

**AGREEMENT FOR THE FUNDING OF
MEASURE A REGIONAL ARTERIAL IMPROVEMENTS
WITH THE CITY OF CORONA**

1. Parties and Date.

1.1 This Agreement is executed and entered into this ____ day of _____, 2021, by and between the RIVERSIDE COUNTY TRANSPORTATION COMMISSION (“RCTC”) and the CITY OF CORONA (“City”). RCTC and City are sometimes collectively referred to herein as the “Parties”.

2. Recitals.

2.1 RCTC is a county transportation commission created and existing pursuant to California Public Utilities Code Sections 130053 and 130053.5.

2.2 On November 5, 2002 the voters of Riverside County approved Measure A authorizing the collection of a one-half percent (1/2%) retail transactions and use tax to fund transportation programs and improvements within the County of Riverside, and adopting the Riverside County Transportation Improvement Plan (the “Plan”).

2.3 The Plan establishes funding for any improved Regional Arterial System to be funded by a mix of Measure A and Transportation Uniform Mitigation Fees (TUMF) revenues.

2.4 Pursuant to Public Utility Code Sections 240000 et seq., RCTC is authorized to allocate the proceeds of the Measure A tax in furtherance of the Plan.

2.5 RCTC intends, by this Agreement, to distribute Measure A Regional Arterial (“MARA”) Funds, subject to the conditions provided herein, and to participate in the joint development of the Project, as defined herein.

3. Terms.

3.1 Description of Work. This Agreement is intended to distribute MARA Funds to the City for the McKinley Street Grade Separation project (“the Work”). The Work, including a timetable and a detailed scope of work, is more fully described in Exhibit “A” attached hereto and, pursuant to Section 3.15 below, is subject to modification as requested by the City and approved by RCTC. The Work shall be consistent with the following defined phases as follows:

- 1) R/W – Right of Way
- 2) CONS – Construction

The Work phases funded pursuant to this Agreement shall be consistent with the City's Request Letter submitted to the RCTC ("the Project"). The Project is more fully described in Exhibit "A" and depicted in Exhibit "B" attached hereto. It is understood and agreed that the City shall expend MARA Funds only as set forth in this Agreement and only for the Work. To this end, any use of funds provided pursuant to this Agreement shall be subject to the review and approval of RCTC.

3.2 RCTC Funding Amount. RCTC hereby agrees to distribute to the City, on the terms and conditions set forth herein, a sum not to exceed Nine Million Eight Hundred Ninety Thousand Dollars (\$9,890,000), to be used exclusively for reimbursing the City for eligible Work expenses as described herein ("Funding Amount"). The City acknowledges and agrees that the Funding Amount may be less than the actual cost of the Work, and that RCTC shall not contribute MARA Funds in excess of the maximum authorized in this section.

3.2.1 Eligible Work Costs. The total Work costs ("Total Work Cost") may include the following items: (1) City and/or consultant costs associated with direct Work coordination and support; (2) right of way costs; (3) construction costs, including change orders to construction contract approved by the City; and (4) construction management, field inspection and material testing costs.

3.2.2 Ineligible Work Costs. The Total Work Cost shall not include the following items which shall be borne solely by the City without reimbursement: (1) City administrative costs; (2) City costs attributed to the preparation of invoices, billings and payments; (3) any City fees attributed to the processing of the Work; and (4) expenses for items of work not included within the scope of work in Exhibit "A".

3.2.3 Increases in Work Funding. The Funding Amount may, in RCTC's sole discretion, be augmented with additional MARA Funds. Any such increase in the Funding Amount must be approved in writing by RCTC's Executive Director. No such increased funding shall be expended to pay for any Work already completed. For purposes of this Agreement, the Work or any portion thereof shall be deemed complete upon its acceptance by RCTC's Executive Director.

3.2.4 Cost Savings. In the event that bids for the Work are lower than anticipated, or there are cost savings for any other reason, the MARA Funds shall be reduced dollar for dollar proportional to the savings on the Work. The City shall inform RCTC of any cost savings.

3.2.5 No Funding for Temporary Improvements. Only segments or components of the Work that are intended to form part of or be integrated into the Work may be funded by MARA Funds. No improvement which is temporary in nature, including but not limited to temporary roads, curbs, or drainage facilities, shall be funded with MARA Funds except as needed for staged construction of the Work.

3.3 City's Funding Obligation to Complete the Work. In the event that the MARA Funds allocated to the Work represent less than the total cost of the Work, the City shall be responsible for identifying such additional funds as may be required to complete the Work as described in Exhibit "A".

3.3.1 City's Obligation to Repay MARA Funds to RCTC. In the event that: (i) the City, for any reason, determines not to proceed with or complete the Work; or (ii) the Work is not timely completed, subject to any extension of time granted by RCTC pursuant to Section 3.15; the City agrees that any MARA Funds that were distributed to the City for the Work shall be repaid in full to RCTC. The Parties shall enter into good faith negotiations to establish a reasonable repayment schedule and repayment mechanism which may include, but is not limited to, withholding of Measure A Local Streets and Roads revenues. The City acknowledges and agrees that RCTC shall have the right to withhold any Measure A Local Streets and Roads revenues due the City, in an amount not to exceed the total of the funds distributed to the City, and/or initiate legal action to compel repayment, if the City fails to repay RCTC within a reasonable time period not to exceed 180 days from receipt of written notification from RCTC that repayment is required.

3.3.2 City's Local Match Contribution. The City shall utilize the Eighty-Nine Million Five Hundred Sixty Thousand Two Hundred Seventy Dollars (\$89,560,270) of identified right of way and construction phase funding toward the Work, as shown in Exhibit "A". These other funds shall be drawn down in full before MARA Funds are invoiced.

3.4 Work Responsibilities of the City. The City shall be responsible for the following aspects of the Work, in compliance with state and federal law provided that such items are included in the Project scope of work attached as Exhibit "A": (i) all aspects of bidding, awarding, and administration of the contracts for the Work; (ii) all construction management of any construction activities undertaken in connection with the Work, including survey and material testing; and (iii) development of a budget for the Work prior to award of any contract for the Work, taking into consideration available funding, including MARA Funds.

3.5 Term/Notice of Completion. The term of this Agreement shall be from the date first herein above written until: (i) the date RCTC formally accepts the Work as complete, pursuant to Section 3.2.3; (ii) termination of this Agreement pursuant to Section 3.9; or (iii) the City has fully satisfied its obligations under this Agreement, including full repayment of MARA Funds to RCTC as provided herein. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of this Agreement.

3.6 Representatives of the Parties. RCTC's Executive Director, or his or her designee, shall serve as RCTC's representative and shall have the authority to act on behalf of RCTC for all purposes under this Agreement. The City hereby designates Savat Khamphou, Public Works Director, or his designee, as the City's representative to RCTC. The City's representative shall have the authority to act on behalf of the City for all purposes under this Agreement and shall coordinate all activities of the Work under the City's responsibility. The City shall work closely and cooperate fully with RCTC's representative and any other agencies which may have jurisdiction over or an interest in the Work.

3.7 Expenditure of Funds by City Prior to Execution of Agreement. Nothing in this Agreement shall be construed to prevent or preclude the City from expending funds on the Work prior to the execution of the Agreement, or from being reimbursed by RCTC for such expenditures. However, the City understands and acknowledges that any expenditure of funds on the Work prior to the execution of the Agreement is made at the City's sole risk, and that some expenditures by the City may not be eligible for reimbursement under this Agreement.

3.8 Review of Services. The City shall allow RCTC's Representative to inspect or review the progress of the Work at any reasonable time in order to determine whether the terms of this Agreement are being met.

3.9 Termination. This Agreement may be terminated for cause or convenience as further specified below.

3.9.1 Termination for Convenience.

3.9.1.1 Notice. Either RCTC or the City may, by written notice to the other party, terminate this Agreement, in whole or in part, for convenience by giving thirty (30) days' written notice to the other party of such termination and specifying the effective date thereof.

3.9.1.2 Effect of Termination for Convenience. In the event that the City terminates this Agreement for convenience, the City shall, within 180 days, repay to RCTC in full all MARA Funds provided to the City under this Agreement. In the event that RCTC terminates this Agreement for convenience, RCTC shall, within 90 days, distribute to the City MARA Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the City regarding the Work at the time of the notice of termination; provided, however, that RCTC shall be entitled to exercise its rights under Section 3.14.2, including but not limited to conducting a review of the invoices and requesting additional information. This Agreement shall terminate upon receipt by the non-terminating party of the amounts due it under this Section 3.9.1.2.

3.9.2 Termination for Cause.

3.9.2.1 Notice. Either RCTC or the City may, by written notice to the other party, terminate this Agreement, in whole or in part, in response to a material breach hereof by the other party, by giving written notice to the other party of such termination and specifying the effective date thereof. The written notice shall provide a 30 day period to cure any alleged breach. During the 30 day cure period, the Parties shall discuss, in good faith, the manner in which the breach can be cured.

3.9.2.2 Effect of Termination for Cause. In the event that the City terminates this Agreement in response to RCTC's uncured material breach hereof, RCTC shall, within 90 days, distribute to the City MARA Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the City regarding the Work at the time of the notice of termination. In the event that RCTC terminates this Agreement in response to the City's uncured material breach hereof, the City shall, within 180 days, repay to RCTC in full all MARA Funds provided to the City under this Agreement. Notwithstanding termination of this Agreement by RCTC pursuant to this Section 3.9.2.2, RCTC shall be entitled to exercise its rights under Section 3.14.2, including but not limited to conducting a review of the invoices and requesting additional information. This Agreement shall terminate upon receipt by the terminating party of the amounts due it under this Section 3.9.2.2.

3.9.3 Cumulative Remedies. The rights and remedies of the Parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

3.10 Prevailing Wages. The City and any other person or entity hired to perform services on the Work are alerted to the requirements of California Labor Code Sections 1770 et seq., which would require the payment of prevailing wages were the services or any portion thereof determined to be a public work, as defined therein. The City shall ensure compliance with these prevailing wage requirements by any person or entity hired to perform the Work. The City shall defend, indemnify, and hold harmless RCTC, its officers, employees, consultants, and agents from any claim or liability, including without limitation attorneys, fees, arising from its failure or alleged failure to comply with California Labor Code Sections 1770 et seq.

3.11 Progress Reports. RCTC may request the City to provide RCTC with progress reports concerning the status of the Work.

3.12 Indemnification.

3.12.1 City Responsibilities. In addition to the indemnification required under Section 3.10, the City agrees to indemnify and hold harmless RCTC, its officers, agents, consultants, and employees from any and all claims, demands, costs or liability arising from or connected with all activities governed by this Agreement including all design and construction activities, due to any act of the City or its subcontractors whatsoever, regardless of fault, including negligent acts, errors or omissions or willful misconduct, except that caused by the sole negligence of RCTC. The City will reimburse RCTC for any expenditures, including reasonable attorneys' fees, incurred by RCTC, in defending against claims ultimately determined to be due to any act of the City or its subcontractors whatsoever, regardless of fault, including negligent acts, errors or omissions or willful misconduct, except that caused by the sole negligence of RCTC.

3.12.2 Effect of Acceptance. The City shall be responsible for the professional quality, technical accuracy and the coordination of any services provided to complete the Work. RCTC's review, acceptance or funding of any services performed by the City or any other person or entity under this agreement shall not be construed to operate as a waiver of any rights RCTC may hold under this Agreement or of any cause of action arising out of this Agreement. Further, the City shall be and remain liable to RCTC, in accordance with applicable law, for all damages to RCTC caused by the City's performance of this Agreement or supervision of any services provided to complete the Work.

3.13 Insurance. The City shall require, at a minimum, all persons or entities hired to perform the Work to obtain, and require their subcontractors to obtain, insurance of the types and in the amounts described below and satisfactory to the City and RCTC. Such insurance shall be maintained throughout the term of this Agreement, or until completion of the Work, whichever occurs last.

3.13.1 Commercial General Liability Insurance. Occurrence version commercial general liability insurance or equivalent form with a combined single limit of not less than \$2,000,000.00 per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to the Work or be no less than two times the occurrence limit. Such insurance shall:

3.14 Procedures for Distribution of MARA Funds to City.

3.14.1 Initial Payment by the City. The City shall be responsible for initial payment of all the Work costs as they are incurred. Following payment of such Work costs, and after all other construction fund sources have been expended, the City shall submit invoices to RCTC requesting reimbursement of eligible Work costs. Each invoice shall be accompanied by detailed contractor invoices, or other demands for payment addressed to the City, and documents evidencing the City's payment of the invoices or demands for payment. The City shall submit invoices not more often than monthly and not less often than quarterly.

3.14.2 Review and Reimbursement by RCTC. Upon receipt of an invoice from the City, RCTC may request additional documentation or explanation of the Work costs for which reimbursement is sought. Undisputed amounts shall be paid by RCTC to the City within thirty (30) days. In the event that RCTC disputes the eligibility of the City for reimbursement of all or a portion of an invoiced amount, the Parties shall meet and confer in an attempt to resolve the dispute. If the meet and confer process is unsuccessful in resolving the dispute, the City may appeal RCTC's decision as to the eligibility of one or more invoices to RCTC's Executive Director. The City may appeal the decision of the Executive Director to the full RCTC Board, the decision of which shall be final. Additional details concerning the procedure for the City's submittal of invoices to RCTC and RCTC's consideration and payment of submitted invoices are set forth in Exhibit "C", attached hereto.

3.14.3 Funding Amount/Adjustment. If a post Work audit or review indicates that RCTC has provided reimbursement to the City in an amount in excess of the maximum MARA

Funds provided for in section 3.2 of this Agreement, or has provided reimbursement of ineligible Work costs, the City shall reimburse RCTC for the excess or ineligible payments within 30 days of notification by RCTC.

3.15 Work Amendments. Changes to the characteristics of the Work, including the deadline for Work completion, and any responsibilities of the City or RCTC may be requested in writing by the City and are subject to the approval of RCTC's Representative, which approval will not be unreasonably withheld, provided that extensions of time for completion of the Work shall be approved in the sole discretion of RCTC's Representative. Nothing in this Agreement shall be construed to require or allow completion of the Work without full compliance with the California Environmental Quality Act (Public Resources Code Section 21000 et seq.; "CEQA") but the necessity of compliance with CEQA shall not justify, excuse, or permit a delay in completion of the Work.

3.16 Conflict of Interest. For the term of this Agreement, no member, officer or employee of the City or RCTC, during the term of his or her service with the City or RCTC, as the case may be, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.
