#### 3. Agenda Items

- A. [19-0559](#) Presentation: Biosolids  
(Department of Water & Power/ Maintenance Services)  
Action: Informational

Attachments: [PowerPoint Biosolids FLED Committee](#)

Mr. Tom Moody, Department of Water and Power General Manager, provided the Committee with a brief overview of the water reclamation process in Corona. He provided in his presentation, Coronas current biosolids removal process and disposal costs. He provided the Committee with background on legislative and legal aspects of biosolids and the need to transition from waste to resource. Mr. Moody presented that with the creation of a quality raw material, the City of Corona is positioned for the next phase of growth into the fertilizer category. Mr. Moody proposed that there could be potential for revenue if the Department of Water and Power

were to process, blend and bag the product on site to maximize the product further, minimize transportation costs and add value to a unique commodity. Mr. Moody has presented this item to the Committee for discussion on input, staff will bring item back for discussion and further evaluation at a Study Session meeting set for a later date.

- B.**      [19-0553](#)      Discussion of proposed contract renewal with Corona Chamber of Commerce for Fiscal Year 2019-2020.  
(Management Services)  
Action: Information & Discussion

Ms. Michele Nissen, Assistant City Manager, presented the proposed contract renewal with the Corona Chamber of Commerce for Fiscal Year 2019-2020. Ms. Nissen explained that the contract would be a “fee for services,” exactly the same as last year, making the current proposed contract amount \$55,800. Ms. Nissen provided background on the contract and noted that it will continue to host and partner with the Corona Chamber to hold events/ workshops. She noted there has been up to 17 monthly workshops including Coffee with an Entrepreneur, a Social Media workshop and an Advertising workshop for a total of almost 300 attendees. The proposed contract would not go into effect until July 1, 2019, and still needed to be presented to Council for final approval.

Council Member Jacque Casillas inquired about the contract cap amount and the potential to add new workshops or events. Staff noted that the contract amount does not exceed \$55,800. Staff also noted that the Chamber and City have flexibility to create and host a number of different events including industry-specific workshops, Economic Development and workforce development for manufacturers.

Mr. Joe Morgan, Resident, commented on the overall attendance and participation of the events. Council Member Casillas suggested that data related to attendance and participation are available in the contract to show the outcome and benefit of the partnership.

The Committee approved the proposed contract for submittal to the City Council on June 19, 2019.

- C.**      [19-0421](#)      Economic Development Update.  
(Management Services)
