

ORDINANCE NO. 3400

AN ORDINANCE OF THE CITY OF CORONA, CALIFORNIA APPROVING A CHANGE OF ZONE FROM MOBILE HOME PARK (MP) TO GENERAL COMMERCIAL (C3) ON 0.59 ACRES LOCATED ON THE NORTH SIDE OF SECOND STREET, APPROXIMATELY 450 FEET WEST OF BUENA VISTA AVENUE AND A CHANGE OF ZONE FROM MOBILE HOME PARK (MP) TO MULTIPLE FAMILY RESIDENTIAL (R3) ON 4.01 ACRES LOCATED AT THE SOUTHWEST CORNER OF BUENA VISTA AVENUE AND SECOND STREET (CZ2023-0006).

WHEREAS, on July 8, 2024, the Planning and Housing Commission of the City of Corona (“Planning Commission”) conducted a duly noticed public hearing and recommended that the City Council of the City of Corona (“City Council”) approve a change of zone (“Change of Zone”) of approximately 0.59 acres located on the north side of Second Street, approximately 450 feet west of Buena Vista Avenue (“Second Street Property”), from Mobile Home Park (MP) to General Commercial (C3) and 4.01 acres located at the southwest corner of Buena Vista Avenue and Second Street (“Buena Vista Property”) from Mobile Home Park (MP) to Multiple Family Residential (R3) (CZ2023-0006); and

WHEREAS, in connection with the approval of GPA2023-0004, an amendment to the City’s General Plan to change the land use designation on the Second Street Property from High Density Residential to General Commercial, which is being reviewed concurrently with this Change of Zone, the City Council approved a Mitigated Negative Declaration (“MND”) and Mitigation Monitoring and Reporting Program, which were prepared pursuant to California Environmental Quality Act (Public Resources Code Section 21000 et seq.) (“CEQA”), the State CEQA Guidelines and the City of Corona Local CEQA Guidelines and which included an analysis of the environmental impacts of this Change of Zone. The MND indicated that all potential environmental impacts from this Change of Zone were less than significant or could be mitigated to a less-than-significant level; and

WHEREAS, the Planning Commission based its recommendation to approve the Change of Zone on certain conditions of approval, the findings set forth below and adoption of the MND; and

WHEREAS, on August 7, 2024, the City Council conducted a duly noticed public hearing at which all persons wishing to testify in connection with the Change of Zone were heard and the Change of Zone was comprehensively reviewed.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CORONA, DOES ORDAIN AS FOLLOWS:

SECTION 1. CEQA Findings. As the decision-making body for this Change of Zone, the City Council has reviewed and considered the information contained in the MND, the initial study and the administrative records for this Change of Zone, including all written and oral evidence provided during the comment period. Based upon the facts and information contained in the MND, the initial study and the administrative record, including all written and oral evidence presented to the City Council, the City Council finds that all environmental impacts of this Change of Zone are either less-than-significant or can be mitigated to a level of less-than-significance pursuant to the mitigation measures outlined in the MND, the Mitigation Monitoring and Reporting Program, and the initial study.

SECTION 2. Change of Zone Findings. Pursuant to Corona Municipal Code (“CMC”) section 17.104.120 and based on the entire record before the City Council, including all written and oral evidence presented to the City Council, the City Council hereby makes and adopts the following findings:

A. This proposed Change of Zone is in conformity with the General Plan map and text for the following reasons:

(i) CZ2023-0006 is consistent with companion application GPA2023-0004 which proposes to amend the General Plan land use designation on the Second Street Property to GC (General Commercial) to establish consistency with the General Commercial (C3) zone because both classifications are intended for commercial land uses.

(ii) CZ2023-0006 is consistent with the General Plan land use designation of High Density Residential on the Buena Vista Property because the Multiple Family Residential (R3) zone is also intended for multiple family development that allows a maximum density of 36 du/ac.

(iii) CZ2023-0006 is consistent with General Plan Land Use Policy LU-4.3 because it will facilitate the development of vacant lands on the periphery of existing development that complements the scale and pattern of existing uses and will result in the logical and feasible extension of infrastructure because commercial land uses and public infrastructure exist in the vicinity of the project site.

(iv) CZ2023-0006 is consistent with General Plan Land Use Policy LU-7.1 because it will accommodate the development of a diversity of residential housing types on the Buena Vista Property that meet the needs of Corona’s population in accordance with the Land Use Plan’s designations, applicable density standard and design and development policies and the adopted Housing Element.

B. The Subject Property is suitable for the uses permitted in the R-3 (Multiple Family Residential) and C-3 (General Commercial) zones in terms of access, size of parcel, relationship to similar or related uses for the following reason:

(i) The Second Street Property and the Buena Vista Property are remnant

parcels from a freeway widening project and CZ2023-0006 will change the zoning to be consistent with the zoning on adjacent parcels to support the consolidation of parcels for future development under the C3 and R3 zones.

C. This proposed Change of Zone is necessary and proper at this time and is not likely to be detrimental to the adjacent property or residences for the following reasons:

(i) CZ2023-0006 will establish consistency with the General Plan land use designation of HDR on the Buena Vista Property.

(ii) CZ2023-0006 will allow development that is consistent with the commercial and residential zoning and existing uses in the vicinity of the project site.

D. This proposed Change of Zone is in the interest of the public health, safety, necessity, convenience and general welfare and in accordance with good zoning practice for the following reason:

(i) CZ2023-0006 will allow for an extension of the existing zoning on properties adjacent to the Second Street Property and the Buena Vista Property, which will result in future development using the same development standards as those that already exist in the surrounding area.

SECTION 3. Approval of Change of Zone (CZ2023-0006). CZ2023-0006 is hereby approved to change 0.59 acres of real property located on the north side of Second Street, approximately 450 feet west of Buena Vista Avenue, as described and depicted in Exhibit “A” attached hereto and incorporated herein by reference, from Mobile Home Park (MP) to General Commercial (C3), as described in Chapter 17.33 of Title 17 of the Corona Municipal Code; and to change 4.01 acres of real property located at the southwest corner of Buena Vista Avenue and Second Street, as described and depicted in Exhibit “B” attached hereto and incorporated herein by reference, from Mobile Home Park (MP) to Multiple Family Residential (R3) as described in Chapter 17.24 of Title 17 of the Corona Municipal Code.

SECTION 4. Modification of Zoning Map. The Planning and Development Director shall modify the Official Zoning Map of the City of Corona in accordance with this Ordinance to indicate thereon the zoning applicable to the Second Street Property and the Buena Vista Property as set forth on the map attached as Exhibit “C” attached hereto and incorporated by reference.

SECTION 5. Custodian of Records. The documents and materials that constitute the record of proceedings on which the findings set forth in this Ordinance have been based are located at the City of Corona City Hall, 400 S. Vicentia Avenue, Corona, California 92882. The custodian for these records is Joanne Coletta, Planning and Development Director.

SECTION 6. Effective Date of Ordinance. The Mayor shall sign this Ordinance and the City Clerk shall attest thereto and shall within fifteen (15) days of its adoption cause it, or a

summary of it, to be published in a general circulation newspaper in the City of Corona. This Ordinance shall take effect and be in force 30 days after its adoption.

PASSED, APPROVED AND ADOPTED this 21st day of August, 2024.
