Historic Lemon Tree Graft (Joy Park)

Update:

Graft was successful; trees should start to bud this spring.

Arbor Day 2019

❖ Arbor day will be observed April 26, 2019

Ideas:

- Partner with BSA on a park clean-up event and to plant a tree; possibly make it an Eagle Scout Project
- Partner with BSA and WCA on a tree planting day at Griffin Park and plant native trees in open areas
- Plant a tree at City Hall south lawn as the ceremonial “marker tree” to represent the City going to districts followed by planting a City-approved tree at a park within each district represented by each respective Council Member

Winter Ball Field Renovations

Completed for the following:

- Butterfield Park
- El Cerrito Park
- Mt Gate Park
- Santana Park (soccer fields as well)
- Eagle Glen
- Promenade Park

Winter Renovations Scope

- ▶ Level drag fields
- ▶ Check and adjust all irrigation
- ▶ Deep tine aerate turf
- ▶ Over seed with Perianal Rye seed
- ▶ Broadcast granular nitrogen based fertilizer
- ▶ Apply 80/20 top soil with mechanical dresser

Tree trim updates

- Trimmed 383 trees in January
- Completed 389 inches of tree removal in January
- Completed tree planting in December: 77 trees planted City wide
 - Next “planting list” will be planted in late March or Early April

Graffiti Removal:

- 121 Graffiti Service requests for January

Opening Day for Youth Leagues

- ▶ Conducted throughout February and early March for the various youth sports leagues
- ▶ Parks staff will be proactively power washing and removing any graffiti as well as ensuring fields are mowed, prepped and clean for opening day events
- ▶ Additionally, Parks will have staff work on all Opening Days to provide support and staff for successful events
