ALLIANT PROPERTY INSURANCE PROGRAM (APIP)

July 1, 2021 – July 1, 2022

EXECUTIVE SUMMARY

Attached please find the renewal summary of the Alliant Property Insurance Program (APIP) for the 2021-2022 period. An overview of the most significant issues are discussed here.

The challenging market conditions that began in 2018 have continued into the 2021 renewal. While we do believe the market may be close to peaking (assuming no major catastrophe events), the APIP renewal has proven difficult. While the market has not experienced a single catastrophe event on par with Hurricane Katrina in 2005 over the past few years, natural catastrophe losses such as Hurricanes Harvey, Irma and Maria in 2017, California Wildfires in 2018, 2019 and 2020, Winter Storm Uri in 2021, and the Coronavirus Pandemic are key drivers of continuing rate pressure. These catastrophes along with increased attritional losses resulted in another unprofitable year for most property insurers in 2020. Lack of profitability has resulted in carriers continuing to re-evaluate their books and seeking increased pricing and reduced terms and conditions. Those insureds that have significant shock loss(es) or persistent attritional losses will experience larger rate increases. In keeping with the programs' general history; however, we still expect overall rates to, in many cases, remain below that which can be achieved in the open market for similar coverage.

For the 2021/22 renewal, Lexington will provide the first \$25,000,000 of the program. Maximum program limits between \$800,000,000 and \$1,000,000,000 will be placed with worldwide markets rated at A.M. Best A- VII or higher. Insureds should note several key highlights for this year's renewal:

- Boiler & Machinery cover for participating insureds of the APIP Boiler Program will be maintained with Hartford Steam Boiler (HSB), who will also continue to perform required jurisdictional inspections.
- Cyber (Privacy Liability) Coverage for both 1st and 3rd parties from the Beazley Syndicate at Lloyd's, A.M. Best Rated A XV, (for those eligible insureds) with coverage as outlined on the following proposal will be provided. Additional excess options are available, if requested. The Cyber market has become extremely volatile in the past year primarily due to a pronounced increase in ransomware claims. Due to the difficulty of even maintaining Cyber coverage for many public entities, we believe the Cyber coverage provided by APIP represents one of the best values in the marketplace. **Please note claims reporting timeframe limitations for this coverage**
- Pollution Coverage for both 1st and 3rd parties from Ironshore Specialty Insurance Company, A.M. Best Rated A XV, (for those eligible insureds) with coverage as outlined on the following proposal will be provided. **Please note claims reporting timeframe limitations for this coverage**
- Vehicles/Contractor's Equipment – please note on the attached proposal whether the vehicle/contractors equipment valuation is Replacement Cost (new) or Actual Cash Value (ACV). If Replacement Cost (new) valuation is needed, the insured must submit a schedule of vehicles or a vehicle valuation reporting form (provided in the pre-renewal packet) and vehicles must be valued at today's Replacement Cost (new). If values are not reported at Replacement Cost (new), the vehicle/contractor's equipment valuation basis will be ACV

Alliant Business Services (ABS) continues to play a significant role not only in providing various types of loss control services, but also in providing appraisal services. For the program, property valuations continue to be a key focus. As a reminder, it is underwriters' intent to have all buildings with a scheduled value of \$5,000,000 or more appraised once every seven to ten years. This service is included in the total program cost. Insureds may also choose to have lower valued buildings appraised. The cost to have all, or specific buildings appraised that are valued on an insureds schedule between \$25,000 and \$5,000,000 will be quoted at the time the request is made.

Please review important Disclosure and Loss Notification information included in your renewal materials. Your review and acknowledgement of these documents are required via your signature, once you authorize a request to bind coverage with your Alliant representative.

IMPORTANT NOTICE:

- 1. The insurance policy that you are applying to purchase is being issued by an insurer that is not licensed by the State of California. These companies are called “nonadmitted” or “surplus line” insurers.**
- 2. The insurer is not subject to the financial solvency regulation and enforcement that apply to California licensed insurers.**
- 3. The insurer does not participate in any of the insurance guarantee funds created by California law. Therefore, these funds will not pay your claims or protect your assets if the insurer becomes insolvent and is unable to make payments as promised.**
- 4. The insurer should be licensed either as a foreign insurer in another state in the United States or as a non-United States (alien) insurer. You should ask questions of your insurance agent, broker, or “surplus line” broker or contact the California Department of Insurance at the toll-free number 1-800-927-4357 or internet website www.insurance.ca.gov. Ask whether or not the insurer is licensed as a foreign or non-United States (alien) insurer and for additional information about the insurer. You may also visit the NAIC’s internet website at www.naic.org. The NAIC—the National Association of Insurance Commissioners—is the regulatory support organization created and governed by the chief insurance regulators in the United States.**
- 5. Foreign insurers should be licensed by a state in the United States and you may contact that state’s department of insurance to obtain more information about that insurer. You can find a link to each state from this NAIC internet website: https://naic.org/state_web_map.htm.**

1. For non-United States (alien) insurers, the insurer should be licensed by a country outside of the United States and should be on the NAIC's International Insurers Department (IID) listing of approved nonadmitted non-United States insurers. Ask your agent, broker, or "surplus line" broker to obtain more information about that insurer.

2. California maintains a "List of Approved Surplus Line Insurers (LASLI)." Ask your agent or broker if the insurer is on that list, or view that list at the internet website of the California Department of Insurance: www.insurance.ca.gov/01-consumers/120-company/07-lasli/lasli.cfm.

3. If you, as the applicant, required that the insurance policy you have purchased be effective immediately, either because existing coverage was going to lapse within two business days or because you were required to have coverage within two business days, and you did not receive this disclosure form and a request for your signature until after coverage became effective, you have the right to cancel this policy within five days of receiving this disclosure. If you cancel coverage, the premium will be prorated and any broker's fee charged for this insurance will be returned to you.

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

June 4, 2021

Named Insured: **City of Corona**

We are required to send you this notice pursuant to federal legislation concerning terrorism insurance. The below is for TRIA coverage as issued by the United States of America and is not tied to or representative of the Terrorism coverage offered in our property insurance program.

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from acts of terrorism. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury--- in consultation with the Secretary of Homeland Security, and the Attorney General of the United States--- to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the federal government under the act.

You should also know that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

COVERAGE OF "ACTS OF TERRORISM" AS DEFINED BY THE REAUTHORIZATION ACT WILL BE PROVIDED FOR THE PERIOD FROM THE EFFECTIVE DATE OF YOUR NEW OR RENEWAL POLICY THROUGH THE EARLIER OF THE POLICY EXPIRATION DATE OR DECEMBER 31, 2027. EFFECTIVE DECEMBER 31, 2027 THE TERRORISM RISK INSURANCE PROGRAM REAUTHORIZATION ACT EXPIRES.

THE PREMIUM CHARGED FOR THIS COVERAGE CAN BE REQUESTED BELOW AND WILL NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

**SELECTION OR REJECTION OF THE TERRORISM RISK INSURANCE ACT, as AMENDED
(A.K.A.: TRIA, TRIEA, TRIPRA, TRIP OR TRIPA. We refer to these collectively as "TRIA".)**

THIS COVERAGE IS OUTSIDE OF THE PROGRAM'S TERRORISM COVERAGES AND LIMITS. IT IS PROVIDED AND OVERSEEN BY THE U.S. GOVERNMENT.

THIS COVERAGE IS CONSIDERED RESTRICTIVE COMPARED TO THE APIP TERRORISM LIMITS AND COVERAGES AVAILABLE. THIS ACT DOES NOT FOLLOW OUR PROGRAM'S TERRORISM POLICIES.

HOWEVER IF YOU'D LIKE A QUOTE FOR TRIA COVERAGE, PLEASE CHECK THE "I AM INTERESTED" BOX. OTHERWISE, PLEASE CHECK THE "DECLINE" BOX. YOUR SIGNATURE FOR CONFIRMATION OF RECEIPT IS REQUIRED. ANY QUESTIONS? PLEASE CALL YOUR SERVICE TEAM MEMBER.

<input type="checkbox"/>	I am interested in receiving a quote for Terrorism Risk Insurance Act coverage as required by law to be offered under the last amended Act. Please provide me with a quote.
