### B. Library Report

Abigail Schellberg, Assistant Director, Library and Recreation Services, reported on the following:

**1. Staffing:** The Full Time Library Assistant position will close on February 27th. We have the first panel of interviews scheduled for March 18th or 19th. We're finalizing the panel.

**2. Budget Planning:** We are preparing our first budget presentation with the City's management team and finance on March 5th. Last year, one of the council members sat in on this meeting and also asked questions and participated in discussion. I'm not sure if that will be the case this time around.

**3. Maker Exchange:** New Logo! Our Communications staff, Cindy Solis, developed our Maker Exchange logo. This is for our makerspace which will have a soft opening on April 13th. We will be conducting some sessions in the Maker Exchange starting in March to begin introducing the community to this resource.

**4. Programs:** Novels before Noon, part of Adult Reading Assistance program. New Storytime: Arabic Storytime, the first session of this bilingual storytime had 93 in attendance.

**5. Community Services Room:** This room, which is in amongst the Study Rooms, will serve as our Vet Connect office and our inreach office for City Net staff. Vet Connect's hours will be on Tuesday evenings and Thursday afternoons to begin. We currently have 3 volunteers lined up to begin their training in Veteran's Resources. Ashley Arias and I will be each attending training in April to learn more in depth about the resources related to this new area of service. In addition, City Net staff will use this office on Fridays for their inreach services to the homeless population in our community.

**6. Stats:** Overall, digital resources and non-English materials continue to circulate strongly. Program attendance continues to be strong as well. As Jennifer Marlatt adds to the Heritage Room's online sources, we see those

visits continue to climb. Total revenue is up. Our passport burden at the library has been lessened as we share this service with the CCC site. We have also seen a decrease in phone calls as people have found and been directed to the online appointment software.
