Do you wait all year for Osseo's summer Music and Movies in the Park events? Do you like to catch a ride on the Osseo Trolley and want to help cover the cost of offering this service? Are you interested in supporting new youth and family programming, or the downtown flower baskets in the City of Osseo?

Please consider making a donation to the City's Community or Beautification Funds. None of these programs would be possible without the generous support of Osseo's businesses and residents. Special community events and beautiful downtown landscaping in Osseo are made possible by generous donations from businesses, individuals, and volunteers. The City will recognize your contribution in various ways, as described in [this brochure](#).

Payments can be made by check and mailed to 415 Central Avenue, Osseo, MN 55369. Faxed and in-person [credit card payments](#) are accepted, and cash donations can be made in person at City Hall. For a mailed or faxed donation, you can download a [City Donation Form](#) to accompany your donation.

Donations will be acknowledged at a City Council meeting and in the quarterly newsletter, the [Osseo Outlook](#), unless otherwise specified. Funds can be offered in Honor or Memory of a loved one. Unless otherwise specified, donations will be placed in the Community Fund and will be used where most needed.

Thanks for supporting the City of Osseo!

Santa Fe River Fund Donation

The river and its watershed are made up of the main course of the Santa Fe River, plus all of the streams, arroyos, and water courses that flow into it. As the river flows through a developed, urban environment, the watershed gathers all of the waters that flow from the streets, parking lots, buildings, vacant lots and all of the front and back yards of the City. The entire watershed covers about 285 square miles; everything within the area flows to, and is a part of, the river system.

In April of 2007, the [Santa Fe River](#) was named America's Most Endangered River by American Rivers. A Washington, D.C. based advocacy group. In June 2007, the New Mexico Heritage Preservation Alliance named the Santa Fe River as one of the state's twelve (12) most endangered places.

Your contributions to the Santa Fe River Fund will be used for projects that improve the flow in the Santa Fe River in ways that enhance the river's ecosystem and its riverbank

Urban Forestry

Donations

Donate to Urban Forestry

Spokane's Urban Forest belongs to everyone.

There are several ways that you can support Spokane Urban Forestry. You can donate through the following programs:

- [City Utility Bill](#) (PDF 2 MB): This is the newest option for donation. Click the link to see the insert that you will see in your City utility bill. You can add an amount to your City utility bill that will go straight to urban forestry to aid in planting and maintenance of public trees.
- **Tree of Life:** Purchasing the tree and its installation - \$350.00
 - Make a \$350 donation by sending us a check, made payable to City of Spokane Urban Forestry.
 - Schedule the planting - Contact City Arborist Jeff Perry to coordinate the planting and arranging of the event, including species and location options. He can be reached at 509.363.5495 or jperry@spokanecity.org.
 - Planting three trees qualifies you for a leaf plaque on the Tree of Life sculpture in City Hall.
 - **OPTIONAL** - If the donors/organizers would like, they can contact [Nancy MacKerrow](#) to include this tree in [The Susie Forest](#).
- [The Susie Forest](#): Susie Forest trees are planted as living memorials, as dedications to special persons, or tailored to other occasions and events.
