Mr. Steve Rosko
2003 Aviation Drive unite 1
Corona CA 92880

Dear Mr. Rosko:

We are requesting permission to operate By Josh Aircraft Interiors an Aircraft Upholstery business at Corona Municipal Airport, located at 1989 Aviation Drive Hanger #5, Corona CA 92880. This is a general partnership and would provide the Following services: complete aircraft interiors from recovering headliners, side panels, seats, window frames, replacing of carpet and any refurbishing work that an aircraft needs. The rate charged for the above services is \$85.00 per hour.

We have over 16 years experience in aircraft upholstery and interior removal and installation.

We agree to abide by the Airport, City of Corona and Army Corps of Engineers, rules and regulations and will obtain a business license and comply with the insurance requirements, listing Corona Executive Hangers, the City of Corona, and the Army Corps of Engineers as additionally insured. Upon written approval from the City council and the Army Corps of Engineers, We will request a letter of authorization from the Airport Manager to obtain a City of Corona business license.

Sincerely,

Dorothy Reyes
