WHEREAS, Ordinance 3347 and Government Code Section 7072 also require the Corona Police Department, within 30 days of submitting and publicly releasing the 2022 Annual Report, to hold at least one well-publicized and conveniently located community engagement meeting, at which the general public may discuss and ask questions regarding the annual military equipment report and the law enforcement agency's funding, acquisition, or use of military equipment;

WHEREAS, the Corona Police Department released its 2022 Annual Report on April 20, 2023 and is holding its community engagement meeting in compliance with Government Code Section 7072 during the City Council meeting of May 3, 2023; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Corona, California as follows:

SECTION 1. 2022 Annual Report – Submission & Public Release. The City Council hereby acknowledges the submission and public release of the Corona Police Department 2022 Annual Military Equipment Report (Policy 709 & AB 481) attached hereto as Exhibit “A” and incorporated herein by reference (“2022 Annual Report”).

SECTION 2. 2022 Annual Report – Continuous Website Public Availability. The 2022 Annual Report shall be made publicly available on the City’s website for as long as the military equipment is available for use.

SECTION 3. Ordinance 3347 – Findings for Renewal. Based on the 2022 Annual Report, as well as the entire record before the City Council and all written and oral evidence presented to the City Council, the City Council hereby finds and determines that each type of military equipment identified in the 2022 Annual Report has complied with the following

standards for approval set forth in Government Code Section (d)(1):

A. The military equipment identified in the 2022 Annual Report is necessary because there is no reasonable alternative that can achieve the same objectives of officer and civilian safety.

B. The 2022 Annual Report and Policy 709 will safeguard the public's welfare, safety, civil rights, and civil liberties.

C. Any equipment identified in the 2022 Annual Report and proposed to be purchased pursuant to Policy 709 is reasonably cost effective compared to available alternatives that can achieve the same objectives of officer and civilian safety.

D. Military equipment used in 2022 complied with Policy 709 and/or the military equipment use policy that was in effect at the time, or if such uses did not comply with the military use policy, corrective action has been taken to remedy nonconforming uses and ensure future compliance.

SECTION 4. Ordinance 3347 – Renewal. Based on the 2022 Annual Report, as well as the entire record before the City Council and all written and oral evidence presented to the City Council, the City Council hereby renews Ordinance 3347.

SECTION 5. Ordinance 3347 – Continuous Website Public Availability. Ordinance 3347 shall remain publicly available on the City's website for as long as the military equipment is available for use.

SECTION 6. Community Engagement Meeting. Based on the entire record before the City Council and all written and oral evidence presented to the City Council, the City Council hereby finds that the meeting at which this Resolution was considered satisfies the requirement to timely hold at least one well-publicized and conveniently located community engagement meeting, at which the general public may discuss and ask questions regarding the 2022 Annual Report and the Corona Police Department's funding, acquisition, or use of military equipment.

SECTION 7. California Environmental Quality Act. This Resolution is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the common-sense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This action simply acknowledges the submission and public release of the 2022 Annual Report and renews Ordinance 3347, and there is no possibility that adopting this Resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

SECTION 8. Severability. If any section, subsection, subdivision, sentence, or clause or phrase in this Resolution or any part thereof is for any reason held to be unconstitutional, invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Resolution or any part thereof. The City Council hereby declares that it would have adopted each section irrespective of the fact that any one or more subsections, subdivisions, sentences, clauses, or phrases are declared unconstitutional, invalid, or ineffective.

SECTION 9. This Resolution shall take effect immediately upon its adoption.
