All Funds, Revenue

As the City prepares for Fiscal Year 2022, COVID-19 pandemic restrictions are loosening and potentially coming to an end. With those changes, there are opportunities for economic growth in the City's finances as well as for businesses in the local community. In addition, Measure X was approved by voters in November 2020. Measure X is effective on July 1, 2021 and will increase the sales tax in Corona by 1%, providing an estimated \$30 million in recurring General Fund revenues.

As with prior years, the General Fund makes up the largest portion of the estimated revenues for the fiscal year. Property and Sales Tax are the two largest revenue categories within the General Fund, with a combined total of 73.5% of General Fund revenues. Reference the General Fund Budget Overview for details.

The second largest portion of the total revenues is the Enterprise Funds. These are funds that are more business-like in nature and include the activities of the utilities, airport, and transit services. Within this group, the utility revenues total the greatest share. They account for charges for services for each of the City's utilities – water, water reclamation (sewer), reclaimed water, and electric. The decrease in FY 2022 estimates over FY 2021 projections is primarily from one-time grant revenues and development related activity projected in FY 2021.

Special Revenue Funds and Internal Service Funds make up the third and fourth largest components of total revenues. The Special Revenue Funds, totaling \$36.8 million, include the Residential Refuse/Recycling Fund, Measure A, Gas Tax, RMRA Fund, in addition to multiple special taxing district funds. The Internal Services Fund revenues total \$22.1 million. These funds account for services provided between departments such as fleet operations, warehouse, and information technology.

All Funds, Expenditures

The Fiscal Year (FY) 2022 Proposed Budget includes funding of \$364.7 million. The budget represents a 6.2% increase, or \$21.4 million, as compared to the Adopted Budget for FY 2021. There are increases of \$14.9 million in Capital Improvement Projects, \$8.3 million in Materials and Supplies, \$4.8 million in Personnel costs, and \$3.4 million in Contractual Services. There are decreases of \$6.3 million for Debt Service and \$3.5 million for Capital Outlay items. Additional information on these changes is provided in the following pages.

Expenditure Type	Actuals FY 2019	Actuals FY 2020	Adopted FY 2021	Proposed FY 2022	Change FY 2021 to FY 2022
Personnel	\$ 125,221,318	\$ 129,340,103	\$ 131,724,126	\$ 136,502,419	\$ 4,778,293

Year over year change (%)		3.8%	-3.60%	6.2%	

Changes for FY 2022:

Personnel – Increase of \$4.8 million compared to Adopted FY 2021

- The Personnel budget was prepared based on current approved resolutions and Memorandum of Understanding (MOU) agreements for all groups.
- The proposed budget includes a total of 75.22 additional FTE (61 Full-Time and 14.22 Part-Time) from Service Change Requests for new positions, title changes, and reorganizations. The positions are included based on discussions at the budget workshops and City Council meetings. Reference the 'Summary of Citywide Positions' and 'Schedule of Recommended Funding Items' for the listing of personnel changes.

- The annual budget for pension costs is based on actuarial reports received from CalPERS. There are two components to the annual contribution – normal cost and unfunded accrual liability (UAL). In Fiscal Year 2022, the City’s combined contribution towards the CalPERS pension liability totals \$30.6 million. The City had previously developed a plan to make additional annual payments to CalPERS. The City has changed direction and is moving forward with a plan to issue pension obligation bonds early in FY 2022, with a goal of achieving long-term savings for the City. The issuance of pension obligation bonds is estimated to save the City over \$100 million as compared to the current amortization schedule for the pension obligations.
- The budget for Other Post Employment Benefits (OPEB) is based on the current actuarial report which is an increase of \$152,919 as compared to the FY 2021 Adopted Budget.
- A vacancy factor has been included for the General Fund, Internal Service Funds and DWP funds. There is generally savings at the end of each fiscal year based on vacancies from attrition and other personnel related changes. Instead of budgeting 100% of the positions, a vacancy factor has been applied to FY 2022 to account for the savings at the beginning of the budget process. This is the fifth year using this type of adjustment. The savings will continue to be monitored to determine if adjustments are needed throughout the year. The rates were determined using a lookback period of five years. The rates were also reviewed to look at the activity in each department separately.
 - Vacancy factor applied: Sworn – Fire 0.32%
 - Vacancy factor applied: Sworn – Police 0.48%
 - Vacancy factor applied: Non-Sworn DWP 7.8% and Non-Sworn other departments 2.0% (average – each department was applied an individual rate).
- The minimum wage is increasing to \$15.00 per hour effective in January 2022.

Effective Dates /Hourly Rates		
January 2017 - \$10.50	January 2018 - \$11.00	January 2019 - \$12.00
January 2020 - \$13.00	January 2021 - \$14.00	January 2022 - \$15.00

Services/Supplies – Increase of \$8.0 million compared to Adopted FY 2021

- There were multiple supplemental funding items, or service change requests added to the services-supplies expenditure category through the budget process. Reference the ‘*Schedule of Recommended Funding Items*’ for details.

- In the General Fund, the net increase is \$4.5 million. The increase includes \$1.6 million for internal service charges which covers motor pool and information technology charges, \$0.5 million for professional and contractual services, \$0.4 million for insurance premiums, and \$0.4 million for Utility costs.

Additionally, there are smaller increases and decreases which brings the total to a net increase of \$4.5 million.

- The Enterprise Funds have a net increase of \$3.6 million.
 - The Water Utility Fund is increasing by \$2.2 million. The largest increase in the Water Utility Fund is \$1.1 million, for raw and treated water purchases. Additionally, there is an increase of \$0.7 million for bad debt expense related to delinquent accounts due to the COVID-19 pandemic. Additional differences include an increase of \$0.6 million for internal service charges, an increase of \$0.3 million for contracted services, and a decrease of \$0.8 million for chemical costs.
 - The Water Reclamation Utility Fund has a net increase of \$1.0 million, primarily in the Materials and Supplies category. Increases in Materials and Supplies include \$0.4 million for bad debt expense related to delinquent accounts due to the COVID-19 pandemic, \$0.3 million for internal service charges, \$0.3 million for vehicle purchases, \$0.3 million chemical purchases, \$0.2 million for outside lab analysis, and \$0.2 million for Western Riverside County Regional Wastewater Authority (WRCRWA) contributions. Additionally, there is an increase of \$0.6 million in utility costs for natural gas and reclaimed water.
- The Internal Service Funds have an overall net decrease of \$0.8 million. There is an increase of \$1.9 million in the Information Technology Fund based on service adjustment requests reviewed and approved by the City Council through the budget process. The services/supplies budget in the Fleet Operations Fund is decreasing by \$3.2 million due primarily to an accounting change. The vehicle replacement budget was previously included in the operating budget but has been moved to the capital improvement project budget. There is an increase of \$0.6 million in the Liability Risk Retention Fund due to an increase in insurance premiums.
- The Special Revenue Funds have a net increase of \$0.8 million as compared to the Adopted FY 2021 Budget. The primary driver is an increase of \$0.5 million in the Refuse and Recycling Fund for contracted services. The increase in this line item is offset with additional revenues received from refuse and recycling customers within the City. The remainder of the increase comes from the Asset Forfeiture Fund, multiple community facility districts, landscape maintenance districts, and lighting maintenance districts.

Debt Service – Decrease of \$6.3 million compared to Adopted FY 2021

- The decrease in debt service is based on current debt service repayment schedules. The decrease over the last couple years is due to bond issuances that are refinanced or extinguished.

Capital Improvement Projects – Increase of \$14.9 million compared to Adopted FY 2021

- The increase in capital improvement projects is related to one-time capital projects. As compared to the FY 2021 Adopted Budget, there are changes in the following fund types:
 - General Fund: increase of \$6.4 million. The increase in one-time projects was made possible by the passage of Measure X in November 2020.
 - Enterprise Funds: increase of \$3.4 million. There is an increase of \$4.3 million in the Water Utility Fund and \$1.2 million in the Water Reclamation Utility Fund. There are also decreases of \$1.4 million in the Water Utility Grants/Agreement Fund, \$0.6 million in the Reclaimed Water Utility Fund, and \$0.6 million in the 2012 Water Revenue Bonds Project Fund.
 - Internal Service Funds: increase of \$3.3 million. The increase is largely due to an accounting change to move the vehicle replacement purchases from the operating budget to the capital improvements budget. The increase in the Fleet Operations Fund is \$2.6 million as compared to the adopted budget for FY 2021. In addition, there is an increase of \$0.6 million in the Information Technology Fund for service change requests approved through the budget workshops.
 - Special Revenue Funds: net decrease of \$2.7 million, with the primary change, \$2.6 million, in the Measure A Fund for capital projects related to road improvements.

For a full list of the capital improvements projects, reference the 'Capital Improvement Plan – Schedule of Estimated Carryover and New Funding, by Fund' for details.

Capital Improvement Plan Overview

Funding by Program

The Capital Improvement Plan (CIP) is a comprehensive list of numerous projects across the organization. Specifically, the Fiscal Year 2022 budget recommends a total investment of \$57.9 million, a \$14.9 million increase (34.7%), over Fiscal Year 2021. All programs with the exception of Water Reclamation increased over last year's investment. The largest dollar increase (\$5.0 million) is in the Streets and Storm Drains program, which includes projects such as the Annual Street Rehabilitation Project, Oak Avenue Street Widening, and the River Road Median Landscape Improvement. The second largest dollar increase (\$4.8 million) is in the Facilities, Systems and Community Assets program with projects such as the Electronic Document Management System, Fire Radios Replacement Program, Airport Facilities Improvements, Vehicle Procurement, Comprehensive Fire Station Assessment and Rebuild, Community Center Facilities Capital Improvements, and the Building Evaluation and Maintenance Plan. The Parks and Open Space budget also recommends an increase over last year in the amount of \$4.4 million, an increase of \$3.4 million. Projects within this program include: The Parks Master Plan, City Park Asphalt Remove and Replace, Demolition of the Armory Building at City Park, and the Park Amenities Replacement Phase I.

New CIP funding for Fiscal Year 2022 totals \$57,928,493 in the programs shown below.

Funding by Funding Source

The City utilizes multiple funding sources for its CIP program, including those that are legislatively set aside and committed to specific capital improvement projects, as well as other sources such as the General Fund and utility rates. The following is a summary of new funding (in millions) for Proposed Fiscal Year 2022.

Ten-Year History

Significant Capital Improvements

The following project summaries describe a few of the significant capital improvement projects proposed for Fiscal Year 2022.

PROJECT NUMBER 72780

1220 - ZONE BOOSTER PUMP STATION

PROGRAM Water

ADMINISTERING DEPARTMENT DEPT OF WATER AND POWER

PROGRAM CATEGORY Water - Quality, Supply and Storage

LOCATION Mabey Canyon Road

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

This project will construct 1220-Zone Booster Pump Station in Mabey Canyon Road in the vicinity of the Avenida del Vista potable water storage tank. In addition, it will remove from service and abandon the existing Mabey Canyon Booster Pump Station.

JUSTIFICATION

Currently, 1380-Zone potable water is delivered from the southeast side of Corona, creating significant head losses across the distribution system. A booster pump station is needed to pump water directly from the 1220-Zone distribution main in Foothill Parkway to serve the Skyline Development and fill a future 1380-Zone storage tank.

CURRENT STATUS

This project is planned for future years. This project will not begin work until the Skyline development begins.

OPERATING BUDGET IMPACT

This is not an existing facility within the City. The Department will begin to incur new operational and maintenance costs for the booster pump station. Typical maintenance costs include mechanical/electrical supplies and equipment, tank inspection and cleaning, etc.

GRANT AND OTHER FUNDING OPPORTUNITIES

There are no known grants or other funding opportunities.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

FUNDING SOURCE	EST. CARRYOVER FUNDING	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
570 - WATER UTILITY	500,000	4,000,000	-	-	-	-	4,500,000
TOTAL	500,000	4,000,000	-	-	-	-	4,500,000

FUNDING, BY FISCAL YEAR

FY 2022 FUNDING, BY FUND

Significant Capital Improvements (continued)

PROJECT NUMBER AUTO - 751

BORDER AND FAIRVIEW PARK PLAYGROUND EQUIPMENT

PROGRAM Parks and Open Space

ADMINISTERING DEPARTMENT COMMUNITY SERVICES

PROGRAM CATEGORY Playgrounds, Fencing, and Lighting

LOCATION Border and Fairview Parks

STRATEGIC PLAN GOAL Sense of Place: Build community through celebrating our rich heritage, increasing access to recreational and cultural activities, and improving the relationship between the City and residents.

DESCRIPTION

Demo existing playground equipment and install a new playground structure at Border and Fairview park.

JUSTIFICATION

The existing playgrounds have exceeded their lifecycle and in need of replacement. Funding in FY 22 is a priority as the parks will have ADA improvements completed in FY 22 and good opportunity to install new playground equipment with ADA compliant surfacing.

CURRENT STATUS

New project for FY 2022.

OPERATING BUDGET IMPACT

No operating budget impact associated with this project.

GRANT AND OTHER FUNDING OPPORTUNITIES

No grants or other funding opportunities for this project.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

FUNDING SOURCE	EST. CARRYOVER FUNDING	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
110 - GENERAL FUND	-	250,000	-	-	-	-	250,000
TOTAL	-	250,000	-	-	-	-	250,000

FUNDING, BY FISCAL YEAR

FY 2022 FUNDING, BY FUND

Significant Capital Improvements (continued)

PROJECT NUMBER 62400

CITY FIRE STATIONS CAPITAL IMPROVEMENTS

PROGRAM Facilities, Systems and Community Assets

ADMINISTERING DEPARTMENT MAINTENANCE SERVICES

PROGRAM CATEGORY City Facility Improvements and Upgrades

LOCATION Fire Station #1, #2, #3, #4, #5, #6, #7

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

A Capital Improvement Project (CIP) dedicated to the maintenance and repair of Fire Stations throughout the City. FS#2 Exterior Ladders: This project would install two exterior safety ladders at Fire Station #2. FS#3 Roof Replacement: The fire station has a roof that leaks badly during the winter wet periods. The resulting damage to the fire station continues to increase the total cost of station repair. Consequently, the resulting mold either displaces Fire Department employees or leads to offsite City-paid dining and other living expenses. FS#7 Repair Sewer Lateral: Fire Station #7 is experiencing sewer lateral issues.

JUSTIFICATION

This project ensures that the various Fire Stations throughout the City are kept in good condition. If maintenance projects are deferred, the City may incur larger maintenance projects. FS#2 Exterior Ladders: This is a safety concern for staff and contractors. FS#3 Roof Replacement: Continued damage to recently repaired or station improvements. In many cases, the leaks have gone undetected for years, and the resulting mold problem leads to costly repairs, crew displacements, extended response times to emergency incidents and potential health risks to our city employees. FS#7 Repair Sewer Lateral: There are excessive call outs to repair sewer lateral due to back ups.

CURRENT STATUS

The currently approved project is the FS#1, #2, and #3 main door replacement. Work on this project to begin in January 2021.

OPERATING BUDGET IMPACT

Completing these projects will reduce the number of high costing maintenance projects. FS#3 Roof Replacement: If this project is not completed, the City may incur significant maintenance costs in the future. However, if completed, corrective maintenance costs for roof repairs may decrease. FS#7 Repair Sewer Lateral: Staff would spend less time addressing FS#7 sewer lateral calls and can address other issues.

GRANT AND OTHER FUNDING OPPORTUNITIES

No grants or other funding opportunities.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

FUNDING SOURCE	EST. CARRYOVER FUNDING	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL

Significant Capital Improvements (continued)

PROJECT NUMBER AUTO - 796

COMPREHENSIVE FIRE STATION ASSESSMENT & REBUILD/REMODEL

PROGRAM Facilities, Systems and Community Assets

ADMINISTERING DEPARTMENT FIRE

PROGRAM CATEGORY City Facility Improvements and Upgrades

LOCATION Citywide

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

Comprehensive Fire Station Assessment & Rebuild/Remodel Plan

JUSTIFICATION

Several of the City's fire stations are over 50 years old and in need of extensive rehabilitation or replacement. In order to evaluate and prioritize the facilities requiring improvement, an outside vendor is required. This vendor will be responsible for conducting a comprehensive assessment and survey of the City's fire facilities.

CURRENT STATUS

New project beginning in 2022.

OPERATING BUDGET IMPACT

No operating budget impact. This project is an assessment of the fire stations and will determine the future costs to rebuild/remodel stations.

GRANT AND OTHER FUNDING OPPORTUNITIES

No grants or other funding opportunities.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

FUNDING SOURCE	EST. CARRYOVER FUNDING	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
110 - GENERAL FUND	-	400,000	-	-	-	-	400,000

Significant Capital Improvements (continued)

PROJECT NUMBER AUTO - 793

SELF-CONTAINED BREATHING APPARATUS (SCBA)

PROGRAM Facilities, Systems and Community Assets

ADMINISTERING DEPARTMENT FIRE

PROGRAM CATEGORY Community Assets and Programmatic Projects

LOCATION Citywide

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

Self-Contained Breathing Apparatus (SCBA) replacement program (Phase I of II).

JUSTIFICATION

The self-contained breathing apparatus are at the end of their life cycle and are no longer supported by their manufacturer. The new equipment will meet the National Fire Protection Association's current standard for 5,500 PSI breathing air capacity, thus increasing firefighter safety and productivity.

CURRENT STATUS

New Project. Funding requested in prior year and deferred for one year. Phase I will be completed in FY 2022. Phase II will be completed in FY 2023.

OPERATING BUDGET IMPACT

The purchase of new replacement SCBA equipment will not impact the fire department's operating budget. This project is replacing existing equipment and will not require additional operating and maintenance costs beyond what is currently expended on equipment. Currently, the department is incurring large repairs and maintenance costs for aged and obsolete equipment. New SCBA equipment will be covered under a manufacturer's warranty.

GRANT AND OTHER FUNDING OPPORTUNITIES

No grants or other funding opportunities.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

FUNDING SOURCE	EST. CARRYOVER FUNDING	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL

TOTAL	-	700,000	700,000	-	-	-	1,400,000

FUNDING, BY FISCAL YEAR

FY 2022 FUNDING, BY FUND

Significant Capital Improvements (continued)

PROJECT NUMBER 66110

SE GRAND QUADRANT WATERLINE REPLACEMENT

PROGRAM Water

ADMINISTERING DEPARTMENT DEPT OF WATER AND POWER

PROGRAM CATEGORY Water - Transmission and Distribution Pipelines

LOCATION Southeast Grand Quadrant

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

This project will design and construct potable water pipelines to replace existing small diameter waterlines in alleys serving portion of East Grand Boulevard, Eighth Street, Ninth Street, Tenth Street, Howard Street, Victoria Avenue and Joy Street.

JUSTIFICATION

The project will design and construct new potable water lines to replace small diameter lines in the SE portion of the circle. Waterlines within the circle are aging, undersized, in poor condition, and located in alleys with poor access and minimal separation from sanitary sewers. Replacement is necessary to modernize the distribution system and improve emergency fire flow capabilities.

CURRENT STATUS

The design of this project will begin when the design of the Southwest Quadrant is complete.

OPERATING BUDGET IMPACT

When the aging lines are removed, there may be a decrease in maintenance costs. When the new lines are placed, maintenance costs may be minimal; however, as the years progress and the lines begin to deteriorate, there may be an increase in maintenance costs.

GRANT AND OTHER FUNDING OPPORTUNITIES

There are no known grants or other funding opportunities.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

FUNDING SOURCE	EST. CARRYOVER FUNDING	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	TOTAL
570 - WATER UTILITY	-	2,308,333	2,308,333	2,308,333	-	-	6,924,999
TOTAL	-	2,308,333	2,308,333	2,308,333	-	-	6,924,999

FY 2022 FUNDING, BY FUND

Significant Capital Improvements (continued)

PROJECT NUMBER 72530

POLICE DEPARTMENT FACILITY IMPROVEMENTS

PROGRAM Facilities, Systems and Community Assets

ADMINISTERING DEPARTMENT MAINTENANCE SERVICES

PROGRAM CATEGORY City Facility Improvements and Upgrades

LOCATION Corona Police Department

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

A Capital Improvement Project (CIP) dedicated to the maintenance and repair of the City's Police Department. PD Shooting Range: Repair Roof Near AC Units- Roof repair around AC units; roof is aging and is currently leaking. PD Replace Shooting Range Lighting with LED: Lighting fixtures have been severely damaged over the years of usage and replacing the ballast costs the same as upgrading the lighting to more efficient LED lighting. Several lights do not work causing poorly lit conditions in the range.

JUSTIFICATION

This project ensures that the Police Department is kept in good condition. If maintenance projects are deferred, the City may incur larger maintenance projects. PD Shooting Range Repair Roof Near AC Units: The facility is rented out to external agencies. Because of the leaking roof, it poses a safety hazard (slipping) for users of the Police Department's shooting range, including City of Corona officers and the external agencies that rent the facility. PD Replace Shooting Range Lighting with LED: This poses a hazard and safety issues for employees and police officers. In addition, the Police Department rents this facility out to other agencies.

CURRENT STATUS

PD awning cover project is in quoting process.

OPERATING BUDGET IMPACT

Completing these projects will reduce the number of high costing maintenance projects. No grants or other funding opportunities. PD Shooting Range Repair Roof Near AC Units: Completing this project proactively would prevent more significant corrective maintenance and operating impact. PD Replace Shooting Range Lighting with LED: The new lighting would be energy efficient, which would result in a decrease in electricity costs. Additionally, with the new lighting fixtures, more agencies may rent out the area.

GRANT AND OTHER FUNDING OPPORTUNITIES

PROJECT NUMBER AUTO - 755

PARK AMENITIES REPLACEMENT PHASE I

PROGRAM Parks and Open Space

ADMINISTERING DEPARTMENT COMMUNITY SERVICES

PROGRAM CATEGORY General Safety, Maintenance and Other Improvements

LOCATION Citywide

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

Replace park amenities identified in years 1-3 from the Parks Facilities and Amenities Inventory.

JUSTIFICATION

The Parks Facilities and Amenities Inventory will identify parks that need amenities replaced due to surpassing its lifecycle. This includes trash cans, benches, water fountains, picnic structures and more. This budget will be used to install new amenities as a result of deferred maintenance, damaged and/or unsafe amenities. This budget request achieves the City's Strategic Plan goal #3 of providing "Sound Infrastructure" by enhancing parks to better serve residents.

CURRENT STATUS

New FY 2022 project.

OPERATING BUDGET IMPACT

No operating budget impact associated with this project.

GRANT AND OTHER FUNDING OPPORTUNITIES

No grants or other funding opportunities for this project.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

PROJECT NUMBER AUTO - 753 MOUNTAIN GATE PARK SHADE STRUCTURE FOR BALLFIELD PLAZA

PROGRAM Parks and Open Space

ADMINISTERING DEPARTMENT COMMUNITY SERVICES

PROGRAM CATEGORY General Safety, Maintenance and Other Improvements

LOCATION Mountain Gate Park

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

Install new shade sails at the ballfield plaza which will provide shade for the bleachers and plaza area.

JUSTIFICATION

The ballfield plaza at the park does not have any shade structure or shade trees. This area includes bleachers, picnic tables, snack bar, and open space located amongst three ballfields. This is a high priority project as there is no shade structures or trees and the area gets extremely hot and uncomfortable for spectators and park users. The park is heavily used with youth sports groups using the fields. This project will install shade sails in the center area of the plaza that will cover the bleachers at the three ballfields.

CURRENT STATUS

New project for FY 2022.

OPERATING BUDGET IMPACT

There will be no immediate operating budget impact. In the future, the sails will need to be maintained.

GRANT AND OTHER FUNDING OPPORTUNITIES

There is no grant or other funding opportunities available for this project.

PROJECT NUMBER 75090

EMERGENCY OPERATIONS CENTER UPGRADE

PROGRAM Facilities, Systems and Community Assets

ADMINISTERING DEPARTMENT INFORMATION TECHNOLOGY

PROGRAM CATEGORY City Facility Improvements and Upgrades

LOCATION Emergency Operations Center

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

Updating of the Emergency Operations Center (EOC) audio and video equipment and adding the capability to broadcast from the EOC in case of emergency or disaster.

JUSTIFICATION

The Emergency Operations Center (EOC) audio and video equipment is outdated and unable to fulfill the needs of staff during an emergency. The addition of updated audio-visual equipment and broadcasting capabilities will be utilized in an emergency or disaster situation. Funding will not come from the general fund but PEG funds.

CURRENT STATUS

RFP has been drafted to hire a consultant to design the requirements needed for the updated EOC.

OPERATING BUDGET IMPACT

No operating budget impact for this project.

GRANT AND OTHER FUNDING OPPORTUNITIES

Use of PEG (Public, Educational, or Governmental) Funds.

PROJECT NUMBER AUTO - 828

DEMOLITION OF THE ARMORY BUILDING AT CITY PARK

PROGRAM Parks and Open Space

ADMINISTERING DEPARTMENT COMMUNITY SERVICES

PROGRAM CATEGORY General Safety, Maintenance and Other Improvements

LOCATION CITY PARK

STRATEGIC PLAN GOAL Sound Infrastructure: Sustain high quality service delivery by investing in public infrastructure, including parks, buildings, equipment, roads, and technology.

DESCRIPTION

The Armory building needs to be demolished as it is aged and unprogrammable. It would be cost prohibitive to repurpose the building.

JUSTIFICATION

The building is old with asbestos and abating the asbestos would require an enormous amount of funding. The best solution is to completely demo the building.

CURRENT STATUS

New project for FY 2022.

OPERATING BUDGET IMPACT

No operating budget impact identified at this time.

GRANT AND OTHER FUNDING OPPORTUNITIES

No grants or other funding opportunities for this project.

FY 2022 - 2026 CAPITAL IMPROVEMENT PLAN

Citywide Positions, Overview

The Schedule of Citywide Positions includes a total of 829.70 FTE positions in the proposed budget for Fiscal Year 2022. This figure includes part time staff, full time staff, and elected officials. With respect to full-time staffing, the proposed budget assumes a total of 722.00 positions for Fiscal Year 2022, including recommended service adjustment changes. Reference the 'Schedule of Positions' for a full listing by department.

Position Type	FTE Authorized FY 2019	FTE Authorized FY 2020	FTE Adopted FY 2021	FTE Authorized FY 2021	FTE Proposed FY 2022
Elected Officials	6.00	6.00	6.00	6.00	6.00
Full Time Employees	625.85	634.00	651.00	661.00	722.00
Part Time Employees	90.23	89.87	87.01	87.48	101.70
TOTALS	722.08	729.87	744.01	754.48	829.70

The Schedule of Positions includes part time employees that assist with City's day-to-day operations and special events. The count of part time employees is calculated as a full time equivalent (FTE) based on actual hours worked or hours budgeted. One FTE equates to 2,080 hours per year (40 hours/week x 52 weeks).

Changes Throughout Fiscal Year 2021

There have been multiple position changes since the Fiscal Year 2021 budget was adopted with 744.01 positions. The change is a net increase of 10.47 positions. Many of the changes throughout the year were department reorganizations, title changes, and new positions approved by City Council. Below is a summary of the changes that impacted the position count, by department:

- The City Manager's Office had a net increase of 2.73 FTE due to the addition of two full time positions, reclassifying the homeless coordinator (Administrative Services Manager I) to full time, and department reorganization.
- Community Development had a net increase of 1.00 FTE related to the Cannabis Program.
- Community Services had a net increase of 12.96 FTE. The increase is largely due to the reallocation of the Parks division. The Parks division moved from Maintenance Services to Community Services.
- Finance had a net decrease of 0.48 FTE related to part time hour adjustments.
- Fire had a net decrease of 0.12 FTE related to part time hour adjustments.
- Human Resources had a net increase of 1.00 FTE due to the addition of one full-time position and department reorganization.
- Legal and Risk Management had a net increase of 0.38 FTE related to part time hour adjustments.
- Maintenance Services had a decrease of 12.00 FTE. These positions were reallocated to Community Services.
- The Police Department had a net increase 5.00 FTE. Three Police Officer II positions added based on the COPS Hiring Grant. Two positions added for the Cannabis Program.

With the incorporation of the above changes, the authorized or ending total for Fiscal Year 2021 is 754.48.

Table – Position Changes in Fiscal Year 2021

Department	Position	Count	Comments
City Manager's Office			
	Chief Communications Officer	1.00	Department reorganization
	Chief Digital Officer	(1.00)	Department reorganization
	Administrative Services Manager I	(0.75)	Department reorganization / Part time hours adjustment
	Administrative Services Manager I	1.00	Department reorganization
	Economic Development Administrator	2.00	New Positions

BUDGET OVERVIEW GENERAL FUND

General Fund Revenue Overview

Property Taxes	\$	53,697,100
Sales Tax		75,168,306
Other Revenue		11,534,124
Other Taxes		11,097,000
Special Assessments		497,332
Current Services		10,451,879
Payments In Lieu Of Services		6,086,383
Investment Earnings		2,477,625
Intergovernmental Revenues		1,749,000
Licenses, Fees & Permits		1,928,400
Fines, Penalties & Forfeitures		569,250
Total	\$	<u>175,256,399</u>

General Fund, Revenues

The largest components of the General Fund revenues are Property Tax and Sales Tax. The two categories combined make up 73.5%, or \$128.8 million out of a total \$175.2 million. The next three largest categories, Other Revenue, Other Taxes, and Current Services, total 18.9% of the estimated revenues for Fiscal Year 2022. The revenue categories will be discussed in more detail on the following pages.

Revenue estimates are carefully developed using current and historical trends, published industry data, workload and operating indicators collected by City staff, as well as opinions from expert third parties which may include the State of California's Department of Finance, County of Riverside and local economists. Please also refer to the '*Schedule of Estimated Revenue*' which includes two years of revenue actuals by fund, the current year projection, as well as the City's proposed budgeted revenue for Fiscal Year 2022. The next graph is a recap of General Fund revenues for Fiscal Year 2019 through Proposed Fiscal Year 2022.

<i>Revenue Categories</i>	<i>Actual 2019</i>	<i>Actual 2020</i>	<i>Adopted 2021</i>	<i>Projected 2021</i>	<i>Estimated 2022</i>	<i>% Change 2021 to 2022</i>
Property Tax	47,994,974	49,470,941	50,492,900	49,321,800	53,697,100	8.9%

Yr Over Yr Changes %		-5.2%		1.0%	24.0%	

The General Fund revenue in Fiscal Year 2021 is projected to be \$6.4 million higher than originally approved through the budget process. This amount represents an increase of \$1.5 million as compared to actuals in FY 2020. The largest increases are in Federal Grants and Fire Mutual Aid Reimbursement (Intergovernmental Revenue), Sales Tax, and Payment in Lieu of Services.

The estimated Fiscal Year 2022 revenue of \$175.3 million is estimated to grow by 24.0%, or \$33.9 million, as compared to Projected FY 2021. The FY 2022 estimates include the following changes over the Fiscal Year 2021 Projections:

- Property Tax FY 2022 Estimated: \$53.7 million. This represents a growth of \$4.3 million over FY 2021 projections. The estimated budget is based on an increase in assessed valuation of 5.3% which incorporates additional housing inventory for the tax rolls. It also includes a delinquency rate of 5.0% as compared to 10.0% in the prior fiscal year. This is based on a look-back of prior economic downturns and how that impacted the delinquency rate. There is an increase of \$0.8 million in Vehicle License Property Tax revenues as that item is based on assessed valuation growth.
- Sales Tax FY 2022 Estimated: \$75.2 million. The estimate is an increase of \$33.0 million over FY 2021 projections. This is largely due to the passage of Measure X, which accounts for \$30.0 million of the increase. Sales tax revenues for FY 2021 are projected to increase by \$4.0 million over the originally adopted figure, due to COVID-19 restrictions being lifted. As the City and State transition into different phases of re-opening the economy, the situation will continue to evolve. At the time this information is presented, the State is anticipated to fully re-open the economy on June 15, 2021. Staff will monitor the activity, working closely with our sales tax consultant, to provide the City Council with updated information for budgetary revisions as needed. The sales tax category also includes a contra revenue account, allowance for sales tax agreements (AKA operating

covenant agreements). A full listing of operating covenant agreements is available on the City's website, on the City Manager's Office page.

- Other Taxes FY 2022 Estimated: \$11.1 million. This is an increase of \$546,765 over FY 2021 projections. Transient Occupancy Tax (TOT) revenues are estimated to increase by \$501,765 in FY 2022. This is primarily due to COVID-19 restrictions being lifted. In FY 2022, there is a decrease of \$92,000 estimated for Business License Taxes. Business license taxes are calculated based on the prior year's activity. The financial impact of the 2021 economic downturn and COVID-19 restrictions will be a factor in the amount collected in FY 2022.
- Licenses, Fees, and Permits FY 2022 Estimated: \$1.9 million. The estimate is a decrease of \$258,792 when compared to projections for FY 2021. The largest estimated declines are from encroachment permits, building permits, and occupancy fees. The bulk of the revenue generated in this category is related to building activity. As such, timing of development projects has a large impact on this category. This group can experience significant variations from one year to the next. Also Included in this group are permits for animal licensing, alarm permits, and garage sale permits.
- Fines, Penalties, and Forfeitures FY 2022 Estimated: \$569,250. This category is relatively flat when comparing year over year revenues. Over 50% of the revenue in this group is from vehicle code fines. The remainder of the activity is from business license penalties, parking fines, city code fines, and other penalties.
- Special Assessments FY 2022 Estimated: \$497,332. This category is from public service assessments and is part of the tax roll. As additional housing inventory has been sold in the last year, an increase of \$68,838 is estimated for FY 2022.
- Investment Earnings FY 2022 Estimated: \$2.5 million. The estimate is a decrease of \$629,054 over FY 2021 projections. The estimate is based on current investment strategies and performance of the portfolio.
- Intergovernmental Revenue FY 2022 Estimated: \$1.7 million. This is a decrease \$3.7 million as compared to FY 2021 projections. The revenue generated from this group includes mutual aid reimbursement, and State and Federal grant revenues. Many grant related items are one-time in nature and are not a sure source of revenue in future years. This category also experiences fluctuations from one year to the next from mutual aid reimbursements, depending on the severity of the fire season. Abandoned Vehicle Abatement revenues were part of this category through FY 2021. In FY 2022, that activity is moving a new special revenue fund titled Abandoned Vehicle Abatement Fund, which accounts for approximately \$80,000 of the decrease in this category.
- Current Services FY 2022 Estimated: \$10.5 million. This represents an increase \$824,816 when compared to FY 2021 projections. Primary revenue items in this group include plan check fees, engineering and inspection fees, recreation revenues, and the EMS program. As with the Licenses, Fees, and Permits category, fluctuations in building related activity can have a significant impact

on this revenue group. There are decreases included for EMS related activity, plan check fees, and reimbursed expenses for the engineering and inspection function.

The recreation revenues have a projected decline of \$2.2 million in FY 2021. This is due to cancellation of activities, classes, and programs because of the COVID-19 restrictions. There is an estimated increase of \$1.1 million in FY 2022 based on the City and State re-opening activities and moving into different phases of the transition plan. As stated with previous items, the revenue in this category will be monitored and updated information will be provided to the City Council for budget adjustments as needed.

- Payments in Lieu of Services FY 2022 Estimated: \$6.1 million. The estimate is an increase of \$454,596 when compared to FY 2021 projections. The increase is related to the updated Cost Allocation Plan, which is reviewed annually.
- Other Revenue FY 2022 Estimated: \$11.5 million. The decrease in this category is \$835,063 over FY 2021 projections. There are decreases related to one-time activity in FY 2021 - Gain on Sale of Capital Asset and Sale of Real Estate. There is also a decrease in Development Agreements and Fair Share Development Agreements.

WHERE DO YOUR TAX DOLLARS GO?

Property Tax

Property tax is applied to the net assessed property value as determined by the County of Riverside Assessor-Recorder. California Proposition 13 sets the maximum tax rate at 1%, which excludes voter-approved overrides (such as additional taxes for community facilities districts). Proposition 13 also limits the growth in assessed property values to the lesser of inflation or 2% per year.

The City carefully monitors property tax, in conjunction with the County of Riverside Assessor-Recorder.

According to the County of Riverside Assessor-Recorder, of each \$1 in your base 1% property taxes that you pay, only 8 cents goes to Corona's General Fund to pay for critical services such as (but not limited to) police, library services, infrastructure, parks, recreation, and fire.

Example: Home valued at \$600,000
1% secured property tax = \$480 to the
City of Corona General Fund

Corona's Median Home Price
(sold) approx. \$600,000
(May 2021 – Realtor.com)

Sales Tax

Sales and use taxes are imposed on retail transactions and are remitted to the State of California, which allocates the sales tax to state and local agencies. The program is administered by the California Department of Tax and Fee Administration (CDTFA).

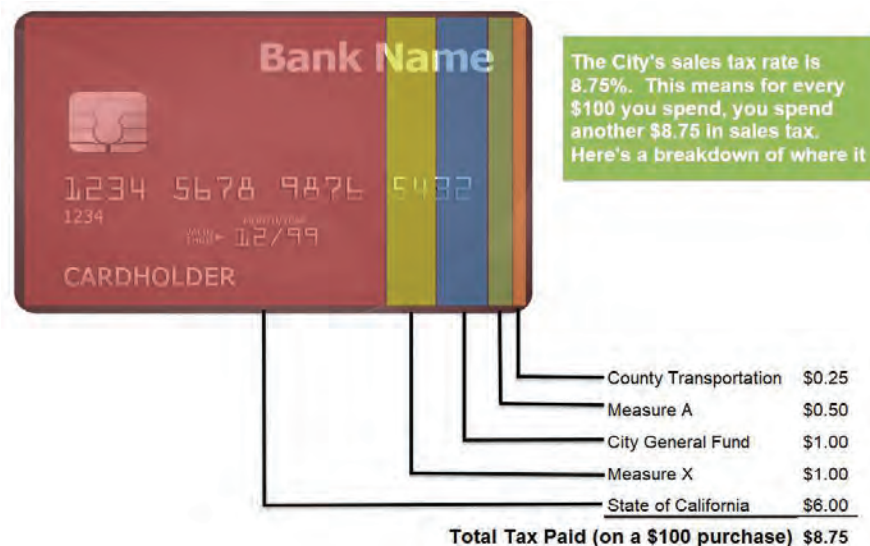

Generally, sales of tangible items in California are subject to sales tax, such as clothes, gasoline, vehicles, and most retail goods. However, not all transactions are subject to sales tax. Transactions exempt from sales tax include sale of certain food products for human consumption (i.e. groceries) and sales of prescription medicine. In California, internet sales (i.e. Amazon) are generally taxable too.

The City carefully monitors sales tax, under consultation with published economic data as well as HdL Companies, our sales tax consultant. City staff also provides an update on a quarterly basis at the Committee of the Whole meeting.

At the time this information is being prepared, the City of Corona's sales tax rate is 7.75%. The State of California's rate is 7.25%. Riverside County includes an additional 0.50% to support Measure A transportation related projects. Of the 7.25% state sales tax rate, 1.00% goes to the City of Corona. In addition, Proposition 172 set a half-cent sales tax (0.50%) which directly funds local public safety programs (i.e. Police).

Effective July 1, 2021, the City of Corona sales tax rate will increase by 1.00%, to 8.75%. This is due to Measure X, also known as the City of Corona Economic Recovery, Public Safety, City Services Measure. Measure X was approved by a majority of the City of Corona voters in November 2020. Revenue collected will provide additional locally controlled funds to address City services and community-expressed priorities.

Below is an infographic which illustrates your City of Corona sales tax dollars and where they go.

Service Adjustment Requests:

The proposed budget includes supplemental funding requests submitted through the budget process. The items were reviewed with the City Council at a public budget workshop on April 27, 2021. The additional items incorporated for funding address multiple strategic priorities such as Financial Stability, Strong Economy, Sound Infrastructure, Safe Community, Sense of Place, and High Performing Government. A full list of the funding requests can be found in the 'Schedule of Recommended Funding Items'.

Personnel FY 2022 – Increase of \$4.8 million over FY 2021 Adopted Budget

- The primary drivers of the increase over FY 2021 are service adjustment requests as discussed previously.
- The Personnel budget was prepared based on current approved resolutions and Memorandum of Understanding (MOU) agreements for all employee groups. The current agreements expire on June 30, 2021, however, the terms of the current agreements will continue until new agreements are established.
- The annual budget for pension costs is based on actuarial reports received from CalPERS. There are two components to the annual contribution – normal cost and unfunded accrual liability (UAL). In Fiscal Year 2022, the City's combined contribution towards the CalPERS pension liability totals \$30.6 million (\$25.1 million from General Fund). The City had previously developed a plan to make additional annual payments to CalPERS. The City has changed direction and is moving forward with a plan to issue pension obligation bonds early in FY 2022, with a goal of achieving long-term savings for the City and enhancing financial stability. The issuance of pension obligation bonds is estimated to save the City over \$100 million as compared to the current amortization schedule for the pension obligations.
- The proposed budget includes Service Adjustments Requests for new positions, title changes, and reorganizations. Reference the '*Summary of Citywide Positions*' and '*Schedule of Recommended Funding Items*' for the personnel changes.
- A vacancy factor has been included for the General Fund, Internal Service Funds and DWP funds. There is generally savings at the end of each fiscal year based on vacancies from attrition and other related reasons. Instead of budgeting 100% of the positions, a vacancy factor has been applied to FY 2022 to account for the savings at the beginning of the budget process. This is the fifth year using this type of adjustment. The savings will continue to be monitored to determine if adjustments are needed throughout the year. The rates were determined using a lookback period of five years. The rates were also reviewed to look at the activity in each department separately.
 - Vacancy factor applied: Sworn – Fire 0.32%
 - Vacancy factor applied: Sworn – Police 0.48%
 - Vacancy factor applied: Non-Sworn 2.0% (average – each department was applied an individual rate)
- The minimum wage is increasing to \$15.00 per hour effective in January 2022.

Effective Dates /Hourly Rates		
January 2017 - \$10.50	January 2018 - \$11.00	January 2019 - \$12.00
January 2020 - \$13.00	January 2021 - \$14.00	January 2022 - \$15.00

Services/Supplies FY 2022 – Increase of \$4.5 million over FY 2021 Adopted Budget

- There are multiple supplemental funding items, or service level enhancements, added to the services-supplies expenditure category through the budget process. Reference the '*Schedule of Recommended Funding Items*' for details.
- There is an overall increase of \$1.7 Million for Internal Service Charges which include information technology services, warehouse activities, and motor pool charges.
- Additional increases include \$0.4 million for insurance proceeds, \$0.4 million for professional and contract services, \$0.3 million for maintenance and operating services, and \$0.3 million for utility costs.

Capital Improvement Projects FY 2022 – Increase of \$6.4 million over FY 2021 Adopted Budget

- The budget for capital improvement projects fluctuates as the items are more one-time in nature. The additional revenue stream of Measure X is providing the funding for increase in Fiscal Year 2022. Please reference the '*Capital Improvement Plan – Schedule of Estimated Carryover and New Funding*' for a full listing of the capital improvement projects recommended for funding.

Measure X Allocations

In November 2020, City of Corona voters approved Measure X, a 1% sales tax measure approved in effective in July 2021. The sales tax measure is estimated to generate an additional \$30 million in recurring revenues. The allocation of this new funding source was discussed at the budget workshop on April 27, 2021. Please reference the '*Measure X Allocation Plan*' for a full list of operating budget items, capital improvement projects, and estimated reserve contributions. Measure X funds were allocated to the following community priorities:

In addition to discussions about the funding categories, there was a lengthy discussion at the Spring Financial Workshop on March 11, 2021 about balancing recurring and one-time items. Money was also allocated to reserves to be conservative and not overwhelm the new funding stream with recurring costs. This allocation will be reviewed and discussed each year through the budget process. The FY 2022 Measure X funds are allocated to recurring, one-time and reserves as follows:

CITY DEPARTMENTS

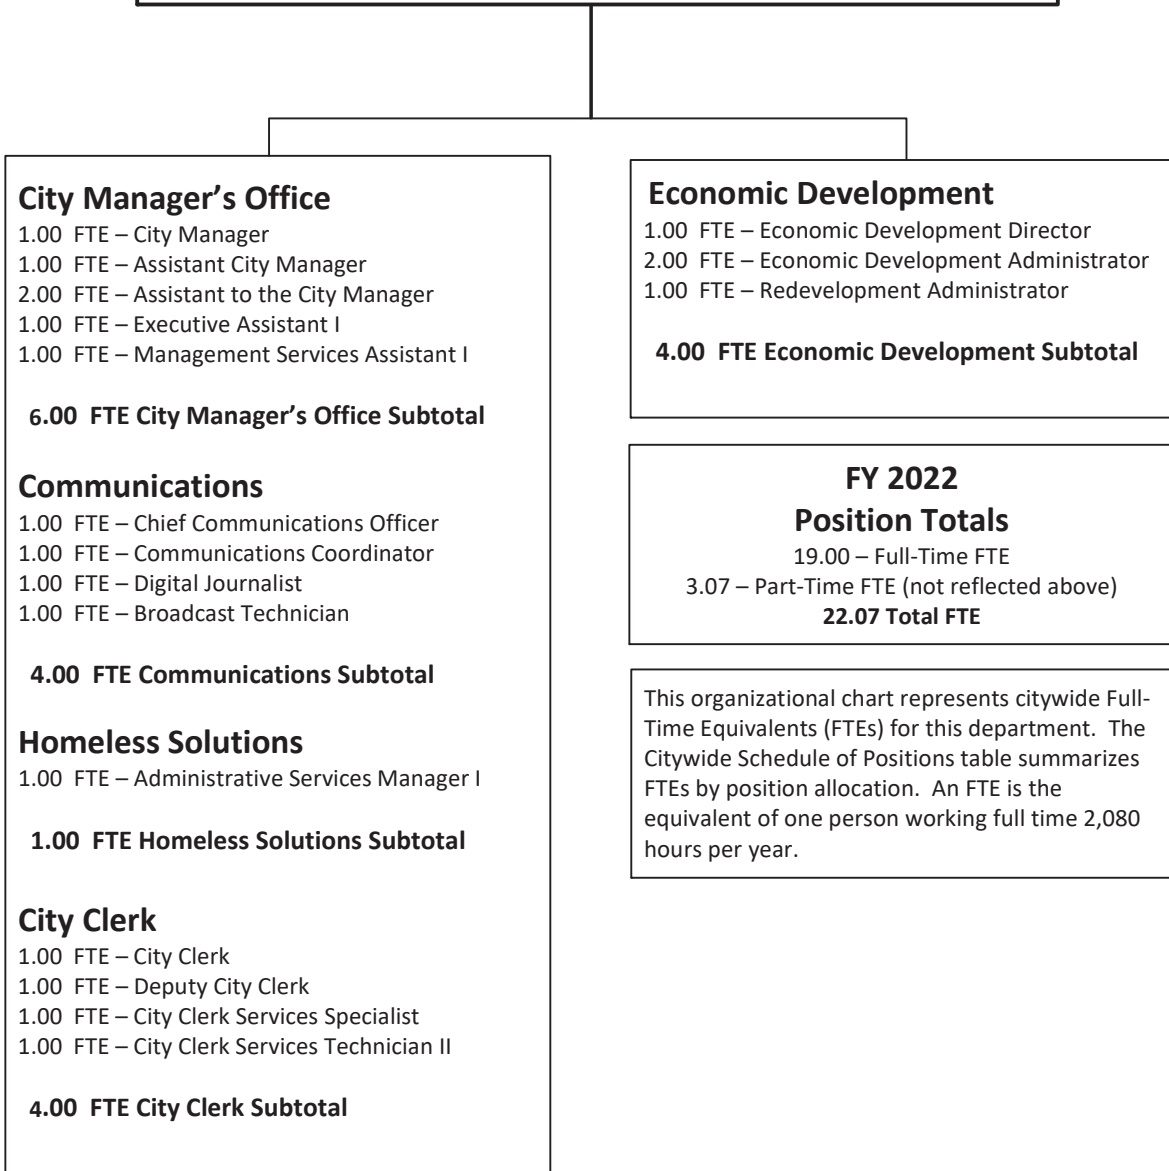

CITY MANAGER'S OFFICE

The mission of the City Manager's office is to ensure implementation and administration of policies and programs as adopted and directed by the City Council. The City Clerk is responsible for the care and custody of all official records and the City and for conducting all municipal elections. Economic Development is responsible for maintaining the economic vitality and vibrancy of the community, which includes attracting new and retaining current businesses. The Communications Division is responsible for outbound communications between the City and its residents.

City Manager's Office Budget Detail

What do we do?

The City Manager's Office is responsible for the implementation and administration of goals, policies, procedures, and programs adopted by the City Council. This requires ongoing planning, organization, direction, and evaluation of the City's programs and resources. The City Manager's Office researches issues and prepares recommendations for consideration by the City Council. This group is also responsible for implementing of the City's Strategic Plan.

What did we do in Fiscal Year 2021?

- Developed and adopted the City's 5 year Strategic Plan.
- Updated the City's Mission, Vision, and Values.
- Coordinated the placement of two ballot measures before the electorate: Measures X and Y.
- Initiated the process to issue Pension Obligation Bonds to stabilize and address the City's unfunded pension obligations.
- Acquired nearly 292 acres of land in the Skyline Trail area for preservation and enjoyment by the community.
- Restructured City Departments and Council Committees to more effectively serve the community.
- Held the first Newly Elected Officials' Orientation for the Corona City Council.
- Completed a comprehensive review of the city's purchasing division to improve efficiency and streamlines processes.
- Enhanced the City's legislative advocacy with the hiring of a contract state lobbyist, and significantly increased submitted testimony on legislative matters being considered by the California State Legislature and Federal Government to better advocate for Corona's interests.
- Completed negotiations with Verizon Wireless to bring 5G to Corona.

What do we plan to do in Fiscal Year 2022?

- Continue building a high-performing team with Council and City management.
- Track Strategic Plan goals using established performance indicators to provide a framework for budget decisions. Establish regular community satisfaction surveys to gather statistically significant data, track residential concerns over time, and ensure that services and service levels are consistent with community needs and wants.
- Pursue meaningful award and certification opportunities to evaluate municipal services and better demonstrate the talent, commitment, and outcomes achieved by the City for its residents.
- Review and restructure City departments as needed to improve efficiency and achieve organizational objectives.

City Manager's Office Budget Detail

- Develop a management cycle calendar to ensure effective, efficient sequencing of key annual organizational processes.
- Increase accountability by establishing standard annual performance reporting to Council.
- Continued to improve and maintain the agenda process for meetings of the City Council and Commissions.

Communications Budget Detail

What do we do?

The Communications Office is dedicated to strengthening the relationship between the City of Corona and its residents. This team is responsible for outbound communications to the City's 170,000+ residents through press releases, the Inner Circle e-newsletter, and social media channels. The group also maintains and manages the City's website and live broadcasts. The Communications Office keeps residents informed about what is going on in their City through engaging, transparent, and timely distribution of accurate and relevant information.

What did we do in Fiscal Year 2021?

- Imagined, created, and delivered COVID-19 communications across digital and print platforms.
- Delivered the City's first Digital State of the City.
- Successfully promoted the 2020 Decennial Census.
- Elevated the City's visual storytelling.

What do we plan to do in Fiscal Year 2022?

- Reimagine the City of Corona's brand, identity, and story.
- Improve the City's website for ease of use.
- Boost digital engagement via strategic media campaigns.
- Improve broadcast capabilities and viewer experience.
- Expand multicultural/bilingual communications outreach.
- Grow the City of Corona's reach.

Homeless Solutions Budget Detail

What do we do?

Homelessness is currently one of the most urgent and significant issues facing local government. Without effective solutions, homelessness impacts the quality of life for everyone and results in expensive cost impacts to taxpayers. The Homeless Solutions Program was created to strategically address homelessness in the City of Corona. Critical to the success of this Program is the successful implementation of the City's Homeless Strategic Plan. The Plan focuses on preventing homelessness and reducing chronic and situational homelessness through a comprehensive system of services that includes outreach and engagement, emergency shelter, a wide range of multi-disciplinary services, permanent housing, public/private partnerships, advocacy, and data tracking to measure system performance. The Homeless Solutions Program staff manages implementation of the Plan through contract administration, grant writing, partnership development, and collaboration with County Agencies, the Continuum of Care, and many other partners.

What did we do in Fiscal Year 2021?

- Adopted the Homeless Strategic Plan and launched Phase I implementation efforts which included \$3.4 million to develop a system of services for expanded outreach, emergency shelter, supportive services, and permanent housing resources.
- In collaboration with multiple City Departments, completed a \$1 million renovation of the Harrison Emergency Shelter/Navigation Center.
- Executed State PLHA Grant Agreement of \$582,003 that will provide 59% of shelter/navigation center operating costs in FY 2022 and approximately \$3.4 million for Harrison emergency shelter services over the five-year grant period.
- Launched the Make-It-Cozy Warehouse partnership with City Net and Corona community partners to use a city-owned building to provide warehouse space for donated furniture, move-in kits and other supplies for homeless clients graduating from shelter to permanent housing.
- Developed a partnership with the Veterans Housing Alliance to support Corona's homeless veterans with permanent housing move-in costs such as security deposits and first and last month's rent.
- Developed a partnership with Corona Regional Medical Center to establish a recuperative care program for homeless clients in need of post-hospital medical respite.
- Developed a partnership with the Centro Medico Community Clinic to provide medical, behavioral health, and dental services for Corona's emergency shelter clients.
- Provided over 7,000 bed nights, case management, and wrap around services through Corona's Motel Emergency Shelter Program.
- Established a sub-regional funding partnership with the City of Norco to expand outreach, engagement, and motel emergency shelter services to serve Norco's homeless neighbors in their City of residence.

Homeless Solutions Budget Detail

- Collaborated with the County and Continuum of Care to develop regional initiatives including Good Neighbor Community Policies for homeless facilities, Santa Ana Riverbed Homeless Encampment Response Plan, Continuum of Care gaps analysis, and the new Policy/Advocacy Committee.

What do we plan to do in Fiscal Year 2022?

- Open the Harrison Emergency Shelter/Navigation Center.
- To support re-activation of City Park, launch a pilot transportation/meal service program at the Harrison Emergency Shelter/Navigation Center.
- To facilitate permanent housing placements for chronically homeless neighbors in Corona, launch operation of the Permanent Supportive Housing Program using city-owned housing units on 5th Street.
- To facilitate permanent housing placements from the Harrison and Motel Shelters, launch operation of the Tenant-Based Rental Assistance Program.
- Finalize operational protocols and requirements to launch the partnership with Centro Medico Community Clinic for provision of medical, behavioral health, and dental services at the Harrison Emergency Shelter/Navigation Center.
- Finalize operational protocols and requirements to launch the partnership with Corona Regional Medical Center for provision a post-hospital recuperative care program at the Harrison Emergency Shelter/Navigation Center.
- Evaluate performance outcomes and develop MOU renewal options for collaborative homeless services with the City of Norco and create additional sub-regional partnerships with neighboring cities.
- Launch campaign to expand faith-based partnerships to support initiatives in the Homeless Strategic Plan.
- Launch campaign to expand partnerships with businesses and the private sector to support initiatives in the Homeless Strategic Plan.
- Develop data tracking system to evaluate system performance for client measures such as length of homelessness, number of first time homeless, street exit destinations, length of shelter stay, housing placements, and housing retention rates.

City Clerk Budget Detail

What do we do?

The City Clerk is the custodian of records for the City of Corona. The mission of the City Clerk's Office is to ensure transparency to the public in the decision-making process, to accurately record all proceedings of the City Council, to preserve vital and historical records of the City, and to serve as a source of information for all City Departments and the public. The Office of the City Clerk is committed to providing these services in an efficient, professional, ethical, and courteous manner. The City Clerk also serves as the City's election official, responsible for all general municipal and special elections. The Office of the City Clerk is responsible for the preparation and distribution of City Council agendas and minutes; performs centralized processing of all legal notices; coordinates appointments to City Boards and Commissions, issues and administers oaths of office; maintains campaign and economic interest statement filings in accordance with the Political Reform Act; manages the retention and retrieval of all official City Council actions; and maintains and administers the Corona Municipal Code.

What did we do in Fiscal Year 2021?

- Conducted a successful 2020 District election for two City Council district seats, the City Treasurer and two ballot measures during the November 3, 2020 General Municipal Election.
- Continued to improve and maintain the electronic agenda process to allow the public to more easily access meeting details by posting the agenda packet on the City's website.
- Continued to evaluate Electronic Document Management Solutions to facilitate transparency and staff efficiency.
- Conducted the biennial Conflict of Interest Code in 2020 pursuant to the Political Reform Act of 1974 and implemented that all employees in all designated positions shall continue to comply as required by AB 1234 Training requirements.
- Continued to evaluate, coordinate, and facilitate the records destruction program.
- Implemented Dynamics Customer Relations Management Subpoena portal to streamline the Subpoena process. The Dynamics 311 portal was launched in February 2021.

What do we plan to do in Fiscal Year 2022?

- Continue to improve and maintain the electronic agenda process to allow the public to more easily access meeting details.
- Continue to evaluate Electronic Document Management Solutions to facilitate transparency and staff efficiency.
- Continue to evaluate, coordinate, and facilitate the records destruction program.
- Continue to improve the Claims process by streamlining for staff efficiency.

City Clerk Budget Detail

- Continue working with City Departments to find ways to assist the public with accessing public records on the City's website.
- Complete the local redistricting in collaboration with the City Departments and demographer consultant.
- Prepare Ordinance for approval of electronic signature and submission of electronic filing of campaign statements in order to maintain public trust and support of the political process.

Economic Development Budget Detail

What do we do?

The Office of Economic Development is responsible for business attraction, development, retention, and expansion, resulting in economic prosperity in Corona. Through a concerted approach and partnerships with the business community, government resource agencies and local colleges, the Office of Economic Development strategically aligns business resources that empower Corona businesses and foster economic growth. The Office of Economic Development implements City Council economic development priorities through internal citywide collaboration and stakeholder engagement that catalyzes prompt business location and expansion. The vision of the Office of Economic Development is to foster and form strategic partnerships that encourage investment in the community, support Corona's businesses, promote entrepreneurship opportunities among Corona's various demographic sectors, and enhance the quality of life for all Coronans.

What did we do in Fiscal Year 2021?

- Strengthened the Office of Economic Development with three new lines of service supporting Business Attraction & Development, Retention & Expansion, and Redevelopment, to support Corona's varied industries and revitalization efforts and connect businesses and residents Development, with robust offerings through partnerships with local, state, and federal resource agencies.
- Enhanced business marketing and promotion through the launch of the Office of Economic Development's "At the CORE of Economic Prosperity" brand and a dedicated monthly business newsletter, sent to more than 14,000 email addresses each month and promoting Corona businesses and providing timely information on available business resource and financing opportunities.
- Reactivated the inter-departmental Team Corona model to support Corona's business community, holding more than 15 Team Corona meetings with City staff and businesses to help facilitate business attraction, expansion, and retention.
- Initiated the Economic Development Strategic Plan with outreach to the community via surveys, workshops, and one-on-one conversations with business owners, key industry sectors, property managers, and commercial brokers to assess business needs and identify resources and partnerships to support Corona companies.
- Initiated the Downtown Revitalization Plan effort to enhance and revitalize Corona's Downtown and create a cohesive for the Downtown through informed dialogue with the community and key stakeholders and evaluation of historical, land use and circulation elements that can shape the Plan development.
- Facilitated ongoing support of Downtown revitalization efforts for the Corona Mall through coordinated meetings between the developer and inter-departmental staff.

Economic Development Budget Detail

- Hosted and cohosted more than 40 events (Coffee with an Entrepreneur, Emprendedor@s, Entrepreneurial and Business Leadership Series, Manufacturing Roundtable, Corona Regional Fast Pitch Competition, Restaurant Recovery Workshop, Social Media Marketing Seminar, Workplace Safety Webinar, and How to Launch a Successful Business Webinar) to facilitate business development and prosperity.
- Developed and hosted entrepreneurship programs (Emprendedor@s and Entrepreneurial and Business Leadership Series) in partnership with resource agencies and offered in English and Spanish to foster entrepreneurial growth across Corona's diverse community.
- Developed and implemented the Corona Manufacturing Assistance Program, a multi-agency collaborative program, including educational and workforce partnerships, serving more than 400 manufacturing companies in Corona and connecting them with technical, hiring, and financial assistance.
- Launched LocateinCorona.com a site selection tool for business attraction and expansion, providing access to for sale/lease commercial properties and identifying best potential sites with local GIS layers, consumer expenditure data, and demographic information to allow businesses to make prompt, informed site selection decisions.

What do we plan to do in Fiscal Year 2022?

- Develop and launch Office of Economic Development social media accounts and dedicated subsite to enhance business outreach and further engage with existing and potential new businesses.
- Host quarterly industry roundtables focusing on the City's largest industries (e.g., Construction, Manufacturing, Health Care, and Retail Services) to better understand business needs and provide support in partnership with government resource agencies.
- Develop and implement Shop | Dine | Hire Corona program to build a strong and resilient local economy through encouraging support of local businesses and creating a sense of pride in shopping and dining locally.
- As part of the Shop | Dine | Hire Corona program, develop a Live | Work Corona campaign to encourage local hiring opportunities and better connect Corona residents with local job opportunities with Corona's top industry sectors.
- Finalize the citywide Economic Development Strategic Plan and implement economic development priorities and strategies identified in the plan as informed by key industry data and the needs of the business community.
- Finalize the Downtown Revitalization Plan and implement identified strategies to enhance Corona's Downtown, celebrate the area's history, enhance circulation, and attract future investment that can promote the area as a thriving community and regional destination.
- Further the Corona mall rehabilitation by coordinating disposition of properties with LAB Inc. and facilitate meetings with City to staff to advance LAB's plans for rehabilitation that further complement the vision for the Downtown District revitalization.

Community Development Budget Detail

Community Development Administration Budget Detail

What do we do?

Community Development Administration is responsible for managing the Planning and Housing Commission agenda, the scheduling and preparation of City Council agenda reports, the postings for public hearings, the processing of budget related requests and the payment of department invoices, the receiving of phone calls to the department, the coordination with other departments on the preparation of resolutions, ordinances, and the processing of environmental postings, manages the preparation of the department's fiscal year budget, manages the recruitment process for new positions, and manages the efficiency of the department's office equipment. The department director also provides direction and leadership to the department's division managers, ensures staff completes mandatory safety training, evaluates the overall operation of the department for efficiency, and assist the City Manager's Office with City Council inquiries related to Community Development.

What did we do in Fiscal Year 2021?

- Hired a Planning Manager after a long vacancy.
- Completed dashboards measuring the department's efficiency on plan check reviews.
- Completed customer survey questionnaire to measure the department's service to the public.

What do we plan to do in Fiscal Year 2022?

- Recruit approved personnel changes in the FY 2022 budget which includes positions for building inspectors, building permit technicians, plan checkers, and code enforcement.
- Implement operational changes to improve efficiency in the building plan check process.
- Implement the City's reorganization plan as it affects Community Development.

Land Use Planning & Zoning Budget Detail

What do we do?

Land Use Planning and Zoning is primarily responsible for the following daily operations: managing the public counter for zoning information, development related permits, and project application submittals; reviewing proposed use permits and development projects for conformity with the City's municipal codes, policies, and General Plan; ensuring that projects comply with the provisions of the California Environmental Quality Act; administering the Development Plan Review and Project/Environmental Review Committee packets; providing staff support for the Zoning Administrator, the Board of Zoning Adjustment, and Planning and Housing Commission; coordinating landscape and certificate of occupancy inspections with the City's landscape consultants; reviewing business licenses for conformity with the Zoning Ordinance; coordinating and distributing plan check development plans to planners; responding to telephone inquiries and electronic mail; and conducting field inspections on newly constructed projects. This division also oversees long range development plans that include updating the City's General Plan and Housing Element, processing new specific plans, reviewing and processing annexations, monitors and responds to legislative changes, compiles demographic data for the City, prepares future population and housing estimates for the City, coordinates and distributes information provided from the U.S. Census, and implements the City's Historic Preservation Program.

What did we do in Fiscal Year 2021?

- Initiated the work on the City's General Plan Housing Element Update for Planning Period 2021-2029.
- Initiated work on the City's Parking Ordinance Comprehensive update.
- Initiated work on the City's Commercial Cannabis Program, adopted ordinances, and started accepting commercial cannabis applications.
- Processed applications for land use entitlements for review and approval by the Planning and Housing Commission and City Council.

What do we plan to do in Fiscal Year 2022?

- Complete the City's General Plan Housing Element Update for Planning Period 2021-2029.
- Complete the City's Parking Ordinance Comprehensive Update.
- Manage and monitor the City's Commercial Cannabis businesses.

Code Compliance Budget Detail

What do we do?

Code Enforcement is responsible for the enforcement of city's zoning ordinance on private property including the inspections of certain health and safety regulations on private property to correct substandard living conditions and enforce the maintenance of property; provides zoning information to the business community and residents through the distribution of city pamphlets; check street vendors to ensure vendors are operating with required permits; implements the City's inoperative vehicle abatement program, and manages a volunteer program which assists in the removal of signs in the public rights-of-way. This division also collaborates with various City departments in the interpretation and enforcement of various municipal codes.

What did we do in Fiscal Year 2021?

- Enforced California health and safety codes, property maintenance violations and zoning code violations, and assisted the Building Division with enforcement cases resulting in 1500 opened cases and 1800 closed cases.
- Collaborated with PD, Fire and Building on enforcing 15 residential cannabis cultivation violations.
- Retrieved 3,400 signs in the public rights-of-way.
- Collaborate with Building Division to create uniformity in the complaint in-take system, and inspection documentation. This activity will carry forward in FY2022.
- Work with Management Services to implement informational responses on the City's public portal for See Click Fix.
- Enforced the AVA municipal code.
- Abated 230 vehicles under the City's Abandoned Vehicle Abatement program.
- Hired a parttime staffer focused on AVA compliance.

What do we plan to do in Fiscal Year 2022?

- Assess new standards and procedures created for Code and Building complaint in-take and inspection documentation.
- Retrieve illegal signs that are placed in the City's public right-of-way beyond the time allowed by the City's ordinance.
- Respond to incoming complaints concerning land use and zoning violations, property maintenance violations and educate the public on the City's regulations adopted by the Corona Municipal Code.
- Continue to educate the public on the City's Abandoned Vehicle Abatement program and abate 200 vehicles.
- Enforced the AVA municipal code.

Code Compliance Budget Detail

- Convert parttime staffer into fulltime to focus on AVA compliance.
- Continue to participate in the County AVA Board meetings.

Building Inspection Budget Detail

What do we do?

Building Inspection includes the activities performed by the city's building inspectors. The building inspectors are responsible for providing inspections of all construction activities. The inspectors check for compliance with Title 24, California Code of Regulations; California Building Standards Code, selected California Health and Safety Laws, the Uniform Housing Code, and the Corona Municipal Code. This section also investigates complaints concerning violations of those regulations, and of illegal and unsafe construction practices. In the event of an emergency or disaster, it is the responsibility of the inspectors to perform safety assessments for all structures. Other duties include assisting with plan reviews, permit issuance, answering questions from design professionals, contractors and the public, record keeping, and preparing reports and correspondence for enforcement procedures.

What did we do in Fiscal Year 2021?

- Responded to 16,516 building inspection requests associated with new residential, commercial and industrial construction, tenant improvements to existing buildings, single family room additions, and other miscellaneous improvements.
- Responded to approximately 36 emergency incidents.
- Investigated approximately 170 complaints of unpermitted construction or unsafe building conditions.

What do we plan to do in Fiscal Year 2022?

- Implement user-friendly virtual inspection software.
- Continue to enhance mobile inspection software and capabilities.
- Continue to provide inspections within one business day.
- Continue to respond to a high volume of requests for investigation and emergency incidents.

What does it cost?

Plan Check Budget Detail

What do we do?

The Plan Check section performs reviews of plans to verify compliance of the California Building, Plumbing, Mechanical, and Electrical Codes, Residential Code, Green Building Code, structural calculations, state disabled access codes and energy requirements. The Plan Check section oversees the City's third-party plan check contracts, is responsible for coordinating the routing of plans throughout the City, collects fees, issues permits, provides technical support for the professional community and inspectors, participates in the City's Development Plan Review process, provides technical assistance at the counter and provides over-the-counter plan check services. The staff prepares correspondence, builder's advisories, and researches and generates construction standards for the public use. The staff also responds to a high volume of correspondence and permit requests electronically via the use of online permit and plan check software and was responsible for ensuring developers could stay active during the COVID-19 pandemic and subsequent City Hall shutdown

What did we do in Fiscal Year 2021?

- Assisted approximately 6,500 customers at the public counter for various permits, information, application submittals and plan check submittals; and a high volume of electronic mail customer requests during the COVID-19 City Hall shutdown.
- Issued approximately 3,900 building permits with approximately 212 permits devoted to new residential, commercial and industrial construction.
- Created training handouts and videos to assist the public with navigating the electronic permitting and plan review systems.
- Implemented plan check service surveys to collect feedback and data about the city's software and processes.
- Created department dashboards to provide data and information to the public and city leadership.

What do we plan to do in Fiscal Year 2022?

- Work collaboratively with Information Technology to refine the use of Project Dox to encourage more customers to use the city's electronic plan check submittal program.
- Work collaboratively with consultants and IT Department to establish systems to meet plan review timelines 90% of the time.
- Implement electronic permitting guide on city's website to assist home owners and business owners with planning improvements.
- Implement quality control review for the City's plan check reviews.

Successor Agency Dissolution Budget Detail

What do we do?

The Successor Agency is responsible for implementing all legal processes and wind-down activities as outlined in AB X126 and AB 1484 for the elimination of redevelopment agencies and activities.

What did we do in Fiscal Year 2021?

- Prepared Annual Recognized Obligation Payment Schedule (ROPS) and submitted to the County Oversight Board and State Department of Finance to receive a Redevelopment Property Tax Trust Fund (RPTTF) remittance to pay for redevelopment debt.

What do we plan to do in Fiscal Year 2022?

- Prepare and submit an Annual Recognized Obligation Payment Schedule (ROPS) to the County Oversight Board and State Department of Finance in order to receive a Redevelopment Property Tax Trust Fund (RPTTF) remittance to pay for redevelopment debt.

Successor Agency Dissolution Budget Detail

CDBG / HOME Investment Partnership Budget Detail

What do we do?

The City of Corona receives federal funding from Housing and Urban Development under the Community Development Block Grant and HOME Investment Partnership Grant Programs. CDBG funds are utilized for low and moderate income housing, economic development activities and community improvements that alleviate blighted conditions within eligible CDBG areas. HOME funds are used to preserve the City's affordable housing stock and tenant based rental assistance. The Community Development Department is responsible for administering these programs in compliance with federal requirements.

What did we do in Fiscal Year 2021?

- Created and advertised three (3) CARES Act funded COVID programs that included Emergency Housing Needs Assistance Program for Renters, Emergency Housing Needs Assistance Program for Mortgage (Home Owners), and Personal Protective Equipment Grants for Businesses.
- Advertised Notice of Funding Availability for new Service Providers and Capital Projects for the upcoming fiscal year.
- Prepared and processed the annual Action Plan for FY2022.
- Collaborated and supported Phase I efforts for the rehabilitation of the Harrison Homeless Shelter.
- Collaborated and supported Phase II efforts for medical use improvements at the Harrison Homeless Shelter.
- Support and assist the homelessness programming efforts to implement Tenant Based Rental Assistance (TBRA), Permanent Supportive Housing, and selection of a homeless program service provider.
- Partnered with the Fair Housing Council of Riverside County to disseminate federal and state COVID protection information and fair housing guidance, and co-hosted 2 virtual townhall meetings.

What do we plan to do in Fiscal Year 2022?

- Audit Service Providers receiving funding in FY18, 19 and 20, and close out files.
- Audit Capital Project activities for Phase I Harrison Homeless Shelter Rehabilitation Project and Code Enforcement Program, and close out files.
- Complete HUD audit.
- Oversight and monitoring of all CDBG and HOME funded activities.
- Provide technical assistance to new service providers and city staff.
- Support Phase II Harrison Homeless Shelter efforts for medical use improvements.

Corona Housing Authority (CHA) Budget Detail

What do we do?

The Corona Housing Authority, or CHA, is responsible for administering all low and moderate-income housing functions and assets. CHA is responsible for increasing and preserving the City's affordable housing stock and for developing and implementing affordable housing programs and projects which meet state requirements and support our local Housing Element.

What did we do in Fiscal Year 2021?

- Assist National CORE, owner and operator of Corona del Rey and Corona de Oro (aka Las Coronas) in their effort to obtain tax credit and bond financing for a major rehabilitation.
- Advertised a Request for Proposal and Qualifications to solicit development proposals for the new construction of affordable housing and permanent supportive housing on CHA's vacant lot located at the southwest corner of Buena Vista and Second Street.
- Received five (5) applications and assisted three (3) income qualified homeowners with repairs under the Residential Rehabilitation Program.
- Prepared annual compliance reports and submitted them into the CA State HCD.
- Conducted monitoring activities of existing housing assets.

What do we plan to do in Fiscal Year 2022?

- Assist National CORE in efforts to obtain state/federal financing for major rehabilitation activities at two existing affordable housing projects in the City.
- Select an affordable housing developer for the development of affordable housing on the Corona Housing Authority's owned property located at the southwest corner of Buena Vista and Second Street.
- Assist income qualified homeowners with health, safety and code violation repairs under the Residential Rehabilitation Program.
- Prepare annual compliance reports due to the CA State HCD.
- Finalize a request from Steadfast River Run, LP, in a change in ownership of the existing senior affordable housing located on River Road, which has a regulatory agreement with the CHA.
- Assist housing trusts with requests to acquire multifamily properties to create moderate income housing.
- Monitor activities of existing housing assets.
- Assist homelessness program efforts on permanent supportive housing opportunities.

Corona Housing Authority (CHA) Budget Detail

Property Management Budget Detail

What do we do?

Property Management oversees leasable real property at the Historic Civic Center and Mission Apartments (affordable housing units) owned by the City. Responsibilities include lease activities, tenant relations, needs assessment/capital improvements, and related activities needed to operate quasi-public/private facilities seamlessly for the tenants and community. Property and asset management activities shall increase as the City moves towards a centralized City asset management framework.

What did we do in Fiscal Year 2021?

- Negotiated a new lease for a Historic Civic Center (HCC) tenant and completed one lease extension.
- Coordinated with Maintenance Services to increase the maintenance on HCC grounds.
- Conducted a myriad of property management and maintenance activities at the Mission Apartments, addressing tenant complaints and enforcing lease terms.

What do we plan to do in Fiscal Year 2022?

- Negotiate with HCC tenants on new leases.
- Conduct facility space use audit of YMCA/Fender suites.
- Analyze HCC common area expenses.
- Assess HCC grounds keeping and related efforts with city staff.
- Manage Mission Apartments until an operator is assigned to the complex.

What does it cost?

58.85 – Part-Time FTE (not reflected above)
103.85 Total FTE

This organizational chart represents citywide Full-Time Equivalents (FTEs) for this department. The Citywide Schedule of Positions table summarizes FTEs by position allocation. An FTE is the equivalent of one person working full time 2,080 hours per year.

Community Services Budget Detail

What do we do?

The Community Services Department, formerly known as the Library and Recreation Services, includes Parks, Recreation, Library, and Administrative services. Community Services is about creating Community in Corona. We are your special events coordinator, your access to programs for all ages, your maintainer of the beautiful open spaces of our City, and we want to community with you. Our vision is for Corona to be an engaged, healthy, and enriched community!

Within the Leisure & Culture service area, the Community Services Department enriches the lives of adults, seniors, youth and their families through creative recreational programming and the promotion of reading and learning activities through the Corona Public Library. We engage the community in Corona's parks and trails and through the Park Ranger Program, Park Ambassador Program, and Adopt-A-Park. These services strive to keep parks and open spaces a clean and safe place to enjoy the outdoors. We also relish in the abundance of urban trees we care for and are committed to maintaining a rich Urban Forest in Corona.

Events and Programs Budget Detail

What do we do?

The Events and Programs Division provides a variety of programs and services to Corona residents including citywide special events, a full-range of aquatics programming, coordination with contract instructors for hundreds of recreational classes, youth and adult sports, after-school recreation, summer camps, youth, and extensive services and activities designed for Corona's senior population.

What did we do in Fiscal Year 2021?

- Programs across the division produced virtual video content with a staggering compilation of 315,122 in the amount of likes, shares, and views of social media engagement through YouTube and social media.
- Executed two drive-thru events, Halloweekend and Letters to Santa, in collaboration with community partners with over 3,000 residence attending safely in their cars per COVID-19 protocols.
- Participated in monthly Food Distributions to the community servicing 7,395 residents.
- Provided the Kids Club Remote Learning Camp to an average of 40 families a week.
- Offered private and semi-private year-round swim lessons.
- Presented a Virtual 4th of July Celebration with seven patriotic videos viewed by 53,310 residents. Coordinated with community stakeholders for COVID-related response events.
- Completed 7,057 Senior Phone Assurance Line (PAL) calls to seniors and provided resources, referrals, and comfort during the pandemic.

What do we plan to do in Fiscal Year 2022?

- Hire a Special Events Program Coordinator to expand City-wide events.
- Introduce a new outdoor community event "Savor the City" showcasing local restaurants culinary craft.
- Host "The Wall That Heals" Vietnam Memorial in the fall of 2022 for the community to experience a three-quarter scale replica of the Vietnam Veterans Memorial along with a mobile Education Center.
- Launch a City-operated Adult Softball League with direct community engagement, improved field conditions, and expansion in the number of leagues through marketing and outreach.
- Re-activate City facilities for programming and services as the community centers, theaters, and gyms begin to reopen for public use.

Facilities and Project Management Budget Detail

What do we do?

The Facilities and Projects Management Team oversees the use of Library and Recreation facilities including the Circle City Center, the Historic Civic Center including operation of Corona's historic theater, Vicentia Activity Center, and Victoria Park and Auburndale Community Centers. They also supervise use of picnic shelters at Corona parks—ensuring they are available for use by residents. The team also coordinates use of the City's ballfields and gymnasiums by youth sports groups, residents, and others.

What did we do in Fiscal Year 2021?

- Provided daily Porter Service of sanitizing City buildings for staff and residents during COVID-19.
- Completed facility improvements of painting at the Circle City and Senior Centers.
- Installed a new energy efficient pool pump and heater at City Park Pool, reducing electricity costs and keeping the pool clean for residents.
- Completed safety improvements at City Park and City Park Pool by installing additional area lighting, windscreen at the pool, extending concrete at the entrance of the pool, and performed an a pool assessment.
- Established Joint Use Agreement with Corona Norco Unified School District allowing the City to offer programming at school sites and use of fields.

What do we plan to do in Fiscal Year 2022?

- Develop and implement a Corona Standard for upkeep, care, and service delivery at City facilities.
- Re-open all City facilities to the public for programming, activity and rentals space for gatherings.
- Revisit consecutive use policies and facility availability at parks and indoor facilities.
- Coordinate the City Co-Sponsorship Program by working with local non-profit organization that seek to hosting events at City parks and facilities.
- Introduce the online park and picnic reservation system through CivicRec recreation management software.

Library and Recreation Administration Budget Detail

What do we do?

Administration The Community Services Department's Administrative Team sets the vision for creating a sense of place in the City of Corona through celebrating our community, developing programs to increase access to arts, culture, and recreational activities, and ultimately improving the quality of life in Corona. The Administration division also streamlines department functions including but not limited to providing frontline customer service, maintaining payroll and personnel records, overseeing department accounting operations, preparing and managing purchase requisitions, purchasing and contracts, and supervising capital projects. The department also conducts training for the department's registration/reservation software and ensure the accuracy of all transactions. The team also works with the Library Trustees and Parks and Recreation Commission on departmental policies, procedures, and programs.

What did we do in Fiscal Year 2021?

- Implemented CivicRec recreation management software with 10,000 resident user accounts.
- Contracted with a new vendor for the Corona Connection redesign and created an Arts and Culture, STEM, and Health and Fitness section showcasing a variety class offerings while also yielding a cost saving for the City.
- Redefined Administration as its own division to support the Department and provide exceptional customer service and implemented systems and assignments to improve work efficiency and production.
- Assisted residents with COVID-19 related questions, processed refunds, and rescheduling of classes and programs while City Hall was closed to the public.
- Eighteen Community Services staff worked the City's COVID-19 Information Hotline providing residents with 24/7 support and assistance with answering questions, provide support, and referrals.

What do we plan to do in Fiscal Year 2022?

- Create Standard Operating Procedures (SOPs) for administrative support across all divisions for consistency and continuity.
- Bringing Administrative Policies and Municipal Code sections in-line with responsibilities falling under the Community Services Department.
- Further refining implementation of CivicRec recreation management software.
- Introducing an annual joint meeting between Parks and Recreation Commission and Library Trustees.

Library Services Budget Detail

What do we do?

Library Services has two major functions. Library Collection Services provides research assistance to the public, maintains the Integrated Library System, evaluates, as well as selects and processes print and electronic materials. The division also supervises operations and patron use of an extensive collection of local history resources and artifacts in the Heritage Room. The Account Services team oversees all activities related to materials circulation, patron accounts, and passport services.

What did we do in Fiscal Year 2021?

- Installed an Automated Materials Handling (AMH) system to check-in and sorts books resulting in staff cost savings.
- Introduction of MyLibro app for Click, Park, Pick-up and resident services during COVID-19 response (7,500).
- Revamped children's wing with new furniture funded by grant funds and support from the Friends of the Corona Public Library.
- Implemented books by mail program for homebound individuals as a response to COVID.
- Digitized 100 Video Home System (VHS) videos through California Revealed Project documenting early life in Corona.
- Launched Open+ system for early hours access for Corona residents thereby expanding hours to access the Library.
- Inventoried approximately 10,000 collection items.

What do we plan to do in Fiscal Year 2022?

- Fully re-open Library hours, services, and programs to pre-pandemic levels with increased programming and services.
- Expand Spanish language services through collection development and engagement of bilingual staff.
- Create personalized reader program for adults and teens.
- Complete a work plan and needs assessment for Heritage Room.
- Expand children's backpack book kit collection in partnership with Corona Norco Unified School District.

Programming And Outreach Budget Detail

What do we do?

The Programming and Outreach Team is responsible for the development of children, teen, adult library programs, activities and special events, and administer the volunteer and adult reading assistance programs. The team also coordinates with local businesses, community organizations, and area agencies to develop partnerships, garner program sponsorships, and communicate department activities to residents. The division also plans and coordinates Adaptive Recreation activities for the Community, and coordinates On-the-Go to provide activities spanning the library and recreation divisions of the department. This includes, though is not limited to, library card and program registration throughout the community.

What did we do in Fiscal Year 2021?

- Completed Summer At Your Library virtual programming by distributing of activity kits, served 4,802 event participants and 612 Summer Reading Challenge participants.
- Awarded a total of \$122,391 in grants to support Adult and Family Literacy, Veterans Connect at the Library, Workforce and Innovation Services, Shared Vision On the Go Lesson Boxes, DÍA, Stay and Play, Virtual Programming, and Lunch at the Library.
- Continued Early Literacy Storytimes and Homework Center virtually for 6,268 viewers and participants, provided 249 book kits to CNUSD 4th and 5th grade students to support virtual learning, and posted 708 Bilingual Storytimes online in Spanish and Arabic.
- Adult Services included 6 Adult Reading Assistance Program tutor-learner pairs, 11 CNUSD Adult School English Literacy class enrollees, 95 Fiction Book Club Attendees, 34 Diverse Perspective Book Club attendees, 60 Inlandia Creative Writing Workshop participants, and 5 graduated of Career Online High School with 3 currently working on the program.
- Implemented a new volunteer management software and onboarded 31 new volunteers and reintegrated volunteer opportunities for shelf readers, junior pages, occupancy room monitors, book cleaners, outreach assistants, Adult Reading Assistance tutors, and Maker Exchange assistants that contributed 10,332 volunteer hours. An additional 262 single-day volunteers contributed to community events.
- The Corona Adaptive Program for teens and adults with special needs served 934 participants through the design and implementation of a new virtual book club, had 208 viewers of virtual storytime, and distributed 1,574 activity kits.
- On the Go outreach hosted 84 individual park events, serving 995 participants. Additionally, outreach participated in 3 special events serving 2,451 attendees.
- Maker Exchange makerspace staff established a video library of a year's worth of training videos for digital die cutting, art, 3-D design, and video editing. Additional videos were created by volunteers sharing their skills in origami, drawing, and digital design. Total views on YouTube and Instagram were 5,460.

Programming And Outreach Budget Detail

What do we plan to do in Fiscal Year 2022?

- Strengthen and expand new COVID-era programming processes that blend in-person experiences with interactive, online content in collaboration with divisional and departmental communications teams.
- Reintroduce traditional events including Early Literacy Storytimes and Maker Exchange open hours. Develop and implement new offerings including Stay and Play community connection programming, Workforce and Innovation Services, and Spanish language outreach and events.
- Encourage and support at least 10 tutor-learner pairs in the Adult Reading Assistance Program to participate in sessions and returning classes including Phonics, Conversations, and CNUSD classes.
- Continue Corona Adaptive's Emerging Readers Book Club, return to in-person programming, and expand offerings to children with special needs and their families.
- Reopen the Veterans Connect at the Library office and provide three events to the public to promote veteran services and honor their contributions to our society.
- Upgrade volunteer software service level to allow for more volunteer coordinators, document storage, and additional kiosks.
- On the Go to complete the Shared Vision/Bringing the Library to You grant by incorporating lesson boxes that focus on social emotional learning and will expand services to Senior Services.

Parks, Trees and Medians Maintenance Budget Detail

What do we do?

The Park and Trees Maintenance Program provides maintenance for all developed and underdeveloped parkland. This includes the maintenance of recreation and community buildings, playgrounds, and four aquatic facilities. This division is also responsible for the management of City trees and ongoing maintenance for safety, tree health, and aesthetics, as well as response to storm and emergencies related to City trees. The Parks and Trees Maintenance Program also administers the contracted landscape maintenance of Community Facilities Districts (CFDs) and Landscape Maintenance Districts (LMDs). The Graffiti Removal Program is responsible for the removal of graffiti from all public property and private property when permission is granted. The program includes education and outreach components to accomplish the program's objectives. This division also includes the Park Ranger Program and the Park Ambassador program.

What did we do in Fiscal Year 2021?

- Adopted the Urban Forest Management Plan introducing grid pruning and reforestation elements.
- Contracted supplemental graffiti abatement services to decrease response times, provide education, and mitigate future impacts.
- Received approval to launch Park Ranger program providing education and enforcement elements to park and trail use.
- Increased frequency of City Park cleanups to reactivate public access.
- Working with consultant to complete the Trails Master Plan Phase 1.
- Conducted multiple homeless encampment cleanups throughout the City.
- Supported Corona Fire in debris mitigation in both Skyline and Airport fires.
- Supported completion of Capital Improvement Projects including Lincoln and Santana Parks inclusive playground and the reopening of Griffin Park.
- Installed new dugout shades at Mountain Gate Park.
- Completed Phase 1 of Butterfield Lighting Relocation to retain light fixtures as a result of the of the Alcoa Dike project.

What do we plan to do in Fiscal Year 2022?

- Implement the new Park Ranger and Park Ambassador programs.
- Implement a new seasonal youth trainee program.
- Continued improvements and planning for reactivation of City Park.
- Regularly scheduled community cleanup events for both parks and trails.
- Community events for tree planting, education, Arbor Day, and March Mulch Madness.

Parks, Trees and Medians Maintenance Budget Detail

- Planting over 3,000 trees as part of reforestation efforts.
- Standardizing landscape for coronas streetscape and landscape medians.
- Initiating grid pruning schedule with the immediate trimming of over 1,700 trees.
- Beginning work toward the creation of Parks Master Plan.

DEPARTMENT OF WATER & POWER

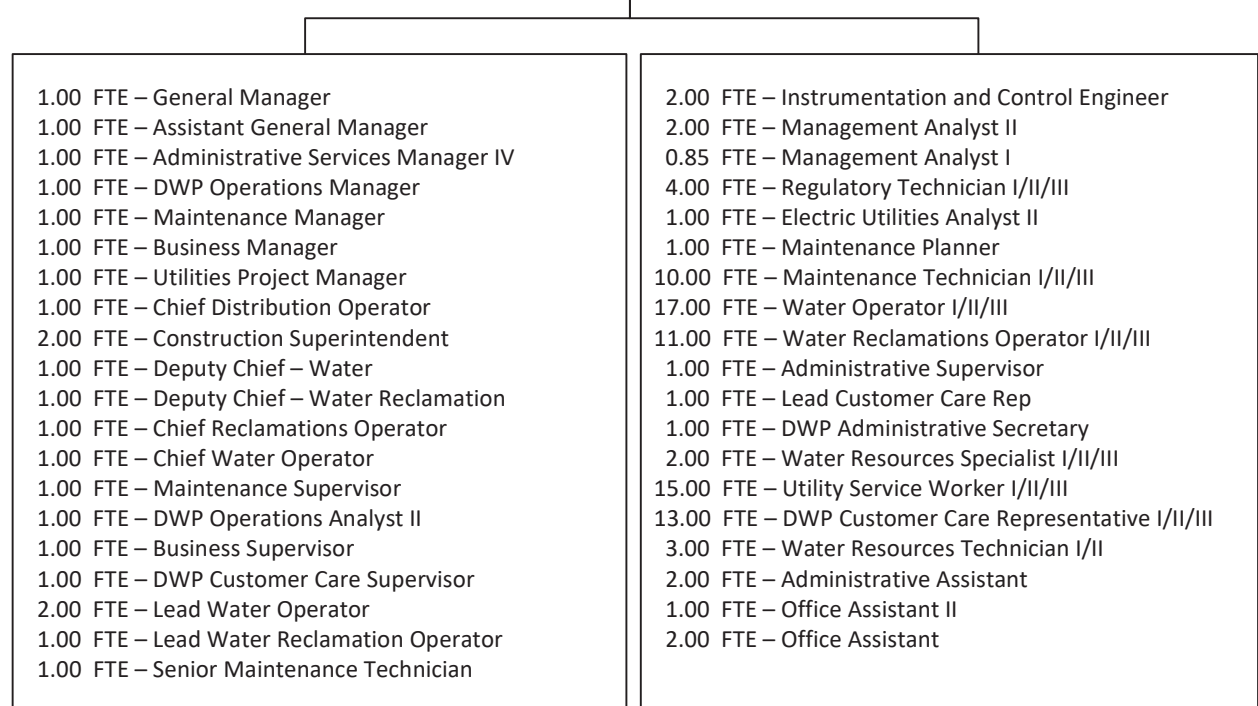

The mission of the Department of Water and Power is to serve City of Corona customers with professionalism and respect, while protecting public health by providing the highest quality water, reclaimed water, electric, and water reclamation services.

Department of Water and Power Department Organization Chart

Tom Moody, General Manager

FY 2022

Position Totals

111.85 – Full-Time FTE

1.73 – Part Time FTE (not reflected above)

113.58 Total FTE

This organizational chart represents citywide Full-Time Equivalents (FTEs) for this department. The Citywide Schedule of Positions table summarizes FTEs by position allocation. An FTE is the equivalent of one person working full time 2,080 hours per year.

Department of Water and Power Budget Detail

What do we do?

The Department of Water and Power provides water, reclaimed water (recycled water), water reclamation (sewer), and electric utility services.

Performance Measures

Performance Metrics	Calendar Year 2020	Goal
Utility Billing Response Time	4 minutes, 28 secs	1 minute, 30 seconds
<i>The Utility Billing Response Time is the average amount of time a customer will wait in the queue until a Department of Water and Power (DWP) Customer Care Representative is available. DWP aims to keep this number in the projected path as to provide the best customer service possible.</i>		
Percentage of Efficient Water Usage	90.18%	95.00%
<i>The Percentage of Efficient Water Usage aims to measure efficient use of water billed at both Tier 1 and Tier 2. Of the 9.7 million units of water consumed in calendar year 2020, 7.04% occurred in Tier 3, 1.69% occurred in Tier 4, and 1.08% occurred in Tier 5. The increase in Tier 3 charges can be attributed to the revisions of the rate structure in the recent rate study.</i>		
Percentage of Electric Operations Online	99.5% online	99.9% online
<i>The Percentage of Electric Operations Online is the amount of time that the electricity is available. Of the 0.50% of the year where electric operations were offline, 59% of these interruptions were due to unforeseen circumstances. In the coming year, DWP aims to keep all electric operations online 99.9% of the time. This will be facilitated by the addition of the new Southern California Edison (SCE) Porphyry Line interconnection to the Crossings and Dos Lagos Wholesale Distribution Access Tariffs (WDATs), which was completed in February 2021. This will greatly reduce the downtime of outages in this area, as SCE will have the ability to switch to alternative circuits within minutes.</i>		
Total Annual Operation and Maintenance Cost per Acre Foot	\$1,491.20 / AF	\$1,039.00* / AF
<i>The Total Annual Operation and Maintenance Cost per Acre Foot is a ratio of the costs to operate the Water Utility to the acre footage produced and treated within the system. Operation and Maintenance costs, as defined by American Water Works Association (AWWA), includes costs for salaries, direct benefits, and all costs necessary to support utility services. Government Accounting Standards Board (GASB) 68 and GASB 75 pension expenses have been eliminated from this figure. Additional contributions to the City's unfunded liability has been excluded.</i>		

Department of Water and Power Budget Detail

Performance Metrics	Calendar Year 2020	Goal
Number of Sewer Sanitary Overflows (SSO)	1	0
A Sewer Sanitary Overflow is the release of raw or partially treated sewage from the municipal sewer system. The Number of Sewer Sanitary Overflows (SSO) is the number of public SSO events within the City of Corona in 2020.		
Total Annual Operation and Maintenance Costs per Million Gallons	\$4,634.93 / MG	\$5,289.00* / MG
The Total Annual Operation and Maintenance Costs per Million Gallons is the ratio of the costs to operate the Wastewater Utility within the department to the amount of sewage treated within the municipal system. Operation and Maintenance costs, as defined by AWWA, includes costs for salaries, direct benefits, and all costs necessary to support utility services. Government Accounting Standards Board (GASB) 68 and GASB 75 pension expenses have been eliminated from this figure. Additional contributions to the City's unfunded liability has been excluded.		

*These are the median standards provided by American Waterworks Association's calendar year 2019 utility benchmarking publication. Data is specific to Region V members, which includes the City of Corona.

Department of Water and Power Budget Detail

General Services Budget Detail

What do we do?

The General Services Program provides leadership, policy, support, and planning for the effective and efficient operation of the utilities. The division provides support to all divisions within the department and works collaboratively with the Finance and Purchasing departments to provide budgetary, purchasing, financial, and analytical information that is required of our department.

What did we do in Fiscal Year 2021?

- Provided leadership and overall management of all utility activities.
- Provided support to all utility divisions with development and management of budgetary items, purchasing requests, and policies and procedures.
- Coordinated with the Finance Department to manage all financial activities for the utility, including but not limited to, operating and capital expenditures, revenues, asset management, and grants.
- Coordinated with the Human Resources division to manage all personnel activities for the utility.
- Assisted with customer questions and requests through SeeClickFix, over the phone and via e-mail.
- Applied for and managed various grants for the utility; awarded \$243,182 in Fiscal Year (FY) 2021 for the Community Power Resiliency grant for a Power Resiliency Needs and Risk Assessment for critical facilities Citywide.
- Reviewed department policies and procedures to increase efficiency and ensure that all required controls are in place. Some of the procedures improved in FY 2021 include: internal purchasing procedures, vendor pricing audits, records destruction process, capital improvement project budgeting and tracking, and revenue projections.
- Participated in an operational, organizational and financial audit of the Department of Water and Power.

What do we plan to do in Fiscal Year 2022?

- Continue to provide leadership, management, and support of all utility activities.
- Continue to review policies and procedures to improve efficiencies and controls.
- Continue to provide excellent customer service at all times.
- Complete a fee study of all utility fees to be incorporated into the general Citywide fee schedule. The study will update fee amounts as needed and include any new fees.
- Continue to apply for new grants and manage existing grants. Planned applications for FY 2022 include: Proposition 1 Groundwater Grant for future Granular Activated Carbon (GAC) treatment facilities for per- and polyfluoroalkyl substances (PFAS) treatment/remediation and Water Energy Efficiency Grant for installation of Advanced Metering Infrastructure (AMI) meters.

General Services Budget Detail

- Begin implementation of operational, organizational and financial audit recommendations.

Regulatory Compliance Budget Detail

What do we do?

The Regulatory Compliance division ensures that the production and distribution of services pertaining to water, sewer, reclaimed water, and electricity operate in compliance with all applicable state and federal quality, safety, and operational regulations.

What did we do in Fiscal Year 2021?

- Completed and submitted all State required reports on time.
- Coordinated with the Human Resources division to hire two Regulatory Technicians to assist the Department of Water & Power in achieving regulatory compliance.
- Planned and began developing the Temescal Sub-basin Groundwater Sustainability Plan (GSP) and Bedford Coldwater GSP.
- Updated and managed all data and submissions for Department of Water & Power sites in the California Environmental Reporting System.
- Assist in the planning and development of the City's Urban Water Management Plan (UWMP).
- Continued to sample and monitor per- and polyfluoroalkyl substances (PFAS) in drinking water per the State Water Resources Control Board (SWRCB) Order and implemented PFAS sampling and monitoring at all Water Reclamation Facilities.

What do we plan to do in Fiscal Year 2022?

- Continue to plan and implement the Temescal Sub-basin Groundwater Sustainability Plan (GSP) and Bedford Coldwater GSP.
- Continue to update and manage all data and submissions for DWP sites in CERS as needed.
- Continue to draft and manage standard operating procedures for the Regulatory Compliance division.
- Consider the Tesla Megapack Project for Water Reclamation Facility #1.
- Continue to complete and submit all State required reports on time.
- Continue to monitor PFAS in drinking water and at all water reclamation facilities per SWRCB Order.
- Continue to monitor upcoming regulatory and legislative changes.

Operations Budget Detail

What do we do?

The Operations division is composed of four different groups focusing on varying activities. The Water Operations division ensures the production and distribution of safe, clean, and reliable drinking water to the City of Corona residents. The Water Operations division oversees 4 water treatment plants, 16 potable water storage tanks, 21 potable wells, 44 potable pressure reducing stations, 18 potable booster stations, and 8 monitoring wells. Under the Water Reclamations Operation division, the team focuses their efforts on the facilitation of proper and efficient collection, treatment, and reclamation of all sewer flows within the City of Corona's service area. The Water Reclamation Operations division oversees 3 water reclamation facilities and 14 lift stations. The Reclaimed Water Operations division is responsible for the distribution of reclaimed water to approved customers and landscape areas. The Reclaimed Water Operations division oversees 3 reclaimed water storage tanks, 5 reclaim booster stations, 4 reclaim pressure reducing stations, and 2 non-potable wells. Lastly, the Electric Operations division ensures the safe, affordable, and uninterrupted distribution of electric power to the City of Corona's service area. The Electric Operations division oversees 5 Wholesale Distribution Access Tariffs and 243 transformers and pad mounted enclosure switches.

What did we do in Fiscal Year 2021?

- Extracted, treated, and/or distributed a total of over 6 billion gallons of well water and raw surface water and 1 billion gallons of reclaimed water.
- Rehabilitated several wells throughout the City, including Well 26, Well 29, and Well 31, resulting in increased well efficiency.
- Completed several water utility projects, including the installation of a mixer at Border Potable Water Storage Tank, membrane replacements at the Desalter Train 1 and Train 4, collection of over 4,900 water samples, and managed the maintenance of 21 wells, 44 Cla-Vals, and 10 water storage tanks.
- Began construction of the Mangular Blending Facility. The Mangular Blend Facility is a potable water blending facility with pumping and disinfection facilities to enable the use of groundwater from the Temescal Groundwater Basin.
- Completed construction of the Keith 2.5 million-gallon (MG) Potable Water Storage Tank at Nelson Street and Keith Street.
- Treated approximately 5,795 million gallons of influent water and produced approximately 2,651 metric tons of biosolids.
- Continued the construction of the Water Reclamation Facility #1 Sludge Storage Tank, which will replace decaying steel within the existing tank.
- Began construction of the Water Reclamation Facility #3 Sewer Lift Station.
- Completed the construction of the Water Reclamation Facility #1 Telecommunications Tower and the Grape Hill Telecommunications Tower #2.

Operations Budget Detail

- Completed the Southern California Edison Porphyry Line Extension interconnection, which brings reliable energy capacity and redundant line feeds to the Crossings and Dos Lagos service areas and secured a Power Purchasing Agreement for the Alta Mesa Wind Energy Center with AM Wind Repower LLC for Renewable Energy consisting of 11MW of solar power.

What do we plan to do in Fiscal Year 2022?

- Continue to provide safe, clean, and reliable drinking water that meets and exceeds all state and federal regulations, as well as continue to distribute reclaimed water to meet user demands.
- Rehabilitate several wells throughout the City, including Well 8, Well 22, and Well 25, resulting in increased well efficiency.
- Complete the design, bid, award, and construct the Western Riverside County Regional Wastewater Authority (WRCRWA) 20-inch Reclaimed Waterline, which will deliver reclaimed water from the WRCRWA plant to the City reclaimed water system.
- Continue the Well Site Emergency Generator Backup Power Program.
- Perform several projects to support the Water Utility: upgrade the Lester Water Treatment Plant post disinfection, installation of water storage tank mixers, assist with the commissioning and testing of the new Manglar Blend Station upgrades, perform membrane replacements at the Desalter, and procure professional services for above-ground water storage tank painting.
- Begin design of the Water Reclamation Facility #3 Telecommunications Tower.
- Select a contractor-engineer design-build team and begin construction of the Water Reclamation Facility #2 Equalization Basin and Odor Control Project.
- Conduct Phase II upgrade of underground Burd transformers to reduce equipment loading and accommodate additional residential loading.
- Compose, bid, and award a Master Electric Utility Equipment Replacement Contract to expedite restocking and project-based orders.
- Secure a Power Purchasing Agreement for the Gaskell West-2 solar filed with Recurrent Energy for Renewable Energy consisting of 11MW of solar with 8MW of battery storage.

Infrastructure Maintenance Budget Detail

What do we do?

The Infrastructure & System Maintenance division is crucial in the safe and functional delivery and distribution of water, sewer, and reclaimed water. The division responds to reported water leaks, watermain breaks, and sewer overflows throughout the City and ensures the appropriate and proper responses are conducted. Additionally, the team is vital in the preventative maintenance of City-owned infrastructure related assets, such as water meters, fire hydrants, and air vacuum controls.

What did we do in Fiscal Year 2021?

- Responded to approximately 1,926 residential work order requests pertaining to water and sewer line infrastructure.
- Replaced approximately 596 water meters as part of the meter replacement program.
- Performed sewer cleaning and Closed-Circuit Television (CCTV) inspection activities on approximately 400,000 linear feet of sewer main.
- Responded to and performed repairs on approximately 30 water main leaks and contained and mitigated 1 public sewer overflow.
- Repaired or replaced approximately 111 leaking water service lines.
- Perform cockroach control activities in 5,000 manholes and 50,000 linear feet of sewer mains.

What do we plan to do in Fiscal Year 2022?

- Perform cathodic protection for corrosion control that extends the useful life of pipelines.
- Identify and coat deteriorated manholes on high flow sewer mains with a protective coating to prevent further deterioration and extend useful life.
- Identify and evaluate the condition of water main and hydrant valves within the distribution system.
- Respond to all watermain leaks and watermain breaks promptly and ensure there is minimal or no disruption to water service.
- Perform repairs on City-maintained portions of customer laterals that are reported by residents.
- Perform annual cleaning of the sewer collection system and conduct video inspections on 400,000 linear feet of sewer mains to identify and repair deficiencies.
- Perform cockroach control activities in 5,000 manholes and 50,000 linear feet of sewer mains.

Facility Maintenance Budget Detail

What do we do?

The Facilities Maintenance division is responsible for the maintenance of all programs pertaining to water, water reclamation, and reclaimed water facilities, as well as electrical infrastructure. The Facilities Maintenance division oversees 21 potable wells, 44 potable pressure reducing stations, 18 potable booster stations, 8 monitor wells, 3 reclaimed water storage tanks, 5 reclaimed booster stations, 4 reclaimed pressure reducing stations, 2 non-potable wells, 14 lift stations, 3 water reclamation facilities, 5 Wholesale Distribution Access Tariffs (WDAT) and 243 transformers and pad mounted enclosure switches. This division maximizes the utilization, reliability, and serviceable life of all facility related assets within each respective system as to ensure that resources are applied to their maximum potential.

What did we do in Fiscal Year 2021?

- Completed approximately 1,955 preventive maintenance and approximately 760 corrective maintenance work orders.
- Replaced and upgraded flow meters at various Water Treatment Plants and Water Reclamation Facilities.
- Replaced automatic transfer switches at Water Reclamation Facility #1A and #1B, Sierra Del Oro Water Treatment Plant, and four lift stations.
- Installed an additional pump at Lester Zone 5 Booster station to meet the increased volume demand.
- Began the Water Reclamation Facility #1 Digester #3 cleaning, resulting in additional storage capacity and efficiency/longevity of downstream equipment.
- Rehabilitated Bedford Canyon Flow Control Station by moving it from a below ground facility to an above ground station.
- Completed several pump replacements, including the installation of a new backwash pump at Sierra Del Oro Water Treatment Plant and the replacement of a potable water pump at Border Booster Station.
- Completed the installation of a new roof at Water Reclamation Facility #2 control room building and Well 17.
- Replaced air-conditioning units at Water Reclamation Facility #1 and #2.
- Replaced and upgraded various Pad Mounted Enclosures and transformers throughout the City's electric distribution.

Facility Maintenance Budget Detail

What do we plan to do in Fiscal Year 2022?

- Address and remedy rusting structural steel at Water Reclamation Facility #1A secondary clarifiers concrete decks and complete the secondary clarifiers rehabilitation project.
- Perform an Arc Flash Study, which will establish safety protocols for qualified electrical personnel to work on electrical equipment and circuit parts that cannot be placed in an electrically safe work environment.
- Continue the flow meter replacement program at various water treatment plants, water reclamation facilities, and reclaimed water facilities.
- Replace several chemical tanks at various water treatment plants and water reclamation facilities, which will increase safety and proactively eliminate chemical tank leaks.
- Complete the design and begin the replacement of the Motor Control Center at Water Reclamation Facility #2.
- Design, bid, award, and construct pavement rehabilitation and drainage improvements at Water Reclamation Facility #2.
- Complete several projects to support the Water Reclamation Utility: at Water Reclamation Facility #1 replace the diffuser panels, upgrade filter screens, and install a second centrifuge to replace an existing belt press.

Sustainability / Conservation Budget Detail

What do we do?

The Sustainability & Conservation division manages various programs and outreach efforts that aim to promote the efficient use of potable water, provide incentive programs and educational classes, and host community events and campaigns. The team's efforts are concentrated in potable water conservation and leak detection and bringing awareness to safe water disposal through anti-contamination programs and campaigns that promote the health and efficient operation of the sewer system.

What did we do in Fiscal Year 2021?

- Performed 968 water conservation site visits.
- Handled 135 water pressure and water quality inquiries.
- Issued 441 water conservation residential rebates, totaling \$59,135.
- Issued 408 water conservation commercial rebates, totaling \$29,485.

What do we plan to do in Fiscal Year 2022?

- Continue to perform water conservation site visits.
- Continue to assist customers with water pressure and water quality inquiries.
- Continue to issue residential and commercial water conservation rebates.
- Hold a Garden Festival for local garden enthusiasts and other interested parties to better educate the public how to responsibly garden in Southern California by utilizing water conservation practices. The festival is a large-scale event, which takes place at the City Hall parking lot and has educational booths and activities for children.
- Administer a water conservation poster contest for children from local schools to showcase their talents and learn more about resource management.
- Offer two landscape classes for businesses and individuals interested in learning more about landscaping in a water-conscious manner.
- Initiate an expanded Water Use Efficiency Campaign. The Water Resources Team will utilize utility bill inserts, bus shelter advertisements, street banners, and social media to help educate the public regarding the importance of water use efficiency.
- Provide facility tours to give residents the opportunity to learn more about DWP's treatment plants and overall operations.

Utility Billing / Customer Care Budget Detail

What do we do?

The Utility Billing and Customer Care division serves customers with professionalism and respect while providing accurate billing and support related to water, sewer, reclaimed water, and electric consumption and services.

What did we do in Fiscal Year 2021?

- Handled 39,765 incoming customer calls.
- Achieved the department's fastest average speed of answer for customer calls of 1 minute and 10 seconds during the month of March 2021.
- Achieved the department's best abandoned call rate for customer calls of only 5% in the month of March 2021.
- Generated 532,590 utility bills for water, sewer, and electric services to residential and commercial customers.
- Processed 461,300 payments, totaling \$102,266,650.
- Enrolled 649 customers in electronic utility bill (eBill) in FY 2021 for a total of 4,159 eBill customers.
- Enrolled 578 customers in the automatic payment program (AutoPay) during FY2021 for a total of 10,794 customers enrolled in AutoPay.

What do we plan to do in Fiscal Year 2022?

- Maintain a monthly average speed of answer of 1 minute and 30 seconds or less.
- Maintain a monthly abandoned call rate of 8% or less.
- Increase the number of enrollments in eBill by 10% (715 customers) from FY 2021 enrollment number.
- Increase the number of enrollments in AutoPay by 10% (635 customers) from FY 2021 enrollment number.
- Add a payment kiosk at the utility billing public counter at City Hall to increase convenience for customers making in-person payments and reduce impacts for over-the-phone customers by reducing the need to move Customer Care representatives from the phone to assist at the payment counter.
- Issue an RFP for a new customer information system (CIS, also referred to as utility billing software) and a new customer web portal. The new system and web portal will modernize operations and increase convenience and ease-of-use for customers.

Utility Billing / Customer Care Budget Detail

- Issue an RFP for our citywide water advanced metering infrastructure (AMI) project. Completion of this project will result in real time data of water use helping customers and the Department identify leaks and water conservation efforts.

ELECTED OFFICIALS

The mission of the City Council is to receive input from the community and formulate policy upon which all City services shall be developed and implemented. The City Council holds regularly scheduled meetings to represent the public on issues brought to its attention. The City Treasurer enhances the economic status of the City while protecting its assets and maximizing the City's funds through prudent investment.

Elected Officials Budget Detail

What do we do?

The City of Corona's Elected Officials represent residents in their legislative duties. The City Council acts as the legislative body for the City and set citywide policies for efficient and effective governance.

Elected Officials Budget Detail

City Council Budget Detail

What do we do?

The City Council provides policy direction, upon which all City actions, programs, and priorities are based. The Council relies on the input from committees, commissions, and resident input on issues under consideration, to assist in public discussion upon which policy is formulated. City Council extends its influence through review and comments on proposed federal and state legislation, and through participation in regionally-oriented governing bodies.

What did we do in Fiscal Year 2021?

- Successfully recognized outstanding Corona residents through recognitions and proclamations.
- Represented the City on various regional boards and intergovernmental agencies and supported regional activities.
- Continued to encourage community involvement through the appointment of citizens to City commissions, boards, and committees.
- Promoted public safety by protecting residents and businesses.
- Served as liaisons between the City and the business community.
- Adopted policies to continue to enhance the quality of life in Corona.
- Assured compliance with all federal, state, and local laws governing investments.
- Adopted the City of Corona Strategic Plan.
- Adopted the 2021 Legislative Platform and Financial Priorities.
- Participated in the first Newly Elected Officials' Orientation.

What do we plan to do in Fiscal Year 2022?

- Adopt a balanced Budget for Fiscal Year 2022 with projections for Fiscal Year 2023.
- Provide policy direction to City staff.
- Provide City staff direction on a Strategic Plan to set strategic direction and determine priorities for the City.
- Continue to promote Corona as a business-friendly community.
- Continue to receive input from the community.
- Represent the City's interest on intergovernmental agencies and boards.
- Represent the citizens of Corona fairly and with integrity.
- Advocate for the City on state and federal levels.
- Create policies to continue a high quality of life in Corona.
- Continue to enhance Economic Development.

City Treasurer Budget Detail

What do we do?

The City Treasurer is an elected position and is responsible for overseeing the custody and safekeeping of all City funds. Furthermore, the Treasurer has the authority to invest idle funds in certain eligible securities allowed by Government Code Section 53635.

What did we do in Fiscal Year 2021?

- Reviewed the investment portfolio in accordance with the City Investment Policy and California Government Code.
- Conducted quarterly meetings with the Treasury Committee.
- Updated the City's Investment Policy.

What do we plan to do in Fiscal Year 2022?

- Conduct quarterly meetings with the Treasury Committee to provide up-to-date market and economic data and realign the City's investments accordingly.
- Review and evaluate the investment portfolio for areas of improved returns while safeguarding the assets.
- Submit the Investment Policy for City Council approval by June 2022.

Finance Administration Budget Detail

What do we do?

The Budget and Revenue function is responsible for preparing and maintaining the City's operating and capital budgets. This area also monitors all revenue accounts, provides revenue estimates for budgetary purposes, coordinates a Citywide biennial user fee study, and coordinates the cost allocation plan. Other areas of responsibility include activities related to transient occupancy taxes and oversight of the business license program, centralized cashiering, and personnel related activities that include cost analysis and maintaining information for the Human Resources system.

The Development Accounting function administers the financial aspects of the City's development activities, such as the formation and administration of Community Facility Districts and other land-based financing programs; the City's long-term debt including issuance, refunding and compliance monitoring; the reporting of Citywide developer impact fees; and the calculation, levying and reporting of special assessment taxes.

The General Accounting function manages and maintains the City's financial records in conformity with generally accepted accounting principles and in compliance with federal, state, and local laws. It ensures appropriate internal controls are in place to safeguard City assets. The function provides payroll, accounts payable, accounts receivable, financial reporting, grant management, investment activities, and general accounting services. The General Accounting group provides accurate and timely data to internal and external users to analyze various performance indicators and productivity for enhanced accountability and effective use of financial resources.

The Purchasing function is responsible for the procurement of goods and services necessary for the City to serve its constituents in the most responsible, cost-effective manner. In accordance with Corona Municipal Code Chapter 3.08, the Purchasing Division will ensure that all City purchases follow the procedures to implement the City's participation in the Uniform Public Construction Cost Accounting Act pursuant to California Public Contract Code, Section 22000 et seq.

What did we do in Fiscal Year 2021?

- Received the thirtieth consecutive Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA), the highest form of recognition in governmental accounting and financial reporting.
- Received the seventeenth consecutive California Society of Municipal Finance Officers (CSMFO) Excellence in Budgeting Award.
- Received the fifth budget award from the GFOA.
- Implemented new software for the budgeting process.
- Conducted a fiscal 360 assessment and implemented an enhanced long-range financial forecast.
- Conducted a Request for Proposals and selected a new auditing firm to conduct the annual financial audit and other audits as needed.

Finance Administration Budget Detail

- Developed purchasing dashboard to efficiently track, evaluation, and optimize all acquisition processes within the City, with the help of procurement Key Performance Indicators (KPI).
- Restructured purchasing staff into two teams to better meet the needs and requirements of the City's departments and provide structure for continuous improvement.
- Implemented an on-going project to develop and document purchasing processes and procedures.

What do we plan to do in Fiscal Year 2022?

- Receive the GFOA award for the Comprehensive Annual Financial Report (CAFR).
- Receive the GFOA and CSMFO awards for the annual adopted budget.
- Receive a clean opinion from the annual financial audit.
- Maintain aging of receivables to be under 90 days.
- Process invoices within an average of 30 days.
- Ensure seamless transition to Finance Enterprise, the upgraded version of the City's financial system, One Solution.
- Evaluate and implement the contract management module in One Solution.
- Issue pension obligation bonds to address the City's unfunded pension liabilities.
- Implement a Purchasing Cost Savings Program focusing on negotiated savings and cost avoidances.
- Implement a voluntary Diverse/Disadvantaged Business Enterprise (DBE) program with state approved and certified DBEs. Purchasing strives to drive economic value for customers, suppliers, communities, and shareholders by integrating diverse businesses into the procurement process for the City's goods and services.

Fire Administration Budget Detail

What do we do?

The Administration Division consists of the Fire Chief, finance, and administrative support staff. The Division provides leadership, departmental oversight, planning, and policy direction. The Administration division is responsible for the overall management of the Fire Department including fiscal management, personnel matters, labor relations, and special projects. Additionally, the Administration Division provides support services for all other Fire Department Divisions, and customer service to the public.

What did we do in Fiscal Year 2021?

- Realigned job duties of administrative staff to enhance lines of service and improve efficiencies.
- Onboarded finance professional staff.
- Conducted a gap analysis and identified needed staffing and organizational enhancements.

What do we plan to do in Fiscal Year 2022?

- Onboard newly approved positions.
- Identify and implement improved management processes for multiple programs.
- Establish long term sustainability programs for large equipment replacement, fire department facilities and fire apparatus.
- Create additional opportunities for automatic and mutual aid agreement in the region.
- Develop a Fire Cadet program to support fire administration and the entire.

Training And Safety Budget Detail

What do we do?

The Training and Safety Division is responsible for maintaining all applicable certification and licensing records, course and instructor development, maintaining and updating training materials, administering skills testing and instruction, developing health and safety programs, monitoring safety trends, and implementing programs to reduce risk. In addition to standard performance drills, each firefighter completes well over 240 hours of annual training. Areas of training include fire suppression, ladder technique and safety, wildland firefighting, auto extrication, emergency medical services, hazardous materials, swift water rescue, trench rescue, active shooter triage, and fire ground survival. Corona Firefighters collaboratively train with other departments to address agency protocols, inter-agency communication, mutual/automatic aid agreements, operational plans, and unified command. Fire Training also works with statewide organizations tasked with supporting recruitment endeavors through standardized testing, validation, and eligibility lists.

What did we do in Fiscal Year 2021?

- Recruited, hired, and trained 13 new firefighters.
- Identified innovative ways to train operations personnel in a COVID-19 environment.
- Provided specialized training for hazardous materials, technical rescue, and swift water rescue.
- Supported alternative recruitment processes.
- Developed a renovation and repair plan for the fire training facility.

What do we plan to do in Fiscal Year 2022?

- Recruit, hire and onboard new Fire Captains and Battalion Chiefs.
- Recruit, hire, and train new firefighters to support an alternate service delivery platform.
- Train multiple individuals in specialty skill sets to account for attrition.
- Provide hands-on emergency vehicle operations training for operations personnel.
- Identify nontraditional operations training opportunities (i.e., leadership, communication, etc.).

Emergency Services Budget Detail

What do we do?

Emergency Services, commonly referred to as Emergency Management, is charged with reducing community vulnerability to hazards and improving the capability to cope with disasters. Emergency Management protects communities by coordinating and integrating all activities necessary to build, sustain, and improve the capability to mitigate against, prepare for, respond to, and recover from threatened or actual natural disasters, acts of terrorism, or other human-made disasters. This is achieved by implementing the four phases of Emergency Management (Mitigation, Planning, Response, Recovery). This includes the development and implementation of Emergency Plans, the training, and exercising of city staff to these plans and ensuring the overall readiness of the City Emergency Operation Center (EOC). The division coordinates with County, State, and Federal partners to secure financial reimbursement for damages incurred during a disaster. Additionally, Emergency Manager seeks, applies for, and manages numerous State and Federal grants. The division also oversees the Community Emergency Response Team (CERT) training program.

What did we do in Fiscal Year 2021?

- Partnered with key stakeholders regionally in a COVID-19 environment.
- Established COVID-19 testing and vaccination opportunities for residents.
- Activated the Corona's Emergency Operations Center for the COVID-19 pandemic.
- Received, processed and managed multiple emergency management grants.
- Facilitated the recovery process for multiple local disaster declarations.

What do we plan to do in Fiscal Year 2022?

- Recruit, hire and train new part time personnel.
- Create opportunities to train community members in emergency preparedness.
- Expand Community Emergency Response Team (CERT).
- Support implementation of the Community Wildland Protection Plan.
- Support the launch of a Fire Safe Council (Fire Safe Corona).
- Continue to support current grant programs and seek new funding opportunities.

Fire Prevention Budget Detail

What do we do?

One of the core services a Fire Department must provide is to prevent conflagrations and minimize fire losses. The Fire Prevention Division strives to minimize potential fire hazards through education, engineering, and enforcement. They are responsible for administering the California Fire Code, California Code of Regulation Titles 19 and 24, and nationally recognized standards and practices. These relate to compliance with fire and life safety requirements set by local, state, and federal governments and apply to both new and existing occupancies. The Prevention Division provides services in the areas of new construction inspections, state mandated inspections, hazardous materials disclosures, life safety compliance, weed abatement, fuel modification, youth intervention, and fire investigations.

What did we do in Fiscal Year 2021?

- Transitioned to in-house Haz-Mat/Life Safety inspection program.
- Created and implemented alternate inspection processes in a COVID-19 environment.
- Completed a comprehensive Wildland Fire Threat Assessment.
- Onboarded additional fire investigators and enhanced operations level investigations.

What do we plan to do in Fiscal Year 2022?

- Enhance wildland fire prevention endeavors.
- Identify and implement alternative fuel mitigation programs.
- Support implementation of the Community Wildland Protection Plan.
- Support the launch of a Fire Safe Council (Fire Safe Corona).
- Identify areas to innovate fire prevention endeavors.
- Focus activities primarily on education first and supported with enforcement.

Fire Operations and Suppression Budget Detail

What do we do?

Fire Operations and Suppression personnel safeguard Corona citizens and visitors with well-trained and equipped professional firefighters. The Operations section responds to all hazards of emergencies that threaten life, property, or the environment. A daily total of 33 firefighters provides a constant state of readiness from seven fire stations 24/7. These firefighters provide Advanced and Basic Life Support at medical emergencies, extinguish fires, participate in search and rescue operations, respond to catastrophic events, and ensure the City's readiness to respond to and recover from extraordinary emergencies and disasters that impact the City of Corona. Specialized teams include Hazardous Materials Response, Swift Water Rescue, Rope Rescue, Auto Extrication, Multiple Casualty Response, Tactical Response, and Confined Space Rescue. Operations personnel also conduct fire inspections of existing occupancies. The Operations Division also participates in the Statewide Master Mutual Aid Agreement and responds to emergencies under contractual and automatic aid agreements with surrounding communities.

What did we do in Fiscal Year 2021?

- Navigated emergency service delivery in a COVID-19 environment.
- Placed four new front line firefighting resources in service (including two aerial apparatus).
- Created innovative service delivery models in response to COVID-19.
- Deployed a more technologically advanced multi-band handheld portable radio platform.
- Supported a record-breaking wildland fire season through statewide master mutual aid.
- Received recognition from the American Heart Association for cardiac arrest treatment.
- Deployed new technology for acute status patient (video laryngoscopes).
- Onboarded seven newly paramedics for the first time in over a decade.

What do we plan to do in Fiscal Year 2022?

- Identify the obstacles to reducing response times, implement solutions, track results, and report out publicly.
- Develop process to scale emergency response to call type and need (i.e., low acuity response).
- Explore opportunities to adopt best practices and computer aided dispatch systems.
- Improve emergency response times to meet or beat national benchmarks.
- Enhance emergency medical service training and continual quality improvement.
- Place additional Cal OES resources in service to support Statewide Master Mutual Aid.
- Enhance the current unmanned aerial vehicle (drone) program.
- Continue growth of crowdsourced lifesaving opportunities (i.e. PulsePoint).

GENERAL GOVERNMENT

The purpose of the General Government budget is to provide a means for allocating resources for specific items that are of benefit to multiple departments and require special planning, implementation, and monitoring.

General Government Budget Detail

What do we do?

General Government and General City Responsibility relates to city obligations that are not readily assignable to a single department. It also refers to costs which may provide a benefit to multiple departments and programs. General City Responsibility also relates to the cost of utilities to service city buildings (such as natural gas, electricity and water).

Debt Service Budget Detail

What do we do?

The City's annual operating budget includes provisions to ensure the prompt and full payment of annual debt service (i.e. principal and interest), which is incurred upon outstanding debt instruments previously issued by the City. The proceeds of debt are typically used to either finance the construction of infrastructure (rather than cash funding the capital project) or to refinance existing debt at a lower interest rate (if market conditions are favorable). The City is required to pay debt service in accordance to bond covenants and indentures, which generally, may 'pledge' City revenue (and its 'full faith and credit') to guarantee that it fulfills its obligations to investors and provide remedies against the

Shared Costs Budget Detail

What do we do?

Citywide shared costs relate to items which provide a benefit to multiple departments and programs, such as citywide credit card transaction / processing fees, insurance premiums, and the General Fund's share of internal service charges for the information technology and warehouse functions. One shared cost is the City's obligation to pay certain other post-employment benefits to retirees ('OPEB'), consisting primarily of retiree medical costs. To mitigate the further escalation of OPEB costs, the City established an irrevocable OPEB trust fund through the California Employers' Retiree Benefit Trust (CERBT) Program in March 2008. The current fiscal policy is to fund the annual required contribution ('ARC'). The ARC is an actuarially-determined, annual contribution that addresses current costs (for active retirees) and future costs (for eligible, current employees) which the City is obligated to pay. OPEB is categorized as a personnel cost.

Human Resources Budget Detail

What do we do?

The Human Resources function monitors and evaluates current City programs and policies and develops and enhances new or existing programs to achieve organizational goals. Additionally, the program ensures legal compliance in all facets of Human Resources management.

The Benefits function provides information and assistance to all staff including medical, dental, vision, 457 accounts, CalPERS retirement, flexible spending accounts and Employee Assistance Programs. Additionally, the program coordinates compliance with disability laws; responsible for centralized administration and maintenance of City staff benefits transactions and employee file data; implements the provisions of the Affordable Care Act and monitors ongoing legal compliance requirements; provides service to employees nearing retirement and to all City retirees. Administers retiree health benefits, including health & Medicare reimbursement, COBRA, and flexible benefit elections; administers the tuition reimbursement and computer loan programs; provides Disability Interactive Process for non-industrial injuries & coordinates compliance with disability laws; provides Reasonable Accommodations/Temporary Light Duty Assignments.

The Classification and Compensation function administers the City's classification plan and compensation system; conducts and implements classification, reclassification, and organizational studies; research, analyzes, audits, and participates in the maintenance of the City's classification plans; and oversees the City's Position Library and Compensation Plan.

The Leave Management function administers the City's Family Medical Leave, California Family Rights Act, California Pregnancy Disability Leave, and other leaves covered by City policy to ensure compliance with Federal Law; and administers Families First Coronavirus Response Act (FFCRA) requires certain employers to provide their employees with paid sick leave or expanded family and medical leave for specified reasons related to COVID-19.

What did we do in Fiscal Year 2021?

- Created a process for exit interviews to assess employee experience and improve retention and engagement.
- Implemented branding strategies to attract a diversified workforce – including an update to job postings, usage of social media to advertise to a more diverse audience, and increased engagement during the recruitment process.
- Initiated a City-Wide Classification and Compensation Study to ensure alignment of all classifications and wages within our market comparators.
- Began implementation process with Nationwide and NFP.
- Streamlined all Human Resources functions to meet the changing needs of the department during the COVID-19 pandemic.
- Onboarded a new Human Resource Leadership Team.

Human Resources Budget Detail

What do we plan to do in Fiscal Year 2022?

- Review the City recruitment plan and modify where necessary to provide a more expedited service.
- Identify a new HRIS to include workforce development, performance management, training, absence management, position management, and payroll.
- Continue the creative thinking behind the BEAT (Bringing Employees All Together) team and host the City-wide Employee Recognition Event for staff, allowing management to express their gratitude towards staff.
- HR Leadership Team – design and facilitate management training sessions to include performance management, progressive discipline, employee engagement, position description development, working with employee associations, and understanding compensation and classification.
- Implement a City-wide Diversity and Inclusion plan.
- Create and facilitate professional growth workshops.
- Create a retirement page online for educational purposes so employees can easily access the information and better prepare for retirement.
- Revamp the onboarding and new hire process to facilitate a more seamless and enjoyable experience.
- Create data analytics for reporting purposes.

Safety And Training Budget Detail

What do we do?

The Safety and Training Program provides City employees a safe and healthy work environment, including both online and instructor-based training programs to comply with Cal/OSHA regulations. The Safety and Training Program continues to be a valuable resource for the city to ensure a lower rate of injury and illnesses by providing staff the training they need to perform their duties, handling of equipment and materials in a safe manner.

The Mandated Safety Training function ensures employees are compliant with required instructor-led trainings, web-based trainings, and pamphlets per City of Corona policies and Cal OSHA laws and regulations; forecasts and schedules monthly instructor-led trainings based on employee needs and regulatory updates; ensure accurate tracking and recordkeeping of all Safety/HR driven trainings via Classweb; recommends continuous modifications to Classweb for reporting and communication purposes; manages web-based training criteria for employees; and adds and removes training requirements as equipment is no longer in use or new equipment is introduced.

The Employee Health and Safety function implements the following programs: Hearing Conservation, Respiratory Protection, Safety Shoes, Vaccinations, DMV Employer Pull Notice, DOT Commercial Driver Random Testing, City Hall Fitness Center, and Ergonomics; conducts Environmental Health and Safety (EHS) audits along with Supervisors at City locations to determine compliance with Cal OSHA and Cal EPA laws and regulations; conducts Job Safety Analyses (JSA) at City locations to identify new and existing hazards; conducts accident, incident, and complaint investigations; reviews and updates the Injury & Illness Prevention Program (IIPP) and the Job Rule Book; creates, maintains, and updates EHS Standard Operating Procedures (SOPs); and conducts monthly Fire Extinguisher and AED (Automated External Defibrillator) checks at City Hall.

What did we do in Fiscal Year 2021?

- Created and implemented a COVID-19 Prevention Plan to support employees during the pandemic.
- Partnered with the DICO to ensure efficient contract tracing and notifications to affected employees to prevent the spread of COVID-19.
- Created and implemented Return to Work Guidelines.
- Created and implemented protocols for temperature testing and screening.
- Updated the training modules to reflect City needs during COVID-19.

What do we plan to do in Fiscal Year 2022?

- Expand Learning Management System (LMS) Curriculum by going through the Dupont library of trainings and analyzing which additional online trainings could benefit city staff.
- Create online tracking and monthly check platform of Fire Extinguishers and AED machines.
- Conduct Safety Audits for buildings annually.

Safety And Training Budget Detail

- Implement an Incident Review Board to execute preventative measures of injuries, incidents or near misses. Establish a Near Miss Program.
- Create an active shooter training in partnership with PD.
- Create automate notifications to employee to comply with driver's license and commercial license related renewals.

Information Technology Budget Detail

Information Technology Administration Budget Detail

What do we do?

Information Technology Administration and Operations includes support of departmental personnel, employee training, office equipment, cybersecurity, emergency communications systems, broadcasting, computer equipment and software.

What did we do in Fiscal Year 2021?

- Hired a new Help Desk Manager to improve efficiencies and streamline services.
- Created public safety positions to address the needs of emergency services.
- COVID-19 SMS response technology deployed for public notifications.
- Provided employee training for certification and improvement of IT skills and knowledge.

What do we plan to do in Fiscal Year 2022?

- Addition of System Administrator, Sr. Business System Analyst, and GIS Administrator to meet demand.
- Certified vendor training on upcoming technologies being deployed by the City.
- Piloting of new projects and technologies including AI.
- Advancement toward What Works Cities Certification.
- Design next generation digital service portfolio.

Projects Budget Detail

What do we do?

The Citywide Support and Initiatives Program provides citywide technology initiatives systems and funding for the implementation of new and innovative technology solutions.

What did we do in Fiscal Year 2021?

- Began centralization of printing costs for the organization.
- Audio-Visual upgrades to conference and training rooms.
- Financial system consulting.
- Deployed and piloted new technology for COVID-19 response to keep employees working remotely, safely and effectively.

What do we plan to do in Fiscal Year 2022?

- Electronic Document Management System.
- Smartflow virtual queue management solution.
- Upgrade CIS Utility Billing System.
- Camino community development enhancement.
- Additional security cameras for the Police and Library.
- Integration between CAD and Team Connect for AVL as request by the Fire Department.

Geographic Information Systems (GIS) Budget Detail

What do we do?

Geographic Information Systems (GIS) services includes funding for the acquisition of hardware and software, data conversion and applications development to expand the existing GIS program and provide for integration into new and existing systems including public safety, utilities and land development.

What did we do in Fiscal Year 2021?

- GIS Contracting work for CAD.
- DataMark software deployment.
- Nearmap Orthophotography deployment.
- Developed dashboards and near real-time data visualizations for multiple departments.
- Piloted the use of geospatial predictive analytics for use in advanced data modeling.

What do we plan to do in Fiscal Year 2022?

- ESRI Small enterprise licensing adding additional functionality and seats.
- GIS consulting service to digitize utility information in preparation for new platform.
- Data Strategic Plan development to streamline data accessibility and assist in data driven decision making.

What does it cost?

Geographic Information Systems (GIS) Budget Detail

Contracts/Renewals Budget Detail

What do we do?

Recurring costs for software licensing, maintenance and support. This ensures that we maintain current version of our software systems to provide better functionality and security.

What did we do in Fiscal Year 2021?

- Deployment of desktop virtualization for remote desktop and thin clients.
- Developed a cyber security response plan in conjunction with leading experts in the field.
- Augmented security posture and conducted threat assessments.
- AI and Chatbot enhanced during the pandemic.
- Security training for City staff.
- Built virtual call centers for the City to support operations during covid including digital EOC.
- Deployed a technology based hiring platform to streamline recruitment.
- Implemented Qwestica budgeting system to modernize budgeting process.

What do we plan to do in Fiscal Year 2022?

- Renew internet contracts to provide redundancy and throughput for City operations.
- Centralized the managed printing contract for the organization and reduce footprint.
- Continued deployment of desktop virtualization for remote desktop and thin clients.
- Managed VOIP deployment.
- SD-WAN redundancy to Fire Department communication links.
- Continue development of next generation digital 311 service.

City Attorney's Office Budget Detail

What do we do?

The City Attorney's Office represents and advises the City Council, as well as all other City officers, boards, commissions, committees and employees, in legal matters pertaining to their City offices and employment, to the extent required or allowed by law and as otherwise directed by the City Council. The office also oversees City representation by outside attorneys in some situations, including workers' compensation matters.

The City Attorney's Office performs all legal work and represents the City in all actions at law, including acquisition, sale or abandonment of real property, including acceptance of deeds on behalf of the City, providing or overseeing representation on all claims and other litigation matters by or against the City and also assists in drafting all ordinances, resolutions, motions, agreements and contracts to be entered into by the City, as well as approving the form of such instruments.

What did we do in Fiscal Year 2021?

- to the legal team for officials and staff, and worked on well over 200 projects throughout the City (even during COVID remote periods).
- Continued to work on the City's Homeless Strategic Plan, Homeless Shelter and related homeless neighbor services with Management Services and other staff.
- Continued to work on the Lab Holdings Corona Mall Project with Management Services and Economic Development.
- Worked on the Measure X and Measure Y ballot initiatives with Management Services and the City Clerk, as well as on the implementation of Measure X with the Finance Department.
- Continued to work extensively on the McKinley Grade Separation Project with staff and the consultant project team on all real property acquisitions and project contract documents.
- Continued to work extensively on the Commercial Cannabis Program with Community Development, Police, and other staff.
- Worked on drafting and adopting the Urban Forest Management Plan and related CMC Ordinance updates with Community Services and Management Services.
- Continued to assist the City Clerk's office with responding to Public Records Act requests, which are increasing in number and the volume of records requested.
- Continued to work on both small cell and cell tower issues with Management Services, Community Development and other departments, and continued to manage citywide cell tower license agreements.

City Attorney's Office Budget Detail

- Handled more than 20 litigation matters, including: (1) favorable conclusions on 2 false arrest cases, a first amendment anti-SLAPP motion case (awarded attorney fees), a dangerous condition of public property summary judgment appeal, a federal property seizure summary judgment appeal and sanctions award, an auto v. pedestrian traffic collision trial, and no-cost dismissals in several wrongful death, personal injury and property damage cases; (2) avoided litigation regarding several wrongful death tort claims; and (3) worked with outside legal counsel to initiate 2 cases against several Fortune 500 companies regarding PFAS and TCP contamination.

What do we plan to do in Fiscal Year 2022?

- Continue to work with Council and staff to implement Strategic Plan priorities – the City's priorities are our priorities.
- Provide continuous evaluation of cost-saving measures.
- Provide enhanced service and more direct access for City officials and employees.
- Continue to look for opportunities to expand expertise and reduce outside legal counsel expenses.
- Develop and retain high quality professional staff dedicated to the department's mission statement.
- Continue to Advocate for the Corona Community by promoting a tenacious yet fair and professional reputation in on-going advocacy efforts.
- Continue to effectively defend City resources, create efficiencies and increase cost-savings and subrogation (cost recovery) efforts.
- Work with Community Development on the General Plan update.
- Continue to look for ways in which to manage citywide cell tower license agreements more effectively.
- Continue to work with the Purchasing Division to improve workflow for insurance and contract requests.

Risk Management Budget Detail

What do we do?

The Risk Management Division works closely with the City Attorney's Office to oversee and manage the City's Workers' Compensation Program and the City's Liability, Subrogation & Insurance Program.

The Workers' Compensation Program provides specialized workers' compensation services to employees city-wide, including monitoring and administering claims effectively while maintaining cost control measures and developing cost reduction strategies. The program works in conjunction with the Human Resources' Safety staff to identify and review trends, with the goal of thereby monitoring injuries, limiting future accidents, and identifying required safety improvements.

The Liability, Subrogation & Insurance Program manages tort and other claims filed against the City, manages subrogation claims pursued by the City against responsible third parties, strives to anticipate and reduce potential claims, coordinates and organizes the City's administrative policies and procedures, reviews and administers insurance provisions in City contracts and agreements, and administers the City's self-insurance and commercial insurance programs. The program serves as a resource to the City Council and City departments concerning claim liability exposure, insurance coverages and insurance provisions in City contracts and agreements.

What did we do in Fiscal Year 2021?

- Continued to oversee new TPA and various unbundled managed care program service providers, with the goal of achieving cost savings and increased customer service and responsiveness to the needs of injured employees.
- Continued to implement controls designed to increase accountability of TPA and outside legal counsel.
- Implemented COVID legislation to track and report claims as required.
- Worked with supervisors and managers to develop light duty agreements to allow employees to come back to modified duty while recovering from their injury.
- Continued to hold quarterly workers' compensation claim review meetings with our TPA, employees and association representatives.
- Favorably settled 15 Workers' Compensation cases, 11 by Stipulated Award and 4 by Compromise and Release.
- Reviewed and processed at least 86 new liability claims and closed approximately 134 liability claims (through appx 04-21).
- Continued to reduce overall claim liability (average paid claim down to less than \$2,000 - more than an 85% decrease in last 5 years or so).
- Billed approximately \$143,443 for subrogation efforts, collected approximately \$173,103, and entered into 7 new payment agreements, totaling \$15,779 (through appx 04-21).

Risk Management Budget Detail

- Continued to evaluate the City's self-insurance and commercial insurance programs for effectiveness at protecting City assets and conformance with practices of California municipalities of similar size and risk factors, including an analysis of new insurance programs offered by the City's insurance broker, Alliant, as well as alternatives for saving money at varying risk tolerance levels.

What do we plan to do in Fiscal Year 2022?

- Continue to evaluate and implement ways in which to cost-effectively provide quality medical care to injured employees, to facilitate their recovery to pre-injury status, and return them to work as soon as reasonably possible.
- Continue to work with our new Workers' Compensation TPA and various unbundled managed care program services providers, focusing on cost savings and increased customer service and responsiveness to the needs of injured employees.
- Continue to work with various departments on policy and procedures for industrial disability retirement process in accordance with CalPERS requirements.
- Continue to look for ways in which to reduce Workers' Compensation claims litigation.
- Continue to look for ways in which to reduce overall claim liability.
- Continue to look for ways in which to improve the City's subrogation efforts, including collecting more money owed while entering into respectful and manageable payment or other arrangements.
- Continue to evaluate the City's self-insurance and commercial insurance programs, including looking for ways in which to save money commensurate with the City Council's risk tolerance.
- Work to revise and update the Risk Management Policy.
- Work with Information Technology and Finance to explore the possibility of providing the ability for the community to purchase special events insurance online.

0.50 – Part-Time FTE (not reflected above)
35.65 Total FTE

This organizational chart represents citywide Full-Time Equivalents (FTEs) for this department. The Citywide Schedule of Positions table summarizes FTEs by position allocation. An FTE is the equivalent of one person working full time 2,080 hours per year.

Maintenance Services Budget Detail

What do we do?

The Maintenance Services Department provides services to internal and external customers and ensures that all City-owned properties are kept at their best functioning level.

Performance Measures

Performance Metrics	Calendar Year 2020	Goal
Average Number of Days to Respond to Streets Maintenance Service Requests	11 days	12 days
<i>The Average Response Time per Streets Maintenance Service Request is the average number of days for the Streets Maintenance division to respond to various residential inquiries, sidewalk and curb maintenance, storm drains and catch basins, debris in right of way, weed abatement, signs and streetlights. In Calendar Year 2020, approximately 4% of all service requests received pertained to storm drains and debris basins, approximately 19% related to general street maintenance, and approximately 77% related to various street maintenance requests, including street striping, asphalt repairs, and sidewalk and curb maintenance.</i>		
Percentage of Streets Maintenance Service Requests Closed	91%	100%
<i>The Percentage of Service Requests Closed is the rate at which the Streets Maintenance division resolves service requests received. In calendar year 2020, 3,535 requests were received and 3,230 were closed. Given the available resources, the Streets Maintenance division strives to promptly resolve all requests, at all times.</i>		
Average Number of Days to Respond to Facility Maintenance Service Requests	10 days	14 days
<i>The Average Number of Days to Respond to Facility Maintenance Service Requests was 17 days in calendar year 2019.</i>		
Percentage of Facility Maintenance Service Requests Closed	99%	100%
<i>The Percentage of Facility Maintenance Service Requests Closed is the rate at which the Facility Maintenance division resolves service requests received. In total for calendar year 2020, 2,167 requests were received and 2,166 were closed. Maintenance Services works hard to ensure that City facilities are kept in outstanding condition.</i>

Maintenance Services Budget Detail

Maintenance Services Administration Budget Detail

What do we do?

The Maintenance Services Administration Program provides leadership, policy, support, and planning for the effective and efficient operation of the Maintenance Services department. The division provides support to all divisions within the department and works collaboratively with the Finance and Purchasing departments to provide budgetary, purchasing, financial, and analytical information that is required of our department.

What did we do in Fiscal Year 2021?

- Provided leadership and overall management of all Maintenance Services activities.
- Provided support to all Maintenance Services divisions with development and management of budgetary items, purchasing requests, and policies and procedures.
- Coordinated with the Finance Department to manage all financial activities for the department, including but not limited to, operating and capital expenditures, revenues, asset management, and grants.
- Coordinated with the Human Resources division to manage all personnel activities for the utility.
- Assisted with resident questions and requests through SeeClickFix, over the phone and via e-mail.
- Applied for and managed various grants for the department. Awarded \$243,182 in FY 2021 for the Community Power Resiliency grant for a Power Resiliency Needs and Risk Assessment for critical facilities Citywide.
- Reviewed department policies and procedures to increase efficiency and ensure that all required controls are in place. Some of the procedures improved in FY 2021 include: internal purchasing procedures, vendor pricing audits, records destruction process, capital improvement project budgeting and tracking, revenue projections, airport card application process, and various Fleet processes.

What do we plan to do in Fiscal Year 2022?

- Continue to provide leadership, management, and support of all department activities.
- Continue to review policies and procedures to improve efficiencies and controls. A thorough review of Fleet division policies and procedures is planned to streamline vehicle costing and replacement.
- Continue to provide excellent customer service at all times.
- Continue to apply for new grants and manage existing grants.

Building Maintenance - Homeless Programs Budget Detail

What do we do?

The Building Maintenance – Homeless Program is responsible for the maintenance and repair of City facilities designated for homeless housing and shelter. Currently, these facilities include the Harrison Emergency Shelter/Navigation Center and the and the 5th Street Permanent Supportive Housing Units. This program involves both City personnel and contractual services in providing safe and sustainable facilities.

What did we do in Fiscal Year 2021?

- Managed the rehabilitation of the Harrison Emergency Shelter/Navigation Center which included items such as roof replacement, mold abatement, new epoxy flooring, parking lot slurry, renovation of kitchen and bathrooms, installation of water heater, fire sprinklers, privacy screens, new exterior fencing, replacement of HVAC systems, awnings and outdoor storage units, broken windows, rusted doors, and old appliances, addition of a dog run, and landscaping improvements.
- Collaborated with the Fire Department and Information Technology Department for improvements related to the fire monitoring system, security alarm and camera systems, and card reader system in the Harrison Emergency Shelter/Navigation Center.

What do we plan to do in Fiscal Year 2022?

- Continue to manage contracted service work in the Harrison Emergency Shelter/Navigation Center for planned office remodel to accommodate the Centro Medico Community Clinic partnership as well as other improvements related to a dog run shelter and patio cover.
- Ensure safe and suitable operating condition of the housing units and the shelter through planned preventative maintenance and timely corrective maintenance.

Building Maintenance - Homeless Programs Budget Detail

Facility Maintenance Budget Detail

What do we do?

The Facility Maintenance Program is responsible for the maintenance and repair of 28 City-owned buildings and related public facilities using both City personnel and contractual services. A systematic preventative maintenance program is utilized to enhance the longevity and efficiency of the buildings and their related equipment and infrastructure.

What did we do in Fiscal Year 2021?

- Responded to 2,609 preventative maintenance and corrective maintenance work orders in 28 City-owned buildings to prevent failure and degradation, and to ensure safe and efficient operation of City facilities.
- Completed the installation of safety plexiglass barriers in City facilities including City Hall, Library, Police Department Building, and Fire Department Building, to reduce physical contact to mitigate the spread of Coronavirus (COVID-19).
- Continued the installation of sanitizer dispensers and physical distancing signage in various City facilities to promote proper hygiene practices for the safety of City staff and visitors.
- Repaired leaking portions of the roof in the Historic Civic Center Gymnasium, Senior Center, Circle City Center, Fire Station 1, and Fire Station 2.
- Replaced the leaking roof at the Historic Civic Center auditorium and adjacent building.
- Removed the median at the Senior Center parking lot and widened driveway approach.
- Completed mold abatement and kitchen rehabilitation in Fire Station 1.
- Completed water leak repair and mold remediation in Fire Station 5.
- Upgraded Library fire sprinklers due to fire code requirements and for book drop-off automation center.
- Repaired damaged sprinkler system in the Circle City Center caused by multiple power outages.

What do we plan to do in Fiscal Year 2022?

- Continue to complete all scheduled preventative maintenance and perform required repairs in a timely manner.
- Replace leaking roof in Fire Station 3.
- Install walkway lighting outside the Historic Civic Center.
- Replace wooden exterior auditorium doors at the Historic Civic Center.
- Install a new and more efficient chiller at the Historic Civic Center.
- Extend the animal control service truck parking area and install curbing for vehicle safety.

Facility Maintenance Budget Detail

- Build an additional enclosed workspace at the Warehouse.
- Continue replacement of damaged roof in the Circle City Center.
- Stripe bays in all the Fire Stations to improve visibility of the fire trucks' path of travel.
- Repaint interior of the Vicentia Activity Center.

Street / Drainage / Sidewalk Maintenance Budget Detail

What do we do?

The Street Maintenance Program provide maintenance of City streets, alleys, and right-of-way to ensure the safe passage of vehicular traffic. The program also assists with road closures, hazardous material responses and special events. It is responsible for the maintenance of concrete sidewalks, curbs and gutters, and other concrete structures within the public right-of-way, to ensure the safety of pedestrians and proper drainage of City streets and right-of-way. Street Maintenance is responsible for maintaining all regulatory, warning and guide signs, as well as all patching potholes and maintaining pavement markings within the City to provide the public with a safe and informative transportation system.

The Street Sweeping Program provides for the regular cleaning of the City's public streets and alleys using a contract street sweeping firm. An ongoing and effective street sweeping program is required to comply with the South Coast Air Quality Management District (AQMD) and National Pollutant Discharge Elimination System (NPDES) requirements.

What did we do in Fiscal Year 2021?

- Completed approximately 3,452 work orders related to street maintenance, street lighting, litter collection, and road hazard removal and repair.
- Replaced 30,291 square feet of concrete sidewalk and 970 linear feet of curb and gutter at 242 locations throughout the City.
- Repaired 25,921 square feet of potholes at 185 locations throughout the City.
- Retrieved 733 tons of debris from public right of way at 1,027 locations throughout the City.
- Repaired, replaced, or installed 341 signs within the public right-of-way.
- Cleared approximately 1,784,376 square feet of weeds from public right-of-way and debris basins at 112 locations throughout the City.
- Performed maintenance on 195 storm drain catch basins throughout the City.
- Swept approximately 23,170 curb miles, retrieving nearly 1,902 tons of rubbish from curbs and gutters.

What do we plan to do in Fiscal Year 2022?

- Replace 35,000 square feet of lifted, cracked and damaged sidewalks throughout the City to continue improving public safety.
- Replace/fill 30,000 square feet of potholes throughout the City to continue improving road conditions.
- Perform preventative maintenance on approximately 350 signs within the public right-of-way.
- Continue to provide prompt response to all debris in the public right-of-way requests.

Street / Drainage / Sidewalk Maintenance Budget Detail

- Continue the Weed Abatement Maintenance Program to identify problematic areas to plan routine abatement schedules and clear 2,000,000 square feet of weeds within public right-of-way and storm drain debris basins.
- Continue to develop a comprehensive preventative maintenance storm drain program to increase the number of storm drain catch basins that are cleaned each fiscal year.
- Sweep 25,000 curb miles, retrieve 2,000 tons of rubbish from the public right-of-way to continue meeting NPDES regulations, ensure proper drainage within the City, and maintain the cleanliness of the City's public right of ways.
- Bid and award the contract to purchase and install stormwater catch basin filters throughout the City as required by the Municipal Separate Storm Sewer System (MS4) permit.

Drainage Maintenance Budget Detail

What do we do?

The Drainage Maintenance Program is responsible for the maintenance of sewer and storm drain lines within the CFD 2000-1 district. This program conducts inspection, repair, regular maintenance, and cleaning of storm drain systems to protect the public and the environment.

What did we do in Fiscal Year 2021?

- Cleared storm drains within CFD 2000-1 as needed.

What do we plan to do in Fiscal Year 2022?

- Continue to perform maintenance on storm drains within CFD 2000-1.

What does it cost?

Drainage Maintenance Budget Detail

NPDES Budget Detail

What do we do?

The NPDES Program administers the National Pollutant Discharge Elimination System (NPDES) program for the City of Corona. This stormwater management program is mandated by the Federal Clean Water Act and is implemented by the State Water Resources Control Board, and has the goal of preventing pollutants from entering our lakes, streams, rivers, and oceans through stormwater runoff. Under the NPDES MS4 permit, the City implements a business facility inspection program to ensure that pollutants are not flowing from private property into the stormwater system. The NPDES group also conducts numerous non-facility inspection related activities and community outreach.

What did we do in Fiscal Year 2021?

- Conducted 857 construction site visits to confirm compliance with the City's NPDES new development and construction guidelines.
- Conducted 557 commercial/industrial site visits in accordance with the inspection schedule to verify compliance with the City Municipal Code and NPDES permit.
- Performed 166 residential requests/field reviews in response to possible NPDES violations in collaboration with the Public Works Department, Code Enforcement, and Fire Department.
- Conducted 116 pool inspections to ensure discharge is within the conditions allowed by the permit.
- Responded to 16 SeeClickFix requests and 37 code enforcement referrals.
- Conducted 23 City municipal facility and 12 City airport inspections to confirm that discharge conditions are within the limits authorized by the permit.
- Participated in 23 meetings and webinars as part of the NPDES requirement for regional participation which include discussion on public education and outreach to engage and involve stakeholders in reducing pollutants in our stormwater systems.
- Submitted the City Annual NPDES Progress Report.

What do we plan to do in Fiscal Year 2022?

- Develop and implement a paperless system using Trakit software application for all NPDES activities.
- Assist with the Stormwater Catch Basin Filter project.
- Continue to conduct construction, industrial, and commercial facilities inspection, and enforce appropriate action in accordance with the City Code and NPDES permit.
- Continue to distribute educational materials on proper Best Management Practices (BMPs) to prevent stormwater exposure to pollutants and eliminate non-storm water discharges.

Streetlighting - Districts Budget Detail

What do we do?

The Street Lighting Program provides the maintenance and repair of the City's residential and arterial street lighting system.

What did we do in Fiscal Year 2021?

- Performed maintenance and repairs on approximately 409 streetlights and responded to 33 hit streetlights.
- Replaced 8 street light service point cabinets.

What do we plan to do in Fiscal Year 2022?

- Perform maintenance and repairs on all reported street light outages.
- Replace all identified street light service point cabinets that have reached the end of their useful service life.
- Perform quarterly nighttime street light surveys to increase preventative maintenance activities and decrease reactive maintenance.
- Respond to and replace all hit streetlights in a timely manner to ensure public safety.

Airport Budget Detail

What do we do?

The Corona Municipal Airport Program is responsible for the management of all aspects of airport operations including: the adherence of lease agreements; compliance with all federal, state, and local laws, ordinances, and regulations; and the continual maintenance of runways, taxiways, aprons, streets, grounds, lighting, and equipment located within the airport's parameters. The Airport program is dedicated to safety and providing a first-rate General Aviation facility serving commercial operators, recreational flyers, and the City of Corona.

What did we do in Fiscal Year 2021?

- Completed the replacement of 12 runway lights with LED light fixtures for increased energy efficiency and reliability.
- Replaced vandalized backflow prevention device in the airplane wash area to comply with City standard.
- Completed vegetation removal project in Runway Protection Zones (RPZ) from the South Channel and the North Wall locations.

What do we plan to do in Fiscal Year 2022?

- Perform annual vegetation removal as required by the Federal Aviation Administration (FAA) and California Department of Transportation (CalTrans).
- Rehabilitate and treat asphalt and striping on Airport surface areas that fall under the City's purview.
- Install obstruction lights on the north and east side of the airport to allow for safe flight operations while preserving the protected habitat that covers the area.
- Complete runway/taxi light replacements into LED light fixtures for energy efficiency and sustainability.

Waste Disposal And Recycling Budget Detail

What do we do?

The Refuse/Recycling Program is responsible for the contract administration and oversight of the solid waste and recycling services provided by Waste Management of the Inland Empire, the City's contracted waste and recycling hauler.

What did we do in Fiscal Year 2021?

- Held two community Household Hazardous Waste (HHW) collection events at City Hall drawing 4,042 vehicles and collecting 176.025 tons of hazardous waste for safe disposal for the two events collectively.
- Created a digital campaign to disseminate recycling and organics recycling requirements and ways to become compliant.
- Held a Virtual Educational event in the Fall of 2020 to educate businesses on current and future recycling requirements and the process to report their compliance status as well as services provided by the City's waste hauler, Waste Management.
- Mailed notices to over 1,300 businesses requesting completion of the online self-certification form and educating them on recycling compliance requirements; 140 contacted us by phone and we received 338 survey responses with 218 businesses qualifying for an exemption, 95 signing up for organics services, and 126 signing up for recycling services. These statistics are through March 2021.
- Completed the Administrative Policy for AB1826 exemptions.
- Worked with the Riverside County Department of Waste Resources to implement a process at the gate to reduce erroneous disposal tonnages reported for City of Corona at the El Sobrante landfill that were incorrectly recorded under the City by cash customers who live or provide services in the unincorporated areas of the County.
- Coordinated efforts with Community Development, Public Works, and Facilities Maintenance, to address SB1383 requirements for projects and future developments with regard to enclosures and construction and demolition debris. Procured a tracking and compliance software.
- Conducted a Request for Proposal (RFP) to engage an as needed solid waste and recycling consultant to assist with SB1383 compliance requirements, amending the current franchise agreement, and the City's Municipal Code.
- Initiated recycling website renovation.

What do we plan to do in Fiscal Year 2022?

- Hold two community Household Hazardous Waste (HHW) collection events at City Hall for safe disposal of hazardous materials.

Waste Disposal And Recycling Budget Detail

- Host a virtual educational event for the business community on recycling requirements during the summer of 2021.
- Present an Ordinance to City Council for consideration of automatic minimum recycling services for compliance with AB341 and AB1826 requirements.
- Update Chapter 8.20 of the Corona Municipal Code to incorporate SB1383 requirements.
- Work with Consultant to negotiate amendment of the franchise agreement to incorporate SB1383 hauler requirements and evaluate rates, service levels, programs, and compliance.
- Continue with outreach and education efforts.
- Participate in events to promote recycling and organics recycling.
- Continue to monitor waste hauler's performance and work collaboratively to identify and resolve service issues.
- Continue to assist customers with service issues.

Warehousing Budget Detail

What do we do?

The Warehouse Services Program provides for a centralized inventory and warehouse operations, storage, shipping, receiving and distribution operations for inventory items, file archives, surplus material and housing of supplies and equipment requiring temporary storage.

What did we do in Fiscal Year 2021?

- Closely monitored Warehouse inventory and ensured adequate inventory supply levels were maintained to support the City as a whole.
- Sourced high demand COVID-19 safety supplies for the City including front line Public Safety staff.
- Implemented a new purchase order tracking system within the warehouse inventory system to increase order reliability and efficiency. This system has decreased ordering times, allowing stock to be replaced more quickly.
- Reviewed minimum and maximum required quantities throughout the warehouse to ensure stock is available when needed, without carrying an excessive amount of parts.

What do we plan to do in Fiscal Year 2022?

- Continue to closely monitor Warehouse inventory to ensure adequate inventory supply levels are maintained to support the City as a whole.
- Continue to finetune warehouse reporting to allow staff to more efficiently source products using “just in time” (JIT) ordering.

City Fleet Maintenance Budget Detail

What do we do?

The Fleet Services Program administers and maintains the operation and maintenance of all City-owned vehicles, heavy construction equipment, and machinery, including fire apparatus, emergency units and related equipment. This section is responsible for scheduling preventative maintenance and repairing City-owned fleet, monitoring and maintaining the asset management system, and the coordination of specialized repairs contracted with local vendors. This section also administers the vehicle and equipment replacement program, maintains and operates the City fueling infrastructure, and oversees other fleet related programs.

What did we do in Fiscal Year 2021?

- Completed approximately 2,299 preventative and corrective maintenance work orders for City vehicles.
- Maintained the fire apparatus service schedule of 23 front line/first response units.
- Directed the selection and procurement of 72 vehicles, ensuring that staff can rely on suitable, modern, and reliable vehicles to support the needs of the community.
- Monitored fuel usage and maintained sufficient fuel supply across the City's unleaded, diesel, and Compressed Natural Gas (CNG) fuel stations.
- Scheduled and maintained all Underground Storage Tanks regulatory compliance inspections and testing in the City's fueling stations.
- Collaborated to create a comprehensive CNG Facility Maintenance Plan including Hazardous Material Business Plan, Site Map, and Emergency Plan.

What do we plan to do in Fiscal Year 2022?

- Provide specifications, work with equipment manufacturers and City vendors to replace 54 vehicles and participate in the procurement of any new additions to the fleet.
- Implement CNG compressor remediation based on the results of the CNG station evaluation.
- Upgrade automotive lift to accommodate Fire Department's new Tractor Driven Aerial Fire Apparatus.
- Implement annual exterior detailing of Police Department vehicles.
- Continue to develop and train Fleet Staff in order to provide quality and dependable service for all the City's Divisions.

Police Administration Budget Detail

What do we do?

The Chief of Police, with the Police Captains, Lieutenants, and Professional Staff Manager, are responsible for overseeing the department's policies and procedures, department's budget and grants, providing internal and external communication regarding departmental matters and events, and directing the goals and mission of the department. The Chief of Police and the Command Staff will direct the department to pursue the fundamental mission of excellence in policing through quality customer service, reduction of crime, the efficiency of systems and service, and excellence through training. Additionally, they set the leadership and performance standards that ensure all department employees treat a diverse community with respect, courtesy, dignity, and empathy.

The Personnel and Training Unit recruits, tests, and conducts background checks on all prospective department employees. Additionally, this unit is responsible for coordinating and managing police cadets, explorers, volunteer programs, policy development, special community events, and special project coordination. Other duties include coordinating all state-mandated training and training records management, community outreach, crime prevention, and the department shooting range and training facility. The unit also oversees the Clergy Program, the Volunteer Program, and the Corona Police Community Partnership.

What did we do in Fiscal Year 2021?

- Acquired over \$915,000 in funding from various federal and state grants.
- Participated in professional training for Command Staff.
- Expanded community outreach through virtual meetings with Corona Police-Community Partnership (CPCP) and Clergy.
- The Professional Staff Manager conducted site visits to local law enforcement agencies and animal shelters and facilitated ongoing and new projects in various divisions.
- Created Community Relations Unit to enhance and maintain community partnerships.
- Provided Diversity and Racial Profiling Training for officers.
- Provided Principled Policing, Biased Based Policing, Remaining Fair and Impartial, Crisis Intervention Training.
- Provided Police De-Escalation Training.
- Filled part-time and full-time professional staff and sworn officer positions.
- Purchased eSOPH software to help manage and expedite the hiring process for new employees.

What do we plan to do in Fiscal Year 2022?

- Continue to be proactive in grant opportunities and other potential sources of revenue.
- Ongoing professional training for Command Staff.

Police Administration Budget Detail

- Continue to enhance budget planning to account for future equipment and technology needs and utilize the Capital Improvement Plan (CIP) process for facility upkeep.
- Reclassify part-time Crime Prevention Assistant to a full-time position to accomplish the mission of creative outreach and community programs.
- Add additional part-time Cadet positions to address staffing vacancies throughout the department and provide these positions experience to become candidates for promotional opportunities.
- Citizens Police Academy to enhance and maintain community partnerships.
- Continue to fill all funded part-time, full-time professional, and sworn officer positions.
- Continue to monitor the need for full-time civilian background investigator.

Police HOPE Team Budget Detail

What do we do?

The Homeless Outreach and Psychiatric Evaluation, or HOPE Team, is a four-person team whose primary duties are to be the first responders and primary contact on calls-for-service involving the homeless and the mentally ill. The team also proactively seeks out and contacts people who are homeless and who need services. The team utilizes a balance of support resources and enforcement to ensure a good quality of life for our community as well as a better quality-of-life for the homeless individuals themselves. To enhance the HOPE Team mission, the City has contracted with City Net to reach out to those experiencing homelessness. The City Net group works with the HOPE Team and provides case management for those ready to receive services. City Net can direct people to the right kind of services and help them navigate through various social services processes.

What did we do in Fiscal Year 2021?

- Added two more members to the HOPE Team.

What do we plan to do in Fiscal Year 2022?

- Develop a partnership with the civilian mental health counselors from the Community Behavioral Health Assessment Team (CBAT). CBAT will work directly with the HOPE Team.

Police HOPE Team Budget Detail

Police Patrol Bureau Budget Detail

What do we do?

The Patrol Bureau is the largest unit in the organization and is responsible for providing services by uniformed personnel. The Patrol Bureau is the first responder to citizen's calls for service. The City is divided into four geographical areas, each containing a deployment zone. Each zone is managed by a Lieutenant and patrolled by officers assigned to the zone. Zones enhance public access and community interaction, creating closer ties and facilitating citizens and police working together to address community concerns. Patrol staff participates in the Adopt-A-School Program, where officers enhance community relations by having a presence at elementary and middle schools. They also participate in the Run with A COP (Anti-Childhood Obesity Program); this partnership is with the 100 Mile Club® and the Corona Norco Unified School District to get the word out about staying healthy and being active. In addition, Patrol personnel participates in Coffee with a Cop, whose mission is to build community relationships between the Police and the citizens they serve. Units within the Patrol Bureau include:

The Unmanned Aircraft Systems (UAS) Program enhances the safety and service provided to the community and its peace officers through the effective use of UAS technology. UAS enables officers to have access to complete information when responding to calls for service and allows the department to deploy its resources more efficiently and effectively. The Jail Management Unit oversees the maintenance and facility needs of the jail while managing and supervising the Jailers who process arrestees, conduct searches, inventory related property, verify arrestees identity and complete related paperwork. They fingerprint and photograph inmates and collect DNA as required by law. Jailers transport inmates from field locations to the City jail and from the jail to other detention facilities. Community Service Officers (CSO's) assist in handling police reports and other various duties to assist officers. They also assist in non-injury traffic accidents and provide security-related information to the public.

The Field Training Officer, or FTO, Program provides in-field training to new or lateral officers. Officers successfully graduate from the FTO Program after demonstrating their ability to competently act as a solo police officer according to the California Commission on Police Officer Standards and Training (POST) guidelines. The Honor Guard Unit performs ceremonial duties at funerals (for active and retired employees and Line of Duty Deaths), retirement and awards ceremonies, parades, City events, and special community events.

The K-9 and Mounted Units provide resources and support to patrol and other police divisions as requested. The K-9 unit offers a much safer and more effective means of conducting building searches, apprehending fleeing criminals, tracking lost persons and suspects, narcotics and evidence searches, and scene control. The Mounted Unit is a team of specially trained, equestrian certified police officers, who also participate in ceremonies, parades, holiday theft prevention patrol, search and rescue, criminal transient abatement enforcement, and other special events throughout the year.

What did we do in Fiscal Year 2021?

- Maintain emergency response times within six minutes or less.
- Directed enforcement in high crime areas.

Police Patrol Bureau Budget Detail

- Issued naloxone medicine to field officers for overdose treatment.
- Deployed Automated External Defibrillators (AED's) to eight patrol vehicles for CPR situations.

What do we plan to do in Fiscal Year 2022?

- Add Police Officer II position to relieve overtime, increase officer availability times, and combat quality of life crimes.
- Add additional Community Service Officer (CSO) positions to allow officers increased availability and reduce emergency response times.
- Build a platform to collect and report law enforcement stop data to the Department of Justice under The Racial and Identity Profiling Act (RIPA).

Four (4) New Community Service Officer II Positions	\$221,796
In-Car Video System Extended Warranty and Retained Vehicles	\$58,125

Special Enforcement Bureau Budget Detail

What do we do?

The Special Enforcement Bureau is responsible for other operations of the Police Department. Units included in the Special Enforcement Bureau:

The Traffic Unit is responsible for traffic collision investigations, collision prevention and educational programs, vehicle code enforcement, traffic flow regulations, review of City development plans related to public safety concerns and traffic issues, commercial vehicle enforcement, parking enforcement, tow rotation regulations and oversight, tow rotation company inspections, and special event permits. Additionally, the Traffic Unit participates in the “Drive-4-Life” teen driver safety program. This program is designed for young drivers who have a license or those about to get one in an effort to promote traffic safety on roadways and to prevent fatal traffic collisions.

The Youth and Family Services Unit is comprised of various programs, such as the Youth Diversion Team Program, which provides intervention services to first-time juvenile offenders and at-risk youth. The School Resource Officer (SRO) Program, created through a partnership with the Corona Norco Unified School District (CNUSD), provides four full-time police officers on high school campuses to prevent and deter crime and provide technical and educational assistance to staff and students. The Family Service Services Division Sergeant also serves as the Corona Police Department Hate Crime Coordinator. As the coordinator, the Sergeant establishes relationships with formal community-based organizations and leaders and ensures proper documentation, investigation, and data collection of incidents involving hate crimes.

What did we do in Fiscal Year 2021?

- Conducted four DUI checkpoints in association with the Officer of Traffic Safety.
- Facilitated several community educational programs such as Drive 4 Life and Pedestrian Walk for Safety.
- Implementation of a Motor Sergeant to increase traffic enforcement capabilities.
- Sat on CNUSD’s Student Attendance and Review Board (SARB). The SARB not only assisted families with attendance issues, they also provided resources and support for senior students who were not on track to graduate due to challenges brought on by COVID. The California Office of Education also awarded SARB with the 2021 Model SARB Award.
- Our SROs also assisted elementary and intermediate schools with attendance and safety issues arising in students’ homes during COVID mandated virtual learning.

What do we plan to do in Fiscal Year 2022?

- Create a Special Enforcement Bureau (SEB) Lieutenant position. Introducing an SEB Lieutenant will cause some operations to be restructured. This restructuring will have the Lieutenant oversee the traffic bureau, allow Sergeants to supervise personnel in the field, and ensure proper management of special operation units.

Special Enforcement Bureau Budget Detail

- Add a Police Officer II – Traffic Motor Officer, assigned to nights and weekends. Traffic is a priority concern for the community and the city. Traffic enforcement of high-risk violations during evening hours will aid in overall traffic concerns, including driving under the influence programs.
- Host a youth bicycle safety event.
- Partner with the Riverside County Office of Education to implement the Aware to Care Exchange (ACE). This web-based program supports children exposed to violence, trauma, and other adverse childhood experiences by improving communication and collaboration between first responders, community-based organizations, schools, and school districts.

Animal Services and Enforcement Budget Detail

What do we do?

The Animal Services and Enforcement Unit (AS&E) is responsible for enforcing City and state regulations on animal welfare. The Unit enforces licensing requirements for the control of rabies. Additionally, AS&E provides the public with animal-related information and instructions for the management and over-population of unwanted animals and the care and treatment of pets. The Unit is also responsible for the adopting of shelter pets into new homes. In addition, they administer the Trap, Neuter, and Release Program in locations that release unadoptable, healthy cats back into the community.

What did we do in Fiscal Year 2021?

- Expanded use of volunteers in shelter operations.
- Participated in the development of a county-based coalition, the Animal Welfare Coalition of Riverside County, to enhance collaboration with local animal services organizations.
- Installed computer kiosks in the shelter lobby to improve the community's access to services, such as adoptions, licensing, public disclosure requests, and other city services.
- AS&E staff attended training related to professional development and other legislative requirements.

What do we plan to do in Fiscal Year 2022?

- Propose uniform policy changes to promote consistency with police department standards.
- Utilize technology to enhance shelter operations, such as lost/found services.

What does it cost?

Animal Services and Enforcement Budget Detail

Dispatch Budget Detail

What do we do?

The Dispatch Center provides support answering 9-1-1 emergency service requests, including all wireless and Voice Over Internet Protocol calls from all providers in the jurisdiction, receiving and dispatching calls for service to police, fire, and medical personnel in Corona and surrounding areas. The section also provides pre-arrival and often lifesaving Emergency Medical Dispatching instructions on medical emergencies.

What did we do in Fiscal Year 2021?

- Reduced response times for Emergency Medical Dispatching (EMD).
- Participate in ongoing Next Generation 9-1-1 project, comprised of state-initiated overhaul of hardware, software, data, and operational policies and procedures.
- Successfully implemented Text to 9-1-1 capabilities as an alternative method of contact, improving access to emergency services when traditional methods are unavailable.
- Dispatch staff completed trainings related to professional development and new legislative requirements, such as Text to 9-1-1.

What do we plan to do in Fiscal Year 2022?

- Add a “Dispatch Manager” position to be solely dedicated to overseeing the Dispatch center, which will allow the department to focus on the center’s specific needs related to operations, staffing, recruitment, and administrative functions.
- Add additional part-time Public Safety Dispatcher II’s to address vacancies. Utilizing part-time staff allows the department flexibility and promotes fiscal responsibility.
- Add Public Safety Dispatch Call Taker positions. This new position in the Dispatch center is dedicated to receiving calls for service and assisting callers with business and administrative inquiries.
- Anticipated completion of Next Generation 9-1-1 project.
- Internal assessment of the Dispatch Training Program.

Investigations Bureau Budget Detail

What do we do?

Investigative Services is responsible for investigating major crimes and criminal acts occurring within the City, and filing criminal cases with the District Attorney. The Investigation Bureau investigates all crimes not solved by patrol officers' initial investigations and assists patrol officers in more serious investigations. Units included in the Investigation Bureau:

The Forensic Unit provides latent fingerprint identification, photographs, and processes items of evidence at crime scenes and video discovery and redaction for the District Attorney's Office.

The Evidence and Property Unit ensures that items of evidence are properly preserved and available for ongoing investigations and court presentations, returns property to the rightful owners and disposes of unclaimed property and contraband as prescribed by law.

The Crimes Against Persons Unit oversees crimes against people. These crimes include, but are not limited to, homicides, robberies, domestic violence, sex crimes, crimes against children, assaults, and missing person and runaway cases. This unit also maintains Project Kids, a regionally based child abuse center. The center provides a child/family-friendly, single site for comprehensive and multidisciplinary team response to the investigation and follow-up processes involved in child abuse cases.

What did we do in Fiscal Year 2021?

- Committed to the Gang Task Force as a force multiplication effort to reduce violent crime and gang activity in our region.
- Created the Police Officer Business Liaison Program to help maintain community partnerships and reduce crime in our business districts.
- Partnered with the FBI's Regional Computer Forensics Laboratory to expand abilities and resources to investigate crimes involving computer and digital evidence.
- Partnered with the Riverside County Sheriff's Department's Force Investigation Division (FID) to ensure an independent review of major and critical uses of force involving our personnel.

What do we plan to do in Fiscal Year 2022?

- Rotating detective positions to assist with the investigative workload.
- Add a part-time Detective to handle cold cases. The Detective Bureau currently has a backlog of cold cases without the essential personnel resources to investigate these cases as required by statute.
- Replace aging VARDA systems with new technology.
- Implement Artificial Intelligence (AI) analytics to enhance investigative capabilities.

Records Budget Detail

What do we do?

The Records Bureau provides the first-level contact for all Police Department business inquiries. It is the primary service provider for public inquiries, vehicle and report releases, various permits, other front counter customer services, processing reports, arrest complaints, court dispositions, citations, and any related documentation. The Records Bureau inputs data to collect and analyze statistical information related to state and federal reporting requirements. In addition, the Records Bureau tracks and responds to all civil and criminal subpoenas and processes requests for the public disclosure of records.

What did we do in Fiscal Year 2021?

- Installed computer kiosks in the police department lobby to improve the community's access to police services, such as online reporting, public disclosure requests, and other city services.
- Records staff completed training related to professional development and new state-mandated crime reporting standards.

What do we plan to do in Fiscal Year 2022?

- Add a Records Technician II position as a video redaction clerk. Due to new legislation, records technicians have additional tasks related to disclosing and redacting cases.
- Transition from uniform crime reporting to incident-based crime reporting, per state mandate related to crime reporting standards.

Public Works Budget Detail

Public Works Administration Budget Detail

What do we do?

The Public Works Administration provides support, management, and guidance to the daily operations of the Public Works Department. This section is responsible for departmental budgeting, personnel, contract administration, special projects, document management, and coordination with other departments. The Public Works Administration provides customer service to internal and external customers and offers administrative and technical support to all sections of the Public Works Department.

What did we do in Fiscal Year 2021?

- Managed department recruitment and selection of replacement staff.
- Coordinate the development, implementation and monitoring of the department's annual operating and capital budgets.
- Applied for grant funding opportunities.

What do we plan to do in Fiscal Year 2022?

- Continue to hire additional staff and reorganize the department to efficiently deliver Land Development and Capital Improvement Projects.
- Continue to provide appropriate levels of service through proper staffing levels.
- Seek additional grant funding opportunities to help fund Capital Improvement Projects.

What does it cost?

Public Works Administration Budget Detail

Traffic Engineering Budget Detail

What do we do?

The Traffic Engineering group ensures that the City's traffic circulation system is operating in a safe and efficient manner. In accordance with state and local regulations, Traffic Engineering staff plans for growth-related needs, designs system improvements, coordinates construction activities, provides plan review for new development and utility permit work; and maintains system components for vehicles, bicycles, and pedestrians.

What did we do in Fiscal Year 2021?

- Major Pavement Rehab – Striping Support.
- Roadway Striping and Sign Maintenance and Replacement.
- Performed approximately 800 plan checks.

What do we plan to do in Fiscal Year 2022?

- Advertise and construct Traffic Signal at Auto Center/Metrolink.
- Design and construct Traffic Signal at Bedford/Georgetown.
- Design and construct Traffic Signal at California/Masters.
- Replace aging crosswalks with enhanced illuminated crosswalks.
- Conduct Study for gate at Duncan Way.
- Prepare Local Road Safety Plan for future grant funding opportunities.
- Prepare Railroad Crossing Quiet Zone Study.

What does it cost?

<u>Description</u>	<u>Amount</u>
New Traffic Signal Technician Position	\$48,231

Transportation Services Budget Detail

What do we do?

The Transit Division provides/oversees the Dial-A-Ride (DAR) and Corona Cruiser Service. The Dial-A-Ride (DAR) Service provides curb-to-curb service throughout the City of Corona and neighboring county areas of Coronita, El Cerrito, and Home Gardens as well as satellite locations in the City of Norco (Department of Motor Vehicles, Department of Public Social Services, and Norco College). The service is available to qualified individuals (seniors 60 and older or persons with disabilities). The complementary paratransit Dial-A-Ride service area extends beyond city limits to ensure compliance with the Americans with Disabilities Act ¾-mile corridor from a Corona Cruiser fixed route. Door-to-door service is available upon request for Dial-A-Ride patrons certified under the ADA. The service is available weekdays and Saturdays.

The Corona Cruiser Service is a network of two fixed routes known as the Blue Line and the Red Line. The Blue Line serves the McKinley Street retail area, then travels on to Magnolia Avenue and Main Street to the River Road area. This route passes by many trip generators such as hospitals, medical facilities, schools, public service agencies, library, civic center, and commercial/retail areas. This route also serves the unincorporated area of Home Gardens. The Blue Line operates approximately every hour. The Red Line connects the residential areas of central Corona with commercial areas along Sixth Street and the Ontario Avenue/California Avenue retail area. The Red Line also covers South Corona along Ontario Avenue/Temescal Canyon Road to serve the county area of El Cerrito, The Crossings shopping complex at Cajalco Road/Temescal Canyon Road, and The Shops at Dos Lagos on Saturdays. The Red Line also operates approximately every hour. Both lines operate weekdays and Saturday, providing service within the City with connections to the North Main Corona Metrolink Station via the Corona Transit Center and Riverside Transit Agency (RTA) buses via transfer points.

Service is provided using twenty (20) City-owned transit buses. All buses are compliant with the Americans with Disabilities Act (ADA) requirements for accessibility and wheelchair securement. These buses are powered using Compressed Natural Gas fuel.

This Section pursues and manages transportation funding and grant opportunities to enhance public transit services, and improve bicycle and pedestrian facilities, and promote emission reducing transportation alternatives.

What did we do in Fiscal Year 2021?

- Increased sanitization of buses and bus stop shelters and equipment.
- Implementation of no fare collection to reduce contact and increase social distancing.
- Enforcing the mandated mask policy on board the buses.
- Provided hand sanitizer and masks on board the buses to promote continued use of service.
- Install driver barriers on board the buses to promote social distancing.
- Completed the Federal Transit Administration (FTA) Triennial Review and succeeded in meeting all required compliance areas with zero deficiency findings.

Transportation Services Budget Detail

- Implemented the Public Transit Agency Safety Plan to promote safety and mitigate risk when operating a public transit system.

What do we plan to do in Fiscal Year 2022?

- Conduct a Comprehensive Operations Analysis, a study of the current transit operation to identify strengths as well as opportunities for service improvements.
- Proceed with activities for the Intelligent Transportation System (ITS). The ITS will includes components such as: Computer Aided Dispatching (CAD); Automatic Vehicle Location (AVL); Automated Annunciators to meet ADA Requirement; Relay real-time transit information; Automated Passenger Counter (APC); and an advance fare payment system. The use of ITS technologies contributes to enhanced customer service, improved productivity and to the overall fiscal responsibility of the transit system.
- Implement a Free Fare Day and Transit User Training Program to promote use of public transit.

Public Transport / Emission Reduction Budget Detail

What do we do?

This section manages AB2766 Subvention Fund program to promote reduction of motor vehicle emissions. Staff currently utilizes the funds for the following programs: bus pass subsidy and membership dues for Western Riverside County Clean Cities Coalition.

What did we do in Fiscal Year 2021?

- Continued participation in the Western Riverside County Clean Cities Coalition.

What do we plan to do in Fiscal Year 2022?

- Continue the bus pass subsidy program.
- Continue participation in Western Riverside County Clean Cities Coalition.
- Pursue additional projects that contribute to reduction in motor vehicle emissions.

Public Transport / Emission Reduction Budget Detail

Signal Operations Budget Detail

What do we do?

Signal Operations, a group within the Traffic Engineering Section, is responsible for the maintenance, operation, and repair of the City's traffic circulation system. This group maintains all aspects of the City's Advanced Traffic Management System (ATMS) which includes: Traffic Management Center in City Hall and the Emergency Operations Center; traffic cameras, roadway warning beacons, enhanced crosswalks; and dynamic message signs throughout the City. The upkeep of these facilities and equipment provides for the safe and efficient travel of pedestrians, bicyclists, and motorists throughout Corona. Maintenance and repairs are performed by a combination of in-house staff and contracted services.

What did we do in Fiscal Year 2021?

- Began design phase of Advanced Traffic Management System (ATMS) Phase 3.
- Maintained over 220 traffic signals and traffic control devices.

What do we plan to do in Fiscal Year 2022?

- Finalize design for ATMS Phase 3 – begin construction phase.
- Upgrade aging traffic monitoring cameras at various locations.
- Upgrade various traffic signal hardware with ADA enhancements.
- Upgrade traffic signal hardware along Foothill Parkway for traffic signal system optimization.
- Replace and upgrade Dynamic Message Signs located throughout the city.

What does it cost?

Service Adjustment Changes (Operating Budget)

Description	Amount
New Traffic Signal Technician Position	\$48,231
Reduction in Contracted Services	\$(100,000)

Capital Improvements Budget Detail

What do we do?

The Capital Improvements Program provides engineering and project management services involving preparation of plans and specifications, technical direction, oversight of design, bid, construction, and management of capital improvement projects. This program develops and implements all major capital improvements within the public right-of-way for the City's Public Works Department and the Department of Water and Power. Funding for capital improvement projects associated with water and water reclamation are provided by the Department of Water and Power. The Capital Improvements Program also manages regionally funded transportation projects and street pavement rehabilitation projects, including projects funded through the Transportation Uniform Mitigation Fee (TUMF) program, and the Local Streets and Roads (LSR) program. The Capital Improvements section seeks local, state, and federal grant funding opportunities to improve facilities such as streets, bike lanes, sidewalks, traffic signals, streetlights, and bridges.

What did we do in Fiscal Year 2021?

- Complete repairs related to the R-3 Potable Water Tank and Pavement Repair Project.
- Constructed approximately 43 lane miles of various local and major streets within Corona, including pavement rehabilitation, slurry seal, curb ramp replacements, and other ancillary improvements.
- Rehabilitated and repaired the Corona Mall pedestrian breezeway and 3 of its auxiliary parking lots, which included crack sealing, slurry sealing, grinding, and replacing asphalt concrete.
- Construct street improvements on Oak Avenue from Stephanie Drive to Alee Circle, ranging from street widening to the installation of new sidewalks, curb and gutters, retaining walls, and underdrains.
- Completed CDBG Sidewalk Improvement Project goals with the replacement of damaged sidewalks, curbs, gutters, and ramps within the Community Development Block Grant area.

What do we plan to do in Fiscal Year 2022?

- Complete the Street Pavement and Rehabilitation Project.
- Complete road improvements on local streets in three different areas throughout the city as part of the Street Pavement Maintenance and Rehabilitation Project. Begin FY 2021/22 Annual Pavement Repair Constructed approximately 43 lane miles of various local and major streets within Corona, including pavement rehabilitation, slurry seal, curb ramp replacements, and other ancillary improvements.
- Complete street improvements on Oak Avenue from Stephanie Drive to Alee Circle, ranging from street widening to the installation of new sidewalks, curb and gutters, retaining walls, and underdrains.

Land Development / Permitting Budget Detail

What do we do?

The Land Development section works with developers to ensure that proposed commercial, industrial, and residential development projects meet the requirements of the Corona Municipal Code, conform to county, state, and federal guidelines and regulations, and follow Public Works and the Department of Water and Power standards and design policies. Additionally, the Land Development section coordinates and administers programs involving intergovernmental agencies, utility companies, and telecommunication companies. This section also collaborates with the Western Riverside Council of Governments (WRCOG) on the application and collection of the Transportation Uniform Mitigation Fees (TUMF) and administration of TUMF credit and reimbursement agreements.

The Permitting group is a sub-section of Land Development's engineering to provide an effective and efficient permit application process. The permitting group is also responsible for the Public Works front counter services, which handles a wide variety of in-person, phone, and email inquiries related to land development requirements and processes, engineering-related questions, the Corona Municipal Code, the Subdivision Map Act, the Department of Water and Power design policy and standards, and Public Works standard plans and policy requirements.

What did we do in Fiscal Year 2021?

- Continued and expanded upon electronic permit application submittals and reviews for grading, final map, and street improvement projects.
- Received and processed approximately 68 water meter downsize requests.
- Issued approximately 45 will-serve letters.
- Collected Citywide Development Impact Fees totaling approximately \$1.2 million on 16 projects.
- Developed submittal requirements for small cell public improvement plans.
- Issued approximately 1,200 permits.
- Performed approximately 1,500 plan checks.

What do we plan to do in Fiscal Year 2022?

- Continue to transition permit application processes on an electronic platform.
- Enhance electronic plan check review and permit issuance processes with standardized checklists and instructional handouts.
- Develop a Customer Service Survey to solicit feedback from customers engaged in plan checks and permits.
- Participate in the Citywide Fee Update to evaluate current fees and identify and potential fee changes necessary to ensure proper cost recovery for the department.

Land Development / Permitting Budget Detail

- Review and comment on policies impacting new development as part of the Countywide NPDES Municipal Storm Water Permit renewal process.

Public Works Inspection Budget Detail

What do we do?

The Inspection Services division provides a broad spectrum of services related to public works activities. These services include inspection of all above-ground (streets, curbs, gutters, sidewalks, ramps compliant with the American with Disabilities Act (ADA), streetlights, traffic signals, pavement striping, etc.) and underground (sewer, water, storm drain, fiber optic, electrical conduits, gas, communications, etc.) improvements within the public right-of-way. This section investigates and enforces grading, haul routes, stock piling, encroachments within the public right-of-way, and traffic control requirements. Inspection Services also conducts final job walks to ensure that all public improvements conform to City standards prior to authorizing the release of securities.

What did we do in Fiscal Year 2021?

- Continued to provide a high level of inspection on Land Development and Capital Improvement Projects through the COVID19 pandemic.

What do we plan to do in Fiscal Year 2022?

- Further develop our Public Works Inspection staff through training and certification programs. This includes the State Water Resource Control Board's Water Distribution Operator 2 Certification (D2), Qualified SWPPP Practitioner Certification (QSP), and completing the Local Technical Assistance Program (LTAP) Resident Engineers Academy (RE).

F - Potential loan from Fund 572 to Fund 570, to be reviewed at Fiscal Year End, based on actuals.

G - Revenue / Reimbursement Offset Expected in Outyears - Revenue recognized when expensed.

Interfund Transfers

An interfund transfer occurs between funds and involves the transfer of cash. Interfund transfers for the City of Corona may occur for a variety of reasons. Generally, transfers between funds occur to reimburse for services that occur in one fund on behalf of another fund. For example, the General Fund may need to be reimbursed for debt service incurred on a bond that may be issued on behalf of one or more other non-General Funds (which then receive a benefit with respect to how the bond proceeds are used).

The City does, during its regular business activities, establish interfund loans from time to time between City funds to properly allocate shared benefits and costs. To ensure the integrity of these loans, the City maintains 'loan amortization' schedules to ensure full and timely payments between funds, in the same manner that the City maintains debt service schedules to ensure that it fully and timely makes payments of debt service to external entities (such as bondholders) as debt service payments become due. Due to the principal and interest components of these interfund transfers, the City presents these items as a component of 'debt service' to facilitate public understanding of the City budget and report all principal and interest payments by funds in the aggregate. Please refer to the 'Debt Service Obligation' section for additional details.

Detailed Listing of Estimated Fund Transfers

The following is a detailed listing of Transfers In and Transfers Out, by Fund.

Fund	Description	Estimated FY 2022	
		Transfer In	Transfer Out
110 - General Fund			
	Reimbursement for engineering and project support	1,200,000	(301,409)
Total Fund 110 - General Fund		1,200,000	(301,409)
222 - Gas Tax Fund			
	Reimbursement for engineering and project support	-	(1,200,000)
Total Fund 222 - Gas Tax Fund		-	(1,200,000)
260 - RAB1600 Parkland Acquisition Fee			
	Operational support	301,409	-
Total Fund 260 - Refuse/Recycling Fund		301,409	-

		Estimated FY 2022	
<u>Fund</u>	<u>Description</u>	<u>Transfer In</u>	<u>Transfer Out</u>
289 - Dwelling Development Tax Fund			
	Loan Payment*	-	(135,816)
Total Fund 289 - Dwelling Development Tax Fund		-	(135,816)
468 - LMD 84-2, Zone 19 Fund			
	Loan Payment*	135,816	-
Total Fund 468 - LMD 84-2, Zone 19 Fund		135,816	-
570 - Water Utility Fund			
	Operational/Capital Projects - Loan from Fund 572 **	4,701,340	-
Total Fund 570 - Water Utility Fund		4,701,340	-
572 - Water Reclamation Utility Fund			
	Operational/Capital Projects - Loan to Fund 570 **	-	(4,701,340)
Total Fund 572 - Water Reclamation Utility Fund		-	(4,701,340)
Total All Transfers		\$ 6,338,565	\$ (6,338,565)

* Anticipated loan from Fund 289 to Fund 468, if needed at fiscal year end (based on actuals).

** Potential loan from Water Reclamation Utility to Water Utility Fund. To be reviewed during FY 2023 budget process.

Debt Service Obligations

Overview

The City's annual operating budget includes provisions to ensure the prompt and full payment of annual debt service (i.e. principal and interest), which is incurred upon outstanding debt instruments previously issued by the City. Commonly issued debt instruments include bonds, long-term loans (with the State of California) or small issue, private placement debt. Prior to issuing debt, the City may consult with City Council, expert financial advisors, bond and disclosure counsel, underwriters as well as internal finance and capital planning staff. The *'Guide to City Budget Process'* includes a brief overview of the City's *'Debt Policy'* which is also accessible on the City's website at www.CoronaCA.gov.

The proceeds of debt are typically used to either finance the construction of infrastructure (rather than cash-funding the capital project) or to refinance existing debt at a lower interest rate (if market conditions are favorable). The City is required to pay debt service in accordance to bond covenants and indentures, which generally, may 'pledge' City revenue (and its 'full faith and credit') to guarantee that it fulfills its obligations to investors and provide remedies against the unlikely event of default. Prompt and full payment of annual debt service also ensures that the City maintains favorable bond ratings.

New Debt Issuances

In December 2020, the City issued the Community Facilities District No. 2018-1 (Bedford) (Improvement Area No. 1) 2020 Special Tax Bonds in the amount of \$10,240,000. These bonds are authorized pursuant to the Mello-Roos Community Facilities Act of 1982 as amended and are payable from the special taxes levied on parcels within the district. Neither the faith and credit nor taxing power of the City is pledged to the payment of the bonds.

Legal Debt Limit

California Government Code, Section 43605 sets the debt limit at 15% of assessed value. As reported in the City's audited CAFR year ended June 30, 2020, the assessed value was \$21.0 billion and the legal debt margin as a percentage of debt limit was 1.140%, which was significantly lower than the State's debt limit.

Summary of Debt Service - Principal and Interest

General Fund

The source of payment for these obligations comes from General Fund revenue.

Description	Fund	Principal	Interest	Total	Purpose
Fiscal Year 2022					
2016 Lease Revenue Refunding Bonds	110	\$ 1,355,000	\$ 753,150	\$ 2,108,150	Lease payments for CPFA 2016 Lease Revenue Refunding Bonds.
2012 Refunding Lease	110	1,763,903	371,220	2,135,123	To refund bonds issued to construct City Hall.
Total		\$ 3,118,903	\$ 1,124,370	\$ 4,243,273	

Water & Water Reclamation Utilities

The sources of payment for these obligations come from water and wastewater (water reclamation) capacity fees (charged as a result of new development) as well as water and wastewater (water reclamation) utility ratepayer revenue. The debt obligations were issued by the Corona Utility Authority, which is a component of the City of Corona.

Description	Fund	Principal	Interest	Total	Purpose
Fiscal Year 2022					
CUA 2013 Wastewater Revenue Bonds	440	\$ 243,200	\$ 144,362	\$ 387,562	Certain improvements and refundings for the Water Reclamation Enterprise. Corona's share of annual debt service for the expansion of the WRCRWA Treatment Plant.

TOTAL WATER RECLAMATION		\$ 693,574	\$ 448,206	\$ 1,141,780	

Agency Funds

Assessment Districts

The source of payment comes from assessments levied on parcels located within each district.

Description	Fund	Principal	Interest	Total	Purpose
Fiscal Year 2022					
AD 96-1 Improvement Bonds, 1997 Series A	368	\$ 45,000	\$ 2,550	\$ 47,550	Improvements in the Mountain Gate West development (Zones 3 & 4).
AD 96-1 Improvement Bonds, 1997 Series B	369	115,000	7,755	122,755	Improvements in the Mountain Gate West development (Zones 6 & 7).
AD 96-1 Improvement Bonds, 1999 Series A	373	155,000	34,400	189,400	Improvements in the Mountain Gate West development (Zones 5, 8 and 9).
TOTAL		\$ 315,000	\$ 44,705	\$ 359,705	

Community Facilities Districts

The source of payment for these obligations comes from special taxes levied on parcels located within each Community Facilities District (CFD).

Description	Fund	Principal	Interest	Total	Purpose
Fiscal Year 2022					
CFD 97-2 Special Tax Refunding Bond, 2014 Series A	371	\$ 1,125,000	\$ 92,035	\$ 1,217,035	Improvements in Eagle Glen.
CFD 2000-1 Special Tax Bonds	374	300,000	85,560	385,560	Improvements in Eagle Glen.
CFD 2001-2 Special Tax Bonds	377	140,000	45,262	185,262	Improvements in Northeast Corona and South Corona areas.
CFD 2002-1 2017 Special Tax Refunding Bonds	378	625,000	514,150	1,139,150	Improvements in Dos Lagos.
CFD 2002-4 2017 Special Tax Refunding Bonds	381	325,000	254,525	579,525	Improvements in Corona Crossings.
CFD 2004-1 Special Tax Bonds	382	120,000	56,952	176,952	Improvements in Buchanan Street development.
CFD 2003-2 Special Tax Bonds	383	295,000	114,018	409,018	Improvements in Highlands Collection.
CFD 2018-1 Improvement Area 1 Special Tax Bonds	384	40,000	851,050	891,050	Improvements in Bedford development.
CFD 2002-1 2017 Special Tax Refunding Bonds (Improvement Area No. 1)	387	275,000	235,531	510,531	Improvements in Dos Lagos.
CFD 2016-2 2018 Special Tax Bonds	390	115,000	203,731	318,731	Improvements in Terrassa Court development.
CFD 2017-2 2018 Special Tax Bonds	392	70,000	154,869	224,869	Improvements in Valencia/Seville development.
TOTAL		\$ 3,430,000	\$ 2,607,683	\$ 6,037,683	

Successor Agency (of the former Corona Redevelopment Agency)

The source of payment for these obligations comes from pledged tax increment revenues of the former Corona Redevelopment Agency.

Description	Fund	Principal	Interest	Total	Purpose
Fiscal Year 2022					
2015 Taxable Tax Allocation Revenue Bonds, Series A	417	\$ 2,800,000	\$ 308,750	\$ 3,108,750	Refinanced certain outstanding obligations of the Successor Agency relating to the Merged Project Areas.
2007 Tax Allocation Bonds (Temescal)	417	880,000	550,409	1,430,409	Financed redevelopment activities within the Temescal Canyon Project Area.
2007 Tax Allocation Bonds (Project Area A)	417	685,000	1,356,024	2,041,024	Financed redevelopment activities within the Merged Downtown Project Area A.
TOTAL		\$ 4,365,000	\$ 2,215,183	\$ 6,580,183	

Inter-fund Loan Payments

The following are inter-fund loan payments of principal and interest. While there is a (cash) transfer which occurs between these funds for the items reported below, these have been shown as a component of 'debt service' (rather than as a transfer) to reflect the nature of the transactions.

With respect to the capital leases of Water and Water Reclamation funds, each fund is required to make payments to the General Fund for the lease (and corresponding use) of the water and water reclamation infrastructure. These are interest only payments through 2055.

Description	Fund	Principal	Interest	Total	Purpose
Fiscal Year 2022					
LMD 84-1	446/578	\$ 263,865	\$ 3,530	\$ 267,395	Loan payments for LED Street and Safety Light Retrofit project.
Capital Lease Payment (Facilities)	570/110	-	2,571,804	2,571,804	Lease payments to the General Fund for the Water and Water Reclamation facilities.
Capital Lease Payment (Facilities)	572/110	-	1,730,690	1,730,690	Lease payments to the General Fund for the Water and Water Reclamation facilities.
Water Utility Interfund Loan	507/570	-	21,700	21,700	Loan payments for prior year cash advances to fund for capital improvement projects.
Electric Interfund Loan Agreement (with General Fund)	578/110	980,682	156,197	1,136,879	To reimburse General Fund for 2005 Certificates of Participation Advanced Redemption.

Cost Allocation Plan (CAP)

A Cost Allocation Plan, or CAP, is used to identify, value, and distribute indirect costs across city services. The CAP sets forth the reimbursement between funds for the indirect costs incurred by other funds. Procedurally, this reimbursement takes place via transfer. In the presentation of the budget, funds *providing* services to other funds receive reimbursements as a component of operating revenue. As such, funds *receiving services* from other funds report the cost of service (to be reimbursed) as a component of operating expense.

The CAP fairly and proportionately allocates the indirect costs that each program, project or activity should bear. It is a ratio of total indirect expenses to a direct cost base. Examples of direct costs include police services, fire services, parks, and recreation services. These examples are considered direct costs because these programs provide a direct benefit to the community.

The CAP assumes that all indirect costs are incurred proportionately to the direct cost base of the activity. These indirect costs are commonly referred to as 'City overhead' or general and administrative expenses. Examples of indirect cost functions are finance, information technology and human resources. All direct City services and programs incur indirect costs.

The City utilizes a consultant to assist the City in the development of the annual CAP to ensure that it coincides with standard practices used by other cities. The City's CAP is a 'total' cost allocation plan, which includes a citywide allocation of legislative costs which are incurred on behalf of all funds. Furthermore, costs have been allocated based upon budgetary assumptions for the forthcoming year.

Admin = Administrative Services Charge, General Indirect Costs

NPDES = National Pollutant Discharge Exchange System Administrative Charges

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Community Building/Engagement							
CM Office	5	Branding Professional Services	-	\$ 100,000	\$ -	\$ -	\$ 100,000
		Branding Professional Services will allow the City to grow and reposition the City's logo, brand marks, tag lines, and boost brand loyalty. Aligning with the City's strategic plan, the proposed Branding Professional Services will create, plan, measure, and manage branding strategies for Corona. Creating a Sense of Place is a fundamental element of the City's Strategic Goals. By reimagining the City of Corona's brand, identity, and story, Corona will instill a sense of pride, highlight its unique position, reinforce value, and gain a new perspective for a bright future.					
CM Office	5	Broadcast Technician - Full Time	1.0	\$ -	\$ 71,653	\$ -	\$ 71,653
		Corona's Broadcast Technician will assist with the development, coordination, and broadcasting of city meetings, programs, and events. Improving the relationship between the City and residents is a key goal in the City's strategic plan. Corona's Broadcast Technician will support this goal.					
CM Office	5	Digital Journalist - Full Time	1.0	\$ -	\$ 77,687	\$ -	\$ 77,687
		Corona's Digital Journalist will bring creativity and flair to support the Communications Division in highlighting City of Corona initiatives and reinforcing community pride. Improving the relationship between the City and residents is a key goal in the City's strategic plan. Corona's Digital Journalist will support this goal.					
CM Office	5	Digital Outreach	-	\$ -	\$ 75,000	\$ -	\$ 75,000
		Digital outreach grants the City the ability to deliver promotional content to community members through various online and digital channels. Paid digital outreach leverages mediums such as social media, email, search engines, and websites to show messages to specific audiences supplementing organic reach and boosting digital engagement. Strengthening resident involvement, increasing public trust, and reaching hard-to-reach residents to ensure they have equitable access to City services are all objectives in the City's long-term strategic plan. Digital Outreach will support all of these by fostering efficient communications and engaging community members where they are.					
CM Office	5	Website Redesign	-	\$ 50,000	\$ -	\$ -	\$ 50,000
		A website redesign will allow the City of Corona to implement excellent visual design, add functionality, enhance navigation, and improve the user experience to better serve the community. Evaluating, updating, and revamping the City's website is a fundamental element in the City's Strategic Goals. By improving the City's website with our residents in mind, Corona can greatly improve our efficiency and effectiveness in providing top-notch services to the community.

CIP	3	Historic Civic Center Capital Improvements	-	\$ 139,000	\$ -	\$ -	\$ 139,000
<p>This project is dedicated to the maintenance and repair of the Historic Civic Center (HCC). HCC Replace Exterior Auditorium Doors: This project will replace the exterior auditorium door. Community Services notes that these doors do not open properly. HCC Walkway Lighting Improvements: This project will install light poles outside of HCC along the walkway. Project includes running electrical and wiring, new concrete footings, and lighting. As it currently is, there is little exterior lighting. HCC New LED Stage Lights: The HCC is in need of new LED stage lights. The materials are currently on hand, so this request is for labor only. This would result in better lighting and safer conditions. HCC Chiller Replacement: The current chiller is dated and beyond its useful life. Additionally, the current chiller was used to service the entire City Hall building, but it now only services the auditorium. The chiller can be downsized.</p>							
Mnt Svcs	3	Street Light Maintenance Technician	1.0	\$ 94	\$ 92,749	\$ -	\$ 92,843
<p>In past years streetlight maintenance was performed by staff in the position of Senior Street Maintenance Worker as there is currently no position within the City that specializes in this maintenance activity. As of a year and a half ago the department has no one to fill this role due to a retirement and other factors. Maintenance Services made a conscious effort during the recruitment to fill the vacant Senior Street Maintenance Worker position with a candidate that had the knowledge, skills, and abilities needed to perform this specialized maintenance activity. Unfortunately, none of the candidates were qualified based off the Senior Street Maintenance Worker recruitment flyer and job description as they are both very general in the KSAs needed for this maintenance activity.</p>							
Mnt Svcs	3	Technical Intern - Part Time	0.5	\$ 10,858	\$ 25,722	\$ -	\$ 36,580
<p>Help with data collection for various programs such as asset inventory and condition assessments of buildings, facilities, horizontal utilities and streets.</p>

Parks and Recreation							
Com Svcs	5	Additional Trash Services for Parks	-	\$ -	\$ 15,000	\$ -	\$ 15,000
<p>Additional Trash Removal at parks heavily used needing frequent trash removal. The parks several parks that are heavily used needing more frequent trash removal. By adding this budget, parks will be kept clean thus reducing complaints from residents.</p>							
Com Svcs	5	Adopt-A-Park Program	-	\$ -	\$ 14,000	\$ -	\$ 14,000
<p>Adopt-A-Park Community Park Clean-ups. The budget is for equipment and supplies for park clean-ups by community organization. This program will enhance parks by working with community volunteers to beautify the parks. This program also allows resident to give back to their community by keeping parks safe and clean.</p>							
CIP	5	City Park Asphalt Remove and Replace	-	\$ 230,000	\$ -	\$ -	\$ 230,000
<p>The parking lots at City Park are in desperate need of replacement. Pot holes have been filled, but are more of a temporary fix. The parking lots at City Park have not had extensive replaced in well over 15 years. Staff have only been able to conduct patch repairs due to lack of budget to replace all parking lots. With increased activity programmed at the park, the parking lots need to be removed and replaced to bring them up to good condition.</p>							
CIP	5	Demolition of Armory Building at City Park	-	\$ 1,100,000	\$ -	\$ -	\$ 1,100,000
<p>The Armory building needs to be demolished as it is aged and unprogrammable. It would be cost prohibitive to repurpose the building. The building is old with asbestos and abating the asbestos would require an enormous amount of funding. The best solution is to completely demo the building.</p>							
Com Svcs	5	Facilities, Parks and Trails Manager - Full Time	1.0	\$ -	\$ 118,257	\$ -	\$ 118,257
<p>Hire a Full Time Facilities, Parks, and Trails Manger to oversee these programs. This manager oversees several components of the Community Services Department including park, landscape maintenance, fac maintenance, the park ranger program, and the Parks and Trails Planners. This manager will be responsible to work with supervisors in these areas to develop the programs integrated in Community Services Department and design and implemented and oversee the park ranger program. This manager will be a part of the Community Services management team and will contribute to the implementation of directives outlined in the Parks Master Plan, City Park Master Plan, and City Trails Master Plan.</p>							

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Com Svcs	5	Graffiti Removal Contract Services	-	\$ -	\$ 150,000	\$ -	\$ 150,000
Graffiti Removal Contract Service- hire a contractor to remove graffiti throughout the City. Currently, two full time staff are dedicated and responsible for removing all graffiti throughout the City, including in parks. The number of graffiti work orders has significantly increased making it difficult for two staff to complete the work orders in a timely manner. By contracting this service, the two Park Maintenance staff will be reassigned duties such as painting restroom, fixing electrical fixtures, and many other maintenance projects that have been deferred due to lack of resources. With contracted services, the response time for graffiti removal will be shortened, there will be less standing graffiti in the City, and Parks staff can reallocate their time to other maintenance projects in the parks.							
CIP	5	Master Plan for City Park, Senior and Aquatic Center Designs	-	\$ 150,000	\$ -	\$ -	\$ 150,000
Master plan for City Park to include the redesign of the park, aquatic center, and building a new senior center. City Park is the oldest park in the City and desperately needs redesign. A Master Plan will achieve that goal. This budget is to complete a master plan which includes redesigning the use and programming at the park, adding a Senior Center, and Aquatic Center.							
Com Svcs	5	Park Ambassador Program	-	\$ -	\$ 6,000	\$ -	\$ 6,000
Develop a new Park Ambassador Program for parks and facilities. The Community Services Department is seeking to create a new Park Ambassador program where community volunteers will be trained as ambassadors and will enhance parks by allowing volunteers to help beautify parks. The volunteers will have an array of duties, including monitoring parks, engage park users on City programs such as "See, Click, Fix", Scoop the Poop program, and beverage container recycling. The ambassadors will be the eyes and ears at the parks and will communicate any park issues to the Parks division. The ambassador program will assist with request for community park clean-up activities. The budget is for training material, equipment and supplies for park clean-ups, marketing material, and volunteer t-shirts. This program will help reduce park complaints from residents, help problem solve issues within parks such as vandalism and illegal activity occurring at parks, reduce the rogue park users, and will be an advocate to the Parks division on park related issues.							
Com Svcs	5	Park Ranger Program - Senior Park Ranger (1 Full Time, 1 Part Time) and Park Rangers (5 Part Time)	4.1	\$ -	\$ 216,092	\$ -	\$ 216,092
Program staffing for a Full Time Senior Park Ranger, a Part Time Senior Park Ranger and five Part Time Park Rangers. The Park Ranger Program will be responsible for monitoring park activity during the afternoons, evening and weekends. They will enforce city park ordinances within the parks and trail systems. With the acquisition of the open space at Skyline, the Park Ranger Program will monitor the trail and provide programming opportunity along the trail. The Sr. Park Ranger would provide scheduling and training in addition to regular Park Ranger duties.							
Com Svcs	5	Park Ranger Supervisor - Full Time	1.0	\$ -	\$ 110,620	\$ -	\$ 110,620
Request for new Full Time Park Ranger Supervisor to oversee the Park Ranger program. With acquiring the open space at Skyline trail, Community Services is developing a new Park Ranger Program. With the expansion of programs and services provided to the community, an additional supervisor is needed to oversee these activities.							
CIP	3	Parks Amenities Phase I	-	\$ 1,150,000	\$ -	\$ -	\$ 1,150,000
Replace park amenities identified in years 1-3 from the Parks Facilities and Amenities Inventory. The Parks Facilities and Amenities Inventory will identify parks that need amenities replaced due to surpassing its lifecycle. This includes trash cans, benches, water fountains, picnic structures and more. This budget will be used to install new amenities as a result of deferred maintenance, damaged and/or unsafe amenities. This budget request achieves the City's Strategic Plan goal #3 of providing "Sound Infrastructure" by enhancing parks to better serve residents.							
CIP	5	Parks Master Plan	-	\$ 150,000	\$ -	\$ -	\$ 150,000
The Parks Facilities and Amenities Inventory is almost complete and the next phase is to conduct a Parks Master Plan. The last Parks Master Plan was conducted in 1989 and is well overdue. The Parks Master Plan will be the guiding document to help staff identify and prioritize park projects to be completed due to years of deferred park maintenance. The Parks Master Plan will also be a supplemental document to the Trails Master Plan and the City's Strategic Plan. All three documents go hand in hand and the Parks Master Plan will achieve the City's goal of providing enhanced parks and recreational facilities and a sense of place for the community. In addition the Parks and Recreation Commission is supportive of the completion of the Parks Master Plan.							

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Com Svcs	5	Parks Planner - Full Time	1.0	\$ -	\$ 90,629	\$ -	\$ 90,629
Hire a Full Time Park Planner that is responsible to ensure Corona park standards are met in conjunction with the Parks Master Plan. As the City of Corona reviews all of the parks in a Parks Master Plan, this Park Planner will be a forwarding thinking professional contributing to that effort. They will set park standards, plan for unused or underutilized park space, and lead the community effort to become more engaged with parks. They will work with residents to take ownership of their neighborhood parks. The planner will manage current park assets, create an asset replacement schedule, and look for versatile amenities that are responsive to the community's needs.							
Com Svcs	5	Pool Vacuuming	-	\$ -	\$ 30,000	\$ -	\$ 30,000
Currently, part time staff is responsible for vacuuming two City pools. The workload is a lot of staff to maintain and is cost effective to contract out the service. Commercial Aquatics currently provides pool maintenance and will add vacuuming services to their contract. The pools are used by the City for Aquatics, Contracted Classes, a two swim clubs. The City receives several complaint that the pools or dirty, especially during high winds. Staff is unable to keep up with the vacuum cleaning schedule. By contracting out the service, the pools will be maintained at a higher level and will always be clean for public and private use.							
Com Svcs	5	Program Coordinator - Full Time (Fields, Parks and Sports)	1.0	\$ -	\$ 79,616	\$ -	\$ 79,616
Request for one Full Time Program Coordinator to supervise Fields, Parks, and Sports. To better serve the community and for equitable distribution of workload, Community Services Department is requesting a full time Program Coordinator to oversee field allocations and rentals, programming/activities in the parks, and youth and adult sports. This is a higher level position that will supervise two part time Assistant Recreation Coordinators and 52 part time staff in charge of operating programs in aquatics, youth and adults sports, field allocation, usage, and rentals, and park programming. This new position provides the opportunity for program expansion of services while being creative in generating additional revenue for the programs. There will be improved customer service as programs will be staffed accordingly to produce high quality programs. With the Program Coordinator position being full time and a higher position with more responsibility, this will yield qualified candidates with advanced knowledge and experience in Recreation.							
Com Svcs	5	Program Coordinator - Full Time (Kids Club/ Camp Programs)	1.0	\$ -	\$ 79,616	\$ -	\$ 79,616
To better serve the community and for equitable distribution of workload, Community Services Department is requesting a full time Program Coordinator to oversee the operations of the Kids Club/Camp programs. These program is highly successful and generated \$1,018,693 in revenue in 2019. There is potential to expand the programs to offer after-school recreation in more schools across the City. By having a full-time Program Coordinator, the program can grow to provide more opportunity for families. This position will supervise one part-time Assistant Recreation Coordinators and 53 part-time staff at 10 school. This new position provides the opportunity for program expansion of services to more schools in the City, yielding revenue to off-set costs. With the Program Coordinator position being full time and a higher position with more responsibility, this will yield qualified candidates with advanced knowledge and experience in Recreation.							
Com Svcs	5	Program Coordinator - Full Time (Senior Center)	1.0	\$ -	\$ 79,616	\$ -	\$ 79,616
To better serve the community and for equitable distribution of workload, Community Services Department is requesting a full time Program Coordinator to oversee the operations of the Senior Center. This is a higher level position that will supervise one part-time Assistant Recreation Coordinators and 6 part-time staff in charge of programming and planning events for Seniors. This new position provides the opportunity for program expansion of services to seniors where there are gaps of services in the community. There will be improved customer service as programs will be staffed accordingly resulting in improved quality of programs. With the Program Coordinator position being full time and a higher position with more responsibility, this will yield qualified candidates with advanced knowledge and experience in Recreation.							
Com Svcs	5	Program Coordinator - Full Time (Special Events)	1.0	\$ -	\$ 79,616	\$ -	\$ 79,616
The new full time Program Coordinator will plan and oversee the City's Special Events. This position will be responsible for the planning, marketing, and developing public/private partnership for the City's Services Special Events. This position will develop strategies to generate revenue and increase donations. This new position will increase staff retention and develop a succession plan for Community Services staff.							
Com Svcs	5	Security Services	-	\$ -	\$ 90,500	\$ -	\$ 90,500
Hire a security company to provide evening lockup of 30 parks restroom buildings. City parks restrooms are open during the day and locked up in the evenings. Often times, when the janitors clean the restrooms, there are individual(s) in the restroom that have threatened the janitor staff. This creates an unsafe environment for Parks staff and janitors. By hiring a security company to lock up the restrooms in the evening, they can enforce people to leave the restroom. This contracted service will also reduce vandalism. The Parks Division spends about \$100,000 on repairs due to vandalism in parks restrooms. The goal is to see a reduction in expenditures for vandalism due to increased security presence. In the end, this will be a safer environment for City and contracted staff. The security contractor will provide this service 365 days of the year.							

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Com Svcs	5	Skyline Trail Weed Abatement	-	\$ -	\$ 15,000	\$ -	\$ 15,000
With the acquisition of a portion of Skyline Trail, weed abatement and fuel modification for fire breaks needs to be completed as an ongoing task. The work will be performed by a contracted vendor or Cal Fire.							
Com Svcs	5	Trails Planner - Full Time	1.0	\$ -	\$ 90,629	\$ -	\$ 90,629
Hire a Full Time Trails Planner to oversee the trails system in Corona. As the City of Corona works on both a Trails Master Plan and Implementation Plan, this trails professional will be guiding the effort to create the culture in Corona's open space. They will be reviewing current trails and trail heads, they will create connecting footpaths and connectivity throughout Corona's trail systems. They will be designing GIS and virtual maps of Corona's trails so that visitors can connect trails to trails, bicycle to trail and trails to Corona businesses. They will work closely with developers to ensure that Corona has a robust and useful trail system and bring innovation and new ideas around trails utilization.							
Com Svcs	5	Tree Inventory - Year 2	-	\$ 75,000	\$ -	\$ -	\$ 75,000
Tree Inventory- year 2 to complete the City trees database. This request is to complete the second year of the City's tree inventory. West Coast Arborist will complete the assessment. The inventory will update the Tree Inventory database that catalogs all City-owned and maintained trees. The update allows staff to be more efficient in processing tree trimming requests which results in improved customer service.							
Com Svcs	5	Tree Pruning Baseline	-	\$ 150,000	\$ -	\$ -	\$ 150,000
Pruning overgrown City trees to establish a baseline for a block pruning schedule. In order for a schedule to be established of street trees block pruning, there needs to be a baseline to work off of. Many trees have not been pruned and this project will prune trees so a block pruning schedule can be created. This item has the support of City Council and is important to the Urban Forest Management Plan.							
Com Svcs	5	Utility Vehicle for Park Maintenance	-	\$ 15,000	\$ -	\$ -	\$ 15,000
Purchase a Gator Utility Vehicle for field maintenance, Skyline Trail for trash pickup and graffiti removal, and special events. In years past, the Parks Division had two utility vehicles but they were sold. Community Services Department is in need of a utility vehicle as the Department will be operating the Adult Softball Program. Staff will be responsible for dragging and maintaining the fields. This will be a cost saving as it will require less field renovation since fields will be maintained at a high level. The utility vehicle will be used at parks for park inspections, trash and graffiti removal. The utility vehicle will also be used at the Skyline Trail for trash and graffiti removal. Staff will be able to monitor the trail more effectively thereby keeping the trail pristine and beautiful for the community to enjoy. Staff will also use the utility vehicle at City special events. This will be a cost saving as a utility vehicle is rented for special events. Adding the utility vehicle to the Parks fleet will increase productivity and result in costs savings.							
Com Svcs	5	Volunteer Coordinator - Full Time	1.0	\$ -	\$ 79,616	\$ -	\$ 79,616
Request to hire one full time Volunteer Coordinator to oversee the Community Services Departments and City's volunteer opportunities. The Volunteer Coordinator will be assigned to the Community Services Administrative Division. This position will coordinate the recruitment, orientation, processing, and allocation, and retention of volunteers across the department and other departments with the exception of Police and Fire. Community Services is comprised of four divisions, each of which aims to provide need-determined services to the community. This is supported by a robust team of volunteers. The department currently utilizes 537 active volunteers. In FY20, volunteers logged 16,000 hours in support of a broad range of department services, programs, and events.							
With the addition of the Parks Maintenance division, a new series of volunteer opportunities will be added to the current list of nearly 40 job descriptions. These include a Park Ambassador program, as well as quarterly park clean up events. The volunteer program for the department is currently coordinated by a staff who has additional program and service responsibilities. The expanded reach of the volunteer program requires a full-time position dedicated to this. The operational plan is to develop department-wide support for consistency in policy, protocols, and practices for the volunteer program.							
Provide opportunity for positive engagement with the community across all areas of service with the goal of higher event, program, and service participation; strong partnerships; increased revenue; and a thriving sponsorship opportunity.

Com Svcs	5	Youth Parks Trainee Program	2.1	\$ -	\$ 63,569	\$ -	\$ 63,569
Part time staffing hours to hire teen trainees to work a summer parks program to learn park maintenance skills with the end goal of developing a career path in Parks. This program will recruit local youth (16+) and hire as Building Maintenance Tech I to develop and gain skills towards a future career path in the Parks Division and/or the City. This program is valuable to the youth of Corona as it introduces them on an array of skills for a career with the City. Youth will learn skills such as irrigation repairs, painting, restroom repairs and cleanup, water fountain repairs and much more. Parks Staff will teach, mentor, and train the youth on developing maintenance skills. The youth will have the opportunity to participate in "lunch and learns" program. They will shadow staff from different departments such as DWP and Public Works to see how those departments operate. The ultimate goal of this program is to train Corona's youth in hopes they will matriculate as good qualified candidates to work for the City. This program also allows the Community Services Department to recruit qualified candidates.							
Finance	5	Parks and Recreation Reserve	-	\$ -	\$ -	\$ 4,256,510	\$ 4,256,510
Reserved for future parks and recreation investments.

Public Safety							
Police	4	Accounting/Grants Specialist - Full Time	1.0	\$ -	\$ 66,715	\$ -	\$ 66,715
This professional staff member would perform grant and purchasing duties as recommended in the Hillard Heintze Summary, Recommendation #2.1. The Police Department previously had two Accounting / Grants Specialist positions that were eliminated in a restructure of the department in July, 2018. The department is still required to administer and adhere to all the numerous grant requirements to ensure that the department maintains its grants funding. Over the past 5 years the Police Department has been responsible for approximately \$2.5 million in grant funding. This position would be responsible for: the quarterly reporting, auditing, environmental and purchasing requirements, billing, maintaining fund balance of these grants, as well as looking for additional grant funding that may be available. Currently, a single Management Analyst manages the department's fiscal and grant matters, which is an overwhelming task for a single individual and may lead to missed opportunities of available grant funding.							
Fire	4	Administrative Battalion Chief - Full Time	1.0	\$ 32,608	\$ 214,104	\$ -	\$ 246,712
The primary responsibilities of this position will be to act as the designated department Safety Officer, Urban Search and Rescue (US&R) program, technical rescue program, swiftwater rescue program, hazardous materials program, fire apparatus program, fire facilities, fire equipment program oversight and increase the depth of daily command and control functions. This position previously existed, but was eliminated due to budget reductions.							
Fire	4	Administrative Fire Captain - Full Time	1.0	\$ 12,275	\$ 172,181	\$ -	\$ 184,456
The primary responsibilities of this position will provide additional support to the Operations section, Urban Search and Rescue (US&R) program, technical rescue program, swiftwater rescue program, hazardous materials program, and increase the depth of command and control functions, incident safety officer and division group supervisor duties. This position previously existed, but was eliminated due to budget reductions.							
CIP	4	Cardiac Monitors	-	\$ 400,000	\$ -	\$ -	\$ 400,000
Cardiac monitors are a critical component of patient care, they are used on every medical response. The current monitors are at the end of their life cycle and the warranty has expired. The number of emergency medical responses continues to increase every year further reinforcing the need.							
Com Dev	4	Code Compliance Supervisor - Full Time	1.0	\$ 12,640	\$ 87,988	\$ -	\$ 100,628
The Code Compliance Supervisor (CCS) position provides supervision, technical assistance and field training to a staff of Code Enforcement Officers and Technician and be responsible for directing day-to-day activities. Duties and responsibilities are carried out with considerable independence within the framework of established policies, procedures and guidelines. The CCS performs more difficult and complex assignments that require more specialized knowledge of code enforcement practices, regulatory standards and supervisory techniques. This position also requires the individual to engage publicly with the general public and with fellow colleagues and shall therefore be able to communicate clearly and concisely to achieve the desired outcome.							

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Com Dev	4	Code Enforcement Officer - Two (2) Full Time	2.0	\$ 25,280	\$ 152,246	\$ -	\$ 177,526
Code Enforcement divides the City's 39 square miles into three (3) zones, CDBG Residential & Non-Residential Zone, East Zone, and West Zone. The east and west zone is divided by Main Street, and officers cover both north and south areas east or west of Main Street. The CDBG Zone is comprised of residential, commercial and industrial. This area contains the oldest housing stock. Due to HUD regulation, the CDBG funded officer only enforces residential properties. Therefore, the commercial and industrial area is enforced by the Sr Code Enforcement Officer.							
Code averages 1550 new cases annually, with an estimated 10-15 new complaints submitted, daily. These averages were gathered from TRAKIT for the past three years, 2018, 2019 and 2020. Staff responds to new complaints within 3-5 businesses days, unless a complaint is life safety priority. In those cases, Code and Building respond same day. On average, Code Enforcement staff handles 930 cases, annually (actual number of cases by officers vary). Case loads include building enforcement complaints. Building cases are transferred to Code when Building Division is unable to gain voluntary compliance. In addition, Code Enforcement staff retrieve thousands of illegally placed signs from the public right of way, and assist the Police Department with street vendor enforcement, Monday through Saturday.							
Police	4	Community Service Officer II - Four (4) Full Time	4.0	\$ -	\$ 184,654	\$ -	\$ 184,654
Two (2) in July, two (2) in January. Recommended in the Hillard Heintze Executive Summary - Recommendation 1.1 and 2.2 "Increase the number of Community Service Officer's to assist patrol officers with low-level calls for service, completing crime reports for cold crimes, responding to alarm calls and completing reports for minor traffic accidents". Additional Community Service Officers will increase officer availability while reducing emergency response times.							
CIP	4	Comprehensive Fire Station Assessment and Rebuild/Remodel	-	\$ 400,000	\$ -	\$ -	\$ 400,000
Several of the City's fire stations are over 50 years old and in need of extensive rehabilitation or replacement. In order to evaluate and prioritize the facilities requiring improvement, an outside vendor is required. This vendor will be responsible for conducting a comprehensive assessment and survey of the City's fire facilities.							
Police	4	Dispatch Manager	1.0	\$ -	\$ 108,057	\$ -	\$ 108,057
Based on the current organizational structure, Dispatch is managed by the Support Services Division Manager, who manages 51 subordinates in multiple bureaus and locations. Adding a new manager position solely dedicated to oversee the Dispatch Center will allow the department to provide more focus on the Center's specific needs related to operations, staffing, recruitment, training, and administrative functions. Hillard Heintze recommendation 1.7 is partially met with this position, as the span of control for management is lessened.							
CIP	4	Emergency 911 Phone System	-	\$ 68,000	\$ -	\$ -	\$ 68,000
Replacement of the current emergency 911 phone system, voice recording system, public safety dispatch consoles and the EMD certification software.							
Fire	4	Emergency Services Assistant - Part Time	0.5	\$ -	\$ 28,395	\$ -	\$ 28,395
Strengthen emergency preparedness. Improve residents' capacity to prepare, respond and recover from a major emergency or natural disaster. Expand the community emergency response team (CERT). Support City functions such as, emergency operations center, responder training, and assist with grant management.							
Fire	4	Fire Apparatus Replacement	-	\$ -	\$ 331,097	\$ -	\$ 331,097
The City does not have an adopted fire apparatus replacement program. The City replaces its fire apparatus based on vehicle age, mileage and type of service. There are 16 total frontline pieces of large fire apparatus, with an individual replacement cost ranging from \$200,000 to \$1,300,000. Operating without a replacement program creates a significant unfunded financial liability. Developing a 10-year replacement program creates a mechanism to efficiently fund vehicle replacement.							
Fire	4	Fire Cadet - Two (2) Part Time	1.0	\$ -	\$ 37,092	\$ -	\$ 37,092
Works under the direction of the Training Officer, EMS Officer, Emergency Services Coordinator, Fire Marshal and Deputy Chief to support a variety of department needs. Additionally this creates an alternate recruitment and mentoring opportunity for future firefighter hiring.							
CIP	4	Fire Emerging Technology and Equipment	-	\$ 50,000	\$ -	\$ -	\$ 50,000
In an increasingly data driven environment the fire service needs innovative equipment to efficiently deliver service. Examples include, situational awareness tools, augmented reality and unmanned aircraft systems (UAS).							

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Fire	4	Fire Inspector I - Reclassify Part Time to Full Time	0.5	\$ 12,275	\$ 77,898	\$ -	\$ 90,173
Enhance the weed abatement program to provide vegetation management oversight, fuel modification enforcement, and public education. Assist with the implementation and ongoing administration of the Fire Safe Council and Community Wildfire Protection Plan.							
CIP	4	Fire Radio Replacement Program	-	\$ 322,000	\$ -	\$ -	\$ 322,000
Phase II of III. Fire radios are at the end of their life cycle and are no longer supported by their manufacturer. In Phase I, only one radio was purchased per fire apparatus, leaving a need for three additional radios per fire apparatus. The new radios increase interoperability and redundancy across multiple public safety agencies spanning numerous counties.							
Fire	4	Firefighter/Paramedic Squad Unit - Equipment	-	\$ 913,700	\$ -	\$ -	\$ 913,700
A significant portion of emergency responses in the City are medical in nature. In order to best serve the citizens of Corona, an alternate service delivery platform is necessary. By adding two low-acuity paramedic rescue squads, a smaller vehicle with less personnel will be able to handle non-emergent calls for service. This will simultaneously allow for increased unit availability for more acute emergencies. One time vehicle and equipment costs in FY 2022, with recurring personnel costs (6 Firefighter/Paramedic positions) in FY 2023.							
Police	4	Motorcycle - Traffic Officer	-	\$ 43,000	\$ 11,995	\$ -	\$ 54,995
The Police Department has a Personnel Service Level Change request in the FY2022 Budget for a Traffic Motor Officer that would work nights and weekends. If the Motor Officer is approved, the position will require a motorcycle. This motor pool request would be contingent on the Motor Officer being approved.							
Fire	4	Nurse Educator - Part Time	0.5	\$ -	\$ 63,068	\$ -	\$ 63,068
The majority of emergency responses are medical in nature, mandatory continuing education is critical. Currently, this education is provided by peers and is meeting minimum requirements. However, industry standard is to have continuing education provided by a licensed nurse educator. This position previously existed as a full-time benefitted position, but was eliminated due to budget reductions.							
Fire	4	Office Assistant - Part Time	0.5	\$ -	\$ 18,583	\$ -	\$ 18,583
To meet the increasing administrative needs in fire headquarters, a part-time Office Assistant position needs to be added. Responsibilities will include items such as, Emergency Medical Service (EMS), Fire Operations, Fire Prevention and Fire Training administrative support, etc.							
CIP	4	Police Body Worn Cameras	-	\$ 35,000	\$ -	\$ -	\$ 35,000
Purchase of body worn cameras and related equipment, to document incidents that occur within the community.							
Police	4	Police Cadet - Five (5) Part Time	2.4	\$ -	\$ 77,531	\$ -	\$ 77,531
The Police Department is currently budgeted for seven (7) part-time Police Cadets. The addition of 5 new part-time Police Cadets will address staffing vacancies throughout the entire department. The use of Police Cadets to perform some of the duties of sworn and professional staff offers budget conscious solutions to effectively manage workloads for current staff; supplement unfilled positions; supplement vacancies due to leaves of absence; and avoiding the creation of additional full-time, benefitted positions. Police Cadets are also classified as a work-training employee that provides them experience to become candidates for promotional opportunities, thereby addressing current and predicted succession challenges.							
Police	4	Police Corporal - Two (2) Full Time	2.0	\$ -	\$ 285,964	\$ -	\$ 285,964
The department is currently budgeted for sixteen (16) police corporals. The addition of 2 corporals in Patrol will be utilized to rotate into detective positions within the Investigative Services Division. This will satisfy the Hillard Heintz analysis recommendation 5.5 and will assist in supplementing detective workload, unfilled vacancies, and task force openings. Additional corporal positions will allow the department to further develop and train the future leaders of our organization and plan for succession.							
Police	4	Police Detective - Part Time	0.3	\$ -	\$ 31,535	\$ -	\$ 31,535
The Detective Bureau currently has a backlog of cold cases without the essential personnel resources to investigate these cases as required by statute. This position would bring back a part-time retired annuitant who would prepare cold cases so they are either turned over to detectives for follow-up or deemed exhausted based on current-day evidence techniques and methods.							
Police	4	Police In Car Video Warranty	-	\$ -	\$ 23,750	\$ -	\$ 23,750
The Police Department is requesting funding to purchase extended warranties for the patrol vehicles' In-Car Video Systems. When a patrol vehicle is purchased the In-Car Video System is under warranty for the first year. Maintaining In-Car and Body Worn video is the Gold Standard in the police industry, and the Information Technology department agrees that a warranty on these systems is necessary to ensure that they are working at optimal capacity and can maintain evidential requirements. A warranty is also more cost-effective than a service call by the vendor.							

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Police	4	Police Lieutenant - Full Time	1.0	\$ -	\$ 208,327	\$ -	\$ 208,327
		Traffic operations would be reassigned to the Field Services Division and this Lieutenant would be assigned to oversee these operations as recommended in the Hillard Heintze Executive Summary, Recommendation 1.3 and 1.6. This Lieutenant would oversee Traffic and Special Enforcement Teams, reducing span of control for Patrol Watch Commanders and allowing sergeants to supervise personnel in the field. This position will also create the proper management oversight necessary for special operation units and ensure the details of operations are maintained.					
Police	4	Police Officer II - Full Time	1.0	\$ -	\$ 127,899	\$ -	\$ 127,899
		Recommended in the Hillard Heintze Executive Summary - Recommendation #1.1 "Phase in the hiring of officers over the next several years." On certain shifts the minimum staffing requirements does not allow leave for an officer without creating overtime. This additional officer position would help reduce the amount of mandatory overtime required to be filled. Responsible growth of officers is necessary to increase officer availability times and combat quality of life crimes.					
Police	4	Police Officer II - Full Time (Traffic)	1.0	\$ -	\$ 132,796	\$ -	\$ 132,796
		This would be a Traffic Motor Officer that would be assigned to nights and weekends. Traffic is a priority concern for the community and the City. Traffic enforcement of high risk violations during evening hours will aide in the reduction of major injury collisions.					
Police	4	Police Records Technician II - Full Time	1.0	\$ -	\$ 53,463	\$ -	\$ 53,463
		Due to the passage of legislation in 2018, law enforcement agencies are required to respond to more Public Records Act (PRA) requests, SB1421 - The Right To Know Act, gives the public the right to see certain records related to officer involved shootings, use of force, dishonesty, and sexual assault. AB 748 also requires police departments to release audio and video recordings of critical incidents within 45 days of the incident. Both laws burden police department personnel with additional tasks related to disclosing and redacting cases that fall under either legislation.					
Police	4	Public Safety Dispatch Call Taker - Two (2) Full Time	2.0	\$ -	\$ 122,505	\$ -	\$ 122,505
		Currently, personnel assigned to the Dispatch Center are responsible for answering business/9-1-1 lines and multiple channels that provide support to police and fire personnel. This new position in the Dispatch Center is dedicated to receiving calls for service, as well as assisting callers with business and administrative inquiries; this position enhances the department's focus on the emergent and non-emergent needs of the community, and providing quick assistance to those in need. Call-Takers will relieve mandatory Dispatch overtime and improve the overall wellness of Dispatch personnel.					
Police	4	Public Safety Dispatcher II - Four (4) Part Time	2.4	\$ -	\$ 185,512	\$ -	\$ 185,512
		Currently, personnel assigned to the Dispatch Center are responsible for answering business/9-1-1 lines and multiple channels that provide support to police and fire personnel. This new position in the Dispatch Center is dedicated to receiving calls for service, as well as assisting callers with business and administrative inquiries; this position enhances the department's focus on the emergent and non-emergent needs of the community, and providing quick assistance to those in need. Call-Takers will relieve mandatory Dispatch overtime and improve the overall wellness of Dispatch personnel.					
Info Tech	4	Public Safety Technical Support Engineer - Full Time	1.0	\$ -	\$ 115,841	\$ -	\$ 115,841
		The majority of Public Safety issues are addressed by a single Public Safety Technical Support Engineer. The majority of IT support requests are generated by Public Safety. The Police Department has requested additional resources be assigned to help improve the response times to their issues and increase the use of technology throughout the department. Position funded in IT, funded through internal service charges to General Fund.					
CIP	4	Replace Fire Microwave Network	-	\$ 150,000	\$ -	\$ -	\$ 150,000
		This project is needed to ensure reliable operation of the Fire Department network connection to the City. The current system core components are twelve years old and the radios are five years old. Replacing the entire system will increase bandwidth capacity, performance and reliability of the Fire Department Microwave system. The system includes the replacement of antennas, microwave radios, protection circuits, power supplies, battery back up power and upgrading FCC licenses. A new system has an 8 to 10 year life. Project funded in IT, funded through internal service charges to General Fund.					
CIP	4	Self Contained Breathing Apparatus	-	\$ 700,000	\$ -	\$ -	\$ 700,000
		Phase I of II. The self-contained breathing apparatus are at the end of their life cycle and are no longer supported by their manufacturer. The new equipment will meet the National Fire Protection Association's current standard for 5,500 PSI breathing air capacity, thus increasing firefighter safety and productivity.					

Measure X Allocation Plan - General Fund

Note: New Full Time positions have a vacancy factor applied reducing the full budget, due to the lead time for recruitments. The net amount budgeted for FY 2022 is shown below.

Strategic Goal #1 - Financial Stability
Strategic Goal #2 - Strong Economy
Strategic Goal #3 - Sound Infrastructure

Strategic Goal #4 - Safe Community
Strategic Goal #5 - Sense of Place
Strategic Goal #6 - High-Performing Government

Dept.	Strategic Goal	Description	FTE	One Time	Recurring	Reserves	Total
Fire	4	Training for New Hires	-	\$ 122,450	\$ -	\$ -	\$ 122,450
Multiple one time training requirements due to attrition and program enhancements. Mandatory driver's training for 14 new hires to include emergency vehicle operations course and tiller operator certification. Office of Emergency Services (OES) mandated hazardous materials technician certification and swiftwater boat operator certification. These are required due to attrition within the organization.							
Finance	4	Public Safety Reserve	-	\$ -	\$ -	\$ 1,862,343	\$ 1,862,343
Reserved for future public safety investments.							
Public Safety Total			28.0	\$ 3,299,228	\$ 2,919,196	\$ 1,862,343	\$ 8,080,767
Service Improvements							
CM Office	6	Assistant to the City Manager - Full Time	1.0	\$ -	\$ 121,409	\$ -	\$ 121,409
The assistant to the city manager will do real, meaningful work that will help our organization run smoother, accomplish more, and be more successful.							
Com Dev	6	Building Inspector II - Three (3) Full Time	3.0	\$ 35,475	\$ 23,641	\$ -	\$ 59,116
Building Inspectors perform inspections of new construction and existing buildings to ensure safety and that the built environment meets minimum codes and standards. They also respond to complaints related to unsafe buildings or unpermitted construction, conduct investigations, respond to emergencies, and respond to general inquiries from the public. The city currently has two (2) city employees in this position and supplements with three (3) additional consultants. The Building Division receives around 60 inspection requests a day, responds to over 30 emergency incidents a year during non-business hours, and opens approximately 14 building investigation cases a month. This is an ongoing service demand and not a temporary situation. Cost will be offset by current consulting contractual services that collectively equate to over 1.3 Million in order to meet the operational needs and service demands of the Department.							
Pub Wks	6	Development Services Manager - Full Time	1.0	\$ -	\$ 123,713	\$ -	\$ 123,713
A Development Services Manager in the Land Development Division would help to restore a traditional organizational structure that was abandoned during the last 4 years. Currently, two Senior Engineers share the management responsibilities typically associated with the manager level position, without any offset to their regular assigned duties and responsibilities. Consolation of duties within the division, while proven to be possible, is not ideal in the long-term for an organization like the City of Corona seeking to provide stable, high-quality, community-focused services.							
HR	6	Human Resources Supervisor - Full Time	1.0	\$ -	\$ 143,391	\$ -	\$ 143,391
The position was approved 12/16/2020 to support the City's operations in the Human Resources Department. The increased percentage of employee turnover has significantly increased the workload in Human Resources and impacted the level of service provided to internal customers and the community. Human Resources has developed strategies to combat the increased workload since it is critical for Human Resources to run efficiently and promptly implement these initiatives. Adding this position will allow more focus on large projects which will substantially impact the entire organization.							
HR	6	Human Resources Technician I - Full Time	1.0	\$ -	\$ 65,935	\$ -	\$ 65,935
The addition of a Technician position is to assist with the demand for new positions for the city and to support the initiatives created from the strategic plan. As the city starts to develop, streamline, and simplify recruiting and hiring new employees to reflect best practices, this position will be instrumental in supporting those initiatives.							
HR	6	Organizational/Training Officer - Full Time	1.0	\$ 1,795	\$ 92,104	\$ -	\$ 93,899
This position is needed to support and provide ongoing training opportunities and show the City's commitment to its employee's growth. This position will also effectively support efforts of the strategic plan of establishing career development plans for all staff members and creating a formalized staff training and development program on a wide range of topics, with a focus on increasing management skills for supervisors.
