

# City Park Revitalization Project – Final Design Presentation

Moses Cortez

Facilities, Parks & Trails Manager

# The Ask...

That the City Council provide feedback on the City Park Revitalization Project final design concept.

# Strategic Plan

## Our Vision

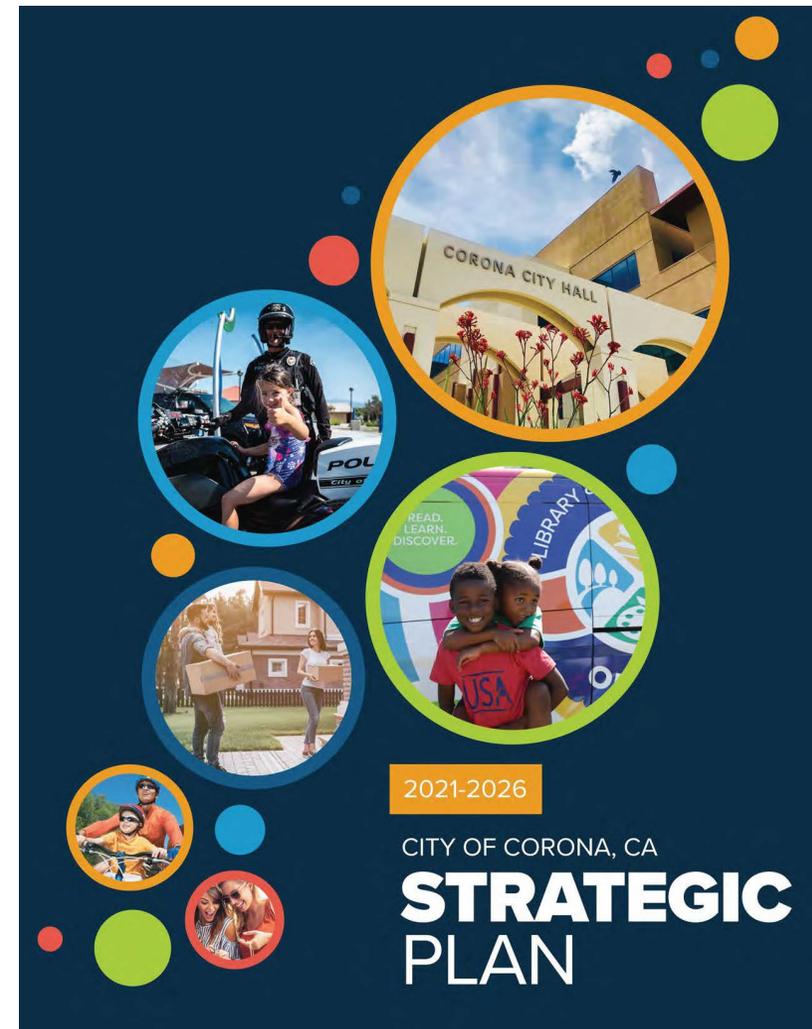

The City of Corona will be a safe, vibrant and family-friendly community.

## Our Purpose

Create a community where everyone can thrive.

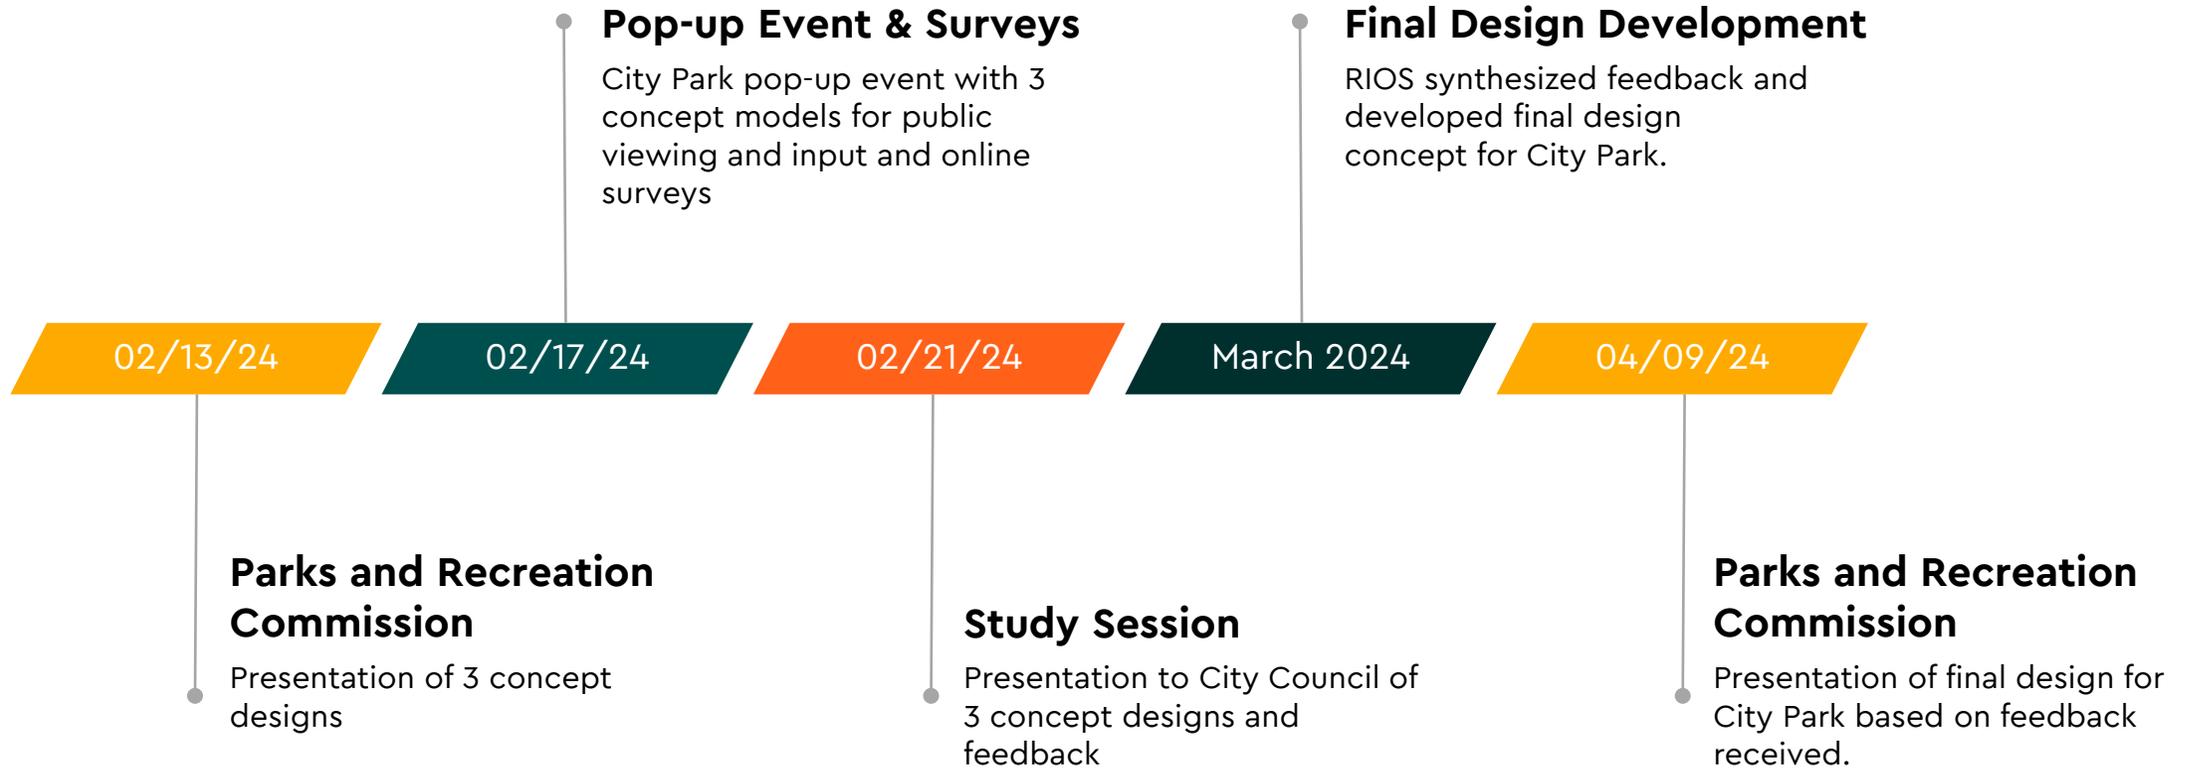

## Objective

Redevelop City Park, including a new full-service, purpose-built community center.

# Process to Date

## Concept 1

# The Crown

### Likes

- The building is a crown!
- Observation deck
- Large central area
- Amphitheatre design
- Parking close
- Pool by the plunge building
- Organized use of space – best layout
- Kids play area near sports
- Good flow of design
- Circular, historic – represents Corona
- Building on east end
- Walking paths

### Dislikes

- Wasted open space – too much grass
- Boring looking
- Small botanical gardens
- Separated play areas
- Needs more restrooms
- Needs more walking paths
- Pool looks too small
- Play area too close to 6<sup>th</sup> street
- Modern building
- Needs BBQ areas

## Concept 2

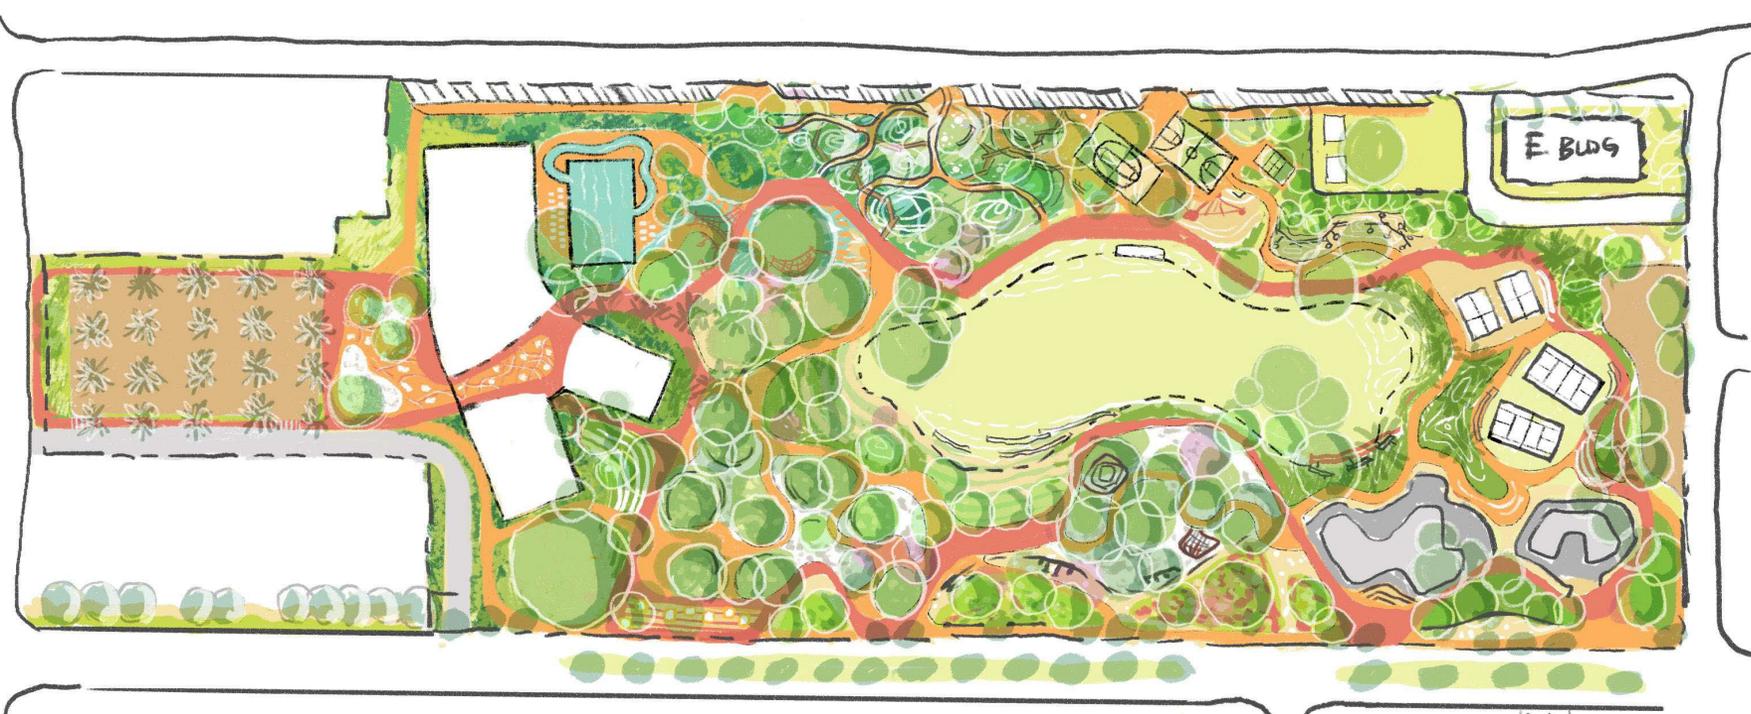

# Flowering Fields

### Likes

- The layout is a flower!
- The gardens
- Parking on both sides
- Community center closer to the center
- Play area centralized
- Everything close to each other
- Different wings of the building
- Lots of BBQ areas
- Drop off area

### Dislikes

- Small spaces
- No clear walking or running trail
- Loud is close to quiet
- Too much going on – crowded
- Fewer sports opportunities
- 2 skate parks?
- Garden near the pool
- How hard to maintain?

### Concept 3

## Wonderloop

### Likes

- Walking loop!
- Nature
- Everything spread out
- Picnic area near water play
- Flowing design
- Something for everyone

### Dislikes

- Parking not spaced out
- Uninspiring building
- No space for a concert or soccer game
- Everything spread out
- Feels small and crowded
- Location of community center
- No real quiet space
