Commercial Property - The method of apportionment assigns benefit units by multiplying the overall acreage by five benefit units per acre, (based on the typical number of residential property in an acre of typical development).

Benefit Zones 1, 2, 4, 7, 15, 17, and 18 - Prior to total development and the recordation of tract maps, the benefit will be assessed according to the number of lots, units, or acreage within the tentative tract map.

Benefit Zone 6 - As development occurs and prior to total development, each undeveloped parcel will be assessed the number of projected benefit units in accordance with SP 81-2.

Benefit Zone 10 - Currently, there are approximately 0.97 acres of undeveloped property and one parcel classified as reserved development within this zone. The Assessor's Parcel Number is 102-370-009.

A reserved development designation was assigned to Assessor's Parcel Number 102-370-009 under SP 85-2. Other than for mining purposes, development of Assessor's Parcel Number 102-370-009, approximately 80 acres, is not anticipated at this time.

Benefit Zone 14 - SP 85-3 (Tract No. 20796) and Tract No. 22579 created approximately 2,553 residential units of varying densities and 12.3 acres of commercial support. The updated total projected build-out is approximately 2,350 units. This benefit zone is at near build-out status and nearly all benefit units have been assessed.

Benefit Zone 19 - Benefit Zone 19 consists of various developments within South Corona. The method of assessment is based on approximately 3,700 benefit units with a residential dwelling equal to one benefit unit.

Benefit Zone 20 - SPA90-09 proposes 3,248 residential units of varying densities, 15.1 acres of commercial developments, and 15.8 acres of quasi-public land use. Currently, there are 2,754 residential units, 10.1 acres of commercial development, and 6.91 acres of quasi-public land use. At the present time the benefit zone maintains 62.47 acres of landscaping.

Prior Proposition 218 Proceedings for Rate Increase

Benefit Zone 1 – In 2001, due to increased maintenance costs and low reserves, a special election was held to increase Benefit Zone 1 from \$22.54 per assessment unit to \$33.54 per assessment unit (an \$11.00 increase per assessment unit). The proposed increase failed to receive a majority ballot approval. Consequently, the trees and turf suffered considerably due to the lack of irrigation. Maintenance and operating service costs were reduced to eliminate tree trimming, replacement, and any landscape enhancement. In 2012, the turfgrass was removed and decomposed granite (“DG”) was installed to help further reduce maintenance costs.

Benefit Zone 4 - After a failed election in 2002, the City received many complaints from property owners within Benefit Zone 4 due to the condition of the landscape. Therefore, the City again conducted a special election pursuant to the provisions of Proposition 218 for Benefit Zone 4 in July of 2003. The proposed increase for Benefit Zone 4 was from \$75.00 to \$138.00 (\$63.00 per assessment unit). In order to provide sufficient funds from the levy and collection of assessments within the benefit zone in future Fiscal Years to pay increasing costs due to inflation, it was proposed that the assessments levied on assessable parcels of property in Benefit Zone 4 should be subject to annual increases in future years, commencing in Fiscal Year 2007, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario (“CPI”) or three percent (3%), whichever is less. Benefit Zone 4 received a favorable majority vote and the charge per assessment unit was increased from \$75.00 to \$138.00 commencing in Fiscal Year 2007. The maximum assessment per benefit unit for Benefit Zone 4 will escalate three and zero one hundredths percent (3.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2025, making the maximum assessment per benefit unit \$210.41.

Benefit Zone 10 - After a failed election in 2007, the City received many complaints from property owners within Benefit Zone 10 due to the condition of the landscape. On April 2, 2008, the City Council, in response to input from residents, approved a petition and re-ballot process to allow for property owners to re-vote. The procedure required signed petitions from at least 25% of the properties within the benefit zone to trigger a re-vote. This requisite equated to approximately 725 signed petitions from the record property owners indicating their intended support of the proposed annual levy increase from \$335.61 to \$540.00 per assessment unit. Benefit Zone 10 met the required minimum number of petitions favoring the re-ballot process, and a public hearing on the proposed levy increase was scheduled for June 18, 2008. Benefit Zone 10 received a favorable majority vote and the charge per assessment unit was increased for Fiscal Year 2009. The rate per assessment unit for Benefit Zone 10, is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2012, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per benefit unit, for Benefit Zone 10 will escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2025, making the maximum charge assessment per benefit unit \$688.23.

Benefit Zone 14 - After two failed elections, the irrigation and maintenance in Benefit Zone 14 was reduced due to lack of funding, causing the landscape areas to deteriorate. In order to revitalize declined areas and keep up with inflation and rising costs, this benefit zone underwent a third Proposition 218 ballot proceeding on August 28, 2007. Benefit Zone 14 received a favorable majority vote and the charge per benefit unit was increased from \$100 to \$230 in Fiscal Year 2009. The rate per benefit unit for Benefit Zone 14 is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2013, by the percent increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per unit for Benefit Zone 14, escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2025, making the maximum assessment per benefit unit \$287.38.

The landscaped and irrigated areas increased to approximately 31.44 acres in Fiscal Year 2009 and due to the increase in the assessment, a phased capital improvement program was implemented to revitalize areas that had been subjected to previous years' cutbacks. This phased program started in Fiscal Year 2009 with the first year's allocation of approximately \$636,000. Of this amount, \$450,000 was borrowed from Fund 289, to be paid back over 10 years at 4.2% interest. The loan was paid in full in Fiscal Year 2019.

Benefit Zone 19 - The 1996-97 Notice of Public Meeting and Hearing noticed (and subsequently confirmed by the City Council) a \$7.00 per benefit unit per Fiscal Year increase from \$107.00 to a maximum of \$126.00 per year. Therefore, Fiscal Year 2015 and future years' annual levy for maintenance expenses will be the same as the prior Fiscal Year 2014 levy of \$126.00 per benefit unit (at the maximum). Since this benefit zone is lacking an inflation factor in its assessment methodology, the maintenance costs will

continue to increase while the revenues remain the same, causing this benefit zone's deficit to increase annually. A Proposition 218 Ballot proceeding failed to pass in Fiscal Year 2024. In order to provide sufficient funding for the continued maintenance of landscaping and appurtenant facilities within Benefit Zone 19 through Fiscal Year 2024, Benefit Zone 19 obtained an interfund loan from the City's general fund of \$166,548, with annual repayments. The Fiscal Year 2025 repayment amount is \$19,524.51, of which interest is \$4,997.00.

Benefit Zone 20 - After a failed election, Benefit Zone 20 property owners met the City's requisite of 621 signed petitions that triggered a re-vote on August 6, 2008 to increase the annual rate per benefit unit from \$180.00 to \$360.00 and to be subject to an inflationary factor in future Fiscal Years, commencing Fiscal Year 2011, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. Due to the approved measure, the added revenue from the increase allows Zone 20 to keep up with the rising costs in labor, utilities, plant materials, and irrigation parts and implement a much needed Capital Improvement and/or Plant Rehabilitation Program which began in Fiscal Year 2009. The maximum charge assessment per benefit unit for Benefit Zone 20 escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2025, making the maximum assessment per benefit unit \$467.35.

Reserves Outlook

After reviewing all of the benefit zones within the District, it is apparent that a majority of the benefit zones have the ability to generate reserves. However, Benefit Zones 2, 4, 6, 15, 17, and 18 continue to draw on reserve funds at an increasing rate primarily as result of the increase in utility costs and the absence of an annual inflator for the assessment rates. Measures have been taken to reduce operating costs through turf removal projects for Zones 2 and 17. Currently, Benefit Zones 1, 7, 10, 14, 19, and 20 are building their reserve funds.

Whereas, on April 17th, 2024, the City Council, under the Act, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for Landscape Maintenance District No. 84-2.

Whereas, the Resolution of Initiation directed Spicer Consulting Group, LLC. to prepare and file a Report presenting plans and specifications describing the general nature, location, and extent of the improvements to be maintained; an estimate of the costs of the maintenance, operations, and servicing of the improvements for LMD No. 84-2 for the referenced Fiscal Year; a diagram for LMD No. 84-2 showing the area and properties to be assessed; and an assessment of the estimated costs of the maintenance, operations, and servicing the improvements, assessing the net amount upon all assessable lots and/or parcels within the District in proportion to the special benefit received;

Now Therefore, the following assessment is made to cover the portion of the estimated costs of maintenance, operation, and servicing of said improvements to be paid by the assessable real property within LMD No. 84-2 in proportion to the special benefit received.

Estimated Benefit Assessments

Each of the parcels within the benefit zones listed below has been deemed to receive proportional special benefit from the maintenance and operation of the improvements within that benefit zone. The percentage change in allowable Fiscal Year 2025 assessment from the allowable Fiscal Year 2024 assessment is as follows:

*Table 4-1
Proposed Assessment Summary*

Zone	Estimated Charge FY 2025	Estimated Benefit Units	Maximum Assessment per BU FY 2024	Maximum Assessment per BU FY 2025	Maximum Assessment Rate Change (%)	Actual Assessment per BU FY 2025
Benefit Zone 1	\$4,147.36	184.00	\$22.54	\$22.54	0.00%	\$22.54
Benefit Zone 2 ¹	\$80,875.44	699.00	\$116.00	\$116.00	0.00%	\$116.00
Benefit Zone 4	\$93,609.68	514.00	\$204.28	\$210.41	3.00%	\$182.12
Benefit Zone 6	\$314,465.15	4,610.25	\$68.21	\$68.21	0.00%	\$68.21
Benefit Zone 7	\$78,793.00	1,432.60	\$55.00	\$55.00	0.00%	\$55.00
Benefit Zone 10	\$2,139,262.93	3,429.90	\$674.73	\$688.23	2.00%	\$623.71
Benefit Zone 14 ²	\$588,663.32	2,305.50	\$281.74	\$287.38	2.00%	\$255.33
Benefit Zone 15	\$27,555.68	383.25	\$106.90	\$106.90	0.00%	\$71.90
Benefit Zone 17	\$22,110.00	201.00	\$110.00	\$110.00	0.00%	\$110.00
Benefit Zone 18 ³	\$35,980.00	359.80	\$100.00	\$100.00	0.00%	\$100.00
Benefit Zone 19 ⁴	\$465,444.00	3,694.00	\$126.00	\$126.00	0.00%	\$126.00
Benefit Zone 20	\$1,068,698.21	2,573.75	\$458.18	\$467.35	2.00%	\$415.23

¹ The Estimated Charge does not include the \$209 of General Benefit.
² The Estimated Charge does not include the \$767 of General Benefit.
³ The Estimated Charge does not include the \$383 of General Benefit.
⁴ The Estimated Charge does not include the \$29,823 of General Benefit.

Executed this 5th day of June 2024.

FRANCISCO MARTINEZ JR
PROFESSIONAL CIVIL ENGINEER NO. 84640
ENGINEER OF WORK
CITY OF CORONA
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was filed with me on the _____ day of _____, 2024, by adoption of Resolution No. 2024-___ by City Council.

CITY CLERK
CITY OF CORONA
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was approved and confirmed by the City Council of the City of Corona, California on the _____ day of _____, 2024.

CITY CLERK
CITY OF CORONA
STATE OF CALIFORNIA

The actual assessment and the amount of the assessment for the Fiscal Year 2025 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are referenced in Appendix A of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report. If any APN identified therein is submitted for collection and identified by the County Auditor/Controller of the County of Riverside to be an invalid parcel number for any fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

The District boundary coincides with the boundary of the parcels included within the District as of the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Reference is made to the County Assessor's Roll and Maps for a detailed description of the lines and dimensions of any lot or parcel. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

An Assessment Diagram for each Zone is attached hereto in Appendix B, showing the boundaries of LMD No. 84-2 and the boundaries of each Benefit Zone established within the District as the same existed at the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Appendix C:

Capital Improvement Projects

The Community Services Department is developing a master plan for each zone that would include capital projects, operational activities, and revenue requirements to meet the objectives and service levels desired. Revenue requirements are set to cover annual operating costs and build reserves over time to perform focused capital replacements year over year, or large capital replacements in one anticipated year. Projects will be brought before City Council for approval as they are developed through the master plan. Zone specific projects are listed below:

Zone 1 Capital Project

The City will be installing new backflow device, irrigation time, and additional plants and trees to soften the DG strips adjacent to Lincoln Avenue.

Zone 4 Capital Project

The City will install new plant material where the previous material did not take and apply new mulch to the area.

Zone 10 Capital Projects

The first-year landscape renovation project in Zone 10 was completed by the end of the Fiscal Year 2018. This project renovated approximately 125,000 square feet of landscaping for Year 1 of Zone 10's ten-year capital improvement plan.

Additionally, the City contracted with Ninyo & Moore, a geotechnical and environmental sciences consulting firm, to further examine several slope areas in Zone 10, Areas 55, 89, and 272. These areas were previously observed to have some surficial slope erosion and damage to concrete drainage ditches which required more investigation. After receiving the report from Ninyo & Moore, the City focused on an area behind two homes located along Dominguez Rancho Road based on Ninyo & Moore's findings. The City subsequently requested a more detailed report, including soils sampling and testing, focused on this area from a company named GeoTek, Inc. GeoTek's findings indicate that future remediation actions will be necessary on the slope in this area, however, the slope itself at its base is stable. The City is currently working with an engineering design firm, Hunsaker and Associates, for design services based upon GeoTek's recommendations. Cost estimates are unavailable at this time, since the final design solution is unknown.
