Question and Answer:

No. 1 Question: "In you RFP, you state 'The contract term shall be effective on or about July 6, 2020 through June 30, 2023.' In order to take advantage of a 36-month contract, the start and termination dates need to match a 36-month timetable as required by the manufacturer. Would the City prefer a July 6, 2020 through July 6, 2023 term in order to meet that timetable?"

Response: The City is prepared to accept a 36-month term per the manufacturer requirements.

No. 2 Question: "Will the bidder be disqualified if they do not sign the 'Acknowledgment of the City of Corona Purchase Order Terms and Conditions'? If the Purchaser Order Terms and Conditions are not acceptable, are there any means to take exception to those terms, including by way of proposing Bidder's standard Terms and Conditions to govern the transaction?"

Response: As stated in Section IV "Bid Content and Forms", subsection C. "Modifications of Bids" – "Unauthorized additions, modifications, revisions, conditions, limitations, exclusions or provisions attached to a Bid may render it non-responsive and may cause its rejection. Bidders shall neither delete, modify, nor supplement the printed matter on the Bid Forms, nor make substitutions thereon."
