(Public Works Department)
Action: Information & Discussion

Attachments: [RTA Planned Service Changes for City of Corona Public Services Committee 080719](#)

Ms. Kristin Warsinski, Riverside Transit Agency (RTA), presented the Committee with an update of Fiscal Year 2020 Service Changes. Ms. Warsinski noted that RTA will have three planned services improvements: Route 12 extension, New Route 4 and Route 1 weekend services. Ms. Warsinski also noted that RTA has several new technology features including an advanced travel information system that will allow for riders to view arrival times via electronic bus signs and through the phone app. RTA will also be implementing electronic fare media. She also stated that the buses have charging ports and Wi-Fi for riders to utilize at no additional cost.

Mr. Joe Morgan, Resident, inquired if any of the existing RTA stops will be removed. RTA staff responded that no existing stops will be eliminated, changes are only to increase the number of stops and routes to current schedules.

Ms. Creiselda Thompson, Starting Over Inc., inquired about public input and request for new routes or stops. RTA staff noted that they accept and welcome public input year-round and evaluate and process all request for the beginning of a new fiscal year. RTA also stated that they work closely with City staff to ensure all requests and residents' concerns are addressed.

The Committee thanked RTA and staff for the update.

B. [19-0710](#) Update on New Recreation Software Vendor.
(Library and Recreation Services)
Action: Information & Discussion

Mr. Jason Lass, Recreation Services Manager, provided the Committee with an update on the new proposed recreation software. Mr. Lass noted the reason for the change is to provide the best customer services to residents. Mr. Lass provided the Committee with cost comparison for the current and proposed software. He also provided a functionality comparison noting the benefits that the new software will be providing compared to the current software. Mr. Lass stated that the update will also be presented at a future Parks and Recreation Commission meeting.

The Committee thanked staff for the update and are in favor of moving forward with the new software.
