

AERIAL & ZONING MAP

Concerns raised from the February 11, 2019 meeting:

1. Existing 6-foot high block wall within the right-of-way at the southeast perimeter.
2. Potential impacts to nesting birds and burrowing owls during the unpermitted grading of the 0.61 acres (Parcel 1).
3. Potential impacts to cultural resources during the unpermitted grading of the 0.61 acres (Parcel 1).
