Lupita Garcia, Associate Planner, reviewed the staff report and exhibits for TTM 37980.

Discussion ensued between the Commissioners, city staff, applicant Mark Hauptert and speakers in regards to the timing of site improvements, conditions of approval that avoid grading and tree removal during the breeding season of nesting birds, clarification of the number of lots, expiration date of the Tentative Tract Map application, driveways on Citron, traffic speed and safety, existing drainage problems, the future development of houses, connection of Lorraine and Susanne, pavement repairs of existing streets, construction access restricted to Taylor and Citron, existing block walls vs new perimeter block walls, possible construction time frames, location of construction worker parking, possibility of sub-dividing the lots in the future, construction debris, construction traffic and whether the future homes will be built as single or two story homes.

A motion was made by Vice Chair Alexander, seconded by Commissioner Sherman, that the Planning and Housing Commission recommend approval of TTM 37980 to the City Council based on the findings contained in the staff report and subject to the conditions of approval, including staff's recommended conditions and an added condition to establish an application expiration date of 24 months. The motion carried by the following vote:

Aye: 5 - Commissioner Alexander, Chair Siqueland, Commissioner Meza, Vice Chair Sherman, and Commissioner Woody
