The Certificate of Achievement Program Special Review Committee (SRC) has completed its review of your comprehensive annual financial report (CAFR). Listed below are the grading categories used and a summary of the SRC's evaluation of your CAFR. The detailed comments and suggestions for reporting improvements on the attached listing are grouped under similar grading categories. Any category which received a grade of "Needs Significant Improvement" indicates an area of particular concern to the SRC and the related comments and suggestions for improvement in this category should be given special attention. An indication is provided on the list by the specific comments(s) or category(ies) that were the cause of receiving this grade. For each item, the notation also states whether it is 1) the basis or part of the basis for the CAFR not receiving the Certificate of Achievement, 2) a serious deficiency which will almost certainly preclude the awarding of the Certificate of Achievement if it is not corrected in your next CAFR, or 3) a deficiency, that if not corrected in future CAFRs, could result in the Certificate of Achievement not being awarded.
