To Whom It May Concern:

We have been meeting with Rudy Franco in regards to his new Tennis Facility (A & F Tennis Center).

We are very excited to have such an elite facility available for the residents of Corona. It will give an opportunity to many who never would have had an experience with this sport.

The tournaments that will be scheduled there will invite spectators and competitors to our fine city, and we will be able to showcase one of the many wonderful aspects of our city.

When events are scheduled and there is a need for overflow parking, we at Santiago High School are very happy to accommodate A & F Tennis with limited use of our parking lot area (Chase lot).

If you have any questions please don't hesitate to call the Athletic Department at Santiago High School.

Sincerely,

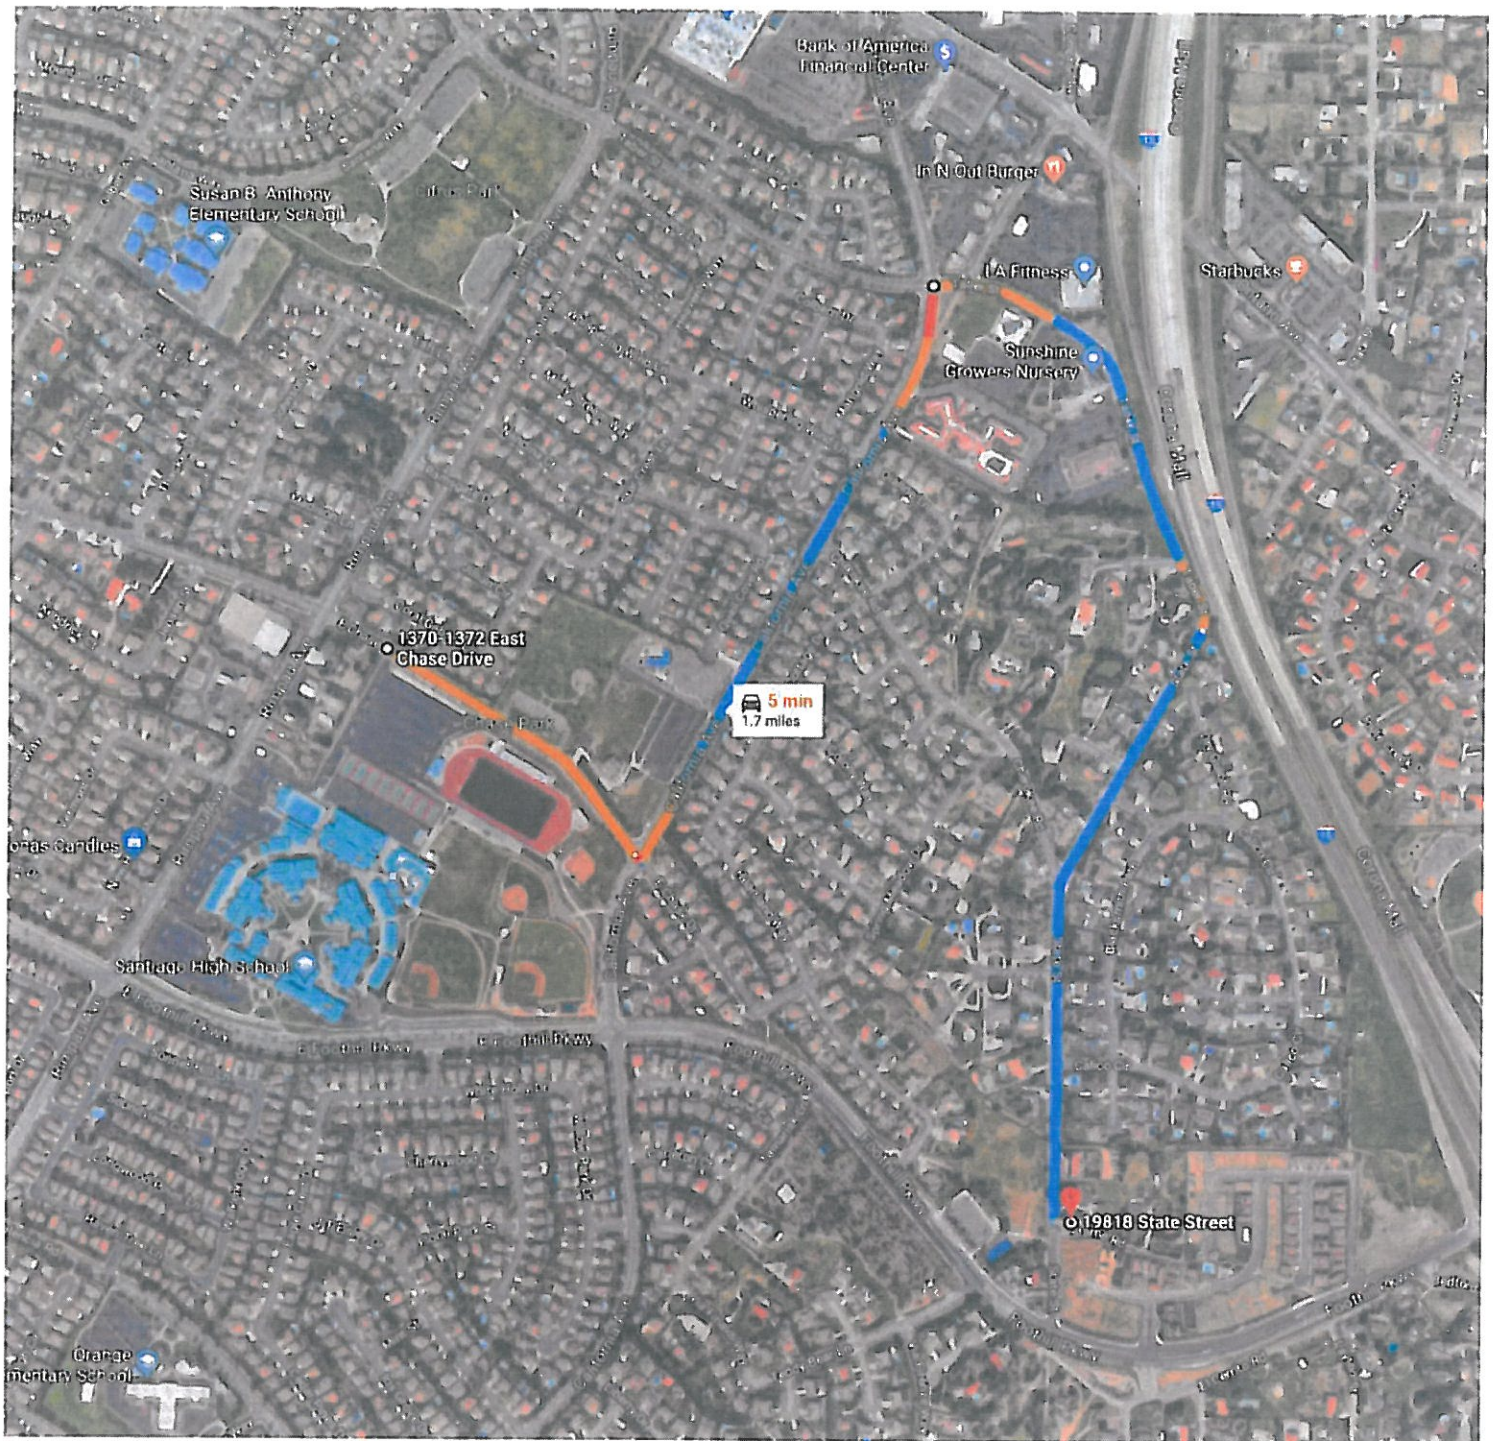

Stephen W. Mitchell
