7. The term “PROCEDURAL GUIDE” means the document identified as the “Procedural Guide for California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018 Per Capita Program.” The

PROCEDURAL GUIDE provides the procedures and policies controlling the administration of the grant.

## **B. Project Execution**

1. Subject to the availability of GRANT MONIES, the STATE hereby grants to the GRANTEE a sum of money not to exceed the amount stated in Section I of this CONTRACT, in consideration of, and on condition that, the sum be expended in carrying out the purposes as set forth in the scope described in the enabling legislation and referenced in the APPLICATION, Section I of this CONTRACT, and under the terms and conditions set forth in this CONTRACT.

The GRANTEE shall assume any obligation to furnish any additional funds that may be necessary to complete the GRANT SCOPE(S).

The GRANTEE agrees to submit any change or alteration from the original GRANT SCOPE(S) in writing to the STATE for prior approval. This applies to any and all changes that occur after STATE has approved the APPLICATION. Changes in the GRANT SCOPE(S) must be approved in writing by the STATE.

2. The GRANTEE shall complete the GRANT SCOPE(S) in accordance with the time of the Performance Period set forth in Section I of this CONTRACT, and under the terms and conditions of this CONTRACT.
3. The GRANTEE shall comply with the California Environmental Quality Act (Public Resources Code, Section 21000, et seq., Title 14, California Code of Regulations, Section 15000 et seq.).
4. The GRANTEE shall comply with all applicable current laws and regulations affecting DEVELOPMENT projects, including, but not limited to, legal requirements for construction contracts, building codes, health and safety codes, and laws and codes pertaining to individuals with disabilities, including but not limited to the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) and the California Unruh Act (California Civil Code §51 et seq.).

## **C. Project Costs**

1. GRANTEE agrees to abide by the PROCEDURAL GUIDE.
2. GRANTEE acknowledges that STATE may make reasonable changes to its procedures as set forth in the PROCEDURAL GUIDE. If STATE makes any changes to its procedures and guidelines, STATE agrees to notify GRANTEE within a reasonable time.

## **D. Project Administration**

1. If GRANT MONIES are advanced for DEVELOPMENT projects, the advanced funds shall be placed in an interest bearing account until expended. Interest earned on the advanced funds shall be used on the project as approved by the STATE. If grant monies are advanced and not expended, the unused portion of the

grant and any interest earned shall be returned to the STATE within 60 days after project completion or end of the Grant Performance Period, whichever is earlier.

2. The GRANTEE shall submit written project status reports within 30 calendar days after the STATE has made such a request. In any event, the GRANTEE shall provide the STATE a report showing total final project expenditures within 60 days of project completion or the end of the grant performance period, whichever is earlier. The Grant Performance Period is identified in Section I of this CONTRACT.
3. The GRANTEE shall make property or facilities acquired and/or developed pursuant to this contract available for inspection upon request by the STATE.

#### **E. Project Termination**

1. Project Termination refers to the non-completion of a GRANT SCOPE. Any grant funds that have not been expended by the GRANTEE shall revert to the STATE.
2. The GRANTEE may unilaterally rescind this CONTRACT at any time prior to the commencement of the project. The commencement of the project means the date of the letter notifying GRANTEE of the award or when the funds are appropriated, whichever is later. After project commencement, this CONTRACT may be rescinded, modified or amended only by mutual agreement in writing between the GRANTEE and the STATE, unless the provisions of this CONTRACT provide that mutual agreement is not required.
3. Failure by the GRANTEE to comply with the terms of the (a) PROCEDURAL GUIDE, (b) any legislation applicable to the ACT, (c) this CONTRACT as well as any other grant contracts, specified or general, that GRANTEE has entered into with STATE, may be cause for suspension of all obligations of the STATE unless the STATE determines that such failure was due to no fault of the GRANTEE. In such case, STATE may reimburse GRANTEE for eligible costs properly incurred in performance of this CONTRACT despite non-performance of the GRANTEE. To qualify for such reimbursement, GRANTEE agrees to mitigate its losses to the best of its ability.
4. Any breach of any term, provision, obligation or requirement of this CONTRACT by the GRANTEE shall be a default of this CONTRACT. In the case of any default by GRANTEE, STATE shall be entitled to all remedies available under law and equity, including but not limited to: a) Specific Performance; b) Return of all GRANT MONIES; c) Payment to the STATE of the fair market value of the project property or the actual sales price, whichever is higher; and d) Payment to the STATE of the costs of enforcement of this CONTRACT, including but not limited to court and arbitration costs, fees, expenses of litigation, and reasonable attorney fees.
5. The GRANTEE and the STATE agree that if the GRANT SCOPE includes DEVELOPMENT, final payment may not be made until the work described in the GRANT SCOPE is complete and the GRANT PROJECT is open to the public.

#### **F. Budget Contingency Clause**

If funding for any fiscal year is reduced or deleted by the budget act for purposes of this program, the STATE shall have the option to either cancel this contract with no liability occurring to the STATE, or offer a CONTRACT amendment to GRANTEE to reflect the reduced grant amount. This Paragraph shall not require the mutual agreement as addressed in Paragraph E, provision 2, of this CONTRACT.

#### **G. Hold Harmless**

1. The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this CONTRACT except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.
2. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses or liability costs arising out of the ACQUISITION, DEVELOPMENT, construction, operation or maintenance of the property described as the project which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the GRANTEE agrees to pay the STATE's litigation costs, expenses, and reasonable attorney fees.
4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.
5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses or liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

#### **H. Financial Records**

1. The GRANTEE shall maintain satisfactory financial accounts, documents, including loan documents, and all other records for the project and to make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following project

termination or issuance of final payment, whichever is later.

2. The GRANTEE shall keep such records as the STATE shall prescribe, including records which fully disclose (a) the disposition of the proceeds of STATE funding assistance, (b) the total cost of the project in connection with such assistance that is given or used, (c) the amount and nature of that portion of the project cost supplied by other sources, and (d) any other such records that will facilitate an effective audit.
3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this contract or matters related thereto during regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this contract. Such accounts, documents, and records shall be retained by the GRANTEE for at least five years following project termination or issuance of final payment, whichever is later.
4. The GRANTEE shall use a generally accepted accounting system.

#### **I. Use of Facilities**

1. The GRANTEE agrees that the GRANTEE shall operate and maintain the property acquired or developed with the GRANT MONIES, for the duration of the Contract Performance Period.
2. The GRANTEE agrees that, during the Contract Performance Period, the GRANTEE shall use the property acquired or developed with GRANT MONIES under this contract only for the purposes of this grant and no other use, sale, or other disposition or change of the use of the property to one not consistent with its purpose shall be permitted except as authorized by the STATE and the property shall be replaced with property of equivalent value and usefulness as determined by the STATE.
3. The property acquired or developed may be transferred to another entity if the successor entity assumes the obligations imposed under this CONTRACT and with the approval of STATE.
4. Any real Property (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the STATE provided that such approval shall not be unreasonably withheld as long as the purposes for which the Grant was awarded are maintained. Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE'S rights to enforce performance under the Grant CONTRACT.

5. All real property, or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the project property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of GRANT MONIES received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint.

#### **J. Nondiscrimination**

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, color, national origin, age, religion, ancestry, sexual orientation, or disability in the use of any property or facility developed pursuant to this contract.
2. The GRANTEE shall not discriminate against any person on the basis of residence except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence and pursuant to law.
3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this project contract or under provisions of the enabling legislation and/or grant program.

#### **K. Severability**

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

#### **L. Liability**

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE will secure adequate liability insurance, performance bond, and/or other security necessary to protect the GRANTEE'S and STATE'S interest against poor workmanship, fraud, or other potential loss associated with completion of the grant project.

#### **M. Assignability**

Without the written consent of the STATE, the GRANTEE'S interest in and responsibilities under this CONTRACT shall not be assignable by the GRANTEE either in whole or in part.

#### **N. Use of Grant Monies**

GRANTEE shall not use any grant funds (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the project property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the project property.

#### **O. Section Headings**

The headings and captions of the various sections of this CONTRACT have been inserted only for the purpose of convenience and are not a part of this CONTRACT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this CONTRACT.

#### **P. Waiver**

Any failure by a party to enforce its rights under this CONTRACT, in the event of a breach, shall *not* be construed as a waiver of said rights; and the waiver of any breach under this CONTRACT shall *not* be construed as a waiver of any subsequent breach.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Public Works Department

**SUBJECT:**

Approve the release of certain Grading Securities associated with Tract Map 37030.

**EXECUTIVE SUMMARY:**

Grading activities within Lots 11 and 18 through 20 of Tract Map 37030 have been completed. The project is located in the first phase of development of the Arantine Hills Specific Plan, within the Whitney single-family home product of the Bedford Community. The proposed action will release the Grading and Erosion Control securities posted by the owner, The New Home Company Southern California LLC, a California Limited Liability Company.

**RECOMMENDED ACTION:**

**That the City Council:**

- a. Release the Bedford (50x90 Model) Portion of Lot 18 Precise Grading Faithful Performance and Erosion Control Security (PB02497500806 FP, PGR170013-R6488 cash).
- b. Release the Bedford (50x90 Production) Lots 11, 19-20 and Portion of Lot 18 Faithful Performance and Erosion Control Security (PB02497500795 FP, PWGR2017-0125-R6633 cash).

**BACKGROUND & HISTORY:**

Tract Map 37030 is a subdivision of approximately 54 acres into 45 lots for condominium purposes and is the first phase of development in the Arantine Hills Specific Plan, approved by the City Council on October 4, 2017. The project is located south of Eagle Glen Parkway and west of Interstate 15, as shown on Exhibit "1." The map facilitates the construction of 393 residential units comprised of 100 single-family detached condominiums, 96 detached units in clusters of six, 96 paired units in clusters of eight, 101 townhomes, opens space areas, trail areas, and an active park and recreational facility.

On October 18, 2017, the master developer, Arantine Hills Holdings, LP, entered into Grading and Public Improvement Agreements with the City and posted bonds for the development of Tract Map 37030. On June 6, 2018, The New Home Company Southern California LLC posted replacement securities and entered into new Grading and Public Improvement Agreements for the precise grading and certain street and landscaping improvements as the merchant builder for the 41 single-family dwelling unit product on Lots 11 and 18 through 20, marketed as the Whitney product.

**ANALYSIS:**

The model and production lots associated with the Whitney product have been precise graded in accordance with all City Standards and the approved Grading Plans. Therefore, it is appropriate to release the Grading and Erosion Control Securities at this time.

**FINANCIAL IMPACT:**

All applicable fees have been paid by the developer.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the common sense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This action merely releases the current securities associated with the property. Since there is no possibility that adopting this action will have a significant effect on the environment, no environmental analysis is required.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Human Resources Department

**SUBJECT:**  
Personnel Report providing employee updates and details on various recruitment transactions.

**EXECUTIVE SUMMARY:**

This Personnel Report includes only the new personnel activity since the previous meeting. The Report includes employee updates and information on recruitments from Human Resources.

**RECOMMENDED ACTION:**

**That the City Council** receive and file the Personnel Report for employee updates and recruitment transactions.

**BACKGROUND & HISTORY:**

The employee updates in the Personnel Report include full-time appointments, full-time promotions, and retirements. The recruitment activity portion of the report includes both open/competitive recruitments as well as internal/promotional recruitments.

**ANALYSIS:**

The Personnel Report includes the employee updates and recruitments noted below. These transaction types are reported to Council for informational purposes each meeting to enhance transparency. The report includes new activity only since the previous meeting. The employee updates in the Personnel Report include full-time appointments, full-time promotions, and retirements. The recruitment activity portion of the report includes both open/competitive recruitments as well as internal/promotional recruitments.

## Full-Time Appointments

<i>Employee Name</i>	<i>Department</i>	<i>Position</i>	<i>Monthly Pay Range</i>	<i>Effective Date</i>
Lopez, Moises	Community Services	Parks Services Worker I Flex	\$2,927 - \$3,573	June 21, 2021

## Full-Time Promotions

<i>Employee Name</i>	<i>Department</i>	<i>Position</i>	<i>Monthly Pay Range</i>	<i>Effective Date</i>
Kieffer, Logan	Police Department	Public Safety Dispatcher I Flex	\$4,068 - \$4,966	May 22, 2021
Perez, Ismael	Public Works	Associate Engineer	\$6,123 - \$7,475	June 5, 2021
Sitton, Kim	Administrative Services/Finance	Administrative Services Director	\$12,433 - \$15,178	April 14, 2021

## Retirements

<i>Employee Name</i>	<i>Department</i>	<i>Position</i>	<i>Years of Service</i>	<i>Last Day on Payroll</i>
Davis, Robert	Department of Water & Power	Water Operator III Flex	31 years	May 28, 2021

<i>Position</i>	<i>Department</i>	<i>Position Type</i>	<i>Status</i>
Police Officer I/II - Lateral	Police Department	Full Time	Accepting applications
Police Trainee	Police Department	Full Time	Department Review Stage
Public Safety Dispatcher I - PT	Police Department	Part Time	Interview Stage
Executive Assistant II	Public Works	Full Time	Interview Stage
Public Works Inspector II	Public Works	Full Time	Interview Stage

**FINANCIAL IMPACT:**

There is no cost impact associated with the acceptance of this report. The cost of the various personnel changes listed herein are reflected in the Adopted Fiscal Year 2020-2021 Budget for the departments listed in the report.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the common sense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. There is no possibility that the acceptance of this report will have a significant effect on the environment.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Community Services Department

**SUBJECT:**

Resolution Adopting the Updated Citywide Master Fee Recovery Schedule to Create a Simplified Convenience Fee Surcharge for Recreation Customer Transactions.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution will update the Citywide Master Fee Recovery Schedule for Recreation fees. The proposed fees reflect the total cost of recreation activities including the processing fees, rounded to the nearest whole dollar amount. This change will replace the unpopular "convenience fee," which is a third-party transaction fee that is charged in addition to the advertised program costs and set fees, with a simplified, all-inclusive advertised cost. This aligns with the Community Services Department objective to keep resident fees for activities, programs, and services at a minimum, while providing an optimal customer service experience.

**RECOMMENDED ACTION:**

**That the City Council:**

- a. Adopt Resolution No. 2021-055 to update the Citywide Master Fee Recovery Schedule.
- b. Incorporate the third-party software transaction fee into the advertised cost for all recreation programs rounded to the nearest whole dollar so no additional "convenience fees" are charged to program users effective August 1, 2021.
- c. Incorporate the third party-software transaction fee into the advertised cost for all facility use and rentals at total cost, effective August 1, 2021.

- d. Authorize an increase in General Fund estimated revenue in the amount of \$15,000, as a result of the amended fees.

**BACKGROUND & HISTORY:**

In January of 2019, as a cost savings to the City, a pass-through charge or "transaction fee" for the City's use of third-party merchant processing and fees for its Active Network service as its primary recreation software, was introduced. These fees are applied in addition to the City's advertised rates for programs and services. In 2020, the City switched from the Active Network to CivicRec to reduce costs and provide better service to the community following an extensive search for a better software solution. With the introduction of CivicRec, the City dropped a confusing "transaction fee" model that varied from 1.74% to 4.34% in favor of a simplified 3% flat rate percentage "convenience fee." This was intended to provide better customer services while opening more online, self-service, and phone-based operations. Based upon customer feedback, many have expressed frustrations with the unanticipated "convenience fee" being added to recreations fees at the end of the transaction, and customers would prefer that all costs be provided upfront prior to any transaction.

**ANALYSIS:**

As part of the Fiscal Year 2022 budget process, the Community Services Department saw an opportunity to reassess its fees as part of the City-Wide Master Fee Recovery Schedule. This is an opportune time to reestablish fees as part of the fiscal year and integrate the unpopular "convenience fee" to create an all-inclusive charge for advertised costs. Coming out of the pandemic, this is especially important for recreational programs and services when families have been faced with many challenges. Understanding that this has been a sore spot amongst many users, the Community Services Department seeks to lower barriers to programs and services. By doing away with overly complicated processes and the perception of hidden fees, it is anticipated that residents will have a more positive and engaging experience with the City.

**COMMITTEE ACTION:**

The Parks and Recreation Commission received this item at its regular meeting on May 11, 2021. The Commission was in favor of incorporating the convenience and recreation fees as part of the fee schedule, with the exception of any fee increases for athletic facilities used by youth leagues, which will be reassessed at a later time. The recommendation passed 4:1. Based upon this feedback, the Community Services Department determined it would be best to separate program fees from facility use until they could be reviewed by a consultant. The recommendation being brought forth to the Council reflects the recommendation of the Parks and Recreation Commission.

**FINANCIAL IMPACT:**

Staff have reviewed the City's recreation service fees and have made multiple recommendations to incorporate the 3% "convenience fee," where appropriate. These proposed fees are outlined in the Resolution No. 2021-055 updating the Citywide Master Fee Recovery Schedule (Exhibit 1). Any difference between the 3% rate and the rounding of the dollar goes to offset the operation of these programs. All facility use rates are only increased by 3% and are not rounded to a whole dollar amount. This will be evaluated through the use of a consultant and brought back to the Parks and

Recreation Commission and Council at a later time.

Approval of the recommended action may result in an estimated revenue increase of \$15,000 in the General Fund. The increased amount will vary depending on the third-party transaction cost and quantity of transactions. These increased funds that are generated will go back to the City's General Fund to pay the costs of the merchant fees and transaction fees associated with maintaining the service for the CivicRec software.

<b>GENERAL FUND</b>	
Adopted Budget - FY 2022 Estimated Revenue Over Expenditures	\$ 14,593,660

\* Approved through Council Action or other operational process.

#### **ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the common-sense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This action is for City Council to approve a Recreation fee schedule, which is already occurring in the City of Corona, and there is no possibility that approving this plan will have a significant effect on the environment. Therefore, no environmental analysis is required.

**PREPARED BY:** JASON LASS, COMMUNITY SERVICES MANAGER

**REVIEWED BY:** ANNE K. TURNER, COMMUNITY SERVICES DIRECTOR

1. Exhibit 1- Resolution No. 2021-055

## **RESOLUTION NO. 2021-055**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, UPDATING THE EXISTING CITYWIDE MASTER FEE RECOVERY SCHEDULE FOR MARKET-BASED RECREATION FEES**

**WHEREAS**, Corona Municipal Code Section 3.02.040 provides that the City Council shall adopt the fee and services schedule and percentage of cost recovery by resolution; and

**WHEREAS**, on November 20, 2018, the City Council adopted Resolution No. 2018-125 to update the fees set forth in the Citywide Master Fee Recovery Schedule other than all building related fees; and

**WHEREAS**, on September 4, 2019, the City Council adopted Resolution No. 2019-079 to update the building related fees and amend previously approved fees set forth in the Citywide Master Fee Recovery Schedule; and

**WHEREAS**, the City Council desires to update existing market-based Community Services Recreation established in this Resolution fees; and

**WHEREAS**, the fees adopted by this Resolution includes California Proposition 26 Article XII C Section 1(e) exemption categories.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

#### **SECTION 1. Adoption of Fees and Charges and Percentage of Cost Recovery.**

The Citywide Master Fee Recovery Schedule, adopted pursuant to Resolution No. 2018-125 and 2019-079, is hereby revised and updated to amend, and establish the fees and charges and the corresponding cost recovery percentages as set forth in Exhibit “A” attached hereto and incorporated herein by reference.

**SECTION 2. Updated Fees.** The City Council hereby adopts the Master Fee Recovery Schedule for market-based Recreation fees set forth in Exhibit “A” attached hereto and incorporated herein by reference. The Finance Director is hereby authorized to update the Master Fee Recover Schedule adopted by Resolution No. 2018-125 and Resolution No. 2019-079 to incorporate the updated fees set forth in Exhibit “A” attached hereto.

**SECTION 3. New Fees and Service Charges prior to adoption of next Fee Study.** The Finance Director is hereby authorized to establish and implement, with City Manager approval, new market-based fees and service charges for new programs or services that are not set forth in the Master Fee Recovery Schedule adopted by this Resolution. City staff will conduct a survey of local cities offering similar programs or services to ensure new fees are comparable to other agencies. Any fees or service charges adopted pursuant to the authority granted in this

Section will be included in the next biennial fee review.

**SECTION 4.** Effective Date of Fee Updates. The Mayor shall sign the Resolution and the City Clerk attest there to, and this Resolution shall take effect and be in force on August 1, 2021.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

---

Mayor of the City of Corona, California

**ATTEST:**

---

City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

## CITYWIDE MASTER FEE RECOVERY SCHEDULE

### MARKET BASED FEES

						7/7/2021		Recovery Level	
Prop 26 Exemption	Reference Number	Service Name	Fee Description	Prior Fee	Current Fee	PROPOSED FEE	Dollar Change		
Group I -		Nonprofit, Co-Sponsored Groups, School District, and City of Corona Functions / Programs							
Group II -		Resident Groups, Including Nonprofit, Civic, Religious, and Athletic Groups							
Group IIV -		"Everybody plays" Nonprofit Youth Sports Groups as defined in the Athletic Field Use and Allocation Policy							
Group III -		Resident Special Groups or skill-based nonprofit youth sports leagues as defined in the Athletic Field Use and Allocation Policy.							
Group IV -		Resident Private Groups, Profit Making Groups							
Group V -		Non-Resident							

1. The definitions for the above user groups, as well as applicable rules and regulations for the use of city facilities, are established and updated pursuant to City Administrative Policy No. 500.01 approved by the City Manager.
2. Lighting fees are based on actual hourly electrical rates. Hourly light rates are subject to change.
3. Group IIV, Aquatic groups or organizations, fees for the use of CNUSD swimming pools, according to the City's joint use agreements, will be \$40 per day for High School Pools as schedule permits.
4. A reservation application fee is due per "Application for Facility Use", \$10 for Groups II, IIV and \$25 for Groups III-V.
5. A refundable deposit will be required for some facility rentals as well as tournaments and special events using sports fields, turf areas and pools. This deposit is to ensure the facility is returned in its original condition (i.e., clean, with nothing broken or damaged) and the rental agreement guidelines are adhered to (i.e., group arrives/departs on time). The refundable deposit amount will be \$200 unless otherwise noted in the Fee Recovery Schedule. An increase in the deposit amount may be required given the nature of the event and at the Department's discretion.
6. For rentals at City parks, fields and facilities, any needed repairs, extra cleaning, or damages to the facilities will be charged the actual cost to bring the facility back to the condition prior to rental.

**REQUEST FOR CITY COUNCIL AND  
CORONA PUBLIC FINANCING AUTHORITY ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council members  
Corona Public Financing Authority

**FROM:** Finance Department

**SUBJECT:**

Resolution approving the City of Corona's Investment Policy; Resolutions updating the City's authorized officers' contact information for the Local Agency Investment Fund.

**EXECUTIVE SUMMARY:**

The City's Investment Policy requires annual review and adoption by Resolution. The Treasurer manages the City's portfolio consisting of short and long-term investments to ensure compliance with the City's Investment Policy. The Investment Policy is evaluated annually on substantive issues such as authorized investments, guidelines for managing the portfolio, applicable benchmarks, and performance standards. The City Treasurer, together with the City's investment advisor, Chandler Asset Management, recommended two changes (shown in Attachment A "Allowable Investments") in Fiscal Year 2022's Investment Policy to incorporate the passing of SB 998 on Jan 1, 2021. Both provisions have a sunset date of January 1, 2026:

1. Commercial Paper - increasing the allowable amount the portfolio can be invested in Commercial Paper to 40% from 25%.
2. Zero-Coupon Bond - permitting the investment in zero or negative interest securities backed by the United States Government.

The Treasury Committee concurs with the above recommendations. In addition, the Committee recommends updating the City's authorized officers' contact information for the Local Agency Investment Fund.

**RECOMMENDED ACTION:**

**That the:**

- a. City Council adopt Resolution No. 2021-056, approving the City of Corona's Investment Policy.
- b. City Council adopt Resolution No. 2021-057, updating the City's authorized officers' contact information for the Local Agency Investment Fund.
- c. Corona Public Financing Authority adopt Resolution No. 2021-058, updating the City's authorized officers' contact information for the Local Agency Investment Fund.

**BACKGROUND & HISTORY:**

***Investment Policy***

California Government Code Sections 53600 through 53659 defines the types of investments that municipal governments can include in their portfolio, limits on the level of these investments, and the oversight required for the portfolio. The City's Investment Policy establishes strategies, practices, and procedures which are used in the administration of the City's portfolio to ensure compliance with the laws and regulations governing the City's investments.

The City of Corona's Investment Policy is intended to provide guidelines for the prudent investment of the City's temporary inactive cash and outlines the policies for maximizing the efficiency of the City's cash management system. The goal of the City's Investment Policy is to meet the short- and long-term cash flow demands in a manner that will provide for the safety of principal and sufficient liquidity while providing a suitable investment return.

The City of Corona's Investment Policy has been assigned an Administrative Policy Number, which is No. 01200-602 and is evaluated and adopted annually. The Policy was last updated and adopted on June 17<sup>th</sup>, 2020.

***Local Agency Investment Fund***

The Local Agency Investment Fund (LAIF) was enacted by statute in 1977 as an investment alternative for California's local governments and special districts. The program acts as a local government investment pool. It offers agencies the opportunity to participate in a major investment portfolio, which invests \$153.4 billion as of May 31, 2021, using the expertise of the State Treasurer's Office professional investment staff at no additional cost to the taxpayer. The City utilizes LAIF for shorter-term investments to maintain the liquidity of the City's portfolio.

LAIF requires a resolution approved by the governing body of participating jurisdictions to establish authorized officers to execute documents related to investment transactions. The Finance Department staff monitors the daily LAIF activity and initiates transfers between LAIF, bank accounts, and investment accounts as appropriate. Establishing Finance Department staff with access to the LAIF system requires the approval of two authorizing officers. The resolutions will update the City's current contact information and add the City Manager as an authorized officer.

**ANALYSIS:**

The City of Corona, as with all local governments in California, maintains an investment portfolio to hold its inactive cash. The City's investments allow funds to earn a return while they are in a queue to be expended on City's projects and services, pursuant to the City's adopted budget. The current balance of the City's investment portfolio is approximately \$349.2 million. Through the City's contracted investment advisor, Chandler Asset Management, the City invests in a variety of instruments that provide a reliable yield over a duration of maturity between 3 months to 5 years to ensure that cash is available to meet the City's needs. Chandler Asset Management makes these investments according to the City's Investment Policy, with the oversight of the Treasury Committee, which is comprised of the City Manager, City Treasurer, Assistant City Manager, and Finance Director. The Investment Policy is a formal statement of objectives and constraints for the City's investment approach.

The City of Corona's Investment Policy is reviewed annually by the City Treasurer, Finance Department, and Chandler Asset Management, and adopted by the City Council pursuant to State law. Chandler Asset Management suggested the following changes to the City's Investment Policy:

In Attachment A - Allowable Investments:

1. Commercial Paper: including language from the passing of SB 998 increasing the allowable amount the portfolio can be invested in Commercial Paper to 40% from 25%. This provision will sunset on January 1, 2026.
2. Zero-Coupon Bonds: including language from the passing of SB 998 permitting the investment in zero or negative interest securities back by the United States Government. This provision will sunset on January 1, 2026.

The Treasury Committee concurs with the above recommendations from Chandler Asset Management. The only other change to the policy was an administrative change updating the title of the position "Administrative Services Director" to "Finance Director", referenced throughout the policy. In addition, the Committee recommends updating the City's authorized officers' contact information for the Local Agency Investment Fund and add the City Manager as an authorized officer. The Treasury Committee recommends no additional modifications to the City's Investment Policy for this year's annual review.

California Government Code 53600 et. seq. sets legal parameters around the degree of risk any municipal treasury can take in its investments. These parameters ensure that public investments are sufficiently diversified, of high quality, and have terms of length that enable the treasury to maintain liquidity and protect against longer-term shifts in the market. Historically, the City of Corona's Investment Policy has been more conservative than the California Government Code in terms of the requirement of credit rating and limiting the percentage of funds that are invested into variable-rate assets. This approach has yielded returns that are higher than the industry benchmark yet remain safe and liquid enough to meet the City's financial needs. Investment strategies are utilized to adjust the balance between cash and investments continuously to improve the overall return on investment.

As of March 31, 2021, the average market yield of the City's portfolio was 0.45%, which was 0.12% above the benchmark Bank of America Merrill Lynch 1-5 year US Treasury/Agency Index. The

Treasury Committee believes that the current Investment Policy is prudent and will continue to meet or exceed this benchmark, thereby, ensuring that funds remain available to support the City's cash flow needs to deliver City services expected by the public.

Monthly investment reports are filed with the City Council and posted on the City's website for the public, to provide a clear picture of the status and performance of the current investments.

**FINANCIAL IMPACT:**

The Investment Policy is presented for review and approval. There is no fiscal impact from the approval of the recommended actions.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely adopts the resolutions approving the City's Investment Policy for Fiscal Year 2022, and there is no possibility that adopting the resolutions approving the Policy will have a significant effect on the environment.

**RESOLUTION NO. 2021-056**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY  
OF CORONA, CALIFORNIA, APPROVING THE CITY OF  
CORONA'S INVESTMENT POLICY**

**WHEREAS**, the City Council of the City of Corona has considered a document entitled "City of Corona's Investment Policy" which outlines the policy enacted to provide guidelines for the prudent investment of inactive cash for all funds in the investment portfolio as well as guidelines for maximizing the efficiency of the cash management system for the City, the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority; and

**WHEREAS**, the "City of Corona's Investment Policy" has also been administratively assigned City Administrative Policy No. 01200-602; and

**WHEREAS**, the "City of Corona's Investment Policy" provides for a creation of a Treasury Committee comprised of the City Treasurer, City Manager, Assistant City Manager and Finance Director; and

**WHEREAS**, at the direction of the City Treasurer, the City of Corona's Investment Policy shall be reviewed annually to reflect changes in the California state codes, general market conditions or to provide further clarification of the City's policy; and

**WHEREAS**, the Finance Director has recommended to the City Council that the "City of Corona's Investment Policy" be approved and established as the policy of the City, the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority and such other entities as may be established for cash management; and

**WHEREAS**, the City Council has determined that the "City of Corona's Investment Policy" be approved and established as recommended by the Finance Director.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA** that the "City of Corona's Investment Policy," as presented to the City Council at the meeting in which this Resolution is adopted, is hereby approved and established as the policy of the City with respect to investments.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

## **INVESTMENT POLICY**

### **I. PURPOSE**

This document is intended to provide guidelines for the prudent investment of the City's temporary inactive cash and outline the policies for maximizing the efficiency of the City's cash management system. The goal of the City's Investment Policy (the "Policy") is to meet the short and long-term cash flow demands in a manner which will provide for the safety of principal and sufficient liquidity, while providing a suitable investment return.

The Policy shall be adopted annually by resolution of the City Council. The Policy shall be reviewed annually by both the Treasury Committee and the City Council and any modifications made thereto must be approved.

The Policy is in conformance with the California Government Code Sections 53600 et seq. However, to meet the City's needs, the investment parameters set forth in the Policy are more conservative than those allowed by state law.

### **II. SCOPE**

The Policy shall direct the investment of the City's temporarily inactive cash for all funds in the investment portfolio. These funds are accounted for in the City of Corona Comprehensive Annual Financial Report under the following fund types:

- Governmental Funds
- Proprietary Funds
- Fiduciary Funds

The Policy shall also direct all investments related to the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority. The Policy will not direct the investment of funds held for employees in deferred compensation plans. Additionally, the Policy will not direct the investment of bond proceeds, which are specifically governed by the individual bond documents and trust indentures.

### **III. PRUDENCE**

The standard of prudence to be used by the investment official shall be the "prudent investor standard" as set forth in California Government Code Section 53600.3 and shall be applied in the context of managing the overall portfolio.

The City Treasurer will be responsible for maintaining and updating investment policies and procedures. The intent of the procedures will be to ensure that the

investment objectives and safeguards stated in this Policy are effectively communicated to all officials involved in the investment of public funds and that they properly reflect the intent of the “Prudent Investor” rule. The procedures will be maintained on file with the City Treasurer and the Finance Director.

#### IV. ETHICS AND CONFLICT OF INTEREST

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Employees and investment officials shall comply with the disclosure and disqualification requirements required by state law and any applicable regulations, including those adopted by the Fair Political Practices Commission, or FPPC. In addition, the FPPC’s Statement of Economic Interests (Form 700) shall be completed annually and submitted to the City Clerk for all individuals involved in the investment of public funds.

#### V. INVESTMENT SELECTION CRITERIA

Criteria for selecting investments and the order of priority are:

1. **Safety.** The safety and risk associated with an investment refers to the potential loss of principal, interest or a combination of these amounts. Safety of principal is the foremost objective of the investment program. City investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The City shall select only those investments that are considered very safe. The City shall not engage in speculation. The City shall diversify its investments by investing funds among a variety of securities and financial institutions offering independent returns.
2. **Liquidity.** Liquidity is the ability to change an investment into its cash equivalent on short notice at its prevailing market value. The funds in the City’s portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrently with cash needs to meet anticipated demands. Furthermore, since all possible cash demands cannot be anticipated, the portfolio will maintain a liquidity buffer and invest primarily in securities with active secondary and resale markets.
3. **Yield.** Yield is the potential dollar earnings that an investment can provide; it is also referred to as the rate of return. The City’s portfolio shall be designed to attain a return on investments through economic cycles, taking into account investment risk constraints and liquidity needs. Return on

investment is of least importance compared to the safety and liquidity objectives.

## **VI. TREASURY COMMITTEE**

The Policy provides for the creation of a Treasury Committee (Committee). The Committee is composed of the City Treasurer, City Manager, Assistant City Manager and Finance Director.

The Committee shall be responsible for the following:

1. Review of financial institutions.
2. Review of investment strategy.
3. Review of investment operations guidelines and procedures.
4. Review of controls to assure compliance with the State law and the City's Policy.
5. Recommendation and approval of investment brokers, dealers, advisors and managers.
6. Review of investment reports and other related issues with the City Council on an as-needed basis.
7. Recommending modifications to the list of permitted investments.

## **VII. INVESTMENT RESPONSIBILITY**

In accordance with the State of California Government Code section 53607, the City Council delegates investment authority to the City Treasurer for a period of one year and such investment authority must be renewed annually. Adoption of this Policy constitutes delegation of investment authority to the City Treasurer for the fiscal year unless revoked in writing.

Within the constraints set forth in the Policy, the City Treasurer has the authority to direct investment strategy and approve investment transactions for the City's investment portfolio.

The City Treasurer appoints the Finance Director as Deputy City Treasurer and authorizes the Finance Director to act on his/her behalf in performing the powers and duties of the office as needed, and to specifically take responsibility for the implementation and supervision of investment controls and operations.

The Finance Director, or his/her designee, is responsible for the following:

1. Approving daily investment transactions.
2. Developing projections of the City's cash requirements for operating needs.
3. Reviewing the liquidity position of the investment portfolio.

4. Ensuring that the City's cash position is consistent with operating requirements.
5. Preparing appropriate investment reports.
6. Developing, implementing and monitoring controls over investments.
7. Record keeping for investment transactions.

### ***Delegation of Authority***

The City may engage the services of one or more external investment management advisors to assist in the management of the City's investment portfolio in a manner consistent with the City's objectives. Such advisors may be granted discretion to purchase and sell investment securities in accordance with the Policy. Such managers must be registered under the Investment Advisers Act of 1940. All broker/dealers selected by an external advisor must comply with the requirements of California Government Code Section 53601.5.

## **VIII. ALLOWABLE INVESTMENTS**

Allowable investments for the City are listed in the matrix provided herein as Attachment A. The list is intended to ensure that the investment portfolio is properly diversified so that no single category of investment is over weighted or poses a disproportionate credit risk to the City. It should be noted that any newly developed derivative of an allowable investment that is not specifically mentioned in the Policy must be recommended by the City Treasurer for inclusion in the Policy. Any amendments to the list of allowable investments must be submitted to the City Council, via the Treasury Committee, for review and approval.

Any prior investment currently held by the City that does not meet the guidelines of this policy shall be exempt from the requirements of the Policy. At maturity or liquidation, such funds shall be reinvested as provided by the Policy.

Should an investment's percentage exceeded the Policy limitation due to an incident such as fluctuation in portfolio size, the affected securities may be held to maturity to avoid losses. When no loss is indicated, the Treasurer shall consider reconstructing the portfolio within the Policy established percentage limits.

All purchases and sales of securities will require a minimum of three quotes when practical. The three-quote rule will be waived for the following transactions:

1. Purchase and sale of new issues of federal agency securities that are still in syndicate.
2. Purchase and sale of US treasury bills or notes in amounts of \$5 million or less.

3. Purchase and sale of short-term money market securities (i.e. commercial paper, banker's acceptances, repurchase agreements, discount notes, treasury bills) that have a final maturity of less than 30 days from settlement date.
4. Proprietary reasons, where only one broker is authorized to make or accept offers.

Repurchase agreements may be used as short-term investment vehicles when economic conditions and alternative short-term investments make it favorable to invest in repurchase agreements. Prior to the investment of any public funds in a repurchase agreement, a Master Repurchase Agreement must be properly executed and countersigned by the financial institution that is a party to the agreement. The Master Repurchase Agreement will be the format prescribed by the Bond Market Association.

Investment of bond proceeds held by fiscal agents will be made in accordance with California Government Code Section 53601 (m), which states that money from bond proceeds should be invested as specified by bond documents. In most cases, these investments will be made under the same guidelines as other City investments.

## **IX. INVESTMENT POOLS / MUTUAL FUNDS**

A thorough investigation of the pool/fund is required prior to investing public funds in any local agency investment pool or mutual fund. The investment of any public funds must comply with the rules set forth in the California Government Code Section 53601.

## **X. SELECTION OF FINANCIAL INSTITUTIONS**

Only institutions that demonstrate financial strength may be selected to provide fiscal agent and/or external investment management or advisory services. They shall be selected using the following criteria: financial strength, reputation, technical investment expertise, security controls and ability to conform to the City and State mandated investment parameters.

Purchases and sales of investments shall, whenever practical, be made directly from the issuer, from a member of a federally regulated securities exchange, from a national or state-chartered bank, or from a qualified broker/dealer.

Primary dealers registered with the Federal Reserve Bank of New York should be used for broker/dealer securities transactions. Exceptions to the primary dealer rule may be made with approval of the Treasury Committee provided they are consistent with the California Government Code Section 53601.5.

A copy of the Policy shall be submitted to all broker/dealers, investment management advisors, fiscal agents and financial institutions with which the City places investments.

The City shall obtain a certification evidencing that they:

1. Have reviewed the City's investment policies and objectives.
2. Are familiar with the City's investment constraints.
3. Have complied with the provisions contained in the Policy.

## **XI. SAFEKEEPING AND CUSTODY**

To protect against fraud, embezzlement, or losses caused by insolvency of individual securities dealers, all securities owned by the City shall be held in safekeeping by the City's custodial bank, a third party bank trust account, acting as agent for the City under the terms of a custody agreement.

Except for federally insured Certificates of Deposit, money market funds or the Local Agency Investment Fund (LAIF), all investments evidenced by physical or book-entry securities shall be secured through third-party custody and the following safekeeping procedures:

1. All transactions described above shall be executed on a delivery versus payment basis.
2. The custodian shall hold assets until the investments mature or the custodial bank receives a request from the City to sell or transfer the securities.
3. Bearer instruments shall be held only through third-party institutions.

## **XII. COLLATERALIZATION**

**Certificates of Deposit** - The City shall require any commercial bank or savings and loan association to deposit eligible securities with an agency of a depository approved by the State Banking Department to secure any uninsured portion of a non-negotiable Certificate of Deposit. The value of eligible securities as defined pursuant to Government Code Section 53651, pledged against a Certificate of Deposit shall be equal to 150% of the face value of the CD if the securities are classified as mortgages and 110% of the face value of the CD for all other classes of security.

**Repurchase Agreements** - The City requires that repurchase agreements be collateralized only by securities authorized in this Policy:

1. The securities which collateralize the repurchase agreement shall be priced at market value, including any accrued interest plus a margin. The market value of the securities that underlie a repurchase agreement shall be valued at 102% or greater of the funds borrowed against those securities.
2. Financial institutions shall mark the value of the collateral to market at least monthly and increase or decrease the collateral to satisfy the ratio requirement described above.
3. The City shall receive monthly statements of collateral.

### **XIII. MATURITY**

The City shall not make any investments in instruments with a stated remaining maturity that exceeds five years at the time of purchase.

The maturity of investment instruments in the portfolio shall be consistent with projected cash requirements.

It is the City's intent, at the time of purchase, to hold the majority of investments until maturity to ensure the return of all invested principal dollars. However, it is realized that market prices of securities will vary depending on economic and interest rate conditions at any point in time. As a result, the City may choose to sell a security short of final maturity to realize a capital gain if it is to the City's economic advantage to do so. It is further recognized, that in a well-diversified portfolio, occasional measured losses are inevitable due to economic, bond market or individual security credit analysis. These occasional losses must be considered within the context of the overall investment program objectives and the resultant long-term rate of return.

### **XIV. LIQUIDITY**

In maintaining sufficient liquidity in the City's portfolio, maturities shall be selected to mature prior to or match the timing of the City's projected cash flow needs. It is intended that a liquidity base equal to forecasted cash flow needs for six months should be maintained. Additionally, the marketability of a security shall be important criteria in selecting an investment.

### **XV. DIVERSIFICATION**

The City will diversify its investments by security type, institution, and maturity date.

### **Mitigating Credit Risk in the Portfolio**

Credit Risk is the risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The City shall mitigate credit risk by adopting the following strategies:

1. The diversification requirements included in this section are designed to mitigate credit risk in the portfolio.
2. No more than 5% of the total portfolio may be invested in securities of any single issuer, other than the US government, its agencies and instrumentalities, money market mutual funds and LAIF.
3. The City may elect to sell a security prior to its maturity and record a capital gain or loss in order to improve the quality, liquidity or yield of the portfolio in response to market conditions or the City's risk preferences.
4. If securities owned by the City are downgraded by a Nationally Recognized Statistical Rating Organization (NRSRO) to a level below the quality required by this Policy, it shall be the City's policy to review the credit situation and make a determination as to whether to sell or retain such securities in the portfolio. Moody's, Standard and Poor's, and Fitch are currently used as the NRSRO.
  - a. If a security is downgraded below the level required by the Policy, the City Treasurer will use discretion in determining whether to sell or hold the security based on its current maturity, the loss in value, the economic outlook for the issuer, and other relevant factors.
  - b. If a decision is made to retain a downgraded security in the portfolio, its presence in the portfolio will be monitored and reported monthly to the City Council.

## **XVI. REPORTING**

The City Treasurer shall file a monthly investment report with the City Council which provides a clear picture of the status of current investments. The investment report may include comments on the fixed income markets and economic conditions, discussions regarding restrictions on percentages of investments by category, possible changes in the portfolio structure and significant changes to investment strategies. The monthly investment report filed with the City Council will contain the following:

1. Percentages of the portfolio represented by each investment category.
2. An investment inventory including types and amounts of investments, issuing financial institutions and maturities.
3. A list of all investment transactions that occurred during the reporting month.
4. Investments or programs under the management of contracted parties.
5. Average maturity of the portfolio.

6. Average total yield to maturity of the portfolio relative to the prescribed benchmarks.
7. Current market value of investments with maturities of more than 12 months.
8. A statement denoting that the investment portfolio has sufficient liquidity to meet the City's anticipated expenditure requirements for the upcoming six months.
9. Percent of portfolio invested by type of instrument.
10. Written explanations for any variances to the Policy.

## **XVII. INTERNAL CONTROLS**

Internal controls shall be established and maintained to prevent losses of public funds arising from fraud, employee error, and misrepresentation by third parties, or imprudent actions by employees and officers of the City.

Controls deemed most important include: segregation of duties, separation of transaction authority from accounting and record keeping, custodial safekeeping, clear delegation of authority, specific limitations regarding securities losses and remedial action, control over wire transfers, minimizing the number of authorized investment officials and documentation of transactions and strategies.

The City Treasurer shall establish an annual process of independent review by an external auditor. This review will provide internal control by assuring compliance with the policies and procedures set forth in this document.

## **XVIII. PERFORMANCE STANDARDS**

The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs.

The investment performance objective for the portfolio shall be to earn a total rate of return over a market cycle which is approximately equal to the return on a benchmark index of one to five- year government securities.

## **XIX. INVESTMENT POLICY ADOPTION**

At the direction of the City Treasurer, the City's Investment Policy shall be reviewed annually, to reflect changes in the California state codes, general market conditions or to provide further clarification of the City's policy. The Policy shall be formally presented to the City Council for approval at a public meeting. Any change in the Policy shall also be approved at a public meeting by the City Council.

## GLOSSARY OF TERMS

**Accrued Interest** - Interest earned but not yet received.

**Asset Backed Securities** – Securities supported by pools of installment loans or leases or by pools of revolving lines of credit.

**Banker's Acceptance (BA)** - A draft or bill or exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

**Bond** - A financial obligation for which an issuer promises to pay the bondholder a specified stream of future cash flows, including periodic interest payments and a principal repayment.

**Broker** - A broker brings buyers and sellers together for a commission. The broker does not take a position.

**Certificate of Deposit** - A deposit insured up to \$100,000 by the FDIC at a set rate for a specified period of time.

**Collateral** - Securities, evidence of deposit or pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposit of public funds.

**Collateralized Mortgage Obligation (CMO)** – classes of bonds that redistribute the cash flow of mortgage securities (and whole loans) to create securities that have different levels of prepayment risk, as compared to the underlying mortgage securities.

**Commercial Paper** – A short-term, unsecured promissory note issued by a large corporation.

**Coupon** - a) The annual rate of interest that a bond's issuer promises to pay the bond holder on the bond's face value. b) A certificate attached to a Bond evidencing interest due on the payment date.

**Dealer** - A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his own account.

**Delivery Versus Payment** - There are two methods of delivery of securities: delivery versus payment and delivery versus receipt. Delivery versus payment is the delivery of securities with an exchange of money for the securities. Delivery versus receipt is the delivery of securities with an exchange of a signed receipt for the securities.

**Discount** - The difference between the cost price of a security and its maturity when quoted at a lower than face value. A security selling below original offering price shortly after sale also is considered to be at a discount.

**Discount Notes** - Non-interest bearing money market instruments that are issued at a Discount and redeemed at maturity for full face value (e.g., U.S. treasury bills).

**Diversified Management Companies** – Mutual funds or money market mutual funds registered with the Securities and Exchange Commission pursuant California Government Code Section 53601(k).

**Federal Reserve System** - The central bank of the United States created by Congress and consisting of a seven member-board of governors in Washington, D.C., 12 regional banks and about 5,700 commercial banks are members of the system.

**IADB** – Inter-American Development Bank, one of the three Washington, D.C. based Supranational issuers.

**IBRD** – International Bank for Reconstruction and Development, one of the three Washington, D.C. based Supranational issuers.

**IFC** – International Finance Corporation, one of the three Washington, D.C. based Supranational issuers.

**Liquidity** - A liquid asset is one that can be converted easily and rapidly to cash without a substantial loss of value.

**Local Government Investment Pool** - The aggregate of all funds from political subdivisions that are placed in the custody of the State Treasurer for investment and reinvestment. (i.e. Local Agency Investment Fund or LAIF).

**Market Value** - The price at which a security is trading and could presumably be purchased or sold.

**Maturity** - The date upon which the principal or stated value of an investment becomes due and payable.

**Medium Term Notes** – All corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States.

**Mortgage-Backed Pass-Through Securities** - A securitized participation in the interest and principal cash flows from a specified pool of mortgages. Principal and interest payments made on the mortgages are passed through to the holder of the security.

**New Issue** - Term used when a security is originally "brought" to the market.

**Offering Price** - The price asked by a seller of securities. (When you are buying securities, you ask for an offer.) See "Asked" and "Bid".

**Portfolio** - Collection of securities held by an investor.

**Primary Dealer** - A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include SEC-registered securities broker/dealers, banks and a few unregulated firms.

**Rate of Return** - The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond or the current income return.

**Repurchase Agreement (REPO)** - A transaction where the seller (bank) agrees to buy back from the buyer (City) the securities at an agreed upon price after a stated period of time. The buyer in effect lends the seller money for the period of the agreement, and the terms of the agreement are structured to compensate the buyer for this.

**Reverse Repurchase Agreement** – An agreement to sell securities in return for cash with an agreement to repurchase the securities at an agreed upon price.

**Risk** - Degree of uncertainty of return on an asset.

**Safekeeping** - A service to customers rendered by banks, for a fee, whereby securities and valuables of all types and descriptions are held in the bank vaults for protection.

**Securities and Exchange Commission (SEC)** – An agency created by Congress to protect investors in securities transactions by administering securities legislation.

**Supranational** – A Supranational is a multi-national organization whereby member states transcend national boundaries or interests to share in the decision making to promote economic development in the member countries.

**Treasury Bills** - U.S. treasury bills are short-term, direct obligations of the U.S. government issued with original maturities of 13 weeks and 52 weeks in book form only.

**Treasury Notes** - Intermediate-term Coupon bearing U.S. securities having maturities from one year to ten years.

**Yield** - The rate of annual income return on an investment, expressed as a percentage. It is obtained by dividing the current dollar income by the current market price of the security.

**Yield to Maturity** - The rate of income return on an investment, minus any premium above par or plus any discount from par in purchase price, with the adjustment spread over the period from the date of the purchase to the date of maturity of the bond.

**Zero Coupon Bond** – A bond on which interest is not payable until maturity (or earlier redemption), but compounds periodically to accumulate to a stated maturity amount.

**Attachment B – Sample Resolution Approving the Investment Policy**

**RESOLUTION NO. 2021-056**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY  
OF CORONA, CALIFORNIA, APPROVING THE CITY OF  
CORONA’S INVESTMENT POLICY**

**WHEREAS**, the City Council of the City of Corona has considered a document entitled “City of Corona’s Investment Policy” which outlines the policy enacted to provide guidelines for the prudent investment of inactive cash for all funds in the investment portfolio as well as guidelines for maximizing the efficiency of the cash management system for the City, the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority; and

**WHEREAS**, the “City of Corona’s Investment Policy” has also been administratively assigned City Administrative Policy No. 01200-602; and

**WHEREAS**, the “City of Corona’s Investment Policy” provides for a creation of a Treasury Committee comprised of the City Treasurer, City Manager, Assistant City Manager and Finance Director; and

**WHEREAS**, at the direction of the City Treasurer, the City of Corona’s Investment Policy shall be reviewed annually to reflect changes in the California state codes, general market conditions or to provide further clarification of the City’s policy; and

**WHEREAS**, the Finance Director has recommended to the City Council that the “City of Corona’s Investment Policy” be approved and established as the policy of the City, the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority and such other entities as may be established for cash management; and

**WHEREAS**, the City Council has determined that the “City of Corona’s Investment Policy” be approved and established as recommended by the Finance Director.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA** that the “City of Corona’s Investment Policy,” as presented to the City Council at the meeting in which this Resolution is adopted, is hereby approved and established as the policy of the City with respect to investments.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly introduced and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021, by the following vote of the Council:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California this 7th day of July, 2021.

## **INVESTMENT POLICY**

### **I. PURPOSE**

This document is intended to provide guidelines for the prudent investment of the City's temporary inactive cash and outline the policies for maximizing the efficiency of the City's cash management system. The goal of the City's Investment Policy (the "Policy") is to meet the short and long-term cash flow demands in a manner which will provide for the safety of principal and sufficient liquidity, while providing a suitable investment return.

The Policy shall be adopted annually by resolution of the City Council. The Policy shall be reviewed annually by both the Treasury Committee and the City Council and any modifications made thereto must be approved.

The Policy is in conformance with the California Government Code Sections 53600 et seq. However, to meet the City's needs, the investment parameters set forth in the Policy are more conservative than those allowed by state law.

### **II. SCOPE**

The Policy shall direct the investment of the City's temporarily inactive cash for all funds in the investment portfolio. These funds are accounted for in the City of Corona Comprehensive Annual Financial Report under the following fund types:

- Governmental Funds
- Proprietary Funds
- Fiduciary Funds

The Policy shall also direct all investments related to the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority. The Policy will not direct the investment of funds held for employees in deferred compensation plans. Additionally, the Policy will not direct the investment of bond proceeds, which are specifically governed by the individual bond documents and trust indentures.

### **III. PRUDENCE**

The standard of prudence to be used by the investment official shall be the "prudent investor standard" as set forth in California Government Code Section 53600.3 and shall be applied in the context of managing the overall portfolio.

The City Treasurer will be responsible for maintaining and updating investment policies and procedures. The intent of the procedures will be to ensure that the investment objectives and safeguards stated in this Policy are effectively communicated to all officials involved in the investment of public funds and that they properly reflect the intent of the "Prudent Investor" rule. The procedures will be maintained on file with the City Treasurer and the ~~Administrative Services~~ Finance Director.

#### IV. ETHICS AND CONFLICT OF INTEREST

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Employees and investment officials shall comply with the disclosure and disqualification requirements required by state law and any applicable regulations, including those adopted by the Fair Political Practices Commission, or FPPC. In addition, the FPPC's Statement of Economic Interests (Form 700) shall be completed annually and submitted to the City Clerk for all individuals involved in the investment of public funds.

#### V. INVESTMENT SELECTION CRITERIA

Criteria for selecting investments and the order of priority are:

1. **Safety.** The safety and risk associated with an investment refers to the potential loss of principal, interest or a combination of these amounts. Safety of principal is the foremost objective of the investment program. City investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The City shall select only those investments that are considered very safe. The City shall not engage in speculation. The City shall diversify its investments by investing funds among a variety of securities and financial institutions offering independent returns.
2. **Liquidity.** Liquidity is the ability to change an investment into its cash equivalent on short notice at its prevailing market value. The funds in the City's portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrently with cash needs to meet anticipated demands. Furthermore, since all possible cash demands cannot be anticipated, the portfolio will maintain a liquidity buffer and invest primarily in securities with active secondary and resale markets.

3. **Yield.** Yield is the potential dollar earnings that an investment can provide; it is also referred to as the rate of return. The City's portfolio shall be designed to attain a return on investments through economic cycles, taking into account investment risk constraints and liquidity needs. Return on investment is of least importance compared to the safety and liquidity objectives.

## VI. TREASURY COMMITTEE

The Policy provides for the creation of a Treasury Committee (Committee). The Committee is composed of the City Treasurer, City Manager, Assistant City Manager and ~~Finance Administrative Services~~ Director.

The Committee shall be responsible for the following:

1. Review of financial institutions.
2. Review of investment strategy.
3. Review of investment operations guidelines and procedures.
4. Review of controls to assure compliance with the State law and the City's Policy.
5. Recommendation and approval of investment brokers, dealers, advisors and managers.
6. Review of investment reports and other related issues with the City Council on an as-needed basis.
7. Recommending modifications to the list of permitted investments.

## VII. INVESTMENT RESPONSIBILITY

In accordance with the State of California Government Code section 53607, the City Council delegates investment authority to the City Treasurer for a period of one year and such investment authority must be renewed annually. Adoption of this Policy constitutes delegation of investment authority to the City Treasurer for the fiscal year unless revoked in writing.

Within the constraints set forth in the Policy, the City Treasurer has the authority to direct investment strategy and approve investment transactions for the City's investment portfolio.

The City Treasurer appoints the ~~Finance Administrative Services~~ Director as Deputy City Treasurer and authorizes the ~~Finance Administrative Services~~ Director to act on his/her behalf in performing the powers and duties of the office as needed, and to specifically take responsibility for the implementation and supervision of investment controls and operations.

The ~~Finance~~~~Administrative Services~~ Director, or his/her designee, is responsible for the following:

1. Approving daily investment transactions.
2. Developing projections of the City's cash requirements for operating needs.
3. Reviewing the liquidity position of the investment portfolio.
4. Ensuring that the City's cash position is consistent with operating requirements.
5. Preparing appropriate investment reports.
6. Developing, implementing and monitoring controls over investments.
7. Record keeping for investment transactions.

#### ***Delegation of Authority***

The City may engage the services of one or more external investment management advisors to assist in the management of the City's investment portfolio in a manner consistent with the City's objectives. Such advisors may be granted discretion to purchase and sell investment securities in accordance with the Policy. Such managers must be registered under the Investment Advisers Act of 1940. All broker/dealers selected by an external advisor must comply with the requirements of California Government Code Section 53601.5.

### **VIII. ALLOWABLE INVESTMENTS**

Allowable investments for the City are listed in the matrix provided herein as Attachment A. The list is intended to ensure that the investment portfolio is properly diversified so that no single category of investment is over weighted or poses a disproportionate credit risk to the City. It should be noted that any newly developed derivative of an allowable investment that is not specifically mentioned in the Policy must be recommended by the City Treasurer for inclusion in the Policy. Any amendments to the list of allowable investments must be submitted to the City Council, via the Treasury Committee, for review and approval.

Any prior investment currently held by the City that does not meet the guidelines of this policy shall be exempt from the requirements of the Policy. At maturity or liquidation, such funds shall be reinvested as provided by the Policy.

Should an investment's percentage exceeded the Policy limitation due to an incident such as fluctuation in portfolio size, the affected securities may be held to maturity to avoid losses. When no loss is indicated, the Treasurer shall consider reconstructing the portfolio within the Policy established percentage limits.

All purchases and sales of securities will require a minimum of three quotes when practical. The three-quote rule will be waived for the following transactions:

1. Purchase and sale of new issues of federal agency securities that are still in syndicate.
2. Purchase and sale of US treasury bills or notes in amounts of \$5 million or less.
3. Purchase and sale of short-term money market securities (i.e. commercial paper, banker's acceptances, repurchase agreements, discount notes, treasury bills) that have a final maturity of less than 30 days from settlement date.
4. Proprietary reasons, where only one broker is authorized to make or accept offers.

Repurchase agreements may be used as short-term investment vehicles when economic conditions and alternative short-term investments make it favorable to invest in repurchase agreements. Prior to the investment of any public funds in a repurchase agreement, a Master Repurchase Agreement must be properly executed and countersigned by the financial institution that is a party to the agreement. The Master Repurchase Agreement will be the format prescribed by the Bond Market Association.

Investment of bond proceeds held by fiscal agents will be made in accordance with California Government Code Section 53601 (m), which states that money from bond proceeds should be invested as specified by bond documents. In most cases, these investments will be made under the same guidelines as other City investments.

#### **IX. INVESTMENT POOLS / MUTUAL FUNDS**

A thorough investigation of the pool/fund is required prior to investing public funds in any local agency investment pool or mutual fund. The investment of any public funds must comply with the rules set forth in the California Government Code Section 53601.

#### **X. SELECTION OF FINANCIAL INSTITUTIONS**

Only institutions that demonstrate financial strength may be selected to provide fiscal agent and/or external investment management or advisory services. They shall be selected using the following criteria: financial strength, reputation, technical investment expertise, security controls and ability to conform to the City and State mandated investment parameters.

Purchases and sales of investments shall, whenever practical, be made directly from the issuer, from a member of a federally regulated securities exchange, from a national or state-chartered bank, or from a qualified broker/dealer.

Primary dealers registered with the Federal Reserve Bank of New York should be used for broker/dealer securities transactions. Exceptions to the primary dealer rule may be made with approval of the Treasury Committee provided they are consistent with the California Government Code Section 53601.5.

A copy of the Policy shall be submitted to all broker/dealers, investment management advisors, fiscal agents and financial institutions with which the City places investments.

The City shall obtain a certification evidencing that they:

1. Have reviewed the City's investment policies and objectives.
2. Are familiar with the City's investment constraints.
3. Have complied with the provisions contained in the Policy.

#### **XI. SAFEKEEPING AND CUSTODY**

To protect against fraud, embezzlement, or losses caused by insolvency of individual securities dealers, all securities owned by the City shall be held in safekeeping by the City's custodial bank, a third party bank trust account, acting as agent for the City under the terms of a custody agreement.

Except for federally insured Certificates of Deposit, money market funds or the Local Agency Investment Fund (LAIF), all investments evidenced by physical or book-entry securities shall be secured through third-party custody and the following safekeeping procedures:

1. All transactions described above shall be executed on a delivery versus payment basis.
2. The custodian shall hold assets until the investments mature or the custodial bank receives a request from the City to sell or transfer the securities.
3. Bearer instruments shall be held only through third-party institutions.

#### **XII. COLLATERALIZATION**

Certificates of Deposit - The City shall require any commercial bank or savings and loan association to deposit eligible securities with an agency of a depository approved by the State Banking Department to secure any uninsured portion of a non-negotiable Certificate of Deposit. The value of eligible securities as defined pursuant to Government Code Section 53651, pledged against a Certificate of Deposit shall be equal to 150% of the face value of the CD if the securities are

classified as mortgages and 110% of the face value of the CD for all other classes of security.

Repurchase Agreements - The City requires that repurchase agreements be collateralized only by securities authorized in this Policy:

1. The securities which collateralize the repurchase agreement shall be priced at market value, including any accrued interest plus a margin. The market value of the securities that underlie a repurchase agreement shall be valued at 102% or greater of the funds borrowed against those securities.
2. Financial institutions shall mark the value of the collateral to market at least monthly and increase or decrease the collateral to satisfy the ratio requirement described above.
3. The City shall receive monthly statements of collateral.

### **XIII. MATURITY**

The City shall not make any investments in instruments with a stated remaining maturity that exceeds five years at the time of purchase.

The maturity of investment instruments in the portfolio shall be consistent with projected cash requirements.

It is the City's intent, at the time of purchase, to hold the majority of investments until maturity to ensure the return of all invested principal dollars. However, it is realized that market prices of securities will vary depending on economic and interest rate conditions at any point in time. As a result, the City may choose to sell a security short of final maturity to realize a capital gain if it is to the City's economic advantage to do so. It is further recognized, that in a well-diversified portfolio, occasional measured losses are inevitable due to economic, bond market or individual security credit analysis. These occasional losses must be considered within the context of the overall investment program objectives and the resultant long-term rate of return.

### **XIV. LIQUIDITY**

In maintaining sufficient liquidity in the City's portfolio, maturities shall be selected to mature prior to or match the timing of the City's projected cash flow needs. It is intended that a liquidity base equal to forecasted cash flow needs for six months should be maintained. Additionally, the marketability of a security shall be important criteria in selecting an investment.

### **XV. DIVERSIFICATION**

The City will diversify its investments by security type, institution, and maturity date.

#### ***Mitigating Credit Risk in the Portfolio***

Credit Risk is the risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The City shall mitigate credit risk by adopting the following strategies:

1. The diversification requirements included in this section are designed to mitigate credit risk in the portfolio.
2. No more than 5% of the total portfolio may be invested in securities of any single issuer, other than the US government, its agencies and instrumentalities, money market mutual funds and LAIF.
3. The City may elect to sell a security prior to its maturity and record a capital gain or loss in order to improve the quality, liquidity or yield of the portfolio in response to market conditions or the City's risk preferences.
4. If securities owned by the City are downgraded by a Nationally Recognized Statistical Rating Organization (NRSRO) to a level below the quality required by this Policy, it shall be the City's policy to review the credit situation and make a determination as to whether to sell or retain such securities in the portfolio. Moody's, Standard and Poor's, and Fitch are currently used as the NRSRO.
  - a. If a security is downgraded below the level required by the Policy, the City Treasurer will use discretion in determining whether to sell or hold the security based on its current maturity, the loss in value, the economic outlook for the issuer, and other relevant factors.
  - b. If a decision is made to retain a downgraded security in the portfolio, its presence in the portfolio will be monitored and reported monthly to the City Council.

#### **XVI. REPORTING**

The City Treasurer shall file a monthly investment report with the City Council which provides a clear picture of the status of current investments. The investment report may include comments on the fixed income markets and economic conditions, discussions regarding restrictions on percentages of investments by category, possible changes in the portfolio structure and significant changes to investment strategies. The monthly investment report filed with the City Council will contain the following:

1. Percentages of the portfolio represented by each investment category.
2. An investment inventory including types and amounts of investments, issuing financial institutions and maturities.
3. A list of all investment transactions that occurred during the reporting month.

4. Investments or programs under the management of contracted parties.
5. Average maturity of the portfolio.
6. Average total yield to maturity of the portfolio relative to the prescribed benchmarks.
7. Current market value of investments with maturities of more than 12 months.
8. A statement denoting that the investment portfolio has sufficient liquidity to meet the City's anticipated expenditure requirements for the upcoming six months.
9. Percent of portfolio invested by type of instrument.
10. Written explanations for any variances to the Policy.

#### **XVII. INTERNAL CONTROLS**

Internal controls shall be established and maintained to prevent losses of public funds arising from fraud, employee error, and misrepresentation by third parties, or imprudent actions by employees and officers of the City.

Controls deemed most important include: segregation of duties, separation of transaction authority from accounting and record keeping, custodial safekeeping, clear delegation of authority, specific limitations regarding securities losses and remedial action, control over wire transfers, minimizing the number of authorized investment officials and documentation of transactions and strategies.

The City Treasurer shall establish an annual process of independent review by an external auditor. This review will provide internal control by assuring compliance with the policies and procedures set forth in this document.

#### **XVIII. PERFORMANCE STANDARDS**

The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs.

The investment performance objective for the portfolio shall be to earn a total rate of return over a market cycle which is approximately equal to the return on a benchmark index of one to five- year government securities.

#### **XIX. INVESTMENT POLICY ADOPTION**

At the direction of the City Treasurer, the City's Investment Policy shall be reviewed annually, to reflect changes in the California state codes, general market conditions or to provide further clarification of the City's policy. The Policy shall be

formally presented to the City Council for approval at a public meeting. Any change in the Policy shall also be approved at a public meeting by the City Council.

## GLOSSARY OF TERMS

**Accrued Interest** - Interest earned but not yet received.

**Asset Backed Securities** – Securities supported by pools of installment loans or leases or by pools of revolving lines of credit.

**Banker's Acceptance (BA)** - A draft or bill of exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

**Bond** - A financial obligation for which an issuer promises to pay the bondholder a specified stream of future cash flows, including periodic interest payments and a principal repayment.

**Broker** - A broker brings buyers and sellers together for a commission. The broker does not take a position.

**Certificate of Deposit** - A deposit insured up to \$100,000 by the FDIC at a set rate for a specified period of time.

**Collateral** - Securities, evidence of deposit or pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposit of public funds.

**Collateralized Mortgage Obligation (CMO)** – classes of bonds that redistribute the cash flow of mortgage securities (and whole loans) to create securities that have different levels of prepayment risk, as compared to the underlying mortgage securities.

**Commercial Paper** – A short-term, unsecured promissory note issued by a large corporation.

**Coupon** - a) The annual rate of interest that a bond's issuer promises to pay the bondholder on the bond's face value. b) A certificate attached to a Bond evidencing interest due on the payment date.

**Dealer** - A dealer, as opposed to a broker, acts as a principal in all transactions, buying and selling for his own account.

**Delivery Versus Payment** - There are two methods of delivery of securities: delivery versus payment and delivery versus receipt. Delivery versus payment is the delivery of securities with an exchange of money for the securities. Delivery versus receipt is the delivery of securities with an exchange of a signed receipt for the securities.

**Discount** - The difference between the cost price of a security and its maturity when quoted at a lower than face value. A security selling below original offering price shortly after sale also is considered to be at a discount.

**Discount Notes** - Non-interest bearing money market instruments that are issued at a Discount and redeemed at maturity for full face value (e.g., U.S. treasury bills).

**Diversified Management Companies** – Mutual funds or money market mutual funds registered with the Securities and Exchange Commission pursuant California Government Code Section 53601(k).

**Federal Reserve System** - The central bank of the United States created by Congress and consisting of a seven member-board of governors in Washington, D.C., 12 regional banks and about 5,700 commercial banks are members of the system.

**IADB** – Inter-American Development Bank, one of the three Washington, D.C. based Supranational issuers.

**IBRD** – International Bank for Reconstruction and Development, one of the three Washington, D.C. based Supranational issuers.

**IFC** – International Finance Corporation, one of the three Washington, D.C. based Supranational issuers.

**Liquidity** - A liquid asset is one that can be converted easily and rapidly to cash without a substantial loss of value.

**Local Government Investment Pool** - The aggregate of all funds from political subdivisions that are placed in the custody of the State Treasurer for investment and reinvestment. (i.e. Local Agency Investment Fund or LAIF).

**Market Value** - The price at which a security is trading and could presumably be purchased or sold.

**Maturity** - The date upon which the principal or stated value of an investment becomes due and payable.

**Medium Term Notes** – All corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States.

**Mortgage-Backed Pass-Through Securities** - A securitized participation in the interest and principal cash flows from a specified pool of mortgages. Principal and interest payments made on the mortgages are passed through to the holder of the security.

**New Issue** - Term used when a security is originally "brought" to the market.

**Offering Price** - The price asked by a seller of securities. (When you are buying securities, you ask for an offer.) See "Asked" and "Bid".

**Portfolio** - Collection of securities held by an investor.

**Primary Dealer** - A group of government securities dealers who submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include SEC-registered securities broker/dealers, banks and a few unregulated firms.

**Rate of Return** - The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond or the current income return.

**Repurchase Agreement (REPO)** - A transaction where the seller (bank) agrees to buy back from the buyer (City) the securities at an agreed upon price after a stated period of time. The buyer in effect lends the seller money for the period of the agreement, and the terms of the agreement are structured to compensate the buyer for this.

**Reverse Repurchase Agreement** – An agreement to sell securities in return for cash with an agreement to repurchase the securities at an agreed upon price.

**Risk** - Degree of uncertainty of return on an asset.

**Safekeeping** - A service to customers rendered by banks, for a fee, whereby securities and valuables of all types and descriptions are held in the bank vaults for protection.

**Securities and Exchange Commission (SEC)** – An agency created by Congress to protect investors in securities transactions by administering securities legislation.

**Supranational** – A Supranational is a multi-national organization whereby member states transcend national boundaries or interests to share in the decision making to promote economic development in the member countries.

**Treasury Bills** - U.S. treasury bills are short-term, direct obligations of the U.S. government issued with original maturities of 13 weeks and 52 weeks in book form only.

**Treasury Notes** - Intermediate-term Coupon bearing U.S. securities having maturities from one year to ten years.

**Yield** - The rate of annual income return on an investment, expressed as a percentage. It is obtained by dividing the current dollar income by the current market price of the security.

**Yield to Maturity** - The rate of income return on an investment, minus any premium above par or plus any discount from par in purchase price, with the adjustment spread over the period from the date of the purchase to the date of maturity of the bond.

**Zero Coupon Bond** – A bond on which interest is not payable until maturity (or earlier redemption), but compounds periodically to accumulate to a stated maturity amount.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY  
OF CORONA, CALIFORNIA, APPROVING THE CITY OF  
CORONA'S INVESTMENT POLICY**

WHEREAS, the City Council of the City of Corona has considered a document entitled "City of Corona's Investment Policy" which outlines the policy enacted to provide guidelines for the prudent investment of inactive cash for all funds in the investment portfolio as well as guidelines for maximizing the efficiency of the cash management system for the City, the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority; and

WHEREAS, the "City of Corona's Investment Policy" has also been administratively assigned City Administrative Policy No. 01200-602; and

WHEREAS, the "City of Corona's Investment Policy" provides for a creation of a Treasury Committee comprised of the City Treasurer, City Manager, Assistant City Manager and Finance Director; and

WHEREAS, at the direction of the City Treasurer, the City of Corona's Investment Policy shall be reviewed annually to reflect changes in the California state codes, general market conditions or to provide further clarification of the City's policy; and

WHEREAS, the Finance Director has recommended to the City Council that the "City of Corona's Investment Policy" be approved and established as the policy of the City, the Corona Utility Authority, the Corona Housing Authority, and the Corona Public Financing Authority and such other entities as may be established for cash management; and

WHEREAS, the City Council has determined that the "City of Corona's Investment Policy" be approved and established as recommended by the Finance Director.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA that the "City of Corona's Investment Policy," as presented to the City Council at the meeting in which this Resolution is adopted, is hereby approved and established as the policy of the City with respect to investments.

**File #:** 21-0613

---

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Resolution levying special taxes to be collected during Fiscal Year 2022 for Community Facilities District No. 2016-1 (Public Services).

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution will allow the City to levy and collect Fiscal Year 2022 special taxes.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-064, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of public services within Community Facilities District No. 2016-1 (Public Services).

**BACKGROUND & HISTORY:**

The Community Facilities District No. 2016-1 (Public Services) was formed to finance the annual costs of police protection services, (including but not limited to criminal justice services), fire protection and suppression services, and paramedic services.

**ANALYSIS:**

It is necessary that the City Council levy special taxes for the payment of annual costs associated with police protection services, (including but not limited to criminal justice services), fire protection and suppression services, and paramedic services, in the area of Community Facilities District No. 2016-1 (the "District"), pursuant to Section 53340 of the Government Code. Special taxes within the District are levied in an amount necessary to satisfy the Special Tax Requirement, as defined in the District's Rate and Method of Apportionment (the "RMA"). The special taxes levied will not exceed the authorized amounts as provided in the RMA.

**FINANCIAL IMPACT:**

The following is a summary of the Fiscal Year 2022 budgeted revenues and expenditures for the District:

Estimated Operating Costs	Estimated Assessments	Estimated Excess/(Deficit)	Percentage of Maximum Tax	YOY % Change in Levy Rate
\$ 576,512	\$ 576,512	\$ -	96.15%	0%

The proposed Fiscal Year 2022 special tax rates for developed single family residential and developed multi-family residential are \$603.65 and \$418.81 per residential unit, respectively, which are the same rates as in Fiscal Year 2021. The recommended cost is necessary to provide police protection services, including but not limited to criminal justice services, fire protection and suppression services, and paramedic services within the District throughout Fiscal Year 2022.

**ENVIRONMENTAL ANALYSIS:**

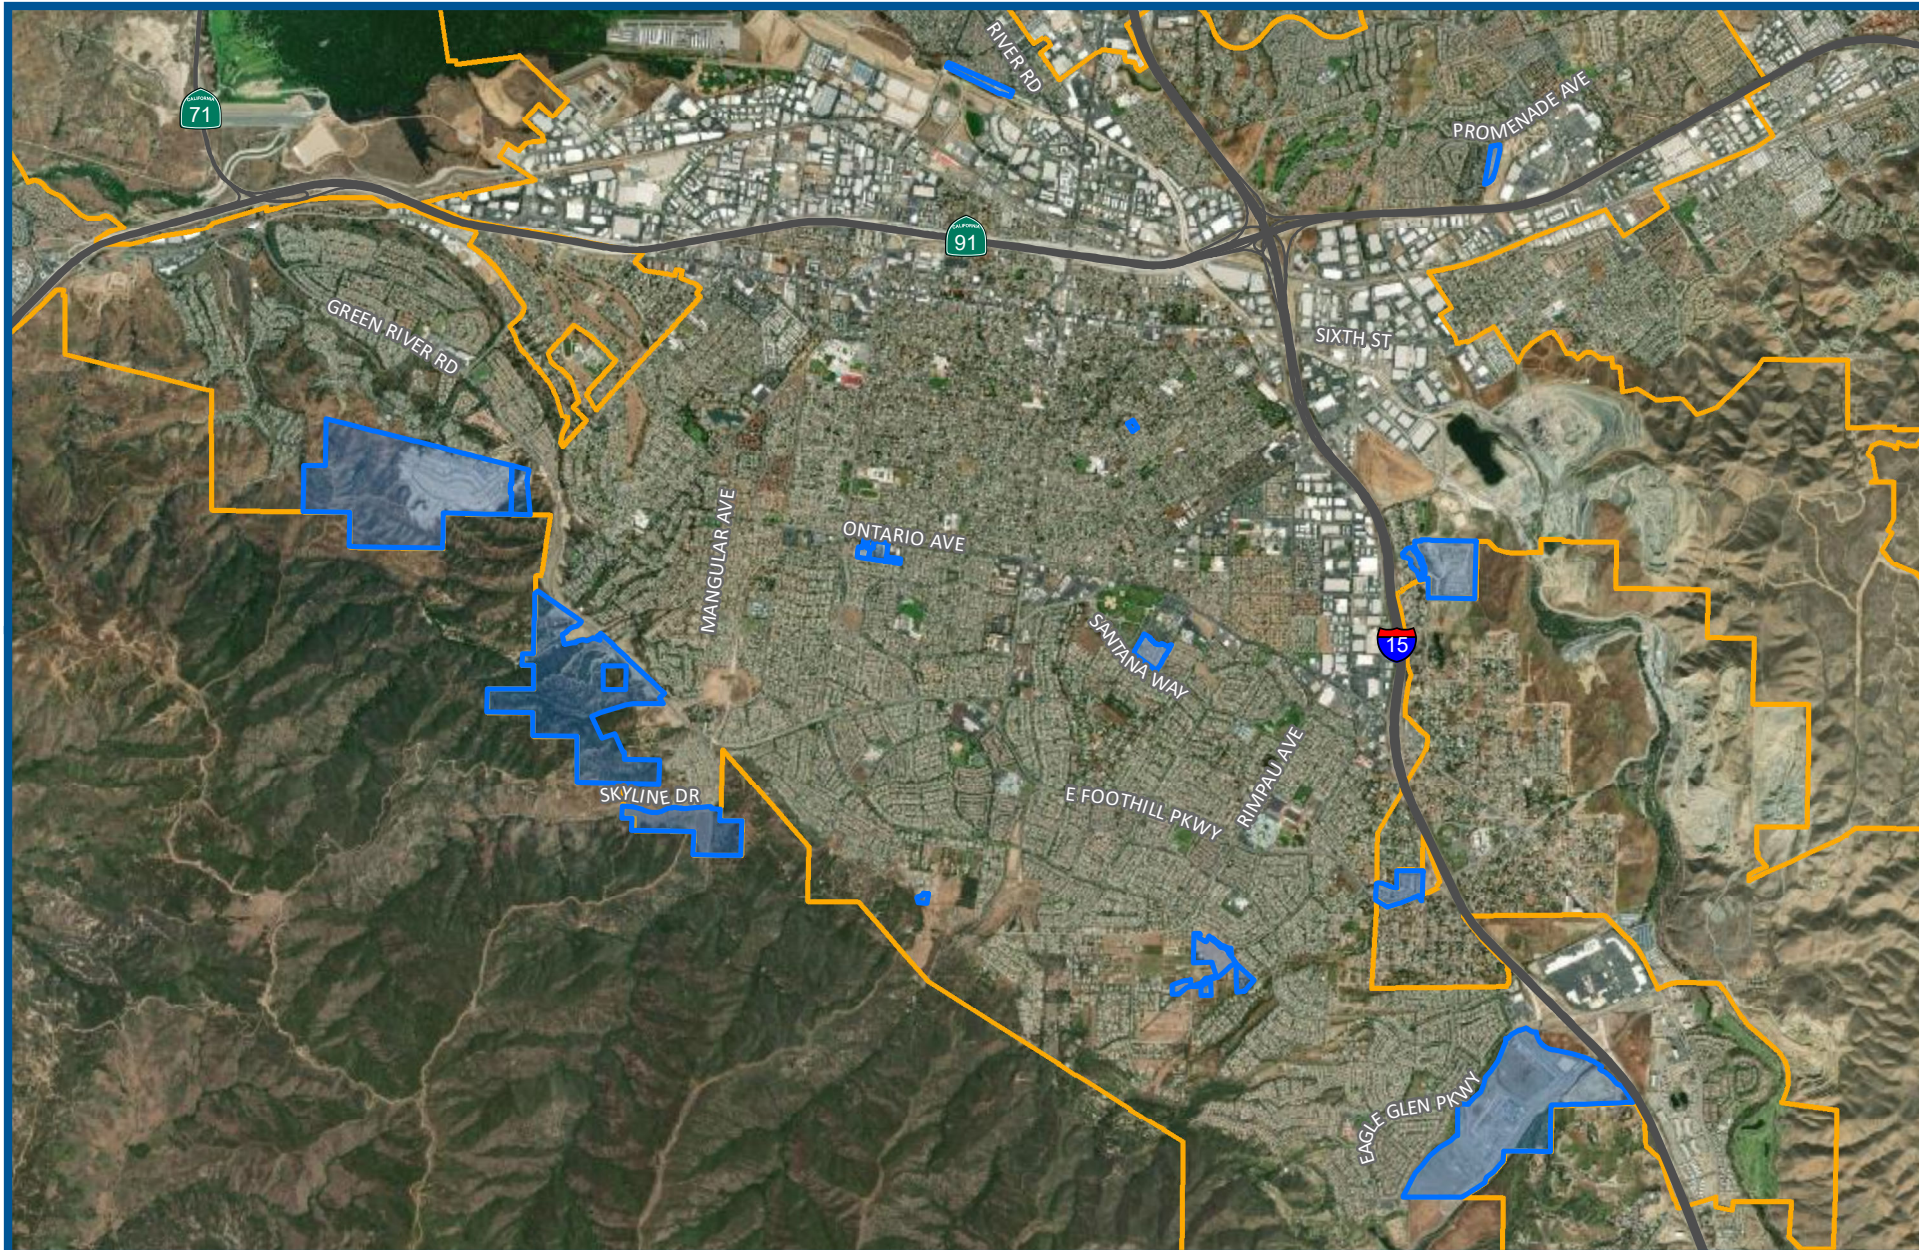

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely sets the special taxes to be levied and collected within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 2016-1

## **RESOLUTION NO. 2021-064**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF PUBLIC SERVICES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2016-1 (PUBLIC SERVICES)**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2016-1 (Public Services) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes for the payment of the annual cost of police protection services, (including but not limited to criminal justice services), fire protection and suppression services, and paramedic services (collectively “Public Services”), within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-080 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay the annual costs of the Public Services within the District and in the surrounding area; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all developed parcels of real property within the District that are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Resolutions levying special taxes to be collected during Fiscal Year 2022 for several bonded Community Facilities Districts.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolutions will allow the City to levy and collect Fiscal Year 2022 special taxes.

**RECOMMENDED ACTION:**

**That the City Council:**

- a. Adopt Resolution No. 2021-066, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2000-1 (Eagle Glen II), 2020 Special Tax Refunding Bond, and the administrative expenses with respect to the bond.
- b. Adopt Resolution No. 2021-067, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2001-2 (Cresta-Grande), 2020 Special Tax Refunding Bond (Improvement Area No. 1), and the administrative expenses with respect to the bond.
- c. Adopt Resolution No. 2021-068, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2001-2 (Cresta-Grande), 2020 Special Tax Refunding Bond (Improvement Area No. 2), and the administrative expenses with respect to the bond.
- d. Adopt Resolution No. 2021-069, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bonds of Community Facilities

District No. 2002-1 (Dos Lagos), 2017 Special Tax Refunding Bonds, and the administrative expenses with respect to the bonds.

- e. Adopt Resolution No. 2021-070, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2002-1 (Dos Lagos), Improvement Area 1, 2017 Special Tax Refunding Bonds, and the administrative expenses with respect to the bonds.
- f. Adopt Resolution No. 2021-071, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2002-4 (Corona Crossings), 2017 Special Tax Refunding Bonds, and the administrative expenses with respect to the bonds.
- g. Adopt Resolution No. 2021-072, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2003-2 (Highlands Collection) 2020 Special Tax Refunding Bond, and the administrative expenses with respect to the bond.
- h. Adopt Resolution No. 2021-073, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2004-1 (Buchanan Street) 2020 Special Tax Refunding Bond, and the administrative expenses with respect to the bond.
- i. Adopt Resolution No. 2021-074, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2016-2 (Terrassa), 2018 Special Tax Bonds, Special Tax A, and the administrative expenses with respect to the bonds.
- j. Adopt Resolution No. 2021-075, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2017-2 (Valencia/Seville), 2018 Special Tax Bonds, Special Tax A, and the administrative expenses with respect to the bonds.
- k. Adopt Resolution No. 2021-076, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2018-1 (Bedford) Improvement Area No 1, 2018 Special Tax Bonds and 2020 Special Tax Bonds, Special Tax A, and the administrative expenses with respect to the bonds.
- l. Adopt Resolution No. 2021-077, levying special taxes to be collected during Fiscal Year 2022 for the payment of administrative expenses incurred in connection with the levy and collection of special taxes, the establishment of the reserve fund, and the collection and accumulation of funds for the acquisition or construction of certain public facilities within Community Facilities

**District No. 2018-2 (Sierra Bella), Special Tax A.****BACKGROUND & HISTORY:**

Pursuant to the Mello-Roos Community Facilities Act of 1982, the Community Facilities Districts (the "Districts") listed under the Recommended Action section were formed to finance the construction and acquisition of public improvements and facilities within the Districts.

**ANALYSIS:**

The City has covenanted for the benefit of the owners of the bonds to fix and levy the amount of special taxes within the Districts required for the payment of the principal and interest on the bonds becoming due and payable during the ensuing year. Any necessary replenishment or expenditure of the Reserve Funds and any amount estimated to be sufficient to pay administrative expenses during the year are also included in the levy. The special taxes levied will not exceed the authorized amounts as provided in the Rate and Method of Apportionments (the "RMA") for the Districts.

A summary of the special tax levy for the Districts is shown below:

CFD No.	Resolution No.	Final Bond Year	No. of Parcels	FY 2022 Levy	% of Assigned Tax	YOY % Change in Levy Rate
CFD No. 2000-1	2021-066	2031	359	\$ 423,772	61.56%	-3.87%
CFD No. 2001-2 IA1	2021-067	2032	72	\$ 154,766	66.38%	0.00%
CFD No. 2001-2 IA2	2021-068	2032	41	\$ 76,150	69.58%	-2.61%
CFD No. 2002-1	2021-069	2034	470	\$ 1,175,145	45.12%	0.01%
CFD No. 2002-1 IA1	2021-070	2037	10	\$ 535,061	65.07%	-0.19%
CFD No. 2002-4	2021-071	2034	26	\$ 598,325	78.19%	-1.07%
CFD No. 2003-2	2021-072	2034	317	\$ 449,540	42.09%	-2.09%
CFD No. 2004-1	2021-073	2036	64	\$ 202,455	66.65%	0.44%
CFD No. 2016-2 Tax A	2021-074	2048	146	\$ 357,222	92.54%	-0.70%
CFD No. 2017-2 Tax A	2021-075	2048	92	\$ 276,850	100.00%	0.00%
CFD No. 2018-1 IA1 Tax A	2021-076	2048	353	\$ 1,099,450	100.00%	2.00%
CFD No. 2018-2 Tax A	2021-077	N/A	101	\$ 504,896	100.00%	0.00%

As shown in "YOY % Change in Levy Rate" column, the proposed levy rates in Fiscal Year 2022 for the Districts either decrease or are the same as Fiscal Year 2021, except CFD No. 2018-1 IA 1 will have a 2% increase as defined in the bond covenant.

The Assigned Tax rates in the RMA, which were set at the District's formation, are the maximum allowable assessment rates for each property category in the Districts. Each District's number represents the year and order it was established. Through the years, the City has been able to find refinancing opportunities for almost all of the Districts, which has allowed for the tax rates to be reduced and the savings passed on to the property owners. Therefore, most of these Districts are being levied at much less than 100% of the Assigned Tax Rates. The newer Districts will continue to be levied at the full Assigned Tax rate until they are fully developed and there are sufficient reserves available to cover any potential delinquencies.

**FINANCIAL IMPACT:**

The special tax revenues and related debt service and administration expenditures are included in the Districts' Fiscal Year 2022 budgets. Expenditures in FY 2022 are being recovered in full.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely sets the special taxes to be levied and collected within the Districts for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 2000-1

**RESOLUTION NO. 2021-066**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BOND OF COMMUNITY FACILITIES DISTRICT NO. 2000-1 (EAGLE GLEN II) 2020 SPECIAL TAX REFUNDING BOND, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BOND**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2000-1 (Eagle Glen II) 2020 Special Tax Refunding Bond (the “District”) of the City of Corona, County of Riverside, State of California (the “Bond”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bond; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-057 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bond of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

COMMUNITY FACILITIES DISTRICT NO. 2001-2  
IMPROVEMENT AREA 1

**RESOLUTION NO. 2021-067**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BOND OF COMMUNITY FACILITIES DISTRICT NO. 2001-2 IMPROVEMENT AREA NO. 1 (CRESTA-GRANDE) 2020 SPECIAL TAX REFUNDING BOND, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BOND**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2001-2 Improvement Area No. 1 (Cresta-Grande) 2020 Special Tax Refunding Bond (the “District”) of the City of Corona, County of Riverside, State of California (the “Bond”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bond; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-058 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bond of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

City Clerk of the City of Corona, California

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2001-2 Improvement Area No. 1 (Cresta-Grande) 2020 Special Tax Refunding Bonds (the “District”) of the City of Corona, County of Riverside, State of California (the “Bond”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bond; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-059 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bond of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 2002-1

**RESOLUTION NO. 2021-069**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BONDS OF COMMUNITY FACILITIES DISTRICT NO. 2002-1 (DOS LAGOS) 2017 SPECIAL TAX REFUNDING BONDS, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BONDS**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2002-1 (Dos Lagos) 2017 Special Tax Refunding Bonds (the “District”) of the City of Corona, County of Riverside, State of California (the “Bonds”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bonds; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-060 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bonds of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are

collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

COMMUNITY FACILITIES DISTRICT NO. 2002-1  
IMPROVEMENT AREA A

**RESOLUTION NO. 2021-070**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BONDS OF COMMUNITY FACILITIES DISTRICT NO. 2002-1 (DOS LAGOS) IMPROVEMENT AREA 1 2017 SPECIAL TAX REFUNDING BONDS, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BONDS**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2002-1 (Dos Lagos) Improvement Area 1 2017 Special Tax Refunding Bonds (the “District”) of the City of Corona, County of Riverside, State of California (the “Bonds”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bonds; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-061 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bonds of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are

collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

COMMUNITY FACILITIES DISTRICT NO. 2003-2

## **RESOLUTION NO. 2021-072**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BOND OF COMMUNITY FACILITIES DISTRICT NO. 2003-2 (HIGHLANDS COLLECTION) 2020 SPECIAL TAX REFUNDING BOND, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BOND**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2003-2 (Highlands Collection) 2020 Special Tax Refunding Bond (the “District”) of the City of Corona, County of Riverside, State of California (the “Bond”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bond; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-063 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bond of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

City Clerk of the City of Corona, California

COMMUNITY FACILITIES DISTRICT NO. 2004-1

## **RESOLUTION NO. 2021-073**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BOND OF COMMUNITY FACILITIES DISTRICT NO. 2004-1 (BUCHANAN) 2020 SPECIAL TAX REFUNDING BOND, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BOND**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 2004-1 (Buchanan) 2020 Special Tax Refunding Bonds (the “District”) of the City of Corona, County of Riverside, State of California (the “Bond”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bond; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-064 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bond of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

## **RESOLUTION NO. 2021-074**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BONDS OF COMMUNITY FACILITIES DISTRICT NO. 2016-2 (TERRASSA) 2018 SPECIAL TAX BONDS, SPECIAL TAX A, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BONDS**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2016-2 (Terrassa) 2018 Special Tax Bonds, Special Tax A (the “District”) of the City of Corona, County of Riverside, State of California (the “Bonds”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bonds; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-065 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bonds of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax A in Resolution No. 2016-025, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall

be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

COMMUNITY FACILITIES DISTRICT NO. 2017-2

**RESOLUTION NO. 2021-075**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BONDS OF COMMUNITY FACILITIES DISTRICT NO. 2017-2 (VALENCIA/SEVILLE) 2018 SPECIAL TAX BONDS, SPECIAL TAX A AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BONDS**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2017-2 (Valencia/Seville) 2018 Special Tax Bonds, Special Tax A (the “District”) of the City of Corona, County of Riverside, State of California (the “Bonds”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bonds; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-066 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bonds of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax A in Resolution No. 2017-058, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall

be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

COMMUNITY FACILITIES DISTRICT NO. 2018-1  
IMPROVEMENT AREA 1

## **RESOLUTION NO. 2021-076**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BONDS OF COMMUNITY FACILITIES DISTRICT NO. 2018-1 (BEDFORD) IMPROVEMENT AREA NO. 1, 2018 SPECIAL TAX BONDS AND 2020 SPECIAL TAX BONDS, SPECIAL TAX A, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BONDS**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bonds of Community Facilities District No. 2018-1 (Bedford) Improvement Area No. 1, 2018 Special Tax Bonds and 2020 Special Tax Bonds, Special Tax A (the “District”) of the City of Corona, County of Riverside, State of California (the “Bonds”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bonds; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-067 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bonds of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax A in Resolution No. 2018-035, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall

be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

COMMUNITY FACILITIES DISTRICT NO. 2018-2

**RESOLUTION NO. 2021-077**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR COMMUNITY FACILITIES DISTRICT NO. 2018-2 (SIERRA BELLA), SPECIAL TAX A**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2018-2 (Sierra Bella) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 to issue bonds and incur bonded indebtedness (“Bonds”) for the purpose of financing certain public facilities (“Facilities”) within the District and for the payment of administrative expenses incurred in connection with the Bonds; and

**WHEREAS**, it is necessary that the City Council levy special taxes identified as Special Tax A in Resolution No. 2018-095, the resolution establishing the District, pursuant to Sections 53340 and 53358 of the Government Code for: (i) the payment of administrative expenses incurred in connection with the levy and collection of special taxes and requirements pertaining to the Bonds; (ii) the establishment of reserve funds for the Bonds; and (iii) the collection and accumulation of funds for the acquisition or construction of the Facilities; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-068 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to: (i) pay administrative expenses incurred in connection with the levy and collection of said special taxes and requirements pertaining to the Bonds; (ii) establish reserve funds for the Bonds; and (iii) collect and accumulate funds for the acquisition or construction of the Facilities; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax A in Resolution No. 2018-095, the resolution establishing the District, shall be and are hereby levied

for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at an adjourned meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**File #:** 21-0654

---

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Resolution levying special taxes to be collected during Fiscal Year 2022 for Community Facilities District No. 97-2 (Eagle Glen), Special Tax Refunding Bond 2014 Series A.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution will allow the City to levy and collect Fiscal Year 2022 special taxes for the District.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-065, levying special taxes to be collected during Fiscal Year 2022 for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 97-2 (Eagle Glen), Special Tax Refunding Bond 2014 Series A and the administrative expenses with respect to the bond.

**BACKGROUND & HISTORY:**

Pursuant to the Mello-Roos Community Facilities Act of 1982, Community Facilities District No. 97-2 ("District") was formed to finance the construction and acquisition of public improvements and facilities within the District.

**ANALYSIS:**

The City has covenanted for the benefit of the owners of the bonds to fix and levy the amount of the special taxes within the District required for the payment of the principal and interest on the bond becoming due and payable during the ensuing year. Any necessary replenishment or expenditure of the Reserve Fund and any amount estimated to be sufficient to pay administrative expenses during the year are also included in the levy. The special taxes levied will not exceed the authorized amounts as provided in the Rate and Method of Apportionments (the "RMA") for the District.

A summary of the special tax levy for the District is shown below:

CFD Issue	Final Bond Year	No. of Parcels	FY 2022 Total Levy	Percentage of Assigned Tax	YOY % Change in Levy Rate
CFD No. 97-2	2023	1,091	\$ 1,185,765	69.27%	-2.86%

As shown in the "YOY % Change in Levy Rate" column, the proposed levy rate in Fiscal Year 2022 for the District will decrease by 2.86% compared to Fiscal Year 2021.

The Assigned Tax rates in the RMA, which were set at the District's formation, are the maximum allowable assessment rates for each property category in the District. This District's bonds were refunded in Fiscal Year 2014 as a result of interest rate savings and the special tax rates levied were able to be reduced, passing the savings to the property owners in the District. In anticipation of the District's maturing in Fiscal Year 2024, an additional credit was applied to the FY 2022 budget from available surplus funds further reducing the special taxes levied on properties within the District.

**FINANCIAL IMPACT:**

The special tax revenues and related debt service and administration expenditures are included in the District's Fiscal Year 2022 budgets. Expenditures in FY 2022 are being recovered in full.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely sets the special taxes to be levied and collected within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 97-2

## **RESOLUTION NO. 2021-065**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST ON THE OUTSTANDING BOND OF COMMUNITY FACILITIES DISTRICT NO. 97-2 (EAGLE GLEN) SPECIAL TAX REFUNDING BOND 2014 SERIES A, AND THE ADMINISTRATIVE EXPENSES WITH RESPECT TO THE BOND**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the principal and interest on the outstanding bond of Community Facilities District No. 97-2 (Eagle Glen) Special Tax Refunding Bond 2014 Series A (the “District”) of the City of Corona, County of Riverside, State of California (the “Bond”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes and the payment of such Bond; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-056 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay principal of and interest on the outstanding bond of the District and to pay such administrative expenses; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021, by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

City Clerk of the City of Corona, California

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Resolutions levying special taxes to be collected during Fiscal Year 2022 for the City's maintenance and services Community Facilities Districts.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolutions will allow the City to levy and collect Fiscal Year 2022 special taxes.

**RECOMMENDED ACTION:**

**That the City Council:**

- a. Adopt Resolution No. 2021-079, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of maintenance services within Community Facilities District No. 2016-2 (Terrassa), Special Tax B.
- b. Adopt Resolution No. 2021-080, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of maintenance services within Community Facilities District No. 2017-2 (Valencia/Seville), Special Tax B.
- c. Adopt Resolution No. 2021-081, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of maintenance services within Community Facilities District No. 2018-1 (Bedford), Special Tax B.
- d. Adopt Resolution No. 2021-082, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of maintenance services within Community Facilities District No. 2018-2 (Sierra Bella), Special Tax B.

- e. Adopt Resolution No. 2021-083, levying special taxes to be collected during Fiscal Year 2022 for the payment of annual cost of the operation and maintenance of parkways and open space within Community Facilities District No. 97-1 (South Corona Landscape).
- f. Adopt Resolution No. 2021-084, levying special taxes to be collected during Fiscal Year 2022 for the payment of annual cost of the operation and maintenance of storm drainage facilities within Community Facilities District No. 2000-1 (Eagle Glen II).
- g. Adopt Resolution No. 2021-085, levying special taxes to be collected during Fiscal Year 2022 for the payment of annual cost of the operation and maintenance of parkways and open space within Community Facilities District No. 2002-2.
- h. Adopt Resolution No. 2021-086, levying special taxes to be collected during Fiscal Year 2022 for the payment of annual cost of the operation and maintenance of parkways and open space within Community Facilities District No. 2002-3.
- i. Adopt Resolution No. 2021-087, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of the operation, maintenance and lighting of parkways, streets, road and open space within Community Facilities District No. 2011-1.
- j. Adopt Resolution No. 2021-088, levying special taxes to be collected during Fiscal Year 2022 for the payment of the annual cost of maintenance services within Community Facilities District No. 2016-3 (Maintenance Services).

**BACKGROUND & HISTORY:**

Pursuant to the Mello-Roos Community Facilities Act of 1982, Community Facilities Districts (the "Districts") listed under the Recommended Action section were formed to levy special taxes for the payment of the annual cost of, but not limited to, maintenance and lighting of parks, parkways, streets, roads, and open space, maintenance and operation of water quality improvements, maintenance and operation of traffic signals, public street sweeping, and reserve funds for replacement of improvements within the Districts and the surrounding areas, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes.

**ANALYSIS:**

It is necessary that the City Council levy special taxes for the payment of the annual costs of the operation and maintenance of parkways and open space within the Districts, pursuant to Section 53340 of the Government Code. Special taxes within the Districts are levied in an amount necessary to satisfy the Operation and Maintenance Special Tax Requirement, as defined in the Districts' Rate and Method of Apportionment (the "RMA"). Any necessary replenishment or expenditure of the reserve funds and an amount estimated for administrative expenses during the year are included in the levy. The special taxes levied will not exceed the authorized amounts as provided in the RMA.

**FINANCIAL IMPACT:**

Every fiscal year, each Districts budgeted operating costs and estimated revenues are reviewed by staff. The budgeted operating costs are determined by the prior year actual costs for service and projected costs for the same services and any capital improvement projects needed for the next fiscal year. Additionally, the projected revenues are estimated based on the RMA allowable special tax rates and the properties within the District boundaries including anticipated development for the newer Districts. A summary of Fiscal Year 2022 estimated levies and operating costs for the Districts are presented in Exhibit 1.

Column "YOY % Change in Levy Rate" in Exhibit 1 shows the changes to the proposed levy rates in Fiscal Year 2022 compared to Fiscal Year 2021. The majority of the Districts are changing from 0%-10% as stated in the Exhibit. Six (6) zones in CFD 2016-3 were newly established during Fiscal Year 2021 and not levied in Fiscal Year 2021. Therefore, the comparison between the two years is not applicable.

Each District fully covers its operating and administration costs except the following:

- i. CFD No. 2016-2 Tax B where budgeted operating costs exceed the allowable special taxes. This is being reviewed by the Community Services Department to determine whether there are any cost reduction opportunities. There are sufficient reserve funds to cover the anticipated Fiscal Year 2022 deficit.
- ii. CFD No. 2002-3: it is recommended to maintain the levy at approximately 30% of the maximum allowable tax due to excess capital reserve funds.
- iii. CFD No. 2011-1: it is recommended to increase the levy by 10% this fiscal year in order to account for an 80% increase in costs from increased services for landscaping and lighting and to build up the capital reserve funds for future improvements.

Pursuant to the Mello-Roos Community Facilities Act of 1982 (the "Act"), an adequate amount is retained in the reserve fund to maintain the financial stability of the Districts.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely sets the special taxes to be levied and collected within the Districts for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environment analysis is required.

**Notes:**

<sup>(1)</sup> Proposed levy increased by Consumer Price Index of 3.56% for March 2021 as defined in the RMA.

<sup>(2)</sup> Estimated operating costs for CFD No. 2016-2 Tax B is being reviewed by Community Services department for possible budget reduction.

<sup>(3)</sup> Estimated operating deficit will be covered by a one-time contribution from the capital reserve.

<sup>(4)</sup> Proposed levy increased by 10% is necessary to build up capital reserve for CFD No. 2011-1 for future improvements.

<sup>(5)</sup> First year of levy

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 2016-2

**RESOLUTION NO. 2021-079**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF MAINTENANCE SERVICES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2016-2 (TERRASSA), SPECIAL TAX B**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2016-2 (Terrassa) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes identified as Special Tax B in Resolution No. 2016-025 for the payment of the annual costs of maintaining, servicing, cleaning, repairing and/or replacing landscaped areas in public street right-of-ways, public landscaping, public open spaces and other similar landscape areas officially assigned for public use, including landscape maintenance, street sweeping and maintenance of operation of water quality improvements (collectively, “Improvements”), within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-069 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of maintaining, servicing, cleaning, repairing and/or replacing the Improvements within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax B in Resolution No. 2016-025, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each

such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at an adjourned meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

COMMUNITY FACILITIES DISTRICT NO. 2017-2

**RESOLUTION NO. 2021-080**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF MAINTENANCE SERVICES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2017-2 (VALENCIA/SEVILLE), SPECIAL TAX B**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2017-2 (Valencia/Seville) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes identified as Special Tax B in Resolution No. 2017-058 for the payment of the annual cost of maintenance and lighting of parks, parkways, streets, roads and open space, maintenance and operation of water quality improvements, public street sweeping and reserve fund for replacement (collectively, “Improvements”), within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-070 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of maintaining, servicing, cleaning, repairing and/or replacing the Improvements within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax B in Resolution No. 2017-058, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall

be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

## **RESOLUTION NO. 2021-081**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF MAINTENANCE SERVICES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2018-1 (BEDFORD), SPECIAL TAX B**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2018-1 (Bedford) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes identified as Special Tax B in Resolution No. 2018-035 for the payment of the annual cost of maintenance and lighting of parks, parkways, streets, roads and open space, maintenance and operation of water quality improvements, maintenance and operation of traffic signals, public street sweeping and reserve fund for replacement (collectively, “Improvements”), within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-071 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of maintaining, servicing, cleaning, repairing and/or replacing the Improvements within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax B in Resolution No. 2018-035, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes

shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 2018-2

**RESOLUTION NO. 2021-082**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF MAINTENANCE SERVICES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2018-2 (SIERRA BELLA), SPECIAL TAX B**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2018-2 (Sierra Bella) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes identified as Special Tax B in Resolution No. 2018-095 for the payment of the annual cost of maintenance and lighting of parks, parkways, streets, roads and open space, maintenance and operation of traffic signals, maintenance and operation of water quality improvements, public street sweeping and reserve fund for replacement (collectively, “Improvements”), within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-072 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of maintaining, servicing, cleaning, repairing and/or replacing the Improvements within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes identified as Special Tax B in Resolution No. 2018-095, the resolution establishing the District, shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes

shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at an adjourned meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

City Clerk of the City of Corona, California

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 97-1

**RESOLUTION NO. 2021-083**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY  
OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES  
TO BE COLLECTED DURING FISCAL YEAR 2022 FOR  
THE PAYMENT OF ANNUAL COST OF THE OPERATION  
AND MAINTENANCE OF PARKWAYS AND OPEN SPACE  
WITHIN COMMUNITY FACILITIES DISTRICT NO. 97-1  
(SOUTH CORONA LANDSCAPE)**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 97-1 (South Corona Landscape) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes for the payment of annual cost of the operation and maintenance of parkways and open space within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-073 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of the operation and maintenance of parkways and open space within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF  
THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at an adjourned meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

City Clerk of the City of Corona, California

COMMUNITY FACILITIES DISTRICT NO. 2000-1

**RESOLUTION NO. 2021-084**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY  
OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES  
TO BE COLLECTED DURING FISCAL YEAR 2022 FOR  
THE PAYMENT OF THE ANNUAL COST OF THE  
OPERATION AND MAINTENANCE OF STORM  
DRAINAGE FACILITIES WITHIN COMMUNITY  
FACILITIES DISTRICT NO. 2000-1 (EAGLE GLEN II)**

**WHEREAS**, is necessary that the City Council of the City of Corona (the “City Council”) levy special taxes pursuant to Sections 53340 and 53358 of the Government Code for the payment of the annual cost of the operation and maintenance of storm drainage facilities within Community Facilities District No. 2000-1 (Eagle Glen II) of the City of Corona, County of Riverside, State of California (the “District”), and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-074 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of the operation and maintenance of storm drainage facilities within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Corona, California, as follows:

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the

County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

---

Mayor of the City of Corona, California

**ATTEST:**

---

City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at a regular meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

---

City Clerk of the City of Corona, California

COMMUNITY FACILITIES DISTRICT NO. 2002-2

**RESOLUTION NO. 2021-085**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY  
OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES  
TO BE COLLECTED DURING FISCAL YEAR 2022 FOR  
THE PAYMENT OF ANNUAL COST OF THE OPERATION  
AND MAINTENANCE OF PARKWAYS AND OPEN SPACE  
WITHIN COMMUNITY FACILITIES DISTRICT NO. 2002-2**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2002-2 of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes for the payment of annual cost of the operation and maintenance of parkways and open space within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-076 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of the operation and maintenance of parkways and open space within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

**RESOLUTION NO. 2021-088**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF MAINTENANCE SERVICES WITHIN COMMUNITY FACILITIES DISTRICT NO. 2016-3 (MAINTENANCE SERVICES)**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2016-3 (Maintenance Services) of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes for the payment of the annual cost of maintaining, servicing, cleaning, repairing and/or replacing landscaped areas (may include reserves for replacement) in public street right-of-way, public landscaping, public open spaces and other similar landscaped areas officially dedicated for public use, including, but not limited to, maintenance and lighting of parks, parkways, streets, roads and open space, maintenance and operation of water quality improvements and storm drain systems, and public street sweeping (collectively, “Improvements”), within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-079 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of maintaining, servicing, cleaning, repairing and/or replacing the Improvements within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each

such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Resolution levying special taxes to be collected during Fiscal Year 2022 for the maintenance and services Community Facilities District No. 2001-1.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution will allow the City to levy and collect Fiscal Year 2022 special taxes.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-078, levying special taxes to be collected during Fiscal Year 2022 for the payment of annual cost of the operation and maintenance of parkways and open space within Community Facilities District No. 2001-1.

**BACKGROUND & HISTORY:**

Pursuant to the Mello-Roos Community Facilities Act of 1982, Community Facilities District No. 2001-1 (the "District") was formed to levy special taxes for the payment of annual cost of the operation and maintenance of parkways and open space within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes.

**ANALYSIS:**

It is necessary that the City Council levy special taxes for the payment of annual cost of the operation and maintenance of parkways and open space within the District, pursuant to Section 53340 of the Government Code. Special taxes within the District are levied in an amount necessary to satisfy the Operation and Maintenance Special Tax Requirement, as defined in the District's Rate and Method of Apportionment (the "RMA"). Any necessary replenishment or expenditure of the

reserve funds and an amount estimated for administrative expenses during the year are included in the levy. The special taxes levied will not exceed the authorized amounts as provided in the RMA.

**FINANCIAL IMPACT:**

The following is a summary of the Fiscal Year 2022 budgeted revenues and expenditures for the District:

<u>CFD Issue</u>	<u>Estimated Operating Costs</u>	<u>Estimated Assessments</u>	<u>Estimated Deficit</u>	<u>Percentage of Maximum Tax</u>	<u>YOY % Change in Levy Rate</u>
CFD No. 2001-1	\$ 670,197	\$ 644,103	\$ (26,094)	31.49%	0%

The proposed levy rate for Fiscal Year 2022 is the same as the levy in Fiscal Year 2021. The estimated operating deficit will be covered by a one-time contribution from the excess capital reserve fund.

Pursuant to the Mello-Roos Community Facilities Act of 1982 (the "Act"), an adequate amount is retained in the reserve fund to maintain the financial stability of the District.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely sets the special taxes to be levied and collected within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environment analysis is required.

## BOUNDARY MAP

COMMUNITY FACILITIES DISTRICT NO. 2001-1

## **RESOLUTION NO. 2021-078**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, LEVYING SPECIAL TAXES TO BE COLLECTED DURING FISCAL YEAR 2022 FOR THE PAYMENT OF ANNUAL COST OF THE OPERATION AND MAINTENANCE OF PARKWAYS AND OPEN SPACE WITHIN COMMUNITY FACILITIES DISTRICT NO. 2001-1**

**WHEREAS**, the City Council of the City of Corona (“City Council”) previously established Community Facilities District No. 2001-1 of the City of Corona, County of Riverside, State of California (the “District”) pursuant to the terms and provisions of the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Government Code Section 53311 (“Act”) to levy special taxes for the payment of annual cost of the operation and maintenance of parkways and open space within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes; and

**WHEREAS**, pursuant to Section 53340 of the Government Code, the City Council may by resolution provide for the levy of special taxes on taxable properties in the District at a rate provided by ordinance or at a lower rate; and

**WHEREAS**, the City Council has previously levied special taxes on taxable properties in the District by resolution, including Resolution No. 2020-075 adopted on July 1, 2020 that levied special taxes on such parcels for Fiscal Year 2021; and

**WHEREAS**, the special taxes will be levied for Fiscal Year 2022 on all taxable properties in the District pursuant to the Rate and Method of Apportionment to pay annual cost of the operation and maintenance of parkways and open space within the District; and

**WHEREAS**, the rates of the special taxes that will be levied on such parcels for Fiscal Year 2022 will not exceed the rates previously approved by the qualified electors of the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Levy of Special Taxes.** Special taxes shall be and are hereby levied for the Fiscal Year 2022 on all parcels of real property within the District which are subject to taxation, which are identified in Exhibit “A” attached hereto, and in the amount set forth for each such parcel in said Exhibit “A”. Pursuant to said Sections 53340 and 53358, such special taxes shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes.

**SECTION 2. Transmittal to County.** The City Clerk shall immediately following adoption of this resolution transmit a copy hereof to the Board of Supervisors and the County Auditor of the County of Riverside together with a request that the special taxes as levied hereby be collected on the tax bills for the parcels identified in Exhibit “A” hereto, along with the ordinary ad valorem property taxes to be levied on and collected from the owners of said parcels.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at an adjourned meeting thereof held on the 7th day of July, 2021 by the following vote:

**AYES:**

**NOES:**

**ABSENT:**

**ABSTAINED:**

**IN WITNESS WHEREOF**, I have hereunto set my hand and affixed the official seal of the City of Corona, California, this 7th day of July, 2021.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Public Hearing confirming the diagram and assessment for Lighting Maintenance District No. 84-1 for Fiscal Year 2022 and to detach certain territory from the District.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution is the last step of the annual proceedings for the levy and collection of the special assessment for Lighting Maintenance District No. 84-1 for Fiscal Year 2022 and to detach certain territory from the District. The City Council will conduct a public hearing to afford all interested parties an opportunity to make verbal or written comments on the proposed annual assessment.

At the conclusion of the hearing, it is recommended that the City Council adopt the said resolution confirming the diagram and assessments for the District for Fiscal Year 2022, which will constitute the levy of the assessment for the maintenance and servicing of public lighting facilities within the District, in accordance with the Streets and Highways Code.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-059, confirming the diagram and assessment for Lighting Maintenance District No. 84-1 for Fiscal Year 2022 and to detach certain territory from the District.

**BACKGROUND & HISTORY:**

Lighting Maintenance District No. 84-1 ("LMD 84-1" or "District") was established in accordance with the provisions of the Landscaping and Lighting Act of 1972 (the "1972 Act") in 1984. The purpose of the District is to provide lighting, maintenance and operating services for the streetlights, traffic signals, and related appurtenances within the District's boundaries.

**ANALYSIS:**

The State of California Street and Highways Code Section 22500 requires an annual review of the assessments levied by the assessment districts formed under the 1972 Act. In order to levy and collect special assessments within such districts, Engineer's Reports must be prepared, which provide details on the improvements that are maintained and the estimated budgets for each district.

On May 5, 2021, the City Council adopted Resolution No. 2021-023, to initiate the proceedings to levy and collect assessments for the District for Fiscal Year 2022, appointed Spicer Consulting Group, LLC as the engineer of record, and ordered the preparation of an Engineer's Report for the District.

On June 2, 2021, the City Council adopted Resolution No. 2021-038, to declare the City's intention to levy and collect assessments within the District for Fiscal Year 2022 and to detach certain territory from the District, to approve the preliminary Engineer's Report (the "Preliminary Report"), and to provide a notice of public hearing to consider the proposed assessments. A notice of public hearing was published in the local newspaper on June 9, 2021.

Attached is the final Engineer's Report (the "Report") for the District, which is consistent with the Preliminary Report. The Report includes a detailed description of the existing improvements within the District, the estimated maintenance costs, the method of assessment apportionment for each lot or parcel within the District boundaries, and a diagram showing the boundaries of the District. The Report also provides an analysis of the District's financial status.

#### **FINANCIAL IMPACT:**

The cost of construction, installation, operation, servicing, and maintenance of the District will be funded by the assessments levied and collected within the District. For Fiscal Year 2022, it is projected that the current year assessment revenue will be insufficient to cover the operating costs during the same fiscal period, resulting in an operating deficit of \$385,386, which will be covered by a one-time contribution from the District's operating reserves.

The proposed levy for Fiscal Year 2022 is the same as the Fiscal Year 2021 levy, which will result in no increase to the parcels in the District. The District was formed with no escalator included in the method of apportionment. Per Proposition 218, which was adopted in 1996, an increase in the assessment rates would require a vote of the property owners. The District is a citywide lighting district and has approximately 36,800 property owners. For Fiscal Year 2022, an estimated deficit will be covered by a one-time contribution from the District's reserves. Based on the current fiscal year's estimated operating expenditures and reserve contribution, reserves would be exhausted within a 2-3 year period. Staff will continue to analyze the District's financials annually to determine future funding options to maintain operations.

Below is an overview of the District's estimated assessment revenues and proposed expenditures for Fiscal Year 2022. Detailed information can be found in the attached Report.

District	Estimated Costs	Estimated Assessment Revenue	General Benefi Contribution <sup>(1)</sup>	Estimated Excess/(Deficit)	Actual Assessment YOY % Change
LMD 84-1	\$ 2,519,555	\$ 2,024,515	\$ 109,654	\$ (385,386)	0.00%

*1) Benefit received by non-residents of the District for the major/arterial streetlights, traffic signals, traffic control devices and landscape improvements. This amount is contributed by the City's General Fund.*

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely declares the City's intent to levy and collect assessments within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

#### REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Corona (the "City"), State of California, submitted herewith is the Engineer's Report for Lighting Maintenance District No. 84-1 (the "Report"), consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972", as amended, commencing with Section 22500, and which is in accordance with Resolution No. 2021-023 adopted by the City of Corona City Council, Riverside County, California ordering preparation of the Report for Lighting Maintenance District No. 84-1 ("LMD No. 84-1" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2021 to June 30, 2022.

- Section 1** PLANS AND SPECIFICATIONS of the improvements to be maintained and/or improved for the Fiscal Year. The plans and specifications show and describe the existing improvements, and are sufficient in showing and describing the general nature, location and extent of the improvements.
- Section 2** The COST ESTIMATE of the improvements to be maintained and/or improved for the mentioned Fiscal Year.
- Section 3** A METHOD OF APPORTIONMENT OF ASSESSMENT calculates the receipt of special benefit and the general benefit derived from the installation and maintenance and servicing of the respective improvements located throughout the District, and the methodology used to apportion the total assessment to the properties within the District.
- Section 4** An ENGINEER'S SIGNATURE certifying the filing of the Engineer's Report, together with the Assessment Roll and Assessment Diagram.
- Section 5** An ASSESSMENT ROLL showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the boundaries as shown on the below-referenced Diagram.
- Section 6** An ASSESSMENT DIAGRAM of the District. Said Diagram shall show the exterior boundaries of the District and the boundaries of any zones within the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

## Description of Improvements

Generally, the work to be performed consists of the energy and maintenance costs of the 10,915 streetlights, 616 safety lights, and 201 traffic signals and traffic control devices. The City owns and maintains 135 traffic signals; six are jointly-owned with the City of Norco, six are jointly-owned with Riverside County, and 16 are California Department of Transportation (Caltrans) owned and jointly maintained. Riverside County provides a maintenance reimbursement to the District to cover the costs for the county owned signals. The District pays the City's share of expenses for signals that are co-owned or maintained with these other agencies. The City owns and maintains 38 traffic control devices.

The existing streetlight improvements within the District, as shown in the City's Streetlight Atlas, are owned by the Southern California Edison Company and the City. The Streetlight Atlas is on file in the office of the City Engineer and is made part of this Report to the same extent as if attached hereto.

The existing traffic signals and traffic control devices within the District are owned by the City of Corona, Riverside County, City of Norco, and Caltrans. The locations of the traffic signals are shown on the Atlas Map on file in the Traffic Division of the office of the City Engineer and are made a part of this Report to the same extent as if attached hereto.

Annual costs this year provide for:

- ◆ Energy costs for street lighting, traffic signals and traffic control devices.
- ◆ Maintenance costs for street lighting, traffic signals and traffic control devices, including staff, inventory, utility markings, maintenance, servicing, and repair of all equipment, tools, vehicles, and personnel training.
- ◆ Reconstruction and repair contract expenses, including defective service pedestals, vandalism, and circuitry repair.
- ◆ Engineering and administration, including engineering, noticing, legal expenses, finance department expenses for the processing of revenues and electrical payments, and expenses for the maintenance of atlas maps, monitoring of facilities, and the investigation/implementation of cost savings programs.

The class, type, and number of streetlights and traffic lights by Benefit Zone are as follows:

Benefit Zone 1	7,886 Local Lighting
Benefit Zone 2	3,029 Major or Arterial Streetlights
Benefit Zone 3	201 Traffic Signals and Traffic Control Devices, and 616 Safety Lights

## Cost History

As shown on the Cost Estimate in Section 2, the total costs exceed the total amount proposed to be assessed, thus requiring the use of funds from the Operating Reserve account.

Over the last fifteen years, the following conservation measures have been implemented:

### 1. *Traffic Signals*

The signal lights were replaced with LED lights designed to improve energy usage efficiency and therefore reduce energy costs. In addition, a change in energy provider from SCE to the City's Direct Access program resulted in a decrease in electricity costs. These measures have offset the increased cost in electrical charges for the traffic signals.

### 2. *Streetlights*

Installation of photocells for streetlights has resulted in a reduction of electricity costs. In addition, a change in energy provider resulted in additional reduction in electric charges.

### Citywide Street Light Replacement

In Fiscal Year 2011, the City received an Energy Efficiency and Conservation Block Grant (EECBG) from the Department of Energy (DOE) in the amount of \$727,100 to retrofit existing High-Pressure Sodium (HPS) street light fixtures with energy efficient Induction Lighting (IL) technology. The City started construction in May 2011 and completed the installation of 2,518 IL street lights in August 2011.

The new IL technology is saving the City approximately 572,000 kilowatts of power per year, which equates to a 50% reduction in electrical usage at the installation sites while still providing the same illumination of the public streets. The first phase of the project replaced the highest wattage consuming lights which provide the maximum electrical reduction to the system.

In 2016, the City began studying a project to replace older HPS street lights with LED lights, as well as installing a lighting control system for further energy savings and the ability to proactively respond to service issues. The City subsequently received notification from SCE that the rebate for installing LEDs was expected to end by December 2017. In order to take advantage of existing rebates, the City issued Notice Inviting Bid 17-068CA to replace HPS lights with LEDs and install lighting control nodes on both new LEDs and existing induction and LED lights within LMD 84-1. The project was completed in April 2018, and is estimated to have a return on investment of less than 9 years and provide for \$280,000 in savings each year in both energy and staffing. The total project cost was \$3,172,597 for LMD No. 84-1. Additionally, the City received rebates from SCE in the amount of \$868,575, bringing the net project cost to LMD No. 84-1 down to \$2,304,022. The City utilized a low-interest loan from the City's Electricity Fund to pay for the project, since the District's reserves have been depleted over the years. The District will pay the loan back with savings from the project. As of June 30, 2021, the principal amount of the inter-fund loan is \$1,857,611. For Fiscal Year 2022, the projected debt service principal payment on the loan will be \$267,393.

### Detached Properties

From time to time, it is necessary to detach certain territories from LMD No. 84-1 which are described in Appendix D because the services provided by LMD No. 84-1 to those properties will now be provided by newly formed Community Facilities Districts. These properties will not be included in the Fiscal Year 2022 assessments for LMD No. 84-1.

Table 2-1  
Fiscal Year 2022 Cost Estimate

	Estimated Through June 30			
	Zone 1 Local-Lighting	Zone 2 Major/Arterial Lighting	Zone 3 Traffic Signals/Traffic Control Devices	Total
<b>Direct Costs</b>				
Streetlight and Energy Maintenance <sup>1</sup>	\$1,190,377	\$97,431	\$0	\$1,287,808

Reserve Contribution	\$0	\$0	\$0	\$0
<b>Estimated Ending Capital Replacement Reserve<sup>3</sup></b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>

<sup>1</sup> Amount includes projected debt service for inter-fund loan.

<sup>2</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>3</sup> The Capital Replacement Reserve Fund is used for capital improvement projects. See Appendix C for all current projects.

California law, including Article XIII D of the Constitution of the State of California and the Proposition 218 Omnibus Implementation Act (Government Code Section 53750 and following) (the "Omnibus Act"), provide that special assessments, as levied pursuant to the "Landscaping and Lighting Act of 1972," must be based solely on the special benefit properties receive from the work of improvement. The Act does not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings. The Corona City Council has retained the firm of Spicer Consulting Group, LLC. for the purpose of assisting them in making an analysis of the facts in the District and recommending to the Corona City Council the correct apportionment of the assessment obligation.

In performing the analysis, it was necessary to identify the benefits that the improvements being financed by the District have or will render to the properties within the boundaries of the District and to determine the extent to which such properties receive a direct and special benefit as distinguished from benefits received by the general public.

### Proposition 218 Compliance

On November 5, 1996 California voters approved Proposition 218 entitled "Right to Vote on Taxes Act" which added Article XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts. Proposition 218 also requires that all assessment districts existing on the effective date of Proposition 218 (i.e., November 5, 1996) must be ratified by the property owners within the District using the new procedures set forth in Proposition 218 unless the assessments are considered exempt pursuant to California Constitution, Article XIII D, Section 5.

California Constitution, Article XIII D, Section 5 provides that the following assessments existing on the effective date of Proposition 218 are exempt from the new procedures:

1. Any assessment imposed exclusively to finance the capital cost or maintenance and operation expenses for streets.
2. Any assessment levied pursuant to a petition signed by the persons owning all the parcels subject to the assessment at the time the assessment was initially imposed.

Proposition 218 does not define the term "streets"; however, based upon the Omnibus Act and California court decisions (*See Howard Jarvis Taxpayers Association v. City of Riverside*, 73 Cal.App.4th 679 (1999)), it has been determined that assessments levied to finance improvements that are necessary for the operation of streets and sidewalks, including, without limitation, traffic signals, safety lighting and street lighting, are exempt from Proposition 218. LMD No. 84-1, which was formed prior to the effective date of Proposition 218, finances; street lighting, traffic signals and traffic control devices, and thus, is exempt from Proposition 218.

LMD No. 84-1 is an assessment imposed exclusively to finance the capital costs, maintenance and operation expenses for streets as determined by the Omnibus Act and California court decisions (*See Howard Jarvis Taxpayers Association v. City of Riverside*, 73 Cal.App.4th 679 (1999)). It is therefore exempt from Proposition 218. However, the City is trying to make the District as compliant with Proposition 218 as much as possible without changing the methodology used at the time the District was formed.

Even if assessments are initially exempt from Proposition 218, if the assessments are increased in the future or property is annexed to the District, the District will need to comply with the provisions of Proposition 218 for that portion of the increased assessment formula (e.g., CPI increase).

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property," California Constitution, Article XIII D, §2(b). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

### Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that the portion of the cost of the improvement which benefits the public generally to be separated from that portion of the cost of the improvement which specially benefits assessed properties. Proposition 218 provides the following definition of "special benefit":

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

### General Benefit

Street lighting, traffic signals, and traffic control devices provide a direct and special benefit to the residents of the City. However, these same facilities also provide benefits to non-residents as well. These non-residents would include visitors, commercial vendors, shoppers, travelers, and other pass-through traffic. Non-residents would benefit from the major/arterial streetlights, traffic signals, and traffic control devices.

The benefits received by these non-residents are considered general benefits. Proposition 218 requires that the special benefit be separated from the general benefit derived from the improvement and that the costs of the general benefit cannot be imposed as part of the assessment.

Based on the cost estimate shown in Section 2 of this Report, the estimated total cost for providing major/arterial street lights, traffic signals, and traffic control devices is \$1,275,049.64 for Fiscal Year 2022. The total assessment for the major/arterial street lights, traffic signals, and traffic control devices for the same time period is \$977,484.33, with the City contributing a General Benefit contribution totaling \$109,654.27. This amount represents 8.6% of the total cost of maintaining these improvements. Studies prepared by the City's Traffic Division indicate that pass-through traffic represents approximately 8.6% of the total daily traffic within the City, resulting in a general benefit contribution not to exceed 8.6% of the total cost for providing major/arterial street lights, and 8.6% of the total cost for providing traffic signals.

### Direct and Special Benefit

Three benefit zones have been established for LMD No. 84-1. The methods of apportionment, by benefit zone, are as follows:

**Benefit Zone 1** consists of all parcels that have street lighting on the street fronting their lots or parcels. These streets include not only local streets, but also include collectors and major arterials. In some cases, the same light provides a dual benefit to the property owner, both as a collector and arterial street light. This local lighting is of benefit to abutting parcels as it provides increased property protection, personal safety, visibility, traffic safety, and generally enhances those areas fronting upon the illuminated street. City standards require street lights to be spaced at intervals, based on lumen intensity, so all properties receive similar coverage. This results in a special benefit received by each parcel in Benefit Zone 1.

Units were assigned to parcels with local lighting upon property frontage along the illuminated streets as follows:

#### Benefit Zone 1

Parcel Frontage	Benefit Unit
0-75'	1
76-150'	2
151-225'	3
226-300'	4
Over 300'	1 per 75'

Since a vast majority of the residential lots in the District have frontage of less than 75 feet, this dimension was selected as typical of a normal residential lot and was assigned one (1) benefit unit of assessment. Larger parcels and lots were assigned additional benefit units in 75-foot increments. There are condominiums and mobile home lots within the District which are individually owned. The frontage along the perimeter of these developments was divided by the number of units or lots within the respective developments and assessed accordingly to each unit or lot. Isolated parcels within Benefit Zone 1 which do not have streetlights upon their frontage were not assigned Benefit Zone 1 benefit units.

**Benefit Zone 2** consists of the entire District, including the area encompassed by Benefit Zone 1. Improvements that benefit the District as a whole are the high intensity lighting of collector and arterial streets. These lights are much brighter than the local streetlights described in Benefit Zone 1 and provide for both traffic and pedestrian safety on those major streets and intersections that carry City-wide traffic engaged in commerce, shopping and recreational trips. The brighter lights create an image of a progressive, well-lit city to outsiders and direct enhancement of property values. An equitable measure of benefit common to the large tracts of South Corona and the residential/commercial areas is parcel size. The relationship between residential parcels and acreage has been established at five residential lots to one acre based on the general density of the District.

Using this measure, a normal residential lot was assigned one (1) benefit unit with larger parcels being assigned five (5) benefit units per acre as follows:

#### **Benefit Zone 2**

Parcel Area	Benefit Unit
0-12,000 SF	1
12,001-20,000 SF	2
20,001-28,000 SF	3
28,001-36,000 SF	4
36,001 SF – 1 Acre	5
Over 1 Acre	5 per acre

Benefit Zone 2 facilities include, but are not limited to, streetlights located on all or portions of Ontario Avenue, Sixth Street, Avenida Del Vista, Via Del Rio, Smith Street, River Road, Lincoln Avenue, Railroad Avenue, Main Street, Parkridge, Magnolia Avenue, Serfas Club Drive, Auto Center Drive, Hidden Valley Parkway (formerly Yuma Drive), Foothill Parkway, Promenade Avenue, McKinley Street, Green River Drive, Ridgeline Drive, California Avenue, Rimpau Avenue, Highgrove Street, and Fullerton Avenue.

Vehicular trip generation rates for the Riverside County region identify trip generations for varying land use types which includes agriculture and open space property, which generate significantly less trips per day than that produced by urbanized properties. Therefore, it has been determined that agricultural lands receive one-half of the benefit of Benefit Zone 2 lighting that is received by urbanized lands within the District. Therefore, one-half of the Benefit Zone 2 costs were transferred to Benefit Zone 1 and assessed according to the frontage criteria established for Benefit Zone 1 costs.

**Benefit Zone 3** consists of the entire District. Traffic signals and traffic control devices benefit the entire District by allocating time among conflicting movement seeking use of the same physical space. These signals provide for both traffic and pedestrian safety on the major intersections that carry City-wide traffic. They provide an orderly traffic flow that assures safety and movement throughout the District and benefits the District as a whole.

Traffic generation values can be established based on a parcel's land use and area. Benefit Zone 3 benefit units are determined by multiplying a parcel's Benefit Zone 2 benefit units by a traffic generation factor for a certain land use as follows; excepting any developed single family residential parcel regardless of size which will be assessed a traffic generation factor of one.

*Benefit Zone 3*

Land Use	Traffic Factor
Developed Single-Family Residential Parcel	1
Developed Multi-Family Parcel	2
Developed Commercial Parcel	3

Vacant land, other than agricultural vacant land, was assessed half the traffic factor according to the respective projected land use.

In general, with traffic signals and traffic control devices not being located in agricultural areas, a traffic generation factor was not assigned to agricultural land.

**Whereas**, on May 5th, 2021, the City Council, under the Act, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for LMD No. 84-1;

**Whereas**, the Resolution of Initiation directed Spicer Consulting Group, LLC. to prepare and file a report presenting plans and specifications describing the general nature, location, and extent of improvements to be maintained; an estimate of the costs of the maintenance, operations, and servicing of the improvements for LMD No. 84-1 for the referenced Fiscal Year; a diagram for LMD No. 84-1 showing the area and properties to be assessed; and an assessment of the estimated costs of the maintenance, operations, and servicing of the improvements, assessing the net amount upon all assessable lots and/or parcels within LMD No.84-1 in proportion to the special benefit received;

**Now Therefore**, the assessments are made to cover the portion of the estimated costs of maintenance, operation and servicing of said improvements to be paid by the assessable real property within LMD No. 84-1 in proportion to the special benefit received.

*Table 3-1*  
*Assessments by Zone*

Benefit Zone	Actual Assessment <sup>4</sup>	Benefit Units	Per Benefit Unit (BU)		
			Max Assessment	Actual Assessment	% of Max
1	\$1,047,032	36,737.94	\$28.50	\$28.50	100%
2	\$74,671	67,883.65	\$1.10	\$1.10	100%
3	\$902,812	97,495.93	\$9.26	\$9.26	100%

For the specific assessment on each parcel, reference is made to the Assessment Roll on file with the City Clerk which is made a part of this report to the same extent as if attached hereto.

<sup>4</sup> Actual levy may differ due to rounding.

Executed this 7th day of July 2021.

FRANCISCO MARTINEZ JR  
PROFESSIONAL CIVIL ENGINEER NO. 84640  
ENGINEER OF WORK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached was filed with me on the \_\_\_\_\_ day of \_\_\_\_\_, 2021, by adoption of Resolution No. 2021-\_\_\_\_ by City Council.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagrams there to attached, was approved and confirmed by the City Council of the City of Corona, California on the \_\_\_\_\_ day of \_\_\_\_\_, 2021.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are referenced in Appendix A of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report. If any APN identified therein is submitted for collection and identified by the County Auditor/Controller of the County of Riverside to be an invalid parcel number for any fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

The District boundary coincides with the boundary of the parcels included within the District as of the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Reference is made to the County Assessor's Roll and Maps for a detailed description of the lines and dimensions of any lot or parcel. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

An Assessment Diagram is attached hereto in Appendix B, showing the boundaries of LMD No. 84-1 and boundaries of any Benefit Zones established within the District as the same existed at the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

## Capital Project

With the completion of the LED retrofit in Fiscal Year 2018, the District does not anticipate any major future capital improvement projects for the next several years. As funds allow and the need arises, induction lights will be changed out to LEDs. Street light cabinets will also be evaluated and replaced over the next several years.

## **RESOLUTION NO. 2021-059**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT FOR LIGHTING MAINTENANCE DISTRICT NO. 84-1 FOR FISCAL YEAR 2022 AND TO DETACH CERTAIN TERRITORY FROM THE DISTRICT**

**WHEREAS**, on June 2, 2021, the City Council of the City of Corona (the “City Council”) adopted Resolution No. 2021-038, a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which among other things, scheduled a public hearing on the levy and collection of assessments on the lots and parcels of the assessable property within Lighting Maintenance District No. 84-1 (the “District”) for Fiscal Year 2022 pursuant to the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the “Act”) for 6:30 p.m. on July 7, 2021, in the City Council Chambers of the City of Corona, at 400 South Vicentia Avenue, Corona, California; and

**WHEREAS**, notice of said hearing was duly published as required by Sections 22552 and 22553 of said Act; and

**WHEREAS**, at the time and place of said hearing, as set forth in said resolution of intention, the City Council held the hearing and afforded all interested persons an opportunity to be heard, and considered all oral statements and all written protests or communications made or filed by any interested persons, and at the conclusion of said hearing determined that a majority protest, to wit: written protests filed and not withdrawn by property owners owning more than 50 percent of the area of assessable land within the District, had not been received.

**WHEREAS**, certain territory that is within the boundaries of the District described in Exhibit “A” attached hereto and incorporate herein by reference (“Detached Properties”) has now been included within or annexed to one or more community facilities districts established by the City of Corona (“CFD’s”); and

**WHEREAS**, the CFD’s provide the same services to the Detached Properties that were provided by the District; and

**WHEREAS**, the assessments levied by the District have not been levied on the Detached Properties as of the Detachment Year listed in Exhibit “A” that corresponds to each Assessor’s Parcel Number; and

**WHEREAS**, the City Council desires to detach the Detached Properties from the District.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Findings and Approval of Final Report.** The City Council find that:

- (a) The foregoing recitals are true and correct;
- (b) Compliance has been maintained with all of the applicable requirements of the Act;
- (c) A majority protest to the levy and collection of the proposed assessment has not been filed;
- (d) The City Council may therefore proceed to confirm the boundary and assessment for the District for Fiscal Year 2022, and order levy and collection of the assessment;
- (e) The assessment proposed to be levied on the lots and parcels of assessable property within the District for the maintenance and servicing of public lighting facilities during Fiscal Year 2022, as contained in the Final Annual Engineer's Report prepared by Spicer Consulting Group, LLC on file with the City Clerk (the "Report"), are based on the proportionate special benefit derived by such lots and parcels from the availability of such public lighting facilities;
- (f) The proportionate special benefit derived by each such lot or parcel has been determined in relationship to the entirety of the cost of the maintenance and servicing of such public lighting facilities;
- (g) Such assessments do not exceed the reasonable cost of the proportional special benefit conferred on each such lot and parcel;
- (h) Such assessments will not be increased over the amounts previously approved by the electors of the District or as otherwise permitted by the Act and Article XIID of the California Constitution; and
- (i) Based on the foregoing and the full record before the City Council, the Report as whole and each part thereof are finally approved and confirmed.

**SECTION 2. Levy of Assessment.** Pursuant to Section 22631 of the Streets and Highways Code, the adoption of this resolution constitutes the levy of the assessment for the maintenance and servicing of public lighting facilities within the District during Fiscal Year 2022, as contained in the Report, and such assessment is hereby levied. The City Clerk is directed to file a certified copy of this resolution together with the diagram and assessment contained in the Report with the County Auditor of the County of Riverside, who, pursuant to Section 22645 of the Streets and Highways Code, shall enter on the County Assessment Roll opposite each lot or parcel of land the amount assessed thereupon, as shown in the said assessment.

**SECTION 3. Detached Territory.** Pursuant to Sections 22605 et seq. of the Streets and Highways Code, the City Council hereby orders the detachment of the Detached Properties from the District. The Detached Properties are described in Exhibit "A" and Appendix D of the Report for the District for Fiscal Year 2022.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Public Hearing confirming the diagram and assessment for Lighting Maintenance District No. 2003-1 for Fiscal Year 2022.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution is the last step of the annual proceedings for the levy and collection of the special assessment for Lighting Maintenance District No. 2003-1 for Fiscal Year 2022. The City Council will conduct a public hearing to afford all interested parties an opportunity to make verbal or written comments on the proposed annual assessment.

At the conclusion of the hearing, it is recommended that the City Council adopt the said resolution confirming the diagram and assessments for the District for Fiscal Year 2022, which will constitute the levy of the assessment for the maintenance and servicing of public lighting facilities within the District, in accordance with the Streets and Highways Code.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-060, confirming the diagram and assessment for Lighting Maintenance District No. 2003-1 for Fiscal Year 2022.

**BACKGROUND & HISTORY:**

Lighting Maintenance District No. 2003-1 ("LMD 2003-1" or "District") was established in accordance with the provisions of the Landscaping and Lighting Act of 1972 (the "1972 Act") in 2003. The purpose of the District is to provide lighting, maintenance and operating services for the streetlights, traffic signals, and related appurtenances within the District's boundaries.

**ANALYSIS:**

The State of California Street and Highways Code Section 22500 requires an annual review of the assessments levied by the assessment districts formed under the 1972 Act. In order to levy and

collect special assessments within such districts, Engineer's Reports must be prepared, which provide details on the improvements that are maintained and the estimated budgets for each district.

On May 5, 2021, the City Council adopted Resolution No. 2021-024, to initiate the proceedings to levy and collect assessments for the District for Fiscal Year 2022, appointed Spicer Consulting Group, LLC as the engineer of record, and ordered the preparation of an Engineer's Report for the District.

On June 2, 2021, the City Council adopted Resolution No. 2021-039, to declare the City's intention to levy and collect assessments within the District for Fiscal Year 2022, approve the preliminary Engineer's Report (the "Preliminary Report"), and provide a notice of public hearing consider the proposed assessments. A notice of public hearing was published in the local newspaper on June 9, 2021.

Attached is the final Engineer's Report (the "Report") for the District, which is consistent with the Preliminary Report. The Report includes a detailed description of the existing improvements within the District, the estimated maintenance costs, the method of assessment apportionment for each lot or parcel within the District boundaries, and a diagram showing the boundaries of the District. The Report also provides an analysis of the District's financial status.

#### **FINANCIAL IMPACT:**

The cost of construction, installation, operation, servicing, and maintenance of the District will be funded by the assessments levied and collected within the District. For Fiscal Year 2022, it is projected that the current year assessment revenue will be sufficient to cover the operating costs during the same fiscal period.

The proposed levy for Fiscal Year 2022 is the same as the Fiscal Year 2021 levy, which will result in no increase to the parcels in the District. Based on the Fiscal Year 2022 activity analysis, the District will utilize the capital reserves to maintain the current levy amount. Staff will continue to analyze the District's financials annually to determine future funding options to maintain operations.

Below is an overview of the District's estimated assessment revenues and proposed expenditures for Fiscal Year 2022. Detailed information can be found in the attached Report.

	Estimated	Estimated	General Benefi	Estimated	Actual
District	Costs	Assessment Revenue	Contribution <sup>(1)</sup>	Excess/(Deficit)	Assessment YOY % Change
LMD 2003-1	\$ 141,988	\$ 130,673	\$ 12,285	\$ 970	0.00%

*1) Benefit received by non-residents of the District for the major/arterial streetlights, traffic signals, traffic control devices and landscape improvements. This amount is contributed by the City's General Fund.*

#### **ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is

covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely declares the City's intent to levy and collect assessments within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

#### REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Corona (the "City"), State of California, submitted herewith is the Engineer's Report for Lighting Maintenance District No. 2003-1 (the "Report"), consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972" (the "Act"), as amended, commencing with Section 22500, and which is in accordance with Resolution No. 2021-024 adopted by the City of Corona City Council, Riverside County, California ordering preparation of the Report for Lighting Maintenance District No. 2003-1 ("LMD No. 2003-1" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2021 to June 30, 2022.

- Section 1** PLANS AND SPECIFICATIONS of the improvements to be maintained and/or improved for the Fiscal Year. The plans and specifications show and describe the existing improvements, and are sufficient in showing and describing the general nature, location and extent of the improvements.
- Section 2** A COST ESTIMATE of the improvements to be maintained and/or improved for the mentioned Fiscal Year.
- Section 3** A METHOD OF APPORTIONMENT OF ASSESSMENT calculates the receipt of special benefit and the general benefit derived from the installation and maintenance and servicing of the respective improvements located throughout the District, and the methodology used to apportion the total assessment to the properties within the District.
- Section 4** An ENGINEER'S SIGNATURE certifying the filing of the Engineer's Report, together with the Assessment Roll and Assessment Diagram.
- Section 5** An ASSESSMENT ROLL showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the boundaries as shown on the below-referenced Diagram.
- Section 6** The ASSESSMENT DIAGRAM of the District. Said Diagram shall show the exterior boundaries of the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

## Description of Improvements and Services

Generally, the work to be performed consists of the energy and maintenance costs of the 125 streetlights, 59 safety lights, and 13 traffic signals. The City owns and maintains eight traffic signals; three are California Department of Transportation (Caltrans) owned and jointly maintained and two are jointly owned with Riverside County, all within the City and within the boundaries of LMD No. 2003-1.

The existing and proposed streetlight improvements within the District as shown in the City's Streetlight Atlas are or will be owned by the City. The Streetlight Atlas is on file in the office of the City Engineer and is made part of this report to the same extent as if attached hereto.

The existing and proposed traffic signals within the District are or will be owned in the future by the City. The locations of the traffic signals are shown on the Atlas Map on file in the Traffic Division of the office of the City Engineer and are made a part of this report to the same extent as if attached hereto.

Annual costs this year provide for:

- ◆ Energy costs for street lighting and traffic signals;
- ◆ Maintenance costs for street lighting and traffic signals, including staff, inventory, utility markings, maintenance, servicing and repair of all equipment, tools and vehicles, and personnel training;
- ◆ Equipment and trucks may also be required to maintain this District area. As the District grows, it will be necessary to increase manpower to provide adequate maintenance;
- ◆ Reconstruction and repair contracts, including defective service pedestals, vandalism, and circuitry repair;
- ◆ Engineering and administration (incidental costs), including engineering, noticing, legal expenses, finance department expenses for the processing of revenues and electrical billings, and expenses for the maintenance of atlas maps, monitoring of facilities, and the investigation and implementation of cost savings programs; and
- ◆ Future capital improvements. (Refer to CIP Program and Appendix C)

The class, type, and number of streetlights and traffic lights by Benefit Zone are as follows:

Benefit Zone 1	24	Local Lighting
Benefit Zone 2	101	Major or Arterial Streetlights
Benefit Zone 3	13	Traffic Signals and 59 Safety Lights

Table 2-1

<b>Estimated Ending Capital Replacement Reserve<sup>2</sup></b>	<b>\$44,378</b>	<b>\$92,288</b>	<b>\$317,230</b>	<b>\$453,896</b>

<sup>1</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>2</sup> The Capital Replacement Reserve Fund is used for capital improvement projects. See Appendix C for all current projects.

California law, including Article XIII D of the Constitution of the State of California and the Proposition 218 Omnibus Implementation Act (Government Code Section 53750 and following) (the "Omnibus Act"), provide that special assessments, as levied pursuant to the "Landscaping and Lighting Act of 1972," must be based solely on the special benefit properties receive from the work of improvement. The Act does not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings. The Corona City Council has retained the firm of Spicer Consulting Group, LLC. for the purpose of assisting them in making an analysis of the facts in the District and recommending to the Corona City Council the correct apportionment of the assessment obligation.

In performing the analysis, it was necessary to identify the benefits that the improvements being financed by the District have or will render to the properties within the boundaries of the District and to determine the extent to which such properties receive a direct and special benefit as distinguished from benefits received by the general public.

### Proposition 218 Compliance

On November 5, 1996 California voters approved Proposition 218 entitled the "Right to Vote on Taxes Act" which added Article XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new procedural requirements for the formation and administration of assessment districts. The costs of the proposed improvements have been identified and allocated to properties within the District based on special benefit. The improvements provided by this District and for which properties are assessed are public street lighting improvements. These improvements generally were installed in connection with the development of the properties within the District and were required by the City as a condition of development.

Article XIII D Section 2(d) defines "District" as follows:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service;"

Article XIII D Section 2(i) defines "Special Benefit" as follows:

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute 'special benefit'."

Article XIII D Section 4(a) defines "proportional special benefit assessments" as follows:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

### Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that the portion of the cost of the improvement which benefits the public generally be separated from that portion of the cost of the improvement which specially benefits assessed properties. Proposition 218 provides the previous definition of "special benefit".

## General Benefit

The street lighting and traffic signal improvements within LMD No. 2003-1 have been or will be installed as conditions of approval for the proposed projects within the District. If these improvements were not installed, the subject projects would not be allowed to be developed.

Approximately 5% of the street lights funded by the District are located at the perimeter/entryway of the District. The street lights located at the perimeter/entryways, in contrast to the remainder of the lights funded by the District, arguably provide some illumination that extends beyond the boundaries of the District that enhances the safety of members of the public unassociated with the assessed parcels, that illuminates traffic or parking on major thoroughfares, or that otherwise provides services to the general public. Although, in general, these street lights exist solely because of the development of assessed parcels, and although the primary purpose of these lights is to provide illumination for assessed parcels, they may provide some level of general benefit in addition to the special benefits provided to the assessed parcels. We estimate that this general benefit constitutes not more than 25% of the total benefit from perimeter/entryway lights. As 25% of the benefit from 5% of the lights constitutes not more than 2% of the total benefit from all improvements operated and maintained by the District, we determine that the total general benefit from operation and maintenance activities will not exceed 2% of operations and maintenance costs.

The traffic signals located throughout the District provide for safety and increases efficiency for the circulation of traffic. The general benefit provided by these traffic signals is equal to the proportionate share of the total average daily trips that do not originate or depart from the areas within the District. Temescal Canyon Road is a major arterial roadway that runs in the north/south direction and is located on the southeast side of the City limits within LMD No. 2003-1. There were several types of reports that were analyzed along the specified roadway. Reports that included the Average Daily Traffic (ADT) as well as the turning movement counts were collected. It was determined from these reports that the ADT for Temescal Canyon Road is 14,632 vehicles per day.

The Crossings Shopping Center (located at Northwest corner of Cajalco Road and Temescal Canyon Road) generates a large amount of daily trips to its location. With movie theaters, shops, and dining, the Crossings Shopping Center is a destination for large quantities of vehicles. Reports including the ADT and turning movement counts were also reviewed at the intersection of Dos Lagos Road and Temescal Canyon Road. Dos Lagos Road is a minor arterial roadway. The number of vehicles detected in these reports that travel northbound were all assumed to travel to the Crossings Shopping Center located off of Cajalco Road, which is a major arterial roadway.

Based on the volume of vehicles entering the road on the south and then exiting on the north, along with all the turning movements within the community, it was determined that 1,465 vehicles travel on Temescal Canyon Road for "cut-through" purposes on a daily basis. This value was used to determine the percentage of vehicles that "cut-through" by dividing it into the total ADT. From this calculation, it was concluded that 90% of vehicles on Temescal Canyon Road travel to the Crossings Shopping Center. Therefore, only 10% of vehicles are utilizing Temescal Canyon Road as a "cut-through."

The "cut-through" traffic itself only occurs in the AM hours of the weekdays. During the PM hours as well as the weekends, no "cut-through" traffic occurs. The increase in volume of vehicles during these times is an increase in trips traveling to the Crossings Shopping Center. It is typical to have more vehicles travel to a shopping center during PM hours and on weekends because that is when most drivers are off of work and have more availability.

To conclude, multiple ADT and turning movement count reports were analyzed at different intersections located along Temescal Canyon Road. From these reports, raw data was collected and used for calculations. The calculations determined that 90% of vehicles traveling on Temescal Canyon Road are traveling to the Crossings Shopping Center and only 10% of the total Temescal Canyon Road traffic is for "cut-through" purposes. Therefore, we estimate that this general benefit constitutes not more than 10% of the total benefit from traffic signals. We determined that the total general benefit from operation and maintenance activities will not exceed 10% of operations and maintenance costs.

## Direct and Special Benefits

Three benefit zones have been established for LMD No. 2003-1. The methods of apportionment, by benefit zone, are as follows:

**Benefit Zone 1** consists of all parcels that have street lighting on the street fronting their lots or parcels. The streetlights include not only local streets but could also include collector and major arterials. The same streetlight can provide a dual benefit to the property owner by being both a collector and arterial streetlight. This local lighting is of a direct and special benefit to abutting parcels only as it provides increased property protection, personal safety, visibility, traffic safety, and enhances those areas fronting upon the illuminated street. City standards require street lights to be spaced at intervals based on lumen intensity so all properties receive equal coverage. This results in a special benefit received by each parcel in Benefit Zone 1.

Benefit units were assigned to parcels with local lighting upon property frontage along the illuminated streets as follows:

Parcel Frontage	Benefit Unit
0-75'	1
76-150'	2
151-225'	3
226-300'	4
Over 300'	1 per 75'

The dimension of 75 feet was selected as typical frontage for a normal residential lot, since a vast majority of the residential lots in the City have frontage of less than 75 feet. Larger parcels and lots were assigned additional benefit units in 75-foot increments.

For any future condominiums, apartments and mobile home lots within the District which will be individually owned, the local street frontage along the perimeter of these developments will be divided by the number of units or lots within the respective developments and proportionately assigned to each unit or lot.

Isolated parcels within Benefit Zone 1 which do not have streetlights upon their frontage were not assigned Benefit Zone 1 benefit units.

**Benefit Zone 2** consists of all the parcels within LMD No. 2003-1, including the area encompassed by Benefit Zone 1. Improvements that benefit the District as a whole are the high intensity lighting of major streets. These lights are much brighter than the local streetlights described in Benefit Zone 1 and provide for both traffic and pedestrian safety on those major streets and intersections that carry traffic generated both within and outside the District engaged in commerce, shopping, and recreational trips. The direct and special benefit provided is an image of a progressive and well-lit District area to outsiders that directly enhances property values District-wide.

An equitable measure of benefit common to residential, commercial and industrial areas is parcel size. The relationship between residential parcels and acreage has been established at four residential lots to one acre based on the general density of the City as a whole.

Using this measure, a normal residential lot was assigned one (1) benefit unit with larger parcels being assigned four (4) benefit units per acre as follows:

Parcel Area	Benefit Unit
0-12,000 SF	1
12,001-24,000 SF	2
24,001-36,000 SF	3
36,001 SF – 1 Acre	4
Over 1 Acre	4 per acre

Benefit Zone 2 facilities include, but are not limited to, streetlights located on all or portions of Temescal Canyon Road, Cajalco Road, Weirick Road, and the eastside of Compton Avenue located within the District.

*Benefit Zone 3* consists of all parcels in LMD No. 2003-1. Traffic signals benefit the entire District by allocating time among conflicting movement seeking use of the same physical space. These signals provide for both traffic and pedestrian safety on the major intersections that carry traffic, generated both within and outside the District. The direct and special benefit they provide is an orderly traffic flow that assures safety and movement throughout the District

Traffic generation values can be established based on a parcel's land use and area. Benefit Zone 3 benefit units are determined by multiplying a parcel's Benefit Zone 2 benefit units by a traffic generation factor for certain land use as follows, excepting any developed single-family residential parcel regardless of size which will be assessed a traffic generation factor of one.

Land Use	Traffic Factor
Developed Single-Family Residential Parcel	1
Developed Multi-Family Parcel	2
Developed Commercial/Industrial Parcel	3

**Whereas**, on May 5<sup>th</sup>, 2021, the City Council under the Act, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for LMD No. 2003-1;

**Whereas**, the Resolution of Initiation directed Spicer Consulting Group, LLC to prepare and file a report presenting plans and specifications describing the general nature, location, and extent of improvements to be maintained, an estimate of the costs of the maintenance, operations and servicing of the improvements for LMD No. 2003-1 for the referenced Fiscal Year, a diagram for LMD No. 2003-1 showing the area and properties to be assessed, and an assessment of the estimated costs of the maintenance, operations and servicing of the improvements, assessing the net amount upon all assessable lots and/or parcels within LMD No. 2003-1 in proportion to the special benefit received;

**Now Therefore**, the assessments are made to cover the portion of the estimated costs of maintenance, operation and servicing of said improvements to be paid by the assessable real property within LMD No. 2003-1 in proportion to the special benefit received.

**Table 3-1**  
**Assessments by Zone**

The approximate dollar per benefit unit value, by zone, for Fiscal Year 2022, is as follows:

Benefit Zone	Actual Assessment <sup>1</sup>	Benefit Units	Per Benefit Unit (BU)		% of Max
			Max Assessment	Actual Assessment	
1	\$3,236	225.65	\$114.62	\$14.34	13%
2	\$17,878	1,897.84	\$30.67	\$9.42	31%
3	\$109,559	3,715.12	\$56.51	\$29.49	52%

For the specific assessment on each parcel, reference is made to the Assessment Roll beginning at the end of this Section.

To ensure that the District will be able to pay for the costs of the operation, maintenance, and servicing of the streetlights and traffic signals if an increase occurs, there is a maximum rate of assessment for each Benefit Zone which increase annually by the percentage increase in the Consumer Price Index (All Items) for Riverside-San Bernardino-Ontario California Standard Metropolitan Statistical area since the beginning of the preceding Fiscal Year, or by two percent (2.00%), whichever is greater, on July 1, 2004 for Fiscal Year 2005 and on each subsequent July 1 for the Fiscal Year then commencing. The percentage increase in the Consumer Price Index is three and fifty-six hundredths percent (3.56%). Therefore, the maximum rates of assessment per Benefit Zone will increase by 3.56% for FY 2022. The Bureau of Labor Statistics of the United States Department of Labor has discontinued the Los Angeles-Riverside-Orange County, CA Index.

### Public Lands

Article XIII D mandates that "parcels within a district that are owned or used by any agency, the State of California, or the United States shall not be exempt from assessment unless the agency can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit." LMD No. 2003-1 includes one public owned parcel, Assessor's Parcel Number 279-470-022-9, that is approximately 10.41 gross acres and is owned by the City of Corona. This parcel is to be used as a wastewater treatment plant. The function and use of this public property is not enhanced by the streetlights and traffic signals. Therefore, this parcel is deemed not to benefit, thus receiving a zero assessment.

### Annexations

Since the District's formation in 2003, five developments have been annexed into LMD No. 2003-1.

<sup>1</sup> Actual levy may differ due to rounding.

Executed this 7th day of July 2021.

A handwritten signature in blue ink, appearing to read "Francisco Martinez Jr.", written over a horizontal line.

FRANCISCO MARTINEZ JR  
PROFESSIONAL CIVIL ENGINEER NO. 84640  
ENGINEER OF WORK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was filed with me on the \_\_\_\_\_ day of \_\_\_\_\_, 2021, by adoption of Resolution No. 2021-\_\_\_\_ by City Council.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Reports, together with the Assessment Roll and Assessment Diagram thereto attached, was approved and confirmed by the City Council of the City of Corona, California on the \_\_\_\_\_ day of \_\_\_\_\_, 2021.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are listed in Appendix A of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report. If any APN identified therein is submitted for collection and identified by the County Auditor/Controller of the County of Riverside to be an invalid parcel number for any fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

The District boundary coincides with the boundary of the parcels included within the District as of the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Reference is made to the County Assessor's Roll and Maps for a detailed description of the lines and dimensions of any lot or parcel. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

An Assessment Diagram is attached hereto in Appendix B, showing the boundaries of LMD No. 2003-1 as the same existed at the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

## Capital Project

The six traffic signals along Temescal Canyon in the Dos Lagos area were first activated in 2006. Since that time, several technologies have improved, and the traffic signal infrastructure is beginning to show its age. Additionally, new traffic signals have been constructed along Eagle Glen and Cajalco freeway ramps. Recently, newer camera technology has been deployed at these intersections to facilitate better vehicle detection for traffic signal actuation. Furthermore, High-definition CCTV cameras have been procured for traffic monitoring purposes to replace legacy cameras. These systems have the ability to send live video feeds to City Hall for live monitoring and recording. Due to age and nearby construction, the existing wireless connection to City Hall has failed. As part of a City-Wide Advanced Traffic Management System Phase 3 project, a new communication system is being designed which will include a high speed, high bandwidth fiber optic connection to the Dos-Lagos area. A Capital Improvement Project was appropriated in the amount of \$415,000 in Fiscal Year 2019 for the installation of many traffic signal enhancements with approximately \$171,000 remaining. The purpose of these remaining funds will be used to construct the high speed fiber optic connection that will provide the area with remote traffic signal diagnostics, video monitoring and enable City Traffic Engineering staff to serve the area more efficiently.

## **RESOLUTION NO. 2021-060**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT FOR LIGHTING MAINTENANCE DISTRICT NO. 2003-1 FOR FISCAL YEAR 2022**

**WHEREAS**, on June 2, 2021, the City Council of the City of Corona (the “City Council”) adopted Resolution No. 2021-039, a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which among other things, scheduled a public hearing on the levy and collection of assessments on the lots and parcels of the assessable property within Lighting Maintenance District No. 2003-1 (the “District”) for Fiscal Year 2022 pursuant to the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the “Act”) for 6:30 p.m. on July 7, 2021, in the City Council Chambers of the City of Corona, at 400 South Vicentia Avenue, Corona, California; and

**WHEREAS**, notice of said hearing was duly published as required by Sections 22552 and 22553 of said Act; and

**WHEREAS**, at the time and place of said hearing, as set forth in said resolution of intention, the City Council held the hearing and afforded all interested persons an opportunity to be heard, and considered all oral statements and all written protests or communications made or filed by any interested persons, and at the conclusion of said hearing determined that a majority protest, to wit: written protests filed and not withdrawn by property owners owning more than 50 percent of the area of assessable land within the District, had not been received.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Findings and Approval of Final Report.** The City Council find that:

- (a) The foregoing recitals are true and correct;
- (b) Compliance has been maintained with all of the applicable requirements of the Act;
- (c) A majority protest to the levy and collection of the proposed assessment has not been filed;
- (d) The City Council may therefore proceed to confirm the boundary and assessment for the District for Fiscal Year 2022, and order levy and collection of the assessment;
- (e) The assessment proposed to be levied on the lots and parcels of assessable property within the District for the maintenance and servicing of public lighting facilities during Fiscal Year 2022, as contained in the Final Annual Engineer’s Report prepared by Spicer

Consulting Group, LLC on file with the City Clerk (the “Report”), are based on the proportionate special benefit derived by such lots and parcels from the availability of such public lighting facilities;

(f) The proportionate special benefit derived by each such lot or parcel has been determined in relationship to the entirety of the cost of the maintenance and servicing of such public lighting facilities;

(g) Such assessments do not exceed the reasonable cost of the proportional special benefit conferred on each such lot and parcel;

(h) Such assessments will not be increased over the amounts previously approved by the electors of the District or as otherwise permitted by the Act and Article XIID of the California Constitution; and

(i) Based on the foregoing and the full record before the City Council, the Report as whole and each part thereof are finally approved and confirmed.

**SECTION 2. Levy of Assessment.** Pursuant to Section 22631 of the Streets and Highways Code, the adoption of this resolution constitutes the levy of the assessment for the maintenance and servicing of public lighting facilities within the District during Fiscal Year 2022, as contained in the Report, and such assessment is hereby levied. The City Clerk is directed to file a certified copy of this resolution together with the diagram and assessment contained in the Report with the County Auditor of the County of Riverside, who, pursuant to Section 22645 of the Streets and Highways Code, shall enter on the County Assessment Roll opposite each lot or parcel of land the amount assessed thereupon, as shown in the said assessment.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Public Hearing confirming the diagram and assessment within Zone 6 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution is the last step of the annual proceedings for the levy and collection of special assessment within Zone 6 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022. The City Council will conduct a public hearing to afford all interested parties an opportunity to make verbal or written comments on the proposed annual assessment.

At the conclusion of the hearing, it is recommended that the City Council adopt the said resolution confirming the diagram and assessments for the District for Fiscal Year 2022, which will constitute the levy of the assessment for the maintenance and servicing of public landscaping and appurtenant facilities within the District, in accordance with the Streets and Highways Code.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-061, confirming the diagram and assessment within Zone 6 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022.

**BACKGROUND & HISTORY:**

Zone 6 of Landscape Maintenance District No. 84-2 ("LMD 84-2" or "District") was established in accordance with the provisions of the Landscaping and Lighting Act of 1972 (the "1972 Act") in 1986. The purpose of the District is to provide landscape maintenance and operating services for the public landscaping and appurtenant facilities within the District's boundaries.

The annual assessments proposed to be levied within the District will pay for the maintenance of parks, slopes, parkways, and open spaces during Fiscal Year 2022. Services provided include all necessary operations, administration, capital replacements, and maintenance required to keep the

above-mentioned improvements in a healthy and satisfactory working condition.

**ANALYSIS:**

The State of California Street and Highways Code Section 22500 requires an annual review of the assessments levied by the assessment districts formed under the 1972 Act. In order to levy and collect special assessments within such districts, Engineer's Reports must be prepared, which provide details on the improvements that are maintained and the estimated budgets for each district.

On May 5, 2021, the City Council adopted Resolution No. 2021-025, to initiate the proceedings to levy and collect assessments for the District for Fiscal Year 2022, appointed Spicer Consulting Group, LLC as the engineer of record, and ordered the preparation of an Engineer's Report for the District.

On June 2, 2021, the City Council adopted Resolution No. 2021-040, to declare the City's intention to levy and collect assessments within the District for Fiscal Year 2022, approve the preliminary Engineer's Report (the "Preliminary Report"), and provide a notice of public hearing to consider the proposed assessments. A notice of public hearing was published in the local newspaper on June 9, 2021.

Attached is the final Engineer's Report (the "Report") as it pertains to the District, which is consistent with the Preliminary Report. The Report includes a detailed description of the existing improvements within the District, the estimated maintenance costs, the method of assessment apportionment for each lot or parcel within the District boundaries, and a diagram showing the boundaries of the District. The Report also provides an analysis of the District's financial status.

**FINANCIAL IMPACT:**

The cost of operation, servicing and maintenance of the District will be funded by the assessments levied and collected within the District. For Fiscal Year 2022, it is projected that the current year assessment revenue will be insufficient to cover the operating costs during the same fiscal period, which will be covered by a one-time contribution from the capital reserves.

The proposed levy for Fiscal Year 2022 is the same as the Fiscal Year 2021 levy, which will result in no increase to the parcels in the District. The District was formed with no escalator included in the method of apportionment. Per Proposition 218, which was adopted in 1996, an increase in the assessment rates would require a vote of the property owners. The District has approximately 2,844 property owners. Based on the current fiscal year's estimated operating expenditures and reserve contribution, reserves would be exhausted in about 10 years. Staff will continue to analyze the District's financials annually to determine future funding options to maintain operations.

Below is an overview of the District's estimated assessment revenues and proposed expenditures for Fiscal Year 2022. Detailed information can be found in the attached Report.

	Estimated Costs	Estimated Assessment Revenue	Estimated Excess/(Deficit)	Actual Assessment YOY % Change
District				
LMD 84-2, Zone 6	342,465	315,035	(27,430)	0.00%

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely declares the City's intent to levy and collect assessments within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

STATE OF CALIFORNIA

#### REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Corona (the "City"), State of California, submitted herewith is the Engineer's Report (the "Report") for the Landscape Maintenance District No. 84-2, consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972" (the "Act"), as amended, commencing with Section 22500, and which is in accordance with Resolution Nos. 2021-025, 026, and 027 adopted by the City of Corona City Council, Riverside County, California ordering preparation of the Report for Landscape Maintenance District No. 84-2 ("LMD No. 84-2" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2021 to June 30, 2022.

- Section 1** PLANS AND SPECIFICATIONS of the improvements to be maintained and/or improved for the Fiscal Year. The plans and specifications show and describe the existing and proposed improvements and are sufficient in showing and describing the general nature, location and extent of the improvements.
- Section 2** A COST ESTIMATE of the improvements to be maintained and/or improved for the mentioned Fiscal Year.
- Section 3** A METHOD OF APPORTIONMENT OF ASSESSMENT calculates the receipt of special benefit and the general benefit derived from the installation and maintenance and servicing of the respective improvements located throughout the District, and the methodology used to apportion the total assessment to the properties within the District.
- Section 4** An ENGINEER'S SIGNATURE certifying the filing of the Engineer's Report, together with the Assessment Roll and Assessment Diagram.
- Section 5** ASSESSMENT ROLLS showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the boundaries as shown on the below-referenced Diagram. The Assessment Rolls can be found in Appendix A.
- Section 6** The ASSESSMENT DIAGRAMS of the District. Said Diagrams shall show the exterior boundaries of the District and the boundaries of any zones within the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies. The Assessment Diagrams can be found in Appendix B.

LMD No. 84-2 consists of 12 Benefit Zones that were all formed in 1986. The types of services provided for Zones 1, 2, 4, 6, 7, 10, 14, 15, and 17 through 20 are the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, fitness circuit equipment, pathway lighting, green space and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacements, and maintenance required to keep the above-mentioned improvements in a healthy, vigorous, and satisfactory working condition. The above maintenance and services may be referred to herein as the "Landscape Improvements". Below is a description of each Zone within the boundaries of the District.

#### Description of the Boundaries and Improvement Services of LMD No. 84-2

**Benefit Zone 1** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the west parkway of Lincoln Avenue adjacent to the benefit zone. The improvements were required by the conditions of approval for Tract No. 19288 and Tract No.'s 19288-1 through 19288-5.

**Benefit Zone 2** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the buffer zone along the westerly boundary of the open space designated as Lot "A" within Tract No. 19981 and the Corydon Street parkways. Also to be maintained are the access road and the natural open space of Lot "A." The improvements were required by the condition of approval for Tract No. 19981.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and open space lot (Lot "A"), within Tract No. 20515. The improvements were required by the condition of approval for Tract No. 20515.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and Lot "C" of Tract No. 21354. The improvements were required by the condition of approval for Tract No. 21354.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street, Tract No.'s 27305-1 through 27305-9, and incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 4** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ Parkway irrigation system, trees, and ground cover along Ontario and Fullerton Avenues and Old Temescal Road within the benefit zone. The improvements were required by the condition of approval for Tract No. 19480.
- ◆ Parkway irrigation system, trees, and ground cover adjacent to the following tracts and along Old Temescal Road and Ontario, Fullerton, and Rimpau Avenues. The improvements were required by the condition of approval for Tract No.'s 19690, 19690-1, and 19690-2.
- ◆ Parkway irrigation system, trees, and ground cover along Old Temescal Road and Fullerton and Rimpau Avenues within the benefit zone. The improvements were required by the condition of approval for Tract No. 19688.
- ◆ Parkway irrigation system, trees, ground cover, and sidewalk within the 12-foot parkways adjacent to Tract No. 22961, along Old Temescal Road and Rimpau Avenue. The improvements were required by the condition of approval for Tract No. 22961.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 6** includes all property within Assessment District No. 79-2, located north and south of Route 91 between Cresta Verde and Buchanan Street. The improvements consist of maintaining the following irrigation systems, trees, and ground cover along the following:

- ◆ McKinley Street median between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line (approximately 200 feet north of Mt. Humpries Street).
- ◆ Promenade Avenue median between 2,000 feet west of McKinley Street and 1,300 feet east of McKinley Street.
- ◆ Parkway and streetscape landscaping along McKinley Street, between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line, except on the west side between Sampson Avenue and Magnolia Avenue.
- ◆ Parkway and streetscape landscaping along Promenade Avenue between the Riverside Freeway and Buchanan Street.
- ◆ Parkway and streetscape landscaping along portions of Buchanan Street adjacent to the area known as Westfield Corona and from Wimbledon Drive to the north boundary of said area.

- ◆ Parkway and streetscape landscaping along the north side of Wimbledon Drive from Buchanan Street to Surry Circle; north side of Dartmouth Street from Buchanan Street to Chelsea Way; both sides of Eaton Street between Coventry Way and Astoria; and both sides of Brittany Drive between Newcastle and Promenade Avenue.
- ◆ Parkway and adjacent slope irrigation, trees, and ground cover along the east side of Mondale Street, between Kennedy Drive and Promenade Avenue; open space Lots 79 and 80 of Tract No. 21213; and the slopes adjacent to the Riverside Freeway. The improvements were required by the conditions of approval for Tract No. 21213.
- ◆ Parkway irrigation, trees, and ground cover along the north side of Cresta Road between Harding Road and Promenade Avenue and the southwest side of Collett Avenue between Coolidge Street and Promenade Avenue as were required by the conditions of approval for Tract No. 19191.
- ◆ Parkway irrigation, trees, and ground cover along the west side of Collett Avenue between Promenade Avenue, and 400 feet southwest of Cresta Road as were required by the conditions of approval for Tract No. 19666.
- ◆ Parkway irrigation and ground cover along the northeast side of Cresta Avenue, along Lots 31 through 34 of Tract No. 19191-2.
- ◆ Natural conditions within open space Lots 69, 83, 84, and 126 of Tract No. 20775.
- ◆ The irrigation system and landscape improvements within Lots D and E of Tract No. 23454 and Lots C, D, and E of Parcel Map No. 23376.
- ◆ The irrigation system and landscaping within the parkway along the northwesterly side of Buchanan Street from the south side of Dartmouth Street to the north side of Wimbledon Drive. The improvements were required by the condition of approval for Tract No. 24129 and Parcel Map No. 24041.
- ◆ The irrigation system and landscaping within the median and parkway along McKinley Street and adjacent to Assessor Parcel Numbers 172-420-002 and 172-420-003. The improvements were required by the condition of approval for Assessor Parcel Numbers 172-420-002 and 172-420-003.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 29876.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.
- ◆ The improvements are required as set forth by Specific Plan "SP 81-2" and were constructed both under Assessment District No. 79-2, City of Corona, State of California and as conditions of approval for various developments.

*Benefit Zone 7* improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover constructed as part of the detention basin within Lot 142 of Tract No. 20966; and the parkway and slope landscaping along Ontario Avenue. The improvements were required by the condition of approval for Tract No.'s 20818, 21720, and 20966.
- ◆ The irrigation system, trees, and ground cover as part of the detention basin within Lot 1 of Tract No. 19159-1.
- ◆ The irrigation system and landscape improvements within the common lots adjacent to Ontario Avenue and within Tract No.'s 21203 and 21720.
- ◆ Decorative block wall and landscaping in the ten-foot wide landscaping lot along Via Pacifica.
- ◆ Landscape pockets and landscaping within the decorative wall along Citron Street, between Via Pacifica and the Oak Street Channel.
- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 22535 and along Ontario Avenue, and slope easements located within Lots 1, 27, and 28 of Tract No. 22535.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

*Benefit Zone 10* includes two distinct areas that are within Specific Plan "SP 85-2", as approved by the Corona City Council on September 18, 1985. The improvements to be maintained consist of the following:

- ◆ Parkway irrigation system, trees, and ground cover along both sides of Green River Drive, Ridgeline Drive, Serfas Club Drive, Paseo Grande, Montana Ranch Road, and Palisades Drive. Also to be maintained are the lots designated for open space and

the fuel modification zone, including erosion control, plant replacement, and landscaping debris cleanup. The improvements were required by the condition of approval for Tract No. 20872.

- ◆ The irrigation system, trees, and ground cover within the common area designated as Lot No. 17, Tract No. 12166. The improvements were required by the condition of approval for Tract No. 12166.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 14** improvements were a condition of approval for Tract No.'s 20796 and 22579 and consist of maintaining irrigation systems, trees, and ground cover along the following:

- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets.
- ◆ Flood control detention basins.
- ◆ The above improvements were required as set forth by the Woodlake Specific Plan "SP 85-3" approved by the Corona City Council on November 20, 1985 and by the condition of approval for Map No. 20796.
- ◆ The irrigation system and landscaping within Lots A through D, Tract No. 22579 and those portions of the Hidden Valley Parkway within Tract No. 22579. The improvements were required by the condition of approval for said tract.
- ◆ The irrigation system and landscaping within Lots F and I, Tract No. 25249. The improvements were required by the condition of approval for Tract No. 25249.
- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets. The improvements were required by the conditions of approval for Tract No. 29595.
- ◆ Median, parkway, and streetscape landscaping along Stevens Drive. The improvements were required by the conditions of approval for Parcel Map No. 33533.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 15** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover of the parkway along the public right-of-way within Tract No. 20006. The improvements were required by the condition of approval for said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 17** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 21355 and along Stagecoach Road; slope easements located within Lots 1 through 6 and 192 through 205; and the westerly parkway on Stagecoach Road from the southerly boundary of Tract No. 21355 to Corydon Street.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 18** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No.'s 24716 & 32195; Assessor Parcel Numbers 119-060-018; 119-060-020; and 119-060-022; and along River Road (including the center median area); Lincoln Avenue and Harrington Street; and the riparian habitat area within and adjoining that portion of the Norco Channel within said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 19** consists of various developments within South Corona for which the improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping in accordance with the South Corona Community Facilities Plan. These improvements are also referred to as the "South Corona Streetscapes," and includes parkways, medians, and dedications to the City of Corona from past and future South Corona development.
- ◆ The irrigation system and landscaping within Lots A and B, Parcel Map No. 22908, and the portion of the westerly Lincoln Avenue parkway fronting said map.
- ◆ The irrigation system and landscaping within the easterly Mangular Avenue parkway adjacent to Tract No. 24118.

- ◆ The irrigation system and landscaping within the easterly parkway along Oak Avenue, the northeasterly parkway along Chase Drive, adjacent to Tract No. 23434, and within Lots L, M, O, P, Q, R, S, T, and U of Tract No. 23434.
- ◆ The irrigation system and landscaping within Lots F and G of Tract No. 22707 and that portion of the westerly Mangular Avenue parkway adjacent to said map.
- ◆ The irrigation system and landscaping within Lots A and B of Tract No. 20971 and that portion of Fullerton Avenue (formerly Garretson Avenue) parkway fronting said map.
- ◆ The irrigation system and landscaping within Lots A, K, and L, Tract No. 24326 and the parkways adjacent to said tract and along Chicago Street and Citrus Way. The improvements were required by the condition of approval for Tract No. 24326.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 23861 and along California Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23401-1 and 23401-2, and along California and Chase Avenues; and the bike path adjacent to said tracts and along Chase Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25009 and along Foothill Parkway, Highgrove Street, and Lot F of Tract No. 25009.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24533, along the east side of Lincoln Avenue, north side of Foothill Parkway, and west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24271 and along the west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and J of Tract No. 27199, and the parkways adjacent to said tract and along the north side of Santana Way.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 26807, 25466, and 25652C, and along the east side of Fullerton Avenue (formerly Garretson Avenue), south side of Foothill Parkway, both sides of Valencia Avenue, and the north side of Upper Drive.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 25817 and along the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within Lots D, E, F, and I of Tract No. 26012-1 and the parkways adjacent to Tract No.'s 26012-1 and 26012, along the east side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and E, Tract No. 26903-1 and the parkways adjacent to said tract and along the north side of Chase Drive and the east side of Fullerton Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27504, along the north side of Chase Drive and the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25887, along the north side of Chase Drive and the west side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within parkways on Fullerton and Gilbert Avenues adjacent to Parcel Map 24234, all within Annexation No. 37.
- ◆ The irrigation system and landscaping within parkways north of Encanto Street and west of Hudson Avenue adjacent to Tract No. 26062, all within Annexation No. 40.
- ◆ The irrigation system and landscaping within parkways adjacent to Parcel Map 26695 located east of Gilbert Avenue, all within Annexation No. 45.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25466 and 25466-1 and along the north side of Upper Drive and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 52.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27802, along the north side of Foothill Parkway and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 53.
- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No. 25311R and along the south side of Chase Drive and the north side of Foothill Parkway, all in Annexation No. 54.

- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27916-1, 27916-2, and 27916-3, along the east side of Lincoln Avenue, all in Annexation No. 55.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23956, 23956-1, and 23956-2, along the west side of Kellogg Avenue, all in Annexation No. 56.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27860 along the north side of Foothill Parkway, all in Annexation No. 57.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24272 and Tract No.'s 24272-1 through 24272-8, along the east and west sides of Lincoln Avenue, and along the west side of Buena Vista Avenue, all in Annexation No. 58; and the irrigation system and landscaping within parkways adjacent to Tract No. 25690, along the west side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26117-1, along the north side of Foothill Parkway, all in Annexation No. 59.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25571 and 25571-1 and along the north and south side of Citrus Way, all in Annexation No. 60.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27833, 27833-1, and 27833-2, along the west side of Fullerton Avenue, all in Annexation No. 61.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25315, 25315-1, 25315-2, and 25315-3, along the east side of Kellogg Avenue and the south side of Santana Way, all in Annexation No. 62.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 24077, 24077-1, 24077-2, and 24077-3, all in Annexation No. 63.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25396, along the east side of Rimpau Avenue, and along the west side of California Avenue, all in Annexation No. 64.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24840, along the south side of Valencia Avenue and north side of Upper Drive, all in Annexation No. 65.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 28177 and 28177-1, and along the south side of Foothill Parkway, the east side of Rimpau Avenue, and the north side of Valencia Avenue, all in Annexation No. 66.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25310R, along the south side of Chase Drive, the east side of Fullerton Avenue, and the north side of Foothill Parkway, all in Annexation No. 67.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25468, 25468-1, 25468-2, and 25468-3, along the south side of Foothill Parkway and the west side of California Avenue, all in Annexation No. 68.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26058 and along the south side of Chase Drive and the west side of Fullerton Avenue, all in Annexation No. 69.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 26978 and along the east side of Lincoln Avenue, all in Annexation No. 70.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26238, along the south side of Taber Road, and along the west side of California Avenue, all in Annexation No. 71.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 28180, along the south side of Ontario Avenue and the west side of Rimpau Avenue, all in Annexation No. 73.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25917R-1, all in Annexation No. 74.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26807-R, along the east side of Fullerton Avenue, the north side of Valencia Road, and the south side of Foothill Parkway, all in Annexation No. 75.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 20** consists of the Mountain Gate Specific Plan and its Amendment ("SPA90-09") Area for which improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkways and medians of the arterial and collector streets, including the additional landscape lots that are proposed to be dedicated along a number of the major streets.
- ◆ The structure and exterior face of the project theme walls located along the major arterial and collector streets in the planned community.
- ◆ Entry monuments and special landscape areas located at the major project entries, secondary project entries, individual subdivision entries, and special landscape areas identified on the Mountain Gate landscape master plan.
- ◆ The landscaping, bicycle paths, recreational improvements, and open space areas which may be developed and dedicated to the public within the designated estate residential cluster development areas, exclusive of public park areas.
- ◆ The designated fuel modification areas in the hillside overlay zone of Planning Area 26.
- ◆ Other improvements which may be accepted by the City Council for maintenance by the landscape maintenance district.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

### Changes in Benefit Zone Boundaries

During the lifetime of the District, several changes have occurred that affect the boundaries of the benefit zones. The plans and specifications for the changes are on file with the City of Corona.

1. Due to the nature, location, and extent of the improvements it has been determined that some benefit zones received the same degree of benefit. Accordingly, these benefit zones have been eliminated by consolidating them with other zones, as follows:
  - ◆ Benefit Zone 8 was consolidated into Benefit Zone 7.
  - ◆ Benefit Zone 9 and 13 were consolidated into Benefit Zone 4.
  - ◆ Benefit Zone 11 was consolidated into Benefit Zone 10.
2. Four benefit zones were eliminated for the following reasons:
  - ◆ Benefit Zones 3 and 5 have been eliminated because the interim detention basins are no longer necessary due to the installation of storm drains.
  - ◆ Benefit Zone 12 has been eliminated because improvements formerly maintained by the City are now maintained by the Cresta Verde Golf Course.
  - ◆ Benefit Zone 16 has been eliminated because the interim detention basin is no longer necessary due to the Oak Street Channel improvement. The property maintenance has been turned over to the underlying property owner and all affected property owners were notified of the levy being discontinued.
3. Due to the nature, location, and extent of the improvements, the Mountain Gate Specific Plan Area was detached from Benefit Zone 19 to establish Benefit Zone 20.

The cost of servicing, maintaining, repairing, and replacing the actual improvements as described in the Plans and Specifications are summarized as follows:

*Table 2-1*  
*Benefit Zone 1 - Budget*

Direct Costs	Estimated through June 30	
	FY 2021	FY 2022
Contract Services	\$1,688	\$1,691
Maintenance Inspection and Administration	\$1,729	\$946
Utilities	\$700	\$700
<b>Total Direct Costs</b>	<b>\$4,117</b>	<b>\$3,337</b>
<b>Indirect Costs</b>		
County Admin	\$170	\$170
City Personnel/Overhead	\$99	\$102
Engineering Costs	\$22	\$22
<b>Total Indirect Costs</b>	<b>\$291</b>	<b>\$294</b>
<b>Total Costs</b>	<b>\$4,408</b>	<b>\$3,631</b>
<b>Collection/(Contribution)</b>		
Operating Reserve	\$0	\$0
Capital Replacement Reserve	(\$261)	\$516
<b>Total Adjustments</b>	<b>(\$261)</b>	<b>\$516</b>
<b>Total Assessment</b>	<b>\$4,147</b>	<b>\$4,147</b>
<b>Reserve Fund Balances</b>		
Beginning Operating Reserve	\$2,204	\$1,816
Reserve Collection	\$0	\$0
Reserve Contribution	\$0	\$0
<b>Est. Ending Operating Reserve<sup>(1)</sup></b>	<b>\$2,204</b>	<b>\$1,816</b>

Reserve Contribution	(\$261)	\$0
<b>Est. Ending Capital Replacement Reserve<sup>(2)</sup></b>	<b>\$19,390</b>	<b>\$20,555</b>

<sup>(1)</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>(2)</sup> The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2022, \$516 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the capital improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 1.

Reserve Contribution	(\$7,115)	(\$262)
<b>Est. Ending Capital Replacement Reserve<sup>(2)</sup></b>	<b>\$0</b>	<b>\$0</b>

<sup>(1)</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy. For FY 2022, \$11,859 is being contributed to subsidize the levy.

<sup>(2)</sup> The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2022, \$262 is being contributed to subsidize the levy. Please refer to Appendix C for a list of the Capital Improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 17.

For FY 2022, \$284,129 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the Capital Improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 20.

### Proposition 218 Compliance

On November 5, 1996 California voters approved Proposition 218, entitled the "Right to Vote on Taxes Act," which added Article XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new substantive and procedural requirements for the formation and administration of assessment districts. Proposition 218 provides that all existing, new, or increased assessments must comply with Proposition 218's new substantive and procedural requirements unless the assessment is "grandfathered" as one of the four categories of assessments that existed on or before November 6, 1996 and is therefore exempted from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Two of the four categories of assessments that are "grandfathered" under Proposition 218 and are relevant to the District are:

1. Any assessment imposed exclusively to finance the capital cost or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control.
2. Any assessments levied pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment was initially imposed.

For purposes of applying the first exception, Proposition 218 does not define the term "streets"; however, based upon the opinions of public agency officials, attorneys and assessment engineers, as well as language in the Proposition 218 Omnibus Implementation Act (Government Code §§ 53750 et seq.) and the court's reasoning in *Howard Jarvis Taxpayers Association v. City of Riverside*, 73 Cal.App.4<sup>th</sup> 679 (1999), it has been determined that the term "streets" includes median and parkway landscaping, traffic signals, safety lighting, and street lighting, and all other public improvements located within the street right-of-way, since assessments for these types of improvements are traditionally appropriate, non-abusive special assessments. The improvements and services financed by LMD No. 84-2 constitute physical parts of the right-of-way in which the street is located, contribute to road and sidewalk safety, and provide for drainage and treatment of runoff. Therefore, the assessments levied by LMD No. 84-2 (other than the assessments for the Post Proposition 218 Annexations, defined below) are grandfathered under the first exception, and thus the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit, do not apply.

The second exception to the application of Proposition 218 also applies to LMD No. 84-2, because the District was initiated by a petition signed by the property owners within the District boundaries at the time it was formed and, therefore, the assessments are exempt from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Even if assessments are initially "grandfathered" under Proposition 218 and thus exempt from the substantive and procedural requirements of Proposition 218, if the assessments are increased in the future the City will need to comply with the provisions of Proposition 218 for that portion of the increased assessment formula (e.g., CPI increase). Additionally, although the assessments levied within LMD No. 84-2 are considered "grandfathered", the City has determined that it is appropriate to ensure that the assessments levied against properties that were annexed to LMD No. 84-2 after the passage of Proposition 218 comply with the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit. The City has identified the following annexations to LMD No. 84-2 as annexations that were approved after the passage of Proposition 218 (collectively "Post 218 Annexations"):

Table 3-1  
Annexations

Annexation Year	Annexation Number	Zone	Property Annexed
2013	85	20	TT 34760
2013	84	10	TT 35590R
2007	83	14	PM 33761
2006	82	14	PM 33533
2005	81	18	TR 32195
2005	80	18	APN 119-060-018, -020, -022
2004	79	14	TR 29595
2001	78	14	PM 30197
2001	77	6	TR 29876
1997	76	2	TR 27305-8, -9

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property," (California Constitution, Article XIII D, §2(b)). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

### Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

There is no statutory definition or judicially approved formula for calculating general benefit. For purposes of this Report, general benefits are benefits from improvements or services that are not special in nature, are not particular and distinct, and are not over and above the benefits received by other properties. Proposition 218 defines "special benefit" as "a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large. General enhancement of property value does not constitute 'special benefit'."

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that the portion of the cost of the improvements which benefits the public generally (i.e., general benefits) be separated from the portion of the cost of the improvements which specially benefits assessed properties (i.e., special benefits).

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are listed in Appendix A. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report.

## General Benefit

### *Post 218 Annexations*

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, the City has determined that the Landscape Improvements maintained within the Post 218 Annexations by each benefit zone (other than the Nominal General Benefit Annexations, defined and discussed below) provide negligible general public benefit in that each benefit zone is comprised of separate and discrete neighborhoods for which the Landscape Improvements were installed. The Landscape Improvements do not extend beyond the perimeter of the boundary of each of those discrete neighborhoods. Additionally, other than the Nominal General Benefit Annexations discussed below, the improvements financed by LMD No. 84-2 for the Post 218 Annexations do not include any Landscape Improvements in the parkway areas fronting each discrete neighborhood. In other words, all of the Landscape Improvements financed by LMD No. 84-2 for the Post 218 Annexations are located entirely within the interior areas of the developments that comprise and are included in the Post 218 Annexations.

As further explained in the Direct and Special Benefit section, the Landscape Improvements within the Post 218 Annexations provide a direct advantage only to the properties that are within the boundaries of each discrete neighborhood/benefit zone. Although the discrete neighborhoods that comprise each benefit zone could be accessed by the public at large, the Landscape Improvements within the Post 218 Annexations that are financed by LMD No. 84-2 were specifically designed, located and created to provide additional and improved public resources exclusively for real property within the Post 218 Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views and other special benefit factors discussed below under Direct and Special Benefit. Moreover, since all properties within each benefit zone have equal access and opportunity to enjoy the Landscape Improvements within the Post 218 Annexations that are financed by District assessments, all properties within each benefit zone benefit equally from the Landscape Improvements and the costs and expenses for the landscaping maintenance and services are appropriately apportioned on a per parcel or a per acre basis. Based upon the foregoing, the City has concluded that there is no measurable general benefit associated with the Landscape Improvements financed with the assessments levied against properties within the Post 218 Annexations (other than the Nominal General Benefit Annexations discussed below).

### *Nominal General Benefit Annexations*

In reviewing the location and extent of the specific landscaped areas and improvements within the Post 218 Annexations that are funded by the District assessments and the proximity and relationship to properties to be assessed, it has been determined that the following annexation areas include landscape improvements within the parkway areas fronting the developments that comprise and are included in the Post 218 Annexations: Annexation 76 to Zone 2 (TR 27305-8 & 9), Annexation 78 to Zone 14 (PM 30197), Annexation 80 to Zone 18 (APN Nos. 119-060-18, -020, -022), and Annexation 81 to Zone 18 (TR 32195) (collectively, "Nominal General Benefit Annexations"). At the time of annexation of these developments, the improvements to be financed by the District assessments were considered local improvements that were required to be installed in connection with the development of properties within these annexation areas. Similar to the Post 218 Annexations, the Landscape Improvements within the Nominal General Benefit Annexations that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large.

Similar to the Post 218 Annexations, the majority of the Landscape Improvements (see discussion below regarding the Landscape Improvements within frontage parkway areas) provided and maintained within the Nominal General Benefit Annexations do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises the annexation area and are located entirely within the interior areas of the developments that comprise and are included in the Nominal General Benefit Annexations. As such, the interior Landscape Improvements within the Nominal General Benefit Annexations provide a direct advantage only to the properties that are within the boundaries of each annexation area. Although the developments that comprise and are included in the Nominal General Benefit Annexations could be accessed by the public at large, the Landscape Improvements within these annexation areas that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views, and other special benefit factors discussed in the Direct and Special Benefit section.

However, as indicated above, the assessments levied within the Nominal General Benefit Annexations also provide and maintain Landscape Improvements within the parkway areas fronting the developments that comprise and are included in the Nominal General Benefit Annexations. Since these parkway areas are readily accessible and viewable by the public at large, there may be some general benefit enjoyed by the general public as a result of the Landscape Improvements located and maintained in these parkway areas. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within the Nominal General Benefit Annexations at the enhanced level or standard that the Landscape Improvements are currently provided and maintained. The maintenance, upkeep, and repair of such parkway Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. As such, the maintenance of the Landscape Improvements within the parkway areas fronting each annexation area to the current enhanced level and standard of maintenance has a direct and particular impact or special benefit only on those properties within the Nominal General Benefit Annexations and any maintenance or services beyond that which is required to ensure the safety and protection of the general public and property, has no identifiable benefit to the public at large or properties outside these annexations. The general benefit derived from the maintenance of the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations can be quantified as the cost that the City would incur to provide the minimal level of maintenance and services necessary for public health and safety. The costs incurred to maintain the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations over and above this minimum level of service would provide a direct advantage only to the properties within the Nominal General Benefit Annexations and is considered to be a special benefit.

In the absence of the assessments levied by LMD No. 84-2, the City would typically provide only weed abatement and erosion control services for parkway areas. These services would typically be provided twice annually. This level of service provides for public safety and avoids negative impacts on adjacent roadways and vehicles traveling on those roadways, but results in a far less visually pleasing environment than is created with the enhanced level of service currently provided to the parkway areas within the Nominal General Benefit Annexations. The cost to provide the baseline weed abatement and erosion control level of service is approximately \$0.02 per square foot, twice a year, for parkway areas. The general benefit is determined by multiplying the weed abatement and erosion control service costs by the square footage of these parkway areas. Since the baseline services, unlike the enhanced level of service that is provided as a result of the District assessments, provide some benefits to the general public and to the neighborhoods outside of the benefit zones, the cost of providing this baseline service is treated as the cost of general benefits from landscape maintenance services. Utilizing these per square foot costs and the square footages of the parkway areas in the Nominal General Benefit Annexations, the current estimated general benefit costs calculated for the frontage parkway areas within Annexation 76 to Zone 2 is \$209.09, within Annexation 78 to Zone 14 is \$766.66, and within Annexation Zones 80 and 81 to Zone 18 is \$382.80. These general benefit costs are identified as the "General Benefit Contribution" in the applicable Zone budgets in Section 2 (Cost Estimate) of this Report and will be credited to those properties included within the Nominal General Benefit Annexations. Funding for these general benefit costs will be provided by the City's General Fund.

### Direct and Special Benefit

The types of services provided within LMD No. 84-2 is the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacement and maintenance required to keep the above-mentioned improvements in a healthy, vigorous and satisfactory working condition.

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, particular direct and special benefit is provided by the Landscape Improvements which include, but are not limited to, enhanced aesthetics of areas within the benefit zones providing additional desirability for potential buyers, a more pleasant environment to walk, drive, live, and work for property owners in addition to controlling dust and potential erosion. The primary function of these Landscape Improvements and related amenities is to serve as an aesthetically pleasing enhancement and green space for the benefit of the immediately surrounding development within the individual benefit zones for which the improvements were constructed and installed. These improvements are an integral part of the physical environment of parcels within the benefit zones, and if the improvements were not properly maintained, it is these parcels that would be negatively affected. In addition, the landscape improvements serve as a physical buffer as well as a sound reduction or buffer between the roadways and the properties in the

benefit zones, as well as a physical buffer and openness between properties within the benefit zones. The improvements installed in connection with the development of the parcels constituting the benefit zones would not be necessary or required without the development of those parcels within the District.

The assessment revenue derived from real property in each benefit zone is expended only on the Landscape Improvements in that benefit zone. The Landscape Improvements are located in close proximity to the real property within each benefit zone that is subject to the assessments and provide a direct advantage to the property in the benefit zone in that the improvements funded by the assessments are directly provided only to the real property in each benefit zone. Other than the Nominal General Benefit Annexations, the Landscape Improvements do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises a benefit zone and are located entirely within the interior areas of each neighborhood. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within LMD No. 84-2 and the maintenance, upkeep, and repair of such Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. Therefore, the assessments provide and fund Landscape Improvements that are over and above what otherwise would be provided. The fact that the Landscape Improvements are over and above what otherwise would be provided, combined with the unique proximity and access to the Landscape Improvements enjoyed by real property within LMD No. 84-2, demonstrates that the assessments provide a direct advantage and special benefit to real property within LMD No. 84-2.

### Method of Apportionment

Pursuant to the Landscaping and Lighting Act of 1972 and Article XIII D of the Constitution of the State of California, all parcels that have special benefit conferred upon them as a result of the maintenance and operation of improvements shall be identified and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire cost of the maintenance and operation of the improvements. Only parcels that receive direct special benefit are assessed, and each parcel is assessed in proportion to the estimated benefit received.

To proportionally allocate special benefit to each parcel, it is necessary to correlate each property's proportional benefit to other properties that benefit from the improvements and services being funded: In order to do this, the assessment methodology assigns each parcel a number of benefit units based on its land use. One benefit unit is defined as the special benefit allocable to a single family home.

**Single Family Residential Property** - The method of apportionment assigns each fully subdivided single family residential dwelling one benefit unit.

**Multi-Family Residential Property** - This land use classification identifies residential developments that typically have 60% fewer people per dwelling unit than single family residential property and therefore have been assigned to 0.60 benefit unit, per dwelling.

**Commercial Property** - The method of apportionment assigns benefit units by multiplying the overall acreage by five benefit units per acre, (based on the typical number of residential property in an acre of typical development).

**Benefit Zones 1, 2, 4, 7, 15, 17, and 18** - Prior to total development and the recordation of tract maps, the benefit will be assessed according to the number of lots, units, or acreage within the tentative tract map.

**Benefit Zone 6** - As development occurs and prior to total development, each undeveloped parcel will be assessed the number of projected benefit units in accordance with SP 81-2.

**Benefit Zone 10** - Currently, there are approximately 0.97 acres of undeveloped property and one parcel classified as reserved development within this zone. The Assessor's Parcel Number is 102-370-009.

A reserved development designation was assigned to Assessor's Parcel Number 102-370-009 under SP 85-2. Other than for mining purposes, development of Assessor's Parcel Number 102-370-009, approximately 80 acres, is not anticipated at this time.

**Benefit Zone 14** - SP 85-3 (Tract No. 20796) and Tract No. 22579 created approximately 2,553 residential units of varying densities and 12.3 acres of commercial support. The updated total projected build-out is approximately 2,350 units. This benefit zone is at near build-out status and nearly all benefit units have been assessed.

**Benefit Zone 19** - Benefit Zone 19 consists of various developments within South Corona. The method of assessment is based on approximately 3,700 benefit units with a residential dwelling equal to one benefit unit.

**Benefit Zone 20** - SPA90-09 proposes 3,248 residential units of varying densities, 15.1 acres of commercial developments, and 15.8 acres of quasi-public land use. Currently, there are 2,754 residential units, 10.1 acres of commercial development, and 6.91 acres of quasi-public land use. At the present time the benefit zone maintains 62.47 acres of landscaping.

### Prior Proposition 218 Proceedings for Rate Increase

**Benefit Zone 1** – In 2001, due to increased maintenance costs and low reserves, a special election was held to increase Benefit Zone 1 from \$22.54 per assessment unit to \$33.54 per assessment unit (an \$11.00 increase per assessment unit). The proposed increase failed to receive a majority ballot approval. Consequently, the trees and turf suffered considerably due to the lack of irrigation. Maintenance and operating service costs were reduced to eliminate tree trimming, replacement, and any landscape enhancement. In 2012, the turfgrass was removed and decomposed granite ("DG") was installed to help further reduce maintenance costs.

**Benefit Zone 4** - After a failed election in 2002, the City received many complaints from property owners within Benefit Zone 4 due to the condition of the landscape. Therefore, the City again conducted a special election pursuant to the provisions of Proposition 218 for Benefit Zone 4 in July of 2003. The proposed increase for Benefit Zone 4 was from \$75.00 to \$138.00 (\$63.00 per assessment unit). In order to provide sufficient funds from the levy and collection of assessments within the benefit zone in future Fiscal Years to pay increasing costs due to inflation, it was proposed that the assessments levied on assessable parcels of property in Benefit Zone 4 should be subject to annual increases in future years, commencing in Fiscal Year 2007, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario ("CPI") or three percent (3%), whichever is less. Benefit Zone 4 received a favorable majority vote and the charge per assessment unit was increased from \$75.00 to \$138.00 commencing in Fiscal Year 2007. The maximum assessment per benefit unit for Benefit Zone 4 will escalate three and zero one hundredths percent (3.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$192.55.

**Benefit Zone 10** - After a failed election in 2007, the City received many complaints from property owners within Benefit Zone 10 due to the condition of the landscape. On April 2, 2008, the City Council, in response to input from residents, approved a petition and re-ballot process to allow for property owners to re-vote. The procedure required signed petitions from at least 25% of the properties within the benefit zone to trigger a re-vote. This requisite equated to approximately 725 signed petitions from the record property owners indicating their intended support of the proposed annual levy increase from \$335.61 to \$540.00 per assessment unit. Benefit Zone 10 met the required minimum number of petitions favoring the re-ballot process, and a public hearing on the proposed levy increase was scheduled for June 18, 2008. Benefit Zone 10 received a favorable majority vote and the charge per assessment unit was increased for Fiscal Year 2009. The rate per assessment unit for Benefit Zone 10, is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2012, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per benefit unit, for Benefit Zone 10 will escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum charge assessment per benefit unit \$648.54.

**Benefit Zone 14** - After two failed elections, the irrigation and maintenance in Benefit Zone 14 was reduced due to lack of funding, causing the landscape areas to deteriorate. In order to revitalize declined areas and keep up with inflation and rising costs, this benefit zone underwent a third Proposition 218 ballot proceeding on August 28, 2007. Benefit Zone 14 received a favorable majority vote and the charge per benefit unit was increased from \$100 to \$230 in Fiscal Year 2009. The rate per benefit unit for Benefit Zone 14 is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2013, by the percent increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per unit for Benefit Zone 14, escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$270.81.

The landscaped and irrigated areas increased to approximately 31.44 acres in Fiscal Year 2009 and due to the increase in the assessment, a phased capital improvement program was implemented to revitalize areas that had been subjected to previous years' cutbacks. This phased program started in Fiscal Year 2009 with the first year's allocation of approximately \$636,000. Of this amount, \$450,000 was borrowed from Fund 289, to be paid back over 10 years at 4.2% interest. The loan was paid in full in Fiscal Year 2019.

**Benefit Zone 19** - The 1996-97 Notice of Public Meeting and Hearing noticed (and subsequently confirmed by the City Council) a \$7.00 per benefit unit per Fiscal Year increase from \$107.00 to a maximum of \$126.00 per year. Therefore, Fiscal Year 2015 and future years' annual levy for maintenance expenses will be the same as the prior Fiscal Year 2014 levy of \$126.00 per benefit unit (at the maximum). Since this benefit zone is lacking an inflation factor in its assessment methodology the maintenance costs will continue

to increase while the revenues remain the same, causing this benefit zone's deficit to increase annually. A Proposition 218 Ballot proceeding will be necessary for this benefit zone in order to eliminate the deficit and replenish the reserves.

**Benefit Zone 20** - After a failed election, Benefit Zone 20 property owners met the City's requisite of 621 signed petitions that triggered a re-vote on August 6, 2008 to increase the annual rate per benefit unit from \$180.00 to \$360.00 and to be subject to an inflationary factor in future Fiscal Years, commencing Fiscal Year 2011, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. Due to the approved measure, the added revenue from the increase allows Zone 20 to keep up with the rising costs in labor, utilities, plant materials, and irrigation parts and implement a much needed Capital Improvement and/or Plant Rehabilitation Program which began in Fiscal Year 2009. The maximum charge assessment per benefit unit for Benefit Zone 20 escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$440.39.

### Reserves Outlook

After reviewing all of the benefit zones within the District, it is apparent that a majority of the benefit zones have the ability to generate reserves. However, Benefit Zones 2, 6, 17, 18, and 19 continue to draw on reserve funds at an increasing rate primarily as result of the increase in utility costs and the absence of an annual inflator for the assessment rates. Measures have been taken to reduce operating costs through turf removal projects for Zones 2 and 17, see Appendix C. It will be necessary to conduct Proposition 218 Assessment Ballot proceedings for Benefit Zones 17 and 19 in the next few years for the benefit zones to be self-sustaining. Currently, Benefit Zones 1, 4, 7, 10, 14, 15, and 20 are building their reserve funds.

**Whereas**, on May 5th, 2021 the City Council, under the Act, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for Landscape Maintenance District No. 84-2.

**Whereas**, the Resolution of Initiation directed Spicer Consulting Group, LLC. to prepare and file a Report presenting plans and specifications describing the general nature, location, and extent of the improvements to be maintained; an estimate of the costs of the maintenance, operations, and servicing of the improvements for LMD No. 84-2 for the referenced Fiscal Year; a diagram for LMD No. 84-2 showing the area and properties to be assessed; and an assessment of the estimated costs of the maintenance, operations, and servicing the improvements, assessing the net amount upon all assessable lots and/or parcels within the District in proportion to the special benefit received;

**Now Therefore**, the following assessment is made to cover the portion of the estimated costs of maintenance, operation, and servicing of said improvements to be paid by the assessable real property within LMD No. 84-2 in proportion to the special benefit received.

### Estimated Benefit Assessments

Each of the parcels within the benefit zones listed below has been deemed to receive proportional special benefit from the maintenance and operation of the improvements within that benefit zone. The percentage change in allowable Fiscal Year 2022 assessment from the allowable Fiscal Year 2021 assessment is as follows:

*Table 4-1  
Proposed Assessment Summary*

Zone	Estimated Charge FY 2022	Estimated Benefit Units	Maximum Assessment per BU FY 2021	Maximum Assessment per BU FY 2022	Maximum Assessment Rate Change (%)	Actual Assessment per BU FY 2022

FRANCISCO MARTINEZ JR  
PROFESSIONAL CIVIL ENGINEER NO. 84640  
ENGINEER OF WORK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was filed with me on the \_\_\_\_\_ day of \_\_\_\_\_, 2021, by adoption of Resolution No. 2021-\_\_\_\_ by City Council.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was approved and confirmed by the City Council of the City of Corona, California on the \_\_\_\_\_ day of \_\_\_\_\_, 2021.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are referenced in Appendix A of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report. If any APN identified therein is submitted for collection and identified by the County Auditor/Controller of the County of Riverside to be an invalid parcel number for any fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

The District boundary coincides with the boundary of the parcels included within the District as of the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Reference is made to the County Assessor's Roll and Maps for a detailed description of the lines and dimensions of any lot or parcel. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

An Assessment Diagram for each Zone is attached hereto in Appendix B, showing the boundaries of LMD No. 84-2 and the boundaries of each Benefit Zone established within the District as the same existed at the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

## Capital Improvement Projects

SPIKER CONSULTING  
G R O U P

The Community Services Department is developing a master plan for each zone that would include capital projects, operational activities, and revenue requirements to meet the objectives and service levels desired. Revenue requirements are set to cover annual operating costs and build reserves over time to perform focused capital replacements year over year, or large capital replacements in one anticipated year. Projects will be brought before City Council for approval as they are developed through the master plan. Zone specific projects are listed below:

#### *Zone 1 Capital Project*

In Fiscal Year 2012, all turf was removed and replaced with decomposed granite and trees on drip irrigation. Constituents have expressed a desire to add more color to the area, and so funds will be used to add in some additional vegetation. Future projects will be developed through the master plan process referenced above.

#### *Zone 2 Capital Project*

In Fiscal Year 2018, Zone 2 retrofitted approximately 28,000 square feet of landscaping, consisting of parkway turf removal and replanting and irrigation retrofit of the medians along Corydon Street. Future projects will be developed through the master plan process referenced above.

#### *Zone 4 Capital Project*

Zone 4 had 7,000 square feet of parkway turf along Ontario Avenue removed and replaced with low-water use plants and high-efficiency irrigation in Fiscal Year 2018. In future years, upon build-up of reserves, the City will re-bid the previously designed areas along Fullerton Avenues and Old Temescal Road. Future projects will be developed through the master plan process referenced above.

#### *Zone 6 Capital Project*

In Fiscal Year 2018, the medians along Promenade Avenue in Zone 6 received in-fill planting. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 7 Capital Project*

The 62,780 square feet of landscaping renovation for Zone 7 was completed in Fiscal Year 2018. The landscape renovation project in Zone 7 parkways along Ontario Avenue from Oak to Mangular Avenues was completed in Fiscal Year 2019. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 10 Capital Projects*

The first year landscape renovation project in Zone 10 was completed by the end of the Fiscal Year 2018. This project renovated approximately 125,000 square feet of landscaping for Year 1 of Zone 10's ten-year capital improvement plan.

The parkways along the south side of Oakridge Drive were completed in FY 2020. The Oakridge portion of the project renovated 12,400 square feet of parkways, totaling \$105,000. Year 2 construction was completed during FY 2021. This project rehabilitated 63,745 square feet of slope areas and parkways, including the removal of ice plant, installation of low-precipitation rotary nozzles and acacia for slope stability. Additionally, a new irrigation controller, decomposed granite and bench seating was installed in an open space area along Rutland Drive. The total project cost was \$711,551.15.

Additionally, the City of Corona contracted with Ninyo & Moore, a geotechnical and environmental sciences consulting firm, to further examine several slope areas in Zone 10, Areas 55, 89, and 272. These areas were previously observed to have some surficial slope erosion and damage to concrete drainage ditches which required more investigation. After receiving the report from Ninyo & Moore, the City focused in on an area behind two homes located along Dominguez Rancho Road based on Ninyo & Moore's findings. The City subsequently requested a more detailed report, including soils sampling and testing, focused on this area from a company named GeoTek, Inc. GeoTek's findings indicate that future remediation actions will be necessary on the slope in this area, however, the slope itself at its base is stable. The City is currently working with an engineering design firm, Hunsaker and Associates, for design services based upon GeoTek's recommendations. Cost estimates are unavailable at this time, since the final design solution is unknown.

#### *Zone 14 Capital Projects*

Just over 23,000 square feet of turf was removed from the parkways along Hidden Valley Parkway in Zone 14 and replaced with drip irrigation and low-water use plants in Fiscal Year 2018. In Fiscal Year 2020, the turf removal from parkways on Hidden Valley

Parkway continued from the current project limits all the way to the Zone 14 boundary near Ranch Vista Road. This area totals almost 47,000 square feet, and cost approximately \$370,000. Additional areas for turf removal projects will continue to be identified for future projects. Future projects will be developed through the master plan process referenced above.

A landscape audit is planned to be completed for each meter, along with additional contract work to include: identifying and fixing any irrigation issues, completing in-fill planting, identifying and completing additional weeding and area clean-up projects, fertilizing, and mulching.

#### *Zone 15 Capital Projects*

The project to remove and re-landscape the turf along both sides of Railroad was completed in Fiscal Year 2018.

#### *Zone 17 Capital Projects*

13,629 square feet of landscaping for Zone 17 was renovated in Fiscal Year 2018. The turf was removed and replaced with an efficient drip system and low water use plant materials. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 18 Capital Projects*

Zone 18 parkways and monument area at the corner of River Road and Lincoln Avenue, totaling 24,569 square feet of landscaping, were renovated to include water-efficient plants, drip irrigation, in addition to some cobblestone hardscape, in Fiscal Year 2018. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 19 Capital Projects*

The City continues to look for opportunities to help reduce expenses for the zone, such as rebates for landscaping renovations and low-interest loans. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 20 Capital Projects*

Approximately 68,700 square feet of landscaping was renovated in Zone 20 in Fiscal Year 2018. Planned projects for the greenbelt area include: installing additional pet waste stations, replacing lighting as needed, developing a schedule for bench and picnic table replacement and completing these replacements, replacing fitness equipment, and replacing trash cans. Future projects will be developed through the master plan process referenced above.

A landscape audit is planned to be completed for each meter, along with additional contract work to include: identifying and fixing any irrigation issues, completing in-fill planting, identifying and completing additional weeding and area clean-up projects, fertilizing, and mulching.

\*All rebate funding for the various zones has been received by Fiscal Year 2020.

## **RESOLUTION NO. 2021-061**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT WITHIN ZONE 6 OF LANDSCAPE MAINTENANCE DISTRICT NO. 84-2 FOR FISCAL YEAR 2022**

**WHEREAS**, on June 2, 2021, the City Council of the City of Corona (the “City Council”) adopted Resolution No. 2021-040, a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which among other things, scheduled a public hearing on the levy and collection of assessments on the lots and parcels of the assessable property within Zone 6 of Landscape Maintenance District No. 84-2 (the “District”) for Fiscal Year 2022 pursuant to the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the “Act”) for 6:30 p.m. on July 7, 2021, in the City Council Chambers of the City of Corona, at 400 South Vicentia Avenue, Corona, California; and

**WHEREAS**, notice of said hearing was duly published as required by Sections 22552 and 22553 of said Act; and

**WHEREAS**, at the time and place of said hearing, as set forth in said resolution of intention, the City Council held the hearing and afforded all interested persons an opportunity to be heard, and considered all oral statements and all written protests or communications made or filed by any interested persons, and at the conclusion of said hearing determined that a majority protest, to wit: written protests filed and not withdrawn by property owners owning more than 50 percent of the area of assessable land within the District, had not been received.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Findings and Approval of Final Report.** The City Council find that:

- (a) The foregoing recitals are true and correct;
- (b) Compliance has been maintained with all of the applicable requirements of the Act;
- (c) A majority protest to the levy and collection of the proposed assessment has not been filed;
- (d) The City Council may therefore proceed to confirm the boundary and assessment for the District for Fiscal Year 2022, and order levy and collection of the assessment;
- (e) The assessment proposed to be levied on the lots and parcels of assessable property within the District for the maintenance and servicing of public landscaping and appurtenant facilities during Fiscal Year 2022, as contained in the Final Annual Engineer’s Report

as it pertains to Zone 6, prepared by Spicer Consulting Group, LLC on file with the City Clerk (the “Report”), are based on the proportionate special benefit derived by such lots and parcels from the availability of such public landscaping and appurtenant facilities;

(f) The proportionate special benefit derived by each such lot or parcel has been determined in relationship to the entirety of the cost of the maintenance and servicing of such public landscaping and appurtenant facilities;

(g) Such assessments do not exceed the reasonable cost of the proportional special benefit conferred on each such lot and parcel;

(h) Such assessments will not be increased over the amounts previously approved by the electors of the District or as otherwise permitted by the Act and Article XIID of the California Constitution; and

(i) Based on the foregoing and the full record before the City Council, the Report as whole and each part thereof are finally approved and confirmed.

**SECTION 2. Levy of Assessment.** Pursuant to Section 22631 of the Streets and Highways Code, the adoption of this resolution constitutes the levy of the assessment for the maintenance and servicing of public landscaping and appurtenant facilities within the District during Fiscal Year 2022, as contained in the Report, and such assessment is hereby levied. The City Clerk is directed to file a certified copy of this resolution together with the diagram and assessment contained in the Report with the County Auditor of the County of Riverside, who, pursuant to Section 22645 of the Streets and Highways Code, shall enter on the County Assessment Roll opposite each lot or parcel of land the amount assessed thereupon, as shown in the said assessment.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Public Hearing confirming the diagram and assessment within Zone 19 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution is the last step of the annual proceedings for the levy and collection of the special assessment for Zone 19 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022. The City Council will conduct a public hearing to afford all interested parties an opportunity to make verbal or written comments on the proposed annual assessment.

At the conclusion of the hearing, it is recommended that the City Council adopt the said resolution confirming the diagram and assessments for the District for Fiscal Year 2022, which will constitute the levy of the assessment for the maintenance and servicing of public landscaping and appurtenant facilities within the District, in accordance with the Streets and Highways Code.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-062, confirming the diagram and assessment within Zone 19 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022.

**BACKGROUND & HISTORY:**

Zone 19 of Landscape Maintenance District No. 84-2 ("LMD 84-2" or "District") was established in accordance with the provisions of the Landscaping and Lighting Act of 1972 (the "1972 Act") in 1986. The purpose of the District is to provide landscape maintenance and operating services for the public landscaping and appurtenant facilities within the District's boundaries.

The annual assessments proposed to be levied within the District will pay for the maintenance of parks, slopes, parkways, and open spaces during Fiscal Year 2022. Services provided include all necessary operations, administration, capital replacements, and maintenance required to keep the

above-mentioned improvements in a healthy and satisfactory working condition.

**ANALYSIS:**

The State of California Street and Highways Code Section 22500 requires an annual review of the assessments levied by the assessment districts formed under the 1972 Act. In order to levy and collect special assessments within such districts, Engineer's Reports must be prepared, which provide details on the improvements that are maintained and the estimated budgets for each district.

On May 5, 2021, the City Council adopted Resolution No. 2021-026, to initiate the proceedings to levy and collect assessments for the District for Fiscal Year 2022, appointed Spicer Consulting Group, LLC as the engineer of record, and ordered the preparation of an Engineer's Report for the District.

On June 2, 2021, the City Council adopted Resolution No. 2021-041, to declare the City's intention to levy and collect assessments within the District for Fiscal Year 2022, approve the preliminary Engineer's Report (the "Preliminary Report"), and provide a notice of public hearing to consider the proposed assessments. A notice of public hearing was published in the local newspaper on June 9, 2021.

Attached is the final Engineer's Report (the "Report") as it pertains to the District, which is consistent with the Preliminary Report. The Report includes a detailed description of the existing improvements within the District, the estimated maintenance costs, the method of assessment apportionment for each lot or parcel within the District boundaries, and a diagram showing the boundaries of the District. The Report also provides an analysis of the District's financial status.

**FINANCIAL IMPACT:**

The cost of operation, servicing and maintenance of the District will be funded by the assessments levied and collected within the District. For Fiscal Year 2022, it is projected that the current year assessment revenues will be insufficient to cover the operating costs for Zone 19 of the District during the same fiscal period, which will be covered by a one-time contribution from the operating reserves and a proposed inter-fund loan from the Dwelling Development Tax Fund (if needed, based on year-end actual fund balances).

The proposed levy for Fiscal Year 2022 is the same as the Fiscal Year 2021 levy, which will result in no increase to the parcels in the District. The District was formed with no escalator included in the method of apportionment. Staff will continue to analyze the District's financials annually to determine options to maintain operations.

Below is an overview of the District's estimated assessment revenues and proposed expenditures for Fiscal Year 2022. Detailed information can be found in the attached Report.

District	Estimated Costs	Estimated Assessment Revenue	Estimated Excess/(Deficit)	Actual Assessment YOY % Change
LMD 84-2, Zone 19	559,682	464,940	(94,742)	0.00%

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely declares the City's intent to levy and collect assessments within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

#### REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Corona (the "City"), State of California, submitted herewith is the Engineer's Report (the "Report") for the Landscape Maintenance District No. 84-2, consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972" (the "Act"), as amended, commencing with Section 22500, and which is in accordance with Resolution Nos. 2021-025, 026, and 027 adopted by the City of Corona City Council, Riverside County, California ordering preparation of the Report for Landscape Maintenance District No. 84-2 ("LMD No. 84-2" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2021 to June 30, 2022.

- Section 1** PLANS AND SPECIFICATIONS of the improvements to be maintained and/or improved for the Fiscal Year. The plans and specifications show and describe the existing and proposed improvements and are sufficient in showing and describing the general nature, location and extent of the improvements.
- Section 2** A COST ESTIMATE of the improvements to be maintained and/or improved for the mentioned Fiscal Year.
- Section 3** A METHOD OF APPORTIONMENT OF ASSESSMENT calculates the receipt of special benefit and the general benefit derived from the installation and maintenance and servicing of the respective improvements located throughout the District, and the methodology used to apportion the total assessment to the properties within the District.
- Section 4** An ENGINEER'S SIGNATURE certifying the filing of the Engineer's Report, together with the Assessment Roll and Assessment Diagram.
- Section 5** ASSESSMENT ROLLS showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the boundaries as shown on the below-referenced Diagram. The Assessment Rolls can be found in Appendix A.
- Section 6** The ASSESSMENT DIAGRAMS of the District. Said Diagrams shall show the exterior boundaries of the District and the boundaries of any zones within the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies. The Assessment Diagrams can be found in Appendix B.

LMD No. 84-2 consists of 12 Benefit Zones that were all formed in 1986. The types of services provided for Zones 1, 2, 4, 6, 7, 10, 14, 15, and 17 through 20 are the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, fitness circuit equipment, pathway lighting, green space and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacements, and maintenance required to keep the above-mentioned improvements in a healthy, vigorous, and satisfactory working condition. The above maintenance and services may be referred to herein as the "Landscape Improvements". Below is a description of each Zone within the boundaries of the District.

#### Description of the Boundaries and Improvement Services of LMD No. 84-2

**Benefit Zone 1** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the west parkway of Lincoln Avenue adjacent to the benefit zone. The improvements were required by the conditions of approval for Tract No. 19288 and Tract No.'s 19288-1 through 19288-5.

**Benefit Zone 2** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the buffer zone along the westerly boundary of the open space designated as Lot "A" within Tract No. 19981 and the Corydon Street parkways. Also to be maintained are the access road and the natural open space of Lot "A." The improvements were required by the condition of approval for Tract No. 19981.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and open space lot (Lot "A"), within Tract No. 20515. The improvements were required by the condition of approval for Tract No. 20515.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and Lot "C" of Tract No. 21354. The improvements were required by the condition of approval for Tract No. 21354.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street, Tract No.'s 27305-1 through 27305-9, and incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 4** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ Parkway irrigation system, trees, and ground cover along Ontario and Fullerton Avenues and Old Temescal Road within the benefit zone. The improvements were required by the condition of approval for Tract No. 19480.
- ◆ Parkway irrigation system, trees, and ground cover adjacent to the following tracts and along Old Temescal Road and Ontario, Fullerton, and Rimpau Avenues. The improvements were required by the condition of approval for Tract No.'s 19690, 19690-1, and 19690-2.
- ◆ Parkway irrigation system, trees, and ground cover along Old Temescal Road and Fullerton and Rimpau Avenues within the benefit zone. The improvements were required by the condition of approval for Tract No. 19688.
- ◆ Parkway irrigation system, trees, ground cover, and sidewalk within the 12-foot parkways adjacent to Tract No. 22961, along Old Temescal Road and Rimpau Avenue. The improvements were required by the condition of approval for Tract No. 22961.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 6** includes all property within Assessment District No. 79-2, located north and south of Route 91 between Cresta Verde and Buchanan Street. The improvements consist of maintaining the following irrigation systems, trees, and ground cover along the following:

- ◆ McKinley Street median between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line (approximately 200 feet north of Mt. Humpries Street).
- ◆ Promenade Avenue median between 2,000 feet west of McKinley Street and 1,300 feet east of McKinley Street.
- ◆ Parkway and streetscape landscaping along McKinley Street, between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line, except on the west side between Sampson Avenue and Magnolia Avenue.
- ◆ Parkway and streetscape landscaping along Promenade Avenue between the Riverside Freeway and Buchanan Street.
- ◆ Parkway and streetscape landscaping along portions of Buchanan Street adjacent to the area known as Westfield Corona and from Wimbledon Drive to the north boundary of said area.

- ◆ Parkway and streetscape landscaping along the north side of Wimbledon Drive from Buchanan Street to Surry Circle; north side of Dartmouth Street from Buchanan Street to Chelsea Way; both sides of Eaton Street between Coventry Way and Astoria; and both sides of Brittany Drive between Newcastle and Promenade Avenue.
- ◆ Parkway and adjacent slope irrigation, trees, and ground cover along the east side of Mondale Street, between Kennedy Drive and Promenade Avenue; open space Lots 79 and 80 of Tract No. 21213; and the slopes adjacent to the Riverside Freeway. The improvements were required by the conditions of approval for Tract No. 21213.
- ◆ Parkway irrigation, trees, and ground cover along the north side of Cresta Road between Harding Road and Promenade Avenue and the southwest side of Collett Avenue between Coolidge Street and Promenade Avenue as were required by the conditions of approval for Tract No. 19191.
- ◆ Parkway irrigation, trees, and ground cover along the west side of Collett Avenue between Promenade Avenue, and 400 feet southwest of Cresta Road as were required by the conditions of approval for Tract No. 19666.
- ◆ Parkway irrigation and ground cover along the northeast side of Cresta Avenue, along Lots 31 through 34 of Tract No. 19191-2.
- ◆ Natural conditions within open space Lots 69, 83, 84, and 126 of Tract No. 20775.
- ◆ The irrigation system and landscape improvements within Lots D and E of Tract No. 23454 and Lots C, D, and E of Parcel Map No. 23376.
- ◆ The irrigation system and landscaping within the parkway along the northwesterly side of Buchanan Street from the south side of Dartmouth Street to the north side of Wimbledon Drive. The improvements were required by the condition of approval for Tract No. 24129 and Parcel Map No. 24041.
- ◆ The irrigation system and landscaping within the median and parkway along McKinley Street and adjacent to Assessor Parcel Numbers 172-420-002 and 172-420-003. The improvements were required by the condition of approval for Assessor Parcel Numbers 172-420-002 and 172-420-003.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 29876.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.
- ◆ The improvements are required as set forth by Specific Plan "SP 81-2" and were constructed both under Assessment District No. 79-2, City of Corona, State of California and as conditions of approval for various developments.

*Benefit Zone 7* improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover constructed as part of the detention basin within Lot 142 of Tract No. 20966; and the parkway and slope landscaping along Ontario Avenue. The improvements were required by the condition of approval for Tract No.'s 20818, 21720, and 20966.
- ◆ The irrigation system, trees, and ground cover as part of the detention basin within Lot 1 of Tract No. 19159-1.
- ◆ The irrigation system and landscape improvements within the common lots adjacent to Ontario Avenue and within Tract No.'s 21203 and 21720.
- ◆ Decorative block wall and landscaping in the ten-foot wide landscaping lot along Via Pacifica.
- ◆ Landscape pockets and landscaping within the decorative wall along Citron Street, between Via Pacifica and the Oak Street Channel.
- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 22535 and along Ontario Avenue, and slope easements located within Lots 1, 27, and 28 of Tract No. 22535.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

*Benefit Zone 10* includes two distinct areas that are within Specific Plan "SP 85-2", as approved by the Corona City Council on September 18, 1985. The improvements to be maintained consist of the following:

- ◆ Parkway irrigation system, trees, and ground cover along both sides of Green River Drive, Ridgeline Drive, Serfas Club Drive, Paseo Grande, Montana Ranch Road, and Palisades Drive. Also to be maintained are the lots designated for open space and

the fuel modification zone, including erosion control, plant replacement, and landscaping debris cleanup. The improvements were required by the condition of approval for Tract No. 20872.

- ◆ The irrigation system, trees, and ground cover within the common area designated as Lot No. 17, Tract No. 12166. The improvements were required by the condition of approval for Tract No. 12166.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 14** improvements were a condition of approval for Tract No.'s 20796 and 22579 and consist of maintaining irrigation systems, trees, and ground cover along the following:

- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets.
- ◆ Flood control detention basins.
- ◆ The above improvements were required as set forth by the Woodlake Specific Plan "SP 85-3" approved by the Corona City Council on November 20, 1985 and by the condition of approval for Map No. 20796.
- ◆ The irrigation system and landscaping within Lots A through D, Tract No. 22579 and those portions of the Hidden Valley Parkway within Tract No. 22579. The improvements were required by the condition of approval for said tract.
- ◆ The irrigation system and landscaping within Lots F and I, Tract No. 25249. The improvements were required by the condition of approval for Tract No. 25249.
- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets. The improvements were required by the conditions of approval for Tract No. 29595.
- ◆ Median, parkway, and streetscape landscaping along Stevens Drive. The improvements were required by the conditions of approval for Parcel Map No. 33533.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 15** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover of the parkway along the public right-of-way within Tract No. 20006. The improvements were required by the condition of approval for said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 17** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 21355 and along Stagecoach Road; slope easements located within Lots 1 through 6 and 192 through 205; and the westerly parkway on Stagecoach Road from the southerly boundary of Tract No. 21355 to Corydon Street.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 18** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No.'s 24716 & 32195; Assessor Parcel Numbers 119-060-018; 119-060-020; and 119-060-022; and along River Road (including the center median area); Lincoln Avenue and Harrington Street; and the riparian habitat area within and adjoining that portion of the Norco Channel within said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 19** consists of various developments within South Corona for which the improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping in accordance with the South Corona Community Facilities Plan. These improvements are also referred to as the "South Corona Streetscapes," and includes parkways, medians, and dedications to the City of Corona from past and future South Corona development.
- ◆ The irrigation system and landscaping within Lots A and B, Parcel Map No. 22908, and the portion of the westerly Lincoln Avenue parkway fronting said map.
- ◆ The irrigation system and landscaping within the easterly Mangular Avenue parkway adjacent to Tract No. 24118.

- ◆ The irrigation system and landscaping within the easterly parkway along Oak Avenue, the northeasterly parkway along Chase Drive, adjacent to Tract No. 23434, and within Lots L, M, O, P, Q, R, S, T, and U of Tract No. 23434.
- ◆ The irrigation system and landscaping within Lots F and G of Tract No. 22707 and that portion of the westerly Mangular Avenue parkway adjacent to said map.
- ◆ The irrigation system and landscaping within Lots A and B of Tract No. 20971 and that portion of Fullerton Avenue (formerly Garretson Avenue) parkway fronting said map.
- ◆ The irrigation system and landscaping within Lots A, K, and L, Tract No. 24326 and the parkways adjacent to said tract and along Chicago Street and Citrus Way. The improvements were required by the condition of approval for Tract No. 24326.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 23861 and along California Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23401-1 and 23401-2, and along California and Chase Avenues; and the bike path adjacent to said tracts and along Chase Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25009 and along Foothill Parkway, Highgrove Street, and Lot F of Tract No. 25009.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24533, along the east side of Lincoln Avenue, north side of Foothill Parkway, and west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24271 and along the west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and J of Tract No. 27199, and the parkways adjacent to said tract and along the north side of Santana Way.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 26807, 25466, and 25652C, and along the east side of Fullerton Avenue (formerly Garretson Avenue), south side of Foothill Parkway, both sides of Valencia Avenue, and the north side of Upper Drive.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 25817 and along the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within Lots D, E, F, and I of Tract No. 26012-1 and the parkways adjacent to Tract No.'s 26012-1 and 26012, along the east side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and E, Tract No. 26903-1 and the parkways adjacent to said tract and along the north side of Chase Drive and the east side of Fullerton Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27504, along the north side of Chase Drive and the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25887, along the north side of Chase Drive and the west side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within parkways on Fullerton and Gilbert Avenues adjacent to Parcel Map 24234, all within Annexation No. 37.
- ◆ The irrigation system and landscaping within parkways north of Encanto Street and west of Hudson Avenue adjacent to Tract No. 26062, all within Annexation No. 40.
- ◆ The irrigation system and landscaping within parkways adjacent to Parcel Map 26695 located east of Gilbert Avenue, all within Annexation No. 45.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25466 and 25466-1 and along the north side of Upper Drive and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 52.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27802, along the north side of Foothill Parkway and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 53.
- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No. 25311R and along the south side of Chase Drive and the north side of Foothill Parkway, all in Annexation No. 54.

- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27916-1, 27916-2, and 27916-3, along the east side of Lincoln Avenue, all in Annexation No. 55.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23956, 23956-1, and 23956-2, along the west side of Kellogg Avenue, all in Annexation No. 56.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27860 along the north side of Foothill Parkway, all in Annexation No. 57.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24272 and Tract No.'s 24272-1 through 24272-8, along the east and west sides of Lincoln Avenue, and along the west side of Buena Vista Avenue, all in Annexation No. 58; and the irrigation system and landscaping within parkways adjacent to Tract No. 25690, along the west side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26117-1, along the north side of Foothill Parkway, all in Annexation No. 59.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25571 and 25571-1 and along the north and south side of Citrus Way, all in Annexation No. 60.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27833, 27833-1, and 27833-2, along the west side of Fullerton Avenue, all in Annexation No. 61.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25315, 25315-1, 25315-2, and 25315-3, along the east side of Kellogg Avenue and the south side of Santana Way, all in Annexation No. 62.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 24077, 24077-1, 24077-2, and 24077-3, all in Annexation No. 63.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25396, along the east side of Rimpau Avenue, and along the west side of California Avenue, all in Annexation No. 64.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24840, along the south side of Valencia Avenue and north side of Upper Drive, all in Annexation No. 65.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 28177 and 28177-1, and along the south side of Foothill Parkway, the east side of Rimpau Avenue, and the north side of Valencia Avenue, all in Annexation No. 66.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25310R, along the south side of Chase Drive, the east side of Fullerton Avenue, and the north side of Foothill Parkway, all in Annexation No. 67.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25468, 25468-1, 25468-2, and 25468-3, along the south side of Foothill Parkway and the west side of California Avenue, all in Annexation No. 68.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26058 and along the south side of Chase Drive and the west side of Fullerton Avenue, all in Annexation No. 69.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 26978 and along the east side of Lincoln Avenue, all in Annexation No. 70.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26238, along the south side of Taber Road, and along the west side of California Avenue, all in Annexation No. 71.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 28180, along the south side of Ontario Avenue and the west side of Rimpau Avenue, all in Annexation No. 73.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25917R-1, all in Annexation No. 74.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26807-R, along the east side of Fullerton Avenue, the north side of Valencia Road, and the south side of Foothill Parkway, all in Annexation No. 75.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 20** consists of the Mountain Gate Specific Plan and its Amendment ("SPA90-09") Area for which improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkways and medians of the arterial and collector streets, including the additional landscape lots that are proposed to be dedicated along a number of the major streets.
- ◆ The structure and exterior face of the project theme walls located along the major arterial and collector streets in the planned community.
- ◆ Entry monuments and special landscape areas located at the major project entries, secondary project entries, individual subdivision entries, and special landscape areas identified on the Mountain Gate landscape master plan.
- ◆ The landscaping, bicycle paths, recreational improvements, and open space areas which may be developed and dedicated to the public within the designated estate residential cluster development areas, exclusive of public park areas.
- ◆ The designated fuel modification areas in the hillside overlay zone of Planning Area 26.
- ◆ Other improvements which may be accepted by the City Council for maintenance by the landscape maintenance district.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

### Changes in Benefit Zone Boundaries

During the lifetime of the District, several changes have occurred that affect the boundaries of the benefit zones. The plans and specifications for the changes are on file with the City of Corona.

1. Due to the nature, location, and extent of the improvements it has been determined that some benefit zones received the same degree of benefit. Accordingly, these benefit zones have been eliminated by consolidating them with other zones, as follows:
  - ◆ Benefit Zone 8 was consolidated into Benefit Zone 7.
  - ◆ Benefit Zone 9 and 13 were consolidated into Benefit Zone 4.
  - ◆ Benefit Zone 11 was consolidated into Benefit Zone 10.
2. Four benefit zones were eliminated for the following reasons:
  - ◆ Benefit Zones 3 and 5 have been eliminated because the interim detention basins are no longer necessary due to the installation of storm drains.
  - ◆ Benefit Zone 12 has been eliminated because improvements formerly maintained by the City are now maintained by the Cresta Verde Golf Course.
  - ◆ Benefit Zone 16 has been eliminated because the interim detention basin is no longer necessary due to the Oak Street Channel improvement. The property maintenance has been turned over to the underlying property owner and all affected property owners were notified of the levy being discontinued.
3. Due to the nature, location, and extent of the improvements, the Mountain Gate Specific Plan Area was detached from Benefit Zone 19 to establish Benefit Zone 20.

The cost of servicing, maintaining, repairing, and replacing the actual improvements as described in the Plans and Specifications are summarized as follows:

*Table 2-1*  
*Benefit Zone 1 - Budget*

Direct Costs	Estimated through June 30	
	FY 2021	FY 2022
Contract Services	\$1,688	\$1,691
Maintenance Inspection and Administration	\$1,729	\$946
Utilities	\$700	\$700
<b>Total Direct Costs</b>	<b>\$4,117</b>	<b>\$3,337</b>
<b>Indirect Costs</b>		
County Admin	\$170	\$170
City Personnel/Overhead	\$99	\$102
Engineering Costs	\$22	\$22
<b>Total Indirect Costs</b>	<b>\$291</b>	<b>\$294</b>
<b>Total Costs</b>	<b>\$4,408</b>	<b>\$3,631</b>
<b>Collection/(Contribution)</b>		
Operating Reserve	\$0	\$0
Capital Replacement Reserve	(\$261)	\$516
<b>Total Adjustments</b>	<b>(\$261)</b>	<b>\$516</b>
<b>Total Assessment</b>	<b>\$4,147</b>	<b>\$4,147</b>
<b>Reserve Fund Balances</b>		
Beginning Operating Reserve	\$2,204	\$1,816
Reserve Collection	\$0	\$0
Reserve Contribution	\$0	\$0
<b>Est. Ending Operating Reserve<sup>(1)</sup></b>	<b>\$2,204</b>	<b>\$1,816</b>
Beginning Capital Replacement Reserve	\$19,650	\$20,039
Reserve Collection	\$0	\$516
Reserve Contribution	(\$261)	\$0
<b>Est. Ending Capital Replacement Reserve<sup>(2)</sup></b>	<b>\$19,390</b>	<b>\$20,555</b>

<sup>(1)</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>(2)</sup> The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2022, \$516 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the capital improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 1.

<b>Est. Ending Capital Replacement Reserve<sup>(2)</sup></b>	<b>\$56,355</b>	<b>\$100,377</b>

<sup>(1)</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>(2)</sup> The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2022, \$5,821 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the Capital Improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 7.

### Proposition 218 Compliance

On November 5, 1996 California voters approved Proposition 218, entitled the "Right to Vote on Taxes Act," which added Article XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new substantive and procedural requirements for the formation and administration of assessment districts. Proposition 218 provides that all existing, new, or increased assessments must comply with Proposition 218's new substantive and procedural requirements unless the assessment is "grandfathered" as one of the four categories of assessments that existed on or before November 6, 1996 and is therefore exempted from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Two of the four categories of assessments that are "grandfathered" under Proposition 218 and are relevant to the District are:

1. Any assessment imposed exclusively to finance the capital cost or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control.
2. Any assessments levied pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment was initially imposed.

For purposes of applying the first exception, Proposition 218 does not define the term "streets"; however, based upon the opinions of public agency officials, attorneys and assessment engineers, as well as language in the Proposition 218 Omnibus Implementation Act (Government Code §§ 53750 et seq.) and the court's reasoning in *Howard Jarvis Taxpayers Association v. City of Riverside*, 73 Cal.App.4<sup>th</sup> 679 (1999), it has been determined that the term "streets" includes median and parkway landscaping, traffic signals, safety lighting, and street lighting, and all other public improvements located within the street right-of-way, since assessments for these types of improvements are traditionally appropriate, non-abusive special assessments. The improvements and services financed by LMD No. 84-2 constitute physical parts of the right-of-way in which the street is located, contribute to road and sidewalk safety, and provide for drainage and treatment of runoff. Therefore, the assessments levied by LMD No. 84-2 (other than the assessments for the Post Proposition 218 Annexations, defined below) are grandfathered under the first exception, and thus the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit, do not apply.

The second exception to the application of Proposition 218 also applies to LMD No. 84-2, because the District was initiated by a petition signed by the property owners within the District boundaries at the time it was formed and, therefore, the assessments are exempt from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Even if assessments are initially "grandfathered" under Proposition 218 and thus exempt from the substantive and procedural requirements of Proposition 218, if the assessments are increased in the future the City will need to comply with the provisions of Proposition 218 for that portion of the increased assessment formula (e.g., CPI increase). Additionally, although the assessments levied within LMD No. 84-2 are considered "grandfathered", the City has determined that it is appropriate to ensure that the assessments levied against properties that were annexed to LMD No. 84-2 after the passage of Proposition 218 comply with the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit. The City has identified the following annexations to LMD No. 84-2 as annexations that were approved after the passage of Proposition 218 (collectively "Post 218 Annexations"):

Table 3-1  
Annexations

Annexation Year	Annexation Number	Zone	Property Annexed
2013	85	20	TT 34760
2013	84	10	TT 35590R
2007	83	14	PM 33761
2006	82	14	PM 33533
2005	81	18	TR 32195
2005	80	18	APN 119-060-018, -020, -022
2004	79	14	TR 29595
2001	78	14	PM 30197
2001	77	6	TR 29876
1997	76	2	TR 27305-8, -9

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property," (California Constitution, Article XIII D, §2(b)). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

### Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

There is no statutory definition or judicially approved formula for calculating general benefit. For purposes of this Report, general benefits are benefits from improvements or services that are not special in nature, are not particular and distinct, and are not over and above the benefits received by other properties. Proposition 218 defines "special benefit" as "a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large. General enhancement of property value does not constitute 'special benefit'."

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that the portion of the cost of the improvements which benefits the public generally (i.e., general benefits) be separated from the portion of the cost of the improvements which specially benefits assessed properties (i.e., special benefits).

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are listed in Appendix A. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report.

## General Benefit

### *Post 218 Annexations*

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, the City has determined that the Landscape Improvements maintained within the Post 218 Annexations by each benefit zone (other than the Nominal General Benefit Annexations, defined and discussed below) provide negligible general public benefit in that each benefit zone is comprised of separate and discrete neighborhoods for which the Landscape Improvements were installed. The Landscape Improvements do not extend beyond the perimeter of the boundary of each of those discrete neighborhoods. Additionally, other than the Nominal General Benefit Annexations discussed below, the improvements financed by LMD No. 84-2 for the Post 218 Annexations do not include any Landscape Improvements in the parkway areas fronting each discrete neighborhood. In other words, all of the Landscape Improvements financed by LMD No. 84-2 for the Post 218 Annexations are located entirely within the interior areas of the developments that comprise and are included in the Post 218 Annexations.

As further explained in the Direct and Special Benefit section, the Landscape Improvements within the Post 218 Annexations provide a direct advantage only to the properties that are within the boundaries of each discrete neighborhood/benefit zone. Although the discrete neighborhoods that comprise each benefit zone could be accessed by the public at large, the Landscape Improvements within the Post 218 Annexations that are financed by LMD No. 84-2 were specifically designed, located and created to provide additional and improved public resources exclusively for real property within the Post 218 Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views and other special benefit factors discussed below under Direct and Special Benefit. Moreover, since all properties within each benefit zone have equal access and opportunity to enjoy the Landscape Improvements within the Post 218 Annexations that are financed by District assessments, all properties within each benefit zone benefit equally from the Landscape Improvements and the costs and expenses for the landscaping maintenance and services are appropriately apportioned on a per parcel or a per acre basis. Based upon the foregoing, the City has concluded that there is no measurable general benefit associated with the Landscape Improvements financed with the assessments levied against properties within the Post 218 Annexations (other than the Nominal General Benefit Annexations discussed below).

### *Nominal General Benefit Annexations*

In reviewing the location and extent of the specific landscaped areas and improvements within the Post 218 Annexations that are funded by the District assessments and the proximity and relationship to properties to be assessed, it has been determined that the following annexation areas include landscape improvements within the parkway areas fronting the developments that comprise and are included in the Post 218 Annexations: Annexation 76 to Zone 2 (TR 27305-8 & 9), Annexation 78 to Zone 14 (PM 30197), Annexation 80 to Zone 18 (APN Nos. 119-060-18, -020, -022), and Annexation 81 to Zone 18 (TR 32195) (collectively, "Nominal General Benefit Annexations"). At the time of annexation of these developments, the improvements to be financed by the District assessments were considered local improvements that were required to be installed in connection with the development of properties within these annexation areas. Similar to the Post 218 Annexations, the Landscape Improvements within the Nominal General Benefit Annexations that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large.

Similar to the Post 218 Annexations, the majority of the Landscape Improvements (see discussion below regarding the Landscape Improvements within frontage parkway areas) provided and maintained within the Nominal General Benefit Annexations do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises the annexation area and are located entirely within the interior areas of the developments that comprise and are included in the Nominal General Benefit Annexations. As such, the interior Landscape Improvements within the Nominal General Benefit Annexations provide a direct advantage only to the properties that are within the boundaries of each annexation area. Although the developments that comprise and are included in the Nominal General Benefit Annexations could be accessed by the public at large, the Landscape Improvements within these annexation areas that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views, and other special benefit factors discussed in the Direct and Special Benefit section.

However, as indicated above, the assessments levied within the Nominal General Benefit Annexations also provide and maintain Landscape Improvements within the parkway areas fronting the developments that comprise and are included in the Nominal General Benefit Annexations. Since these parkway areas are readily accessible and viewable by the public at large, there may be some general benefit enjoyed by the general public as a result of the Landscape Improvements located and maintained in these parkway areas. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within the Nominal General Benefit Annexations at the enhanced level or standard that the Landscape Improvements are currently provided and maintained. The maintenance, upkeep, and repair of such parkway Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. As such, the maintenance of the Landscape Improvements within the parkway areas fronting each annexation area to the current enhanced level and standard of maintenance has a direct and particular impact or special benefit only on those properties within the Nominal General Benefit Annexations and any maintenance or services beyond that which is required to ensure the safety and protection of the general public and property, has no identifiable benefit to the public at large or properties outside these annexations. The general benefit derived from the maintenance of the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations can be quantified as the cost that the City would incur to provide the minimal level of maintenance and services necessary for public health and safety. The costs incurred to maintain the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations over and above this minimum level of service would provide a direct advantage only to the properties within the Nominal General Benefit Annexations and is considered to be a special benefit.

In the absence of the assessments levied by LMD No. 84-2, the City would typically provide only weed abatement and erosion control services for parkway areas. These services would typically be provided twice annually. This level of service provides for public safety and avoids negative impacts on adjacent roadways and vehicles traveling on those roadways, but results in a far less visually pleasing environment than is created with the enhanced level of service currently provided to the parkway areas within the Nominal General Benefit Annexations. The cost to provide the baseline weed abatement and erosion control level of service is approximately \$0.02 per square foot, twice a year, for parkway areas. The general benefit is determined by multiplying the weed abatement and erosion control service costs by the square footage of these parkway areas. Since the baseline services, unlike the enhanced level of service that is provided as a result of the District assessments, provide some benefits to the general public and to the neighborhoods outside of the benefit zones, the cost of providing this baseline service is treated as the cost of general benefits from landscape maintenance services. Utilizing these per square foot costs and the square footages of the parkway areas in the Nominal General Benefit Annexations, the current estimated general benefit costs calculated for the frontage parkway areas within Annexation 76 to Zone 2 is \$209.09, within Annexation 78 to Zone 14 is \$766.66, and within Annexation Zones 80 and 81 to Zone 18 is \$382.80. These general benefit costs are identified as the "General Benefit Contribution" in the applicable Zone budgets in Section 2 (Cost Estimate) of this Report and will be credited to those properties included within the Nominal General Benefit Annexations. Funding for these general benefit costs will be provided by the City's General Fund.

### Direct and Special Benefit

The types of services provided within LMD No. 84-2 is the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacement and maintenance required to keep the above-mentioned improvements in a healthy, vigorous and satisfactory working condition.

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, particular direct and special benefit is provided by the Landscape Improvements which include, but are not limited to, enhanced aesthetics of areas within the benefit zones providing additional desirability for potential buyers, a more pleasant environment to walk, drive, live, and work for property owners in addition to controlling dust and potential erosion. The primary function of these Landscape Improvements and related amenities is to serve as an aesthetically pleasing enhancement and green space for the benefit of the immediately surrounding development within the individual benefit zones for which the improvements were constructed and installed. These improvements are an integral part of the physical environment of parcels within the benefit zones, and if the improvements were not properly maintained, it is these parcels that would be negatively affected. In addition, the landscape improvements serve as a physical buffer as well as a sound reduction or buffer between the roadways and the properties in the

benefit zones, as well as a physical buffer and openness between properties within the benefit zones. The improvements installed in connection with the development of the parcels constituting the benefit zones would not be necessary or required without the development of those parcels within the District.

The assessment revenue derived from real property in each benefit zone is expended only on the Landscape Improvements in that benefit zone. The Landscape Improvements are located in close proximity to the real property within each benefit zone that is subject to the assessments and provide a direct advantage to the property in the benefit zone in that the improvements funded by the assessments are directly provided only to the real property in each benefit zone. Other than the Nominal General Benefit Annexations, the Landscape Improvements do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises a benefit zone and are located entirely within the interior areas of each neighborhood. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within LMD No. 84-2 and the maintenance, upkeep, and repair of such Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. Therefore, the assessments provide and fund Landscape Improvements that are over and above what otherwise would be provided. The fact that the Landscape Improvements are over and above what otherwise would be provided, combined with the unique proximity and access to the Landscape Improvements enjoyed by real property within LMD No. 84-2, demonstrates that the assessments provide a direct advantage and special benefit to real property within LMD No. 84-2.

### Method of Apportionment

Pursuant to the Landscaping and Lighting Act of 1972 and Article XIII D of the Constitution of the State of California, all parcels that have special benefit conferred upon them as a result of the maintenance and operation of improvements shall be identified and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire cost of the maintenance and operation of the improvements. Only parcels that receive direct special benefit are assessed, and each parcel is assessed in proportion to the estimated benefit received.

To proportionally allocate special benefit to each parcel, it is necessary to correlate each property's proportional benefit to other properties that benefit from the improvements and services being funded: In order to do this, the assessment methodology assigns each parcel a number of benefit units based on its land use. One benefit unit is defined as the special benefit allocable to a single family home.

**Single Family Residential Property** - The method of apportionment assigns each fully subdivided single family residential dwelling one benefit unit.

**Multi-Family Residential Property** - This land use classification identifies residential developments that typically have 60% fewer people per dwelling unit than single family residential property and therefore have been assigned to 0.60 benefit unit, per dwelling.

**Commercial Property** - The method of apportionment assigns benefit units by multiplying the overall acreage by five benefit units per acre, (based on the typical number of residential property in an acre of typical development).

**Benefit Zones 1, 2, 4, 7, 15, 17, and 18** - Prior to total development and the recordation of tract maps, the benefit will be assessed according to the number of lots, units, or acreage within the tentative tract map.

**Benefit Zone 6** - As development occurs and prior to total development, each undeveloped parcel will be assessed the number of projected benefit units in accordance with SP 81-2.

**Benefit Zone 10** - Currently, there are approximately 0.97 acres of undeveloped property and one parcel classified as reserved development within this zone. The Assessor's Parcel Number is 102-370-009.

A reserved development designation was assigned to Assessor's Parcel Number 102-370-009 under SP 85-2. Other than for mining purposes, development of Assessor's Parcel Number 102-370-009, approximately 80 acres, is not anticipated at this time.

**Benefit Zone 14** - SP 85-3 (Tract No. 20796) and Tract No. 22579 created approximately 2,553 residential units of varying densities and 12.3 acres of commercial support. The updated total projected build-out is approximately 2,350 units. This benefit zone is at near build-out status and nearly all benefit units have been assessed.

**Benefit Zone 19** - Benefit Zone 19 consists of various developments within South Corona. The method of assessment is based on approximately 3,700 benefit units with a residential dwelling equal to one benefit unit.

**Benefit Zone 20** - SPA90-09 proposes 3,248 residential units of varying densities, 15.1 acres of commercial developments, and 15.8 acres of quasi-public land use. Currently, there are 2,754 residential units, 10.1 acres of commercial development, and 6.91 acres of quasi-public land use. At the present time the benefit zone maintains 62.47 acres of landscaping.

### Prior Proposition 218 Proceedings for Rate Increase

**Benefit Zone 1** – In 2001, due to increased maintenance costs and low reserves, a special election was held to increase Benefit Zone 1 from \$22.54 per assessment unit to \$33.54 per assessment unit (an \$11.00 increase per assessment unit). The proposed increase failed to receive a majority ballot approval. Consequently, the trees and turf suffered considerably due to the lack of irrigation. Maintenance and operating service costs were reduced to eliminate tree trimming, replacement, and any landscape enhancement. In 2012, the turfgrass was removed and decomposed granite ("DG") was installed to help further reduce maintenance costs.

**Benefit Zone 4** - After a failed election in 2002, the City received many complaints from property owners within Benefit Zone 4 due to the condition of the landscape. Therefore, the City again conducted a special election pursuant to the provisions of Proposition 218 for Benefit Zone 4 in July of 2003. The proposed increase for Benefit Zone 4 was from \$75.00 to \$138.00 (\$63.00 per assessment unit). In order to provide sufficient funds from the levy and collection of assessments within the benefit zone in future Fiscal Years to pay increasing costs due to inflation, it was proposed that the assessments levied on assessable parcels of property in Benefit Zone 4 should be subject to annual increases in future years, commencing in Fiscal Year 2007, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario ("CPI") or three percent (3%), whichever is less. Benefit Zone 4 received a favorable majority vote and the charge per assessment unit was increased from \$75.00 to \$138.00 commencing in Fiscal Year 2007. The maximum assessment per benefit unit for Benefit Zone 4 will escalate three and zero one hundredths percent (3.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$192.55.

**Benefit Zone 10** - After a failed election in 2007, the City received many complaints from property owners within Benefit Zone 10 due to the condition of the landscape. On April 2, 2008, the City Council, in response to input from residents, approved a petition and re-ballot process to allow for property owners to re-vote. The procedure required signed petitions from at least 25% of the properties within the benefit zone to trigger a re-vote. This requisite equated to approximately 725 signed petitions from the record property owners indicating their intended support of the proposed annual levy increase from \$335.61 to \$540.00 per assessment unit. Benefit Zone 10 met the required minimum number of petitions favoring the re-ballot process, and a public hearing on the proposed levy increase was scheduled for June 18, 2008. Benefit Zone 10 received a favorable majority vote and the charge per assessment unit was increased for Fiscal Year 2009. The rate per assessment unit for Benefit Zone 10, is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2012, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per benefit unit, for Benefit Zone 10 will escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum charge assessment per benefit unit \$648.54.

**Benefit Zone 14** - After two failed elections, the irrigation and maintenance in Benefit Zone 14 was reduced due to lack of funding, causing the landscape areas to deteriorate. In order to revitalize declined areas and keep up with inflation and rising costs, this benefit zone underwent a third Proposition 218 ballot proceeding on August 28, 2007. Benefit Zone 14 received a favorable majority vote and the charge per benefit unit was increased from \$100 to \$230 in Fiscal Year 2009. The rate per benefit unit for Benefit Zone 14 is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2013, by the percent increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per unit for Benefit Zone 14, escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$270.81.

The landscaped and irrigated areas increased to approximately 31.44 acres in Fiscal Year 2009 and due to the increase in the assessment, a phased capital improvement program was implemented to revitalize areas that had been subjected to previous years' cutbacks. This phased program started in Fiscal Year 2009 with the first year's allocation of approximately \$636,000. Of this amount, \$450,000 was borrowed from Fund 289, to be paid back over 10 years at 4.2% interest. The loan was paid in full in Fiscal Year 2019.

**Benefit Zone 19** - The 1996-97 Notice of Public Meeting and Hearing noticed (and subsequently confirmed by the City Council) a \$7.00 per benefit unit per Fiscal Year increase from \$107.00 to a maximum of \$126.00 per year. Therefore, Fiscal Year 2015 and future years' annual levy for maintenance expenses will be the same as the prior Fiscal Year 2014 levy of \$126.00 per benefit unit (at the maximum). Since this benefit zone is lacking an inflation factor in its assessment methodology the maintenance costs will continue

to increase while the revenues remain the same, causing this benefit zone's deficit to increase annually. A Proposition 218 Ballot proceeding will be necessary for this benefit zone in order to eliminate the deficit and replenish the reserves.

**Benefit Zone 20** - After a failed election, Benefit Zone 20 property owners met the City's requisite of 621 signed petitions that triggered a re-vote on August 6, 2008 to increase the annual rate per benefit unit from \$180.00 to \$360.00 and to be subject to an inflationary factor in future Fiscal Years, commencing Fiscal Year 2011, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. Due to the approved measure, the added revenue from the increase allows Zone 20 to keep up with the rising costs in labor, utilities, plant materials, and irrigation parts and implement a much needed Capital Improvement and/or Plant Rehabilitation Program which began in Fiscal Year 2009. The maximum charge assessment per benefit unit for Benefit Zone 20 escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$440.39.

### Reserves Outlook

After reviewing all of the benefit zones within the District, it is apparent that a majority of the benefit zones have the ability to generate reserves. However, Benefit Zones 2, 6, 17, 18, and 19 continue to draw on reserve funds at an increasing rate primarily as result of the increase in utility costs and the absence of an annual inflator for the assessment rates. Measures have been taken to reduce operating costs through turf removal projects for Zones 2 and 17, see Appendix C. It will be necessary to conduct Proposition 218 Assessment Ballot proceedings for Benefit Zones 17 and 19 in the next few years for the benefit zones to be self-sustaining. Currently, Benefit Zones 1, 4, 7, 10, 14, 15, and 20 are building their reserve funds.

**Whereas**, on May 5th, 2021 the City Council, under the Act, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for Landscape Maintenance District No. 84-2.

**Whereas**, the Resolution of Initiation directed Spicer Consulting Group, LLC. to prepare and file a Report presenting plans and specifications describing the general nature, location, and extent of the improvements to be maintained; an estimate of the costs of the maintenance, operations, and servicing of the improvements for LMD No. 84-2 for the referenced Fiscal Year; a diagram for LMD No. 84-2 showing the area and properties to be assessed; and an assessment of the estimated costs of the maintenance, operations, and servicing the improvements, assessing the net amount upon all assessable lots and/or parcels within the District in proportion to the special benefit received;

**Now Therefore**, the following assessment is made to cover the portion of the estimated costs of maintenance, operation, and servicing of said improvements to be paid by the assessable real property within LMD No. 84-2 in proportion to the special benefit received.

### Estimated Benefit Assessments

Each of the parcels within the benefit zones listed below has been deemed to receive proportional special benefit from the maintenance and operation of the improvements within that benefit zone. The percentage change in allowable Fiscal Year 2022 assessment from the allowable Fiscal Year 2021 assessment is as follows:

*Table 4-1  
Proposed Assessment Summary*

Zone	Estimated Charge FY 2022	Estimated Benefit Units	Maximum Assessment per BU FY 2021	Maximum Assessment per BU FY 2022	Maximum Assessment Rate Change (%)	Actual Assessment per BU FY 2022
Benefit Zone 1	\$4,147.36	184.00	\$22.54	\$22.54	0.00%	\$22.54
Benefit Zone 2 <sup>1</sup>	\$81,084.00	699.00	\$116.00	\$116.00	0.00%	\$116.00
Benefit Zone 4	\$93,614.82	514.00	\$186.94	\$192.55	3.00%	\$182.13
Benefit Zone 6	\$315,034.71	4,618.60	\$68.21	\$68.21	0.00%	\$68.21
Benefit Zone 7	\$78,793.00	1,432.60	\$55.00	\$55.00	0.00%	\$55.00
Benefit Zone 10	\$2,139,266.04	3,429.85	\$635.81	\$648.53	2.00%	\$623.72
Benefit Zone 14 <sup>2</sup>	\$588,663.32	2,305.50	\$265.49	\$270.80	2.00%	\$255.33
Benefit Zone 15	\$27,555.68	383.25	\$106.90	\$106.90	0.00%	\$71.90
Benefit Zone 17	\$22,110.00	201.00	\$110.00	\$110.00	0.00%	\$110.00
Benefit Zone 18 <sup>3</sup>	\$35,980.00	359.80	\$100.00	\$100.00	0.00%	\$100.00
Benefit Zone 19	\$464,940.00	3,690.00	\$126.00	\$126.00	0.00%	\$126.00
Benefit Zone 20	\$1,068,698.21	2,573.75	\$431.75	\$440.39	2.00%	\$415.23

<sup>1</sup> The Estimated Charge does not include the \$209 of General Benefit.

<sup>2</sup> The Estimated Charge does not include the \$766 of General Benefit.

<sup>3</sup> The Estimated Charge does not include the \$382 of General Benefit.

Executed this 7th day of July 2021.

A handwritten signature in blue ink, appearing to read "Francisco Martinez Jr.", written over a horizontal line.

FRANCISCO MARTINEZ JR  
PROFESSIONAL CIVIL ENGINEER NO. 84640  
ENGINEER OF WORK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was filed with me on the \_\_\_\_\_ day of \_\_\_\_\_, 2021, by adoption of Resolution No. 2021-\_\_\_\_ by City Council.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was approved and confirmed by the City Council of the City of Corona, California on the \_\_\_\_\_ day of \_\_\_\_\_, 2021.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are referenced in Appendix A of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report. If any APN identified therein is submitted for collection and identified by the County Auditor/Controller of the County of Riverside to be an invalid parcel number for any fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

The District boundary coincides with the boundary of the parcels included within the District as of the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Reference is made to the County Assessor's Roll and Maps for a detailed description of the lines and dimensions of any lot or parcel. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

An Assessment Diagram for each Zone is attached hereto in Appendix B, showing the boundaries of LMD No. 84-2 and the boundaries of each Benefit Zone established within the District as the same existed at the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

## Capital Improvement Projects

SPIKER CONSULTING  
G R O U P

The Community Services Department is developing a master plan for each zone that would include capital projects, operational activities, and revenue requirements to meet the objectives and service levels desired. Revenue requirements are set to cover annual operating costs and build reserves over time to perform focused capital replacements year over year, or large capital replacements in one anticipated year. Projects will be brought before City Council for approval as they are developed through the master plan. Zone specific projects are listed below:

#### *Zone 1 Capital Project*

In Fiscal Year 2012, all turf was removed and replaced with decomposed granite and trees on drip irrigation. Constituents have expressed a desire to add more color to the area, and so funds will be used to add in some additional vegetation. Future projects will be developed through the master plan process referenced above.

#### *Zone 2 Capital Project*

In Fiscal Year 2018, Zone 2 retrofitted approximately 28,000 square feet of landscaping, consisting of parkway turf removal and replanting and irrigation retrofit of the medians along Corydon Street. Future projects will be developed through the master plan process referenced above.

#### *Zone 4 Capital Project*

Zone 4 had 7,000 square feet of parkway turf along Ontario Avenue removed and replaced with low-water use plants and high-efficiency irrigation in Fiscal Year 2018. In future years, upon build-up of reserves, the City will re-bid the previously designed areas along Fullerton Avenues and Old Temescal Road. Future projects will be developed through the master plan process referenced above.

#### *Zone 6 Capital Project*

In Fiscal Year 2018, the medians along Promenade Avenue in Zone 6 received in-fill planting. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 7 Capital Project*

The 62,780 square feet of landscaping renovation for Zone 7 was completed in Fiscal Year 2018. The landscape renovation project in Zone 7 parkways along Ontario Avenue from Oak to Mangular Avenues was completed in Fiscal Year 2019. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 10 Capital Projects*

The first year landscape renovation project in Zone 10 was completed by the end of the Fiscal Year 2018. This project renovated approximately 125,000 square feet of landscaping for Year 1 of Zone 10's ten-year capital improvement plan.

The parkways along the south side of Oakridge Drive were completed in FY 2020. The Oakridge portion of the project renovated 12,400 square feet of parkways, totaling \$105,000. Year 2 construction was completed during FY 2021. This project rehabilitated 63,745 square feet of slope areas and parkways, including the removal of ice plant, installation of low-precipitation rotary nozzles and acacia for slope stability. Additionally, a new irrigation controller, decomposed granite and bench seating was installed in an open space area along Rutland Drive. The total project cost was \$711,551.15.

Additionally, the City of Corona contracted with Ninyo & Moore, a geotechnical and environmental sciences consulting firm, to further examine several slope areas in Zone 10, Areas 55, 89, and 272. These areas were previously observed to have some surficial slope erosion and damage to concrete drainage ditches which required more investigation. After receiving the report from Ninyo & Moore, the City focused in on an area behind two homes located along Dominguez Rancho Road based on Ninyo & Moore's findings. The City subsequently requested a more detailed report, including soils sampling and testing, focused on this area from a company named GeoTek, Inc. GeoTek's findings indicate that future remediation actions will be necessary on the slope in this area, however, the slope itself at its base is stable. The City is currently working with an engineering design firm, Hunsaker and Associates, for design services based upon GeoTek's recommendations. Cost estimates are unavailable at this time, since the final design solution is unknown.

#### *Zone 14 Capital Projects*

Just over 23,000 square feet of turf was removed from the parkways along Hidden Valley Parkway in Zone 14 and replaced with drip irrigation and low-water use plants in Fiscal Year 2018. In Fiscal Year 2020, the turf removal from parkways on Hidden Valley

Parkway continued from the current project limits all the way to the Zone 14 boundary near Ranch Vista Road. This area totals almost 47,000 square feet, and cost approximately \$370,000. Additional areas for turf removal projects will continue to be identified for future projects. Future projects will be developed through the master plan process referenced above.

A landscape audit is planned to be completed for each meter, along with additional contract work to include: identifying and fixing any irrigation issues, completing in-fill planting, identifying and completing additional weeding and area clean-up projects, fertilizing, and mulching.

#### *Zone 15 Capital Projects*

The project to remove and re-landscape the turf along both sides of Railroad was completed in Fiscal Year 2018.

#### *Zone 17 Capital Projects*

13,629 square feet of landscaping for Zone 17 was renovated in Fiscal Year 2018. The turf was removed and replaced with an efficient drip system and low water use plant materials. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 18 Capital Projects*

Zone 18 parkways and monument area at the corner of River Road and Lincoln Avenue, totaling 24,569 square feet of landscaping, were renovated to include water-efficient plants, drip irrigation, in addition to some cobblestone hardscape, in Fiscal Year 2018. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 19 Capital Projects*

The City continues to look for opportunities to help reduce expenses for the zone, such as rebates for landscaping renovations and low-interest loans. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 20 Capital Projects*

Approximately 68,700 square feet of landscaping was renovated in Zone 20 in Fiscal Year 2018. Planned projects for the greenbelt area include: installing additional pet waste stations, replacing lighting as needed, developing a schedule for bench and picnic table replacement and completing these replacements, replacing fitness equipment, and replacing trash cans. Future projects will be developed through the master plan process referenced above.

A landscape audit is planned to be completed for each meter, along with additional contract work to include: identifying and fixing any irrigation issues, completing in-fill planting, identifying and completing additional weeding and area clean-up projects, fertilizing, and mulching.

\*All rebate funding for the various zones has been received by Fiscal Year 2020.

## **RESOLUTION NO. 2021-062**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT WITHIN ZONE 19 OF LANDSCAPE MAINTENANCE DISTRICT NO. 84-2 FOR FISCAL YEAR 2022**

**WHEREAS**, on June 2, 2021, the City Council of the City of Corona (the “City Council”) adopted Resolution No. 2021-041, a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which among other things, scheduled a public hearing on the levy and collection of assessments on the lots and parcels of the assessable property within Zone 19 of Landscape Maintenance District No. 84-2 (the “District”) for Fiscal Year 2022 pursuant to the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the “Act”) for 6:30 p.m. on July 7, 2021, in the City Council Chambers of the City of Corona, at 400 South Vicentia Avenue, Corona, California; and

**WHEREAS**, notice of said hearing was duly published as required by Sections 22552 and 22553 of said Act; and

**WHEREAS**, at the time and place of said hearing, as set forth in said resolution of intention, the City Council held the hearing and afforded all interested persons an opportunity to be heard, and considered all oral statements and all written protests or communications made or filed by any interested persons, and at the conclusion of said hearing determined that a majority protest, to wit: written protests filed and not withdrawn by property owners owning more than 50 percent of the area of assessable land within the District, had not been received.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Findings and Approval of Final Report.** The City Council find that:

- (a) The foregoing recitals are true and correct;
- (b) Compliance has been maintained with all of the applicable requirements of the Act;
- (c) A majority protest to the levy and collection of the proposed assessment has not been filed;
- (d) The City Council may therefore proceed to confirm the boundary and assessment for the District for Fiscal Year 2022, and order levy and collection of the assessment;
- (e) The assessment proposed to be levied on the lots and parcels of assessable property within the District for the maintenance and servicing of public landscaping and appurtenant facilities during Fiscal Year 2022, as contained in the Final Annual Engineer’s Report

as it pertains to Zone 19, prepared by Spicer Consulting Group, LLC on file with the City Clerk (the "Report"), are based on the proportionate special benefit derived by such lots and parcels from the availability of such public landscaping and appurtenant facilities;

(f) The proportionate special benefit derived by each such lot or parcel has been determined in relationship to the entirety of the cost of the maintenance and servicing of such public landscaping and appurtenant facilities;

(g) Such assessments do not exceed the reasonable cost of the proportional special benefit conferred on each such lot and parcel;

(h) Such assessments will not be increased over the amounts previously approved by the electors of the District or as otherwise permitted by the Act and Article XIID of the California Constitution; and

(i) Based on the foregoing and the full record before the City Council, the Report as whole and each part thereof are finally approved and confirmed.

**SECTION 2. Levy of Assessment.** Pursuant to Section 22631 of the Streets and Highways Code, the adoption of this resolution constitutes the levy of the assessment for the maintenance and servicing of public landscaping and appurtenant facilities within the District during Fiscal Year 2022, as contained in the Report, and such assessment is hereby levied. The City Clerk is directed to file a certified copy of this resolution together with the diagram and assessment contained in the Report with the County Auditor of the County of Riverside, who, pursuant to Section 22645 of the Streets and Highways Code, shall enter on the County Assessment Roll opposite each lot or parcel of land the amount assessed thereupon, as shown in the said assessment.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

\_\_\_\_\_  
Mayor of the City of Corona, California

**ATTEST:**

\_\_\_\_\_  
City Clerk of the City of Corona, California

**CERTIFICATION**

I, Sylvia Edwards, City Clerk of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly passed and adopted by the City Council of the City of Corona, California, at its regular meeting thereof held on the 7th day of July, 2021, by the following vote:

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**

Public Hearing confirming the diagram and assessment within Zones 1, 2, 4, 7, 10, 14, 15, 17, 18, and 20 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022.

**EXECUTIVE SUMMARY:**

Adoption of the recommended resolution is the last step of the annual proceedings for the levy and collection the special assessment within Zones 1, 2, 4, 7, 10, 14, 15, 17, 18, and 20 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022. The City Council will conduct a public hearing to afford all interested parties an opportunity to make verbal or written comments on the proposed annual assessment.

At the conclusion of the hearing, it is recommended that the City Council adopt the said resolution confirming the diagram and assessments for the District for Fiscal Year 2022, which will constitute the levy of the assessment for the maintenance and servicing of public landscaping and appurtenant facilities within the District, in accordance with the Streets and Highways Code.

**RECOMMENDED ACTION:**

**That the City Council** adopt Resolution No. 2021-063, confirming the diagram and assessment within Zones 1, 2, 4, 7, 10, 14, 15, 17, 18, and 20 of Landscape Maintenance District No. 84-2 for Fiscal Year 2022.

**BACKGROUND & HISTORY:**

Zones 1, 2, 4, 7, 10, 14, 15, 17, 18, and 20 of Landscape Maintenance District No. 84-2 ("LMD 84-2" or "District") were established in accordance with the provisions of the Landscaping and Lighting Act of 1972 (the "1972 Act") in 1986. The purpose of the District is to provide landscape maintenance and operating services for the public landscaping and appurtenant facilities within the District's boundaries.

Each zone imposes a different assessment levy based on the benefit areas associated with that zone. The annual assessments proposed to be levied within the District will pay for the maintenance of parks, slopes, parkways, and open spaces during Fiscal Year 2022. Services provided include all necessary operations, administration, capital replacements, and maintenance required to keep the above-mentioned improvements in a healthy and satisfactory working condition.

**ANALYSIS:**

The State of California Street and Highways Code Section 22500 requires an annual review of the assessments levied by the assessment districts formed under the 1972 Act. In order to levy and collect special assessments within such districts, Engineer's Reports must be prepared, which provide details on the improvements that are maintained and the estimated budgets for each district.

On May 5, 2021, the City Council adopted Resolution No. 2021-027, to initiate the proceedings to levy and collect assessments for the District for Fiscal Year 2022, appointed Spicer Consulting Group, LLC as the engineer of record, and ordered the preparation of an Engineer's Report for the District.

On June 2, 2021, the City Council adopted Resolution No. 2021-042, to declare the City's intention to levy and collect assessments within the District for Fiscal Year 2022, approve the preliminary Engineer's Report (the "Preliminary Report"), and provide a notice of public hearing to consider the proposed assessments. A notice of public hearing was published in the local newspaper on June 9, 2021.

Attached is the final Engineer's Report (the "Report") as it pertains to the District, which is consistent with the Preliminary Report. The Report includes a detailed description of the existing improvements within the District, the estimated maintenance costs, the method of assessment apportionment for each lot or parcel within the District boundaries, and a diagram showing the boundaries of the District. The Report also provides an analysis of the District's financial status.

**FINANCIAL IMPACT:**

The cost of operation, servicing and maintenance of the District will be funded by the assessments levied and collected within the District. For Fiscal Year 2022, it is projected that the current year assessment revenues will be sufficient to cover the operating costs for zones 1, 4, 7, 10, 14, 15, and 20 within the District during the same fiscal period. It is also projected that the current year assessment revenues will be insufficient to cover the operating costs for zones 2, 17, and 18 during the same fiscal period, which will be covered by a one-time contribution from each respective zone's reserves.

The proposed levy for Fiscal Year 2022 is the same as the Fiscal Year 2021 levy, which will result in no increase to the parcels in the District. Zones 2, 17, and 18 were formed with no escalator included in the method of apportionment. Staff will continue to analyze the District's financials annually to determine options to maintain operations.

Below is an overview of the District's estimated assessment revenues and proposed expenditures for Fiscal Year 2022. Detailed information can be found in the attached Report.

District	Estimated Costs	Estimated Assessment Revenue	General Benefit Contribution <sup>(1)</sup>	Estimated Excess/(Deficit)	Actual Assessment YOY % Change
LMD 84-2, Zone 1	3,631	4,147	-	516	0.00%
LMD 84-2, Zone 2	89,470	81,084	209	(8,177)	0.00%
LMD 84-2, Zone 4	80,813	93,615	-	12,802	0.00%
LMD 84-2, Zone 7	72,972	78,793	-	5,821	0.00%
LMD 84-2, Zone 10	1,357,542	2,139,266	-	781,724	0.00%
LMD 84-2, Zone 14	395,861	588,663	767	193,569	0.00%
LMD 84-2, Zone 15	26,166	27,556	-	1,390	0.00%
LMD 84-2, Zone 17	34,231	22,110	-	(12,121)	0.00%
LMD 84-2, Zone 18	63,821	35,980	383	(27,458)	0.00%
LMD 84-2, Zone 20	784,569	1,068,698	-	284,129	0.00%

1) Benefit received by non-residents of the District for the landscape improvements. This amount is contributed by the City's General Fund.

### ENVIRONMENTAL ANALYSIS:

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely declares the City's intent to levy and collect assessments within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

CITY OF CORONA  
STATE OF CALIFORNIA

#### REPORT PURSUANT TO "LANDSCAPING AND LIGHTING ACT OF 1972"

Pursuant to direction from the City Council (the "City Council") of the City of Corona (the "City"), State of California, submitted herewith is the Engineer's Report (the "Report") for the Landscape Maintenance District No. 84-2, consisting of the following parts, pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California, being the "Landscaping and Lighting Act of 1972" (the "Act"), as amended, commencing with Section 22500, and which is in accordance with Resolution Nos. 2021-025, 026, and 027 adopted by the City of Corona City Council, Riverside County, California ordering preparation of the Report for Landscape Maintenance District No. 84-2 ("LMD No. 84-2" or the "District"). This Report is applicable for the ensuing 12-month period, being the Fiscal Year commencing July 1, 2021 to June 30, 2022.

- Section 1** PLANS AND SPECIFICATIONS of the improvements to be maintained and/or improved for the Fiscal Year. The plans and specifications show and describe the existing and proposed improvements and are sufficient in showing and describing the general nature, location and extent of the improvements.
- Section 2** A COST ESTIMATE of the improvements to be maintained and/or improved for the mentioned Fiscal Year.
- Section 3** A METHOD OF APPORTIONMENT OF ASSESSMENT calculates the receipt of special benefit and the general benefit derived from the installation and maintenance and servicing of the respective improvements located throughout the District, and the methodology used to apportion the total assessment to the properties within the District.
- Section 4** An ENGINEER'S SIGNATURE certifying the filing of the Engineer's Report, together with the Assessment Roll and Assessment Diagram.
- Section 5** ASSESSMENT ROLLS showing the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the boundaries as shown on the below-referenced Diagram. The Assessment Rolls can be found in Appendix A.
- Section 6** The ASSESSMENT DIAGRAMS of the District. Said Diagrams shall show the exterior boundaries of the District and the boundaries of any zones within the District. Reference is made to the County Assessor's Maps for a detailed description of the lines and dimensions of any lots or parcels. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies. The Assessment Diagrams can be found in Appendix B.

LMD No. 84-2 consists of 12 Benefit Zones that were all formed in 1986. The types of services provided for Zones 1, 2, 4, 6, 7, 10, 14, 15, and 17 through 20 are the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, fitness circuit equipment, pathway lighting, green space and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacements, and maintenance required to keep the above-mentioned improvements in a healthy, vigorous, and satisfactory working condition. The above maintenance and services may be referred to herein as the "Landscape Improvements". Below is a description of each Zone within the boundaries of the District.

#### Description of the Boundaries and Improvement Services of LMD No. 84-2

**Benefit Zone 1** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the west parkway of Lincoln Avenue adjacent to the benefit zone. The improvements were required by the conditions of approval for Tract No. 19288 and Tract No.'s 19288-1 through 19288-5.

**Benefit Zone 2** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover within the buffer zone along the westerly boundary of the open space designated as Lot "A" within Tract No. 19981 and the Corydon Street parkways. Also to be maintained are the access road and the natural open space of Lot "A." The improvements were required by the condition of approval for Tract No. 19981.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and open space lot (Lot "A"), within Tract No. 20515. The improvements were required by the condition of approval for Tract No. 20515.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street and Lot "C" of Tract No. 21354. The improvements were required by the condition of approval for Tract No. 21354.
- ◆ The irrigation system, trees, and ground cover within the parkway along Corydon Street, Tract No.'s 27305-1 through 27305-9, and incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 4** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ Parkway irrigation system, trees, and ground cover along Ontario and Fullerton Avenues and Old Temescal Road within the benefit zone. The improvements were required by the condition of approval for Tract No. 19480.
- ◆ Parkway irrigation system, trees, and ground cover adjacent to the following tracts and along Old Temescal Road and Ontario, Fullerton, and Rimpau Avenues. The improvements were required by the condition of approval for Tract No.'s 19690, 19690-1, and 19690-2.
- ◆ Parkway irrigation system, trees, and ground cover along Old Temescal Road and Fullerton and Rimpau Avenues within the benefit zone. The improvements were required by the condition of approval for Tract No. 19688.
- ◆ Parkway irrigation system, trees, ground cover, and sidewalk within the 12-foot parkways adjacent to Tract No. 22961, along Old Temescal Road and Rimpau Avenue. The improvements were required by the condition of approval for Tract No. 22961.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 6** includes all property within Assessment District No. 79-2, located north and south of Route 91 between Cresta Verde and Buchanan Street. The improvements consist of maintaining the following irrigation systems, trees, and ground cover along the following:

- ◆ McKinley Street median between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line (approximately 200 feet north of Mt. Humpries Street).
- ◆ Promenade Avenue median between 2,000 feet west of McKinley Street and 1,300 feet east of McKinley Street.
- ◆ Parkway and streetscape landscaping along McKinley Street, between Magnolia Avenue and the Rancho El Sobrante de San Jacinto boundary line, except on the west side between Sampson Avenue and Magnolia Avenue.
- ◆ Parkway and streetscape landscaping along Promenade Avenue between the Riverside Freeway and Buchanan Street.
- ◆ Parkway and streetscape landscaping along portions of Buchanan Street adjacent to the area known as Westfield Corona and from Wimbledon Drive to the north boundary of said area.

- ◆ Parkway and streetscape landscaping along the north side of Wimbledon Drive from Buchanan Street to Surry Circle; north side of Dartmouth Street from Buchanan Street to Chelsea Way; both sides of Eaton Street between Coventry Way and Astoria; and both sides of Brittany Drive between Newcastle and Promenade Avenue.
- ◆ Parkway and adjacent slope irrigation, trees, and ground cover along the east side of Mondale Street, between Kennedy Drive and Promenade Avenue; open space Lots 79 and 80 of Tract No. 21213; and the slopes adjacent to the Riverside Freeway. The improvements were required by the conditions of approval for Tract No. 21213.
- ◆ Parkway irrigation, trees, and ground cover along the north side of Cresta Road between Harding Road and Promenade Avenue and the southwest side of Collett Avenue between Coolidge Street and Promenade Avenue as were required by the conditions of approval for Tract No. 19191.
- ◆ Parkway irrigation, trees, and ground cover along the west side of Collett Avenue between Promenade Avenue, and 400 feet southwest of Cresta Road as were required by the conditions of approval for Tract No. 19666.
- ◆ Parkway irrigation and ground cover along the northeast side of Cresta Avenue, along Lots 31 through 34 of Tract No. 19191-2.
- ◆ Natural conditions within open space Lots 69, 83, 84, and 126 of Tract No. 20775.
- ◆ The irrigation system and landscape improvements within Lots D and E of Tract No. 23454 and Lots C, D, and E of Parcel Map No. 23376.
- ◆ The irrigation system and landscaping within the parkway along the northwesterly side of Buchanan Street from the south side of Dartmouth Street to the north side of Wimbledon Drive. The improvements were required by the condition of approval for Tract No. 24129 and Parcel Map No. 24041.
- ◆ The irrigation system and landscaping within the median and parkway along McKinley Street and adjacent to Assessor Parcel Numbers 172-420-002 and 172-420-003. The improvements were required by the condition of approval for Assessor Parcel Numbers 172-420-002 and 172-420-003.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 29876.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.
- ◆ The improvements are required as set forth by Specific Plan "SP 81-2" and were constructed both under Assessment District No. 79-2, City of Corona, State of California and as conditions of approval for various developments.

*Benefit Zone 7* improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover constructed as part of the detention basin within Lot 142 of Tract No. 20966; and the parkway and slope landscaping along Ontario Avenue. The improvements were required by the condition of approval for Tract No.'s 20818, 21720, and 20966.
- ◆ The irrigation system, trees, and ground cover as part of the detention basin within Lot 1 of Tract No. 19159-1.
- ◆ The irrigation system and landscape improvements within the common lots adjacent to Ontario Avenue and within Tract No.'s 21203 and 21720.
- ◆ Decorative block wall and landscaping in the ten-foot wide landscaping lot along Via Pacifica.
- ◆ Landscape pockets and landscaping within the decorative wall along Citron Street, between Via Pacifica and the Oak Street Channel.
- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 22535 and along Ontario Avenue, and slope easements located within Lots 1, 27, and 28 of Tract No. 22535.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

*Benefit Zone 10* includes two distinct areas that are within Specific Plan "SP 85-2", as approved by the Corona City Council on September 18, 1985. The improvements to be maintained consist of the following:

- ◆ Parkway irrigation system, trees, and ground cover along both sides of Green River Drive, Ridgeline Drive, Serfas Club Drive, Paseo Grande, Montana Ranch Road, and Palisades Drive. Also to be maintained are the lots designated for open space and

the fuel modification zone, including erosion control, plant replacement, and landscaping debris cleanup. The improvements were required by the condition of approval for Tract No. 20872.

- ◆ The irrigation system, trees, and ground cover within the common area designated as Lot No. 17, Tract No. 12166. The improvements were required by the condition of approval for Tract No. 12166.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 14** improvements were a condition of approval for Tract No.'s 20796 and 22579 and consist of maintaining irrigation systems, trees, and ground cover along the following:

- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets.
- ◆ Flood control detention basins.
- ◆ The above improvements were required as set forth by the Woodlake Specific Plan "SP 85-3" approved by the Corona City Council on November 20, 1985 and by the condition of approval for Map No. 20796.
- ◆ The irrigation system and landscaping within Lots A through D, Tract No. 22579 and those portions of the Hidden Valley Parkway within Tract No. 22579. The improvements were required by the condition of approval for said tract.
- ◆ The irrigation system and landscaping within Lots F and I, Tract No. 25249. The improvements were required by the condition of approval for Tract No. 25249.
- ◆ Median, parkway, and streetscape landscaping along Hidden Valley Parkway, McKinley Street, and other public streets. The improvements were required by the conditions of approval for Tract No. 29595.
- ◆ Median, parkway, and streetscape landscaping along Stevens Drive. The improvements were required by the conditions of approval for Parcel Map No. 33533.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 15** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system, trees, and ground cover of the parkway along the public right-of-way within Tract No. 20006. The improvements were required by the condition of approval for said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 17** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscape improvements within the parkway adjacent to Tract No. 21355 and along Stagecoach Road; slope easements located within Lots 1 through 6 and 192 through 205; and the westerly parkway on Stagecoach Road from the southerly boundary of Tract No. 21355 to Corydon Street.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 18** improvements were a condition of approval for specific tracts and consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No.'s 24716 & 32195; Assessor Parcel Numbers 119-060-018; 119-060-020; and 119-060-022; and along River Road (including the center median area); Lincoln Avenue and Harrington Street; and the riparian habitat area within and adjoining that portion of the Norco Channel within said tract.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 19** consists of various developments within South Corona for which the improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping in accordance with the South Corona Community Facilities Plan. These improvements are also referred to as the "South Corona Streetscapes," and includes parkways, medians, and dedications to the City of Corona from past and future South Corona development.
- ◆ The irrigation system and landscaping within Lots A and B, Parcel Map No. 22908, and the portion of the westerly Lincoln Avenue parkway fronting said map.
- ◆ The irrigation system and landscaping within the easterly Mangular Avenue parkway adjacent to Tract No. 24118.

- ◆ The irrigation system and landscaping within the easterly parkway along Oak Avenue, the northeasterly parkway along Chase Drive, adjacent to Tract No. 23434, and within Lots L, M, O, P, Q, R, S, T, and U of Tract No. 23434.
- ◆ The irrigation system and landscaping within Lots F and G of Tract No. 22707 and that portion of the westerly Mangular Avenue parkway adjacent to said map.
- ◆ The irrigation system and landscaping within Lots A and B of Tract No. 20971 and that portion of Fullerton Avenue (formerly Garretson Avenue) parkway fronting said map.
- ◆ The irrigation system and landscaping within Lots A, K, and L, Tract No. 24326 and the parkways adjacent to said tract and along Chicago Street and Citrus Way. The improvements were required by the condition of approval for Tract No. 24326.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 23861 and along California Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23401-1 and 23401-2, and along California and Chase Avenues; and the bike path adjacent to said tracts and along Chase Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25009 and along Foothill Parkway, Highgrove Street, and Lot F of Tract No. 25009.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24533, along the east side of Lincoln Avenue, north side of Foothill Parkway, and west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24271 and along the west side of Buena Vista Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and J of Tract No. 27199, and the parkways adjacent to said tract and along the north side of Santana Way.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 26807, 25466, and 25652C, and along the east side of Fullerton Avenue (formerly Garretson Avenue), south side of Foothill Parkway, both sides of Valencia Avenue, and the north side of Upper Drive.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 25817 and along the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within Lots D, E, F, and I of Tract No. 26012-1 and the parkways adjacent to Tract No.'s 26012-1 and 26012, along the east side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within Lots C, D, and E, Tract No. 26903-1 and the parkways adjacent to said tract and along the north side of Chase Drive and the east side of Fullerton Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27504, along the north side of Chase Drive and the east side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25887, along the north side of Chase Drive and the west side of Rimpau Avenue (formerly Lester Avenue).
- ◆ The irrigation system and landscaping within parkways on Fullerton and Gilbert Avenues adjacent to Parcel Map 24234, all within Annexation No. 37.
- ◆ The irrigation system and landscaping within parkways north of Encanto Street and west of Hudson Avenue adjacent to Tract No. 26062, all within Annexation No. 40.
- ◆ The irrigation system and landscaping within parkways adjacent to Parcel Map 26695 located east of Gilbert Avenue, all within Annexation No. 45.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25466 and 25466-1 and along the north side of Upper Drive and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 52.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27802, along the north side of Foothill Parkway and the west side of Rimpau Avenue (formerly Lester Avenue), all in Annexation No. 53.
- ◆ The irrigation system and landscaping within the parkway adjacent to Tract No. 25311R and along the south side of Chase Drive and the north side of Foothill Parkway, all in Annexation No. 54.

- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27916-1, 27916-2, and 27916-3, along the east side of Lincoln Avenue, all in Annexation No. 55.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 23956, 23956-1, and 23956-2, along the west side of Kellogg Avenue, all in Annexation No. 56.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 27860 along the north side of Foothill Parkway, all in Annexation No. 57.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24272 and Tract No.'s 24272-1 through 24272-8, along the east and west sides of Lincoln Avenue, and along the west side of Buena Vista Avenue, all in Annexation No. 58; and the irrigation system and landscaping within parkways adjacent to Tract No. 25690, along the west side of Lincoln Avenue.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26117-1, along the north side of Foothill Parkway, all in Annexation No. 59.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25571 and 25571-1 and along the north and south side of Citrus Way, all in Annexation No. 60.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 27833, 27833-1, and 27833-2, along the west side of Fullerton Avenue, all in Annexation No. 61.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25315, 25315-1, 25315-2, and 25315-3, along the east side of Kellogg Avenue and the south side of Santana Way, all in Annexation No. 62.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 24077, 24077-1, 24077-2, and 24077-3, all in Annexation No. 63.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25396, along the east side of Rimpau Avenue, and along the west side of California Avenue, all in Annexation No. 64.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 24840, along the south side of Valencia Avenue and north side of Upper Drive, all in Annexation No. 65.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 28177 and 28177-1, and along the south side of Foothill Parkway, the east side of Rimpau Avenue, and the north side of Valencia Avenue, all in Annexation No. 66.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25310R, along the south side of Chase Drive, the east side of Fullerton Avenue, and the north side of Foothill Parkway, all in Annexation No. 67.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No.'s 25468, 25468-1, 25468-2, and 25468-3, along the south side of Foothill Parkway and the west side of California Avenue, all in Annexation No. 68.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26058 and along the south side of Chase Drive and the west side of Fullerton Avenue, all in Annexation No. 69.
- ◆ The irrigation system and landscaping within the parkways adjacent to Parcel Map No. 26978 and along the east side of Lincoln Avenue, all in Annexation No. 70.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26238, along the south side of Taber Road, and along the west side of California Avenue, all in Annexation No. 71.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 28180, along the south side of Ontario Avenue and the west side of Rimpau Avenue, all in Annexation No. 73.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 25917R-1, all in Annexation No. 74.
- ◆ The irrigation system and landscaping within the parkways adjacent to Tract No. 26807-R, along the east side of Fullerton Avenue, the north side of Valencia Road, and the south side of Foothill Parkway, all in Annexation No. 75.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

**Benefit Zone 20** consists of the Mountain Gate Specific Plan and its Amendment ("SPA90-09") Area for which improvements consist of maintaining the following:

- ◆ The irrigation system and landscaping within the parkways and medians of the arterial and collector streets, including the additional landscape lots that are proposed to be dedicated along a number of the major streets.
- ◆ The structure and exterior face of the project theme walls located along the major arterial and collector streets in the planned community.
- ◆ Entry monuments and special landscape areas located at the major project entries, secondary project entries, individual subdivision entries, and special landscape areas identified on the Mountain Gate landscape master plan.
- ◆ The landscaping, bicycle paths, recreational improvements, and open space areas which may be developed and dedicated to the public within the designated estate residential cluster development areas, exclusive of public park areas.
- ◆ The designated fuel modification areas in the hillside overlay zone of Planning Area 26.
- ◆ Other improvements which may be accepted by the City Council for maintenance by the landscape maintenance district.
- ◆ Incidental drainage facilities in conjunction with the above landscape improvements.

### Changes in Benefit Zone Boundaries

During the lifetime of the District, several changes have occurred that affect the boundaries of the benefit zones. The plans and specifications for the changes are on file with the City of Corona.

1. Due to the nature, location, and extent of the improvements it has been determined that some benefit zones received the same degree of benefit. Accordingly, these benefit zones have been eliminated by consolidating them with other zones, as follows:
  - ◆ Benefit Zone 8 was consolidated into Benefit Zone 7.
  - ◆ Benefit Zone 9 and 13 were consolidated into Benefit Zone 4.
  - ◆ Benefit Zone 11 was consolidated into Benefit Zone 10.
2. Four benefit zones were eliminated for the following reasons:
  - ◆ Benefit Zones 3 and 5 have been eliminated because the interim detention basins are no longer necessary due to the installation of storm drains.
  - ◆ Benefit Zone 12 has been eliminated because improvements formerly maintained by the City are now maintained by the Cresta Verde Golf Course.
  - ◆ Benefit Zone 16 has been eliminated because the interim detention basin is no longer necessary due to the Oak Street Channel improvement. The property maintenance has been turned over to the underlying property owner and all affected property owners were notified of the levy being discontinued.
3. Due to the nature, location, and extent of the improvements, the Mountain Gate Specific Plan Area was detached from Benefit Zone 19 to establish Benefit Zone 20.

The cost of servicing, maintaining, repairing, and replacing the actual improvements as described in the Plans and Specifications are summarized as follows:

*Table 2-1*  
*Benefit Zone 1 - Budget*

Direct Costs	Estimated through June 30	
	FY 2021	FY 2022
Contract Services	\$1,688	\$1,691
Maintenance Inspection and Administration	\$1,729	\$946
Utilities	\$700	\$700
<b>Total Direct Costs</b>	<b>\$4,117</b>	<b>\$3,337</b>
<b>Indirect Costs</b>		
County Admin	\$170	\$170
City Personnel/Overhead	\$99	\$102
Engineering Costs	\$22	\$22
<b>Total Indirect Costs</b>	<b>\$291</b>	<b>\$294</b>
<b>Total Costs</b>	<b>\$4,408</b>	<b>\$3,631</b>
<b>Collection/(Contribution)</b>		
Operating Reserve	\$0	\$0
Capital Replacement Reserve	(\$261)	\$516
<b>Total Adjustments</b>	<b>(\$261)</b>	<b>\$516</b>
<b>Total Assessment</b>	<b>\$4,147</b>	<b>\$4,147</b>
<b>Reserve Fund Balances</b>		
Beginning Operating Reserve	\$2,204	\$1,816
Reserve Collection	\$0	\$0
Reserve Contribution	\$0	\$0
<b>Est. Ending Operating Reserve<sup>(1)</sup></b>	<b>\$2,204</b>	<b>\$1,816</b>

Reserve Collection	\$0	\$516
Reserve Contribution	(\$261)	\$0
<b>Est. Ending Capital Replacement Reserve<sup>(2)</sup></b>	<b>\$19,390</b>	<b>\$20,555</b>

<sup>(1)</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>(2)</sup> The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2022, \$516 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the capital improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 1.

<sup>(1)</sup> The General Benefit Contribution will be applied to Annexation Nos. 80 & 81.

<sup>(2)</sup> The Operating Reserve Fund may equal up to 50% of the estimated annual cost of providing services funded by the District and shall be used to pay the cost of services until the District receives funds from the assessment levy.

<sup>(3)</sup> The Capital Replacement Reserve Fund will be used for capital improvement projects including the cost to replace and/or renovate larger, more expensive improvements within the benefit zone. These improvements have finite life expectancies and will need to be replaced at some point in the future. On an annual basis, any non-expended assessment monies, in excess of the Operating Reserve Contribution, will be transferred to the Capital Replacement Reserve Fund until such time as there are sufficient monies to pay for these and/or other unforeseen improvement costs. For FY 2022, \$27,458 is being contributed to subsidize the levy. Please refer to Appendix C for a list of the Capital Improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 18.

For FY 2022, \$284,129 is allocated for Capital Replacement Reserves. Please refer to Appendix C for a list of the Capital Improvement projects by Zone. There are no anticipated major Capital Improvement Projects planned for Zone 20.

### Proposition 218 Compliance

On November 5, 1996 California voters approved Proposition 218, entitled the "Right to Vote on Taxes Act," which added Article XIII D to the California Constitution. While its title refers only to taxes, Proposition 218 establishes new substantive and procedural requirements for the formation and administration of assessment districts. Proposition 218 provides that all existing, new, or increased assessments must comply with Proposition 218's new substantive and procedural requirements unless the assessment is "grandfathered" as one of the four categories of assessments that existed on or before November 6, 1996 and is therefore exempted from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Two of the four categories of assessments that are "grandfathered" under Proposition 218 and are relevant to the District are:

1. Any assessment imposed exclusively to finance the capital cost or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control.
2. Any assessments levied pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment was initially imposed.

For purposes of applying the first exception, Proposition 218 does not define the term "streets"; however, based upon the opinions of public agency officials, attorneys and assessment engineers, as well as language in the Proposition 218 Omnibus Implementation Act (Government Code §§ 53750 et seq.) and the court's reasoning in *Howard Jarvis Taxpayers Association v. City of Riverside*, 73 Cal.App.4<sup>th</sup> 679 (1999), it has been determined that the term "streets" includes median and parkway landscaping, traffic signals, safety lighting, and street lighting, and all other public improvements located within the street right-of-way, since assessments for these types of improvements are traditionally appropriate, non-abusive special assessments. The improvements and services financed by LMD No. 84-2 constitute physical parts of the right-of-way in which the street is located, contribute to road and sidewalk safety, and provide for drainage and treatment of runoff. Therefore, the assessments levied by LMD No. 84-2 (other than the assessments for the Post Proposition 218 Annexations, defined below) are grandfathered under the first exception, and thus the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit, do not apply.

The second exception to the application of Proposition 218 also applies to LMD No. 84-2, because the District was initiated by a petition signed by the property owners within the District boundaries at the time it was formed and, therefore, the assessments are exempt from the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit.

Even if assessments are initially "grandfathered" under Proposition 218 and thus exempt from the substantive and procedural requirements of Proposition 218, if the assessments are increased in the future the City will need to comply with the provisions of Proposition 218 for that portion of the increased assessment formula (e.g., CPI increase). Additionally, although the assessments levied within LMD No. 84-2 are considered "grandfathered", the City has determined that it is appropriate to ensure that the assessments levied against properties that were annexed to LMD No. 84-2 after the passage of Proposition 218 comply with the "procedures and approval process" set forth in Proposition 218, including the requirement to separate general benefit from special benefit. The City has identified the following annexations to LMD No. 84-2 as annexations that were approved after the passage of Proposition 218 (collectively "Post 218 Annexations"):

Table 3-1  
Annexations

Annexation Year	Annexation Number	Zone	Property Annexed
2013	85	20	TT 34760
2013	84	10	TT 35590R
2007	83	14	PM 33761
2006	82	14	PM 33533
2005	81	18	TR 32195
2005	80	18	APN 119-060-018, -020, -022
2004	79	14	TR 29595
2001	78	14	PM 30197
2001	77	6	TR 29876
1997	76	2	TR 27305-8, -9

Proposition 218 defines "assessment" as "any levy or charge upon real property by an agency for a special benefit conferred upon the real property," (California Constitution, Article XIII D, §2(b)). A special assessment, sometimes called a "benefit assessment," is a charge generally levied upon parcels of real property to pay for benefits the parcels receive from local improvements. Special assessments are levied according to statutory authority granted by the Legislature or, in some instances, local charters. Distinguishing among taxes, fees and assessments can be difficult and often depends on the context in which the distinction is made. For example, taxes, assessments, and property-related fees all may be imposed on property. The key feature that distinguishes an assessment from a tax, fee, or charge is the existence of a special benefit to real property. Without identifying a special benefit, there can be no assessment.

### Distinguishing General and Special Benefit

Proposition 218 added a set of procedures and requirements which a local government must follow to levy an assessment. In addition to notice, hearing, and assessment ballot proceedings, Proposition 218 provides that "only special benefits are assessable" and requires a local government to "separate the general benefits from the special benefits conferred on a parcel."

There is no statutory definition or judicially approved formula for calculating general benefit. For purposes of this Report, general benefits are benefits from improvements or services that are not special in nature, are not particular and distinct, and are not over and above the benefits received by other properties. Proposition 218 defines "special benefit" as "a particular and distinct benefit over and above general benefits conferred on real property located in the District or to the public at large. General enhancement of property value does not constitute 'special benefit'."

By its nature, most every public improvement financed through an assessment district contains an element of public benefit. The test is: does there exist, with relation to the improvement, a special benefit to the property assessed? The law requires that the portion of the cost of the improvements which benefits the public generally (i.e., general benefits) be separated from the portion of the cost of the improvements which specially benefits assessed properties (i.e., special benefits).

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are listed in Appendix A. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report.

## General Benefit

### *Post 218 Annexations*

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, the City has determined that the Landscape Improvements maintained within the Post 218 Annexations by each benefit zone (other than the Nominal General Benefit Annexations, defined and discussed below) provide negligible general public benefit in that each benefit zone is comprised of separate and discrete neighborhoods for which the Landscape Improvements were installed. The Landscape Improvements do not extend beyond the perimeter of the boundary of each of those discrete neighborhoods. Additionally, other than the Nominal General Benefit Annexations discussed below, the improvements financed by LMD No. 84-2 for the Post 218 Annexations do not include any Landscape Improvements in the parkway areas fronting each discrete neighborhood. In other words, all of the Landscape Improvements financed by LMD No. 84-2 for the Post 218 Annexations are located entirely within the interior areas of the developments that comprise and are included in the Post 218 Annexations.

As further explained in the Direct and Special Benefit section, the Landscape Improvements within the Post 218 Annexations provide a direct advantage only to the properties that are within the boundaries of each discrete neighborhood/benefit zone. Although the discrete neighborhoods that comprise each benefit zone could be accessed by the public at large, the Landscape Improvements within the Post 218 Annexations that are financed by LMD No. 84-2 were specifically designed, located and created to provide additional and improved public resources exclusively for real property within the Post 218 Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views and other special benefit factors discussed below under Direct and Special Benefit. Moreover, since all properties within each benefit zone have equal access and opportunity to enjoy the Landscape Improvements within the Post 218 Annexations that are financed by District assessments, all properties within each benefit zone benefit equally from the Landscape Improvements and the costs and expenses for the landscaping maintenance and services are appropriately apportioned on a per parcel or a per acre basis. Based upon the foregoing, the City has concluded that there is no measurable general benefit associated with the Landscape Improvements financed with the assessments levied against properties within the Post 218 Annexations (other than the Nominal General Benefit Annexations discussed below).

### *Nominal General Benefit Annexations*

In reviewing the location and extent of the specific landscaped areas and improvements within the Post 218 Annexations that are funded by the District assessments and the proximity and relationship to properties to be assessed, it has been determined that the following annexation areas include landscape improvements within the parkway areas fronting the developments that comprise and are included in the Post 218 Annexations: Annexation 76 to Zone 2 (TR 27305-8 & 9), Annexation 78 to Zone 14 (PM 30197), Annexation 80 to Zone 18 (APN Nos. 119-060-18, -020, -022), and Annexation 81 to Zone 18 (TR 32195) (collectively, "Nominal General Benefit Annexations"). At the time of annexation of these developments, the improvements to be financed by the District assessments were considered local improvements that were required to be installed in connection with the development of properties within these annexation areas. Similar to the Post 218 Annexations, the Landscape Improvements within the Nominal General Benefit Annexations that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large.

Similar to the Post 218 Annexations, the majority of the Landscape Improvements (see discussion below regarding the Landscape Improvements within frontage parkway areas) provided and maintained within the Nominal General Benefit Annexations do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises the annexation area and are located entirely within the interior areas of the developments that comprise and are included in the Nominal General Benefit Annexations. As such, the interior Landscape Improvements within the Nominal General Benefit Annexations provide a direct advantage only to the properties that are within the boundaries of each annexation area. Although the developments that comprise and are included in the Nominal General Benefit Annexations could be accessed by the public at large, the Landscape Improvements within these annexation areas that are financed by District assessments were specifically designed, located, and created to provide additional and improved public resources for real property within the Nominal General Benefit Annexations and not the public at large. Other properties that are located outside each benefit zone do not enjoy the unique proximity, access, views, and other special benefit factors discussed in the Direct and Special Benefit section.

However, as indicated above, the assessments levied within the Nominal General Benefit Annexations also provide and maintain Landscape Improvements within the parkway areas fronting the developments that comprise and are included in the Nominal General Benefit Annexations. Since these parkway areas are readily accessible and viewable by the public at large, there may be some general benefit enjoyed by the general public as a result of the Landscape Improvements located and maintained in these parkway areas. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within the Nominal General Benefit Annexations at the enhanced level or standard that the Landscape Improvements are currently provided and maintained. The maintenance, upkeep, and repair of such parkway Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. As such, the maintenance of the Landscape Improvements within the parkway areas fronting each annexation area to the current enhanced level and standard of maintenance has a direct and particular impact or special benefit only on those properties within the Nominal General Benefit Annexations and any maintenance or services beyond that which is required to ensure the safety and protection of the general public and property, has no identifiable benefit to the public at large or properties outside these annexations. The general benefit derived from the maintenance of the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations can be quantified as the cost that the City would incur to provide the minimal level of maintenance and services necessary for public health and safety. The costs incurred to maintain the Landscape Improvements within the parkway areas fronting the Nominal General Benefit Annexations over and above this minimum level of service would provide a direct advantage only to the properties within the Nominal General Benefit Annexations and is considered to be a special benefit.

In the absence of the assessments levied by LMD No. 84-2, the City would typically provide only weed abatement and erosion control services for parkway areas. These services would typically be provided twice annually. This level of service provides for public safety and avoids negative impacts on adjacent roadways and vehicles traveling on those roadways, but results in a far less visually pleasing environment than is created with the enhanced level of service currently provided to the parkway areas within the Nominal General Benefit Annexations. The cost to provide the baseline weed abatement and erosion control level of service is approximately \$0.02 per square foot, twice a year, for parkway areas. The general benefit is determined by multiplying the weed abatement and erosion control service costs by the square footage of these parkway areas. Since the baseline services, unlike the enhanced level of service that is provided as a result of the District assessments, provide some benefits to the general public and to the neighborhoods outside of the benefit zones, the cost of providing this baseline service is treated as the cost of general benefits from landscape maintenance services. Utilizing these per square foot costs and the square footages of the parkway areas in the Nominal General Benefit Annexations, the current estimated general benefit costs calculated for the frontage parkway areas within Annexation 76 to Zone 2 is \$209.09, within Annexation 78 to Zone 14 is \$766.66, and within Annexation Zones 80 and 81 to Zone 18 is \$382.80. These general benefit costs are identified as the "General Benefit Contribution" in the applicable Zone budgets in Section 2 (Cost Estimate) of this Report and will be credited to those properties included within the Nominal General Benefit Annexations. Funding for these general benefit costs will be provided by the City's General Fund.

### Direct and Special Benefit

The types of services provided within LMD No. 84-2 is the maintenance of parks, slopes, parkways, and open space, including but not limited to: ground cover, shrubs, plants and trees, irrigation systems, graffiti removal, sidewalks and masonry walls, entry monuments, tot lot equipment, and associated appurtenant facilities. Services provided include all necessary service, operations, administration, capital replacement and maintenance required to keep the above-mentioned improvements in a healthy, vigorous and satisfactory working condition.

As explained above, the assessments levied within LMD No. 84-2 (other than the Post 218 Annexations) are considered "grandfathered" and thus the substantive and procedural requirements of Proposition 218, including the requirement to separate general benefit from special benefit, do not apply. However, with respect to assessments levied against properties included within the Post 218 Annexations, particular direct and special benefit is provided by the Landscape Improvements which include, but are not limited to, enhanced aesthetics of areas within the benefit zones providing additional desirability for potential buyers, a more pleasant environment to walk, drive, live, and work for property owners in addition to controlling dust and potential erosion. The primary function of these Landscape Improvements and related amenities is to serve as an aesthetically pleasing enhancement and green space for the benefit of the immediately surrounding development within the individual benefit zones for which the improvements were constructed and installed. These improvements are an integral part of the physical environment of parcels within the benefit zones, and if the improvements were not properly maintained, it is these parcels that would be negatively affected. In addition, the landscape improvements serve as a physical buffer as well as a sound reduction or buffer between the roadways and the properties in the

benefit zones, as well as a physical buffer and openness between properties within the benefit zones. The improvements installed in connection with the development of the parcels constituting the benefit zones would not be necessary or required without the development of those parcels within the District.

The assessment revenue derived from real property in each benefit zone is expended only on the Landscape Improvements in that benefit zone. The Landscape Improvements are located in close proximity to the real property within each benefit zone that is subject to the assessments and provide a direct advantage to the property in the benefit zone in that the improvements funded by the assessments are directly provided only to the real property in each benefit zone. Other than the Nominal General Benefit Annexations, the Landscape Improvements do not extend beyond the perimeter of the boundary of each discrete neighborhood that comprises a benefit zone and are located entirely within the interior areas of each neighborhood. In the absence of the assessments, the Landscape Improvements would not be provided or maintained within LMD No. 84-2 and the maintenance, upkeep, and repair of such Landscape Improvements would be reduced to the minimal standard necessary for public health and safety. Therefore, the assessments provide and fund Landscape Improvements that are over and above what otherwise would be provided. The fact that the Landscape Improvements are over and above what otherwise would be provided, combined with the unique proximity and access to the Landscape Improvements enjoyed by real property within LMD No. 84-2, demonstrates that the assessments provide a direct advantage and special benefit to real property within LMD No. 84-2.

### Method of Apportionment

Pursuant to the Landscaping and Lighting Act of 1972 and Article XIII D of the Constitution of the State of California, all parcels that have special benefit conferred upon them as a result of the maintenance and operation of improvements shall be identified and the proportionate special benefit derived by each identified parcel shall be determined in relationship to the entire cost of the maintenance and operation of the improvements. Only parcels that receive direct special benefit are assessed, and each parcel is assessed in proportion to the estimated benefit received.

To proportionally allocate special benefit to each parcel, it is necessary to correlate each property's proportional benefit to other properties that benefit from the improvements and services being funded: In order to do this, the assessment methodology assigns each parcel a number of benefit units based on its land use. One benefit unit is defined as the special benefit allocable to a single family home.

**Single Family Residential Property** - The method of apportionment assigns each fully subdivided single family residential dwelling one benefit unit.

**Multi-Family Residential Property** - This land use classification identifies residential developments that typically have 60% fewer people per dwelling unit than single family residential property and therefore have been assigned to 0.60 benefit unit, per dwelling.

**Commercial Property** - The method of apportionment assigns benefit units by multiplying the overall acreage by five benefit units per acre, (based on the typical number of residential property in an acre of typical development).

**Benefit Zones 1, 2, 4, 7, 15, 17, and 18** - Prior to total development and the recordation of tract maps, the benefit will be assessed according to the number of lots, units, or acreage within the tentative tract map.

**Benefit Zone 6** - As development occurs and prior to total development, each undeveloped parcel will be assessed the number of projected benefit units in accordance with SP 81-2.

**Benefit Zone 10** - Currently, there are approximately 0.97 acres of undeveloped property and one parcel classified as reserved development within this zone. The Assessor's Parcel Number is 102-370-009.

A reserved development designation was assigned to Assessor's Parcel Number 102-370-009 under SP 85-2. Other than for mining purposes, development of Assessor's Parcel Number 102-370-009, approximately 80 acres, is not anticipated at this time.

**Benefit Zone 14** - SP 85-3 (Tract No. 20796) and Tract No. 22579 created approximately 2,553 residential units of varying densities and 12.3 acres of commercial support. The updated total projected build-out is approximately 2,350 units. This benefit zone is at near build-out status and nearly all benefit units have been assessed.

**Benefit Zone 19** - Benefit Zone 19 consists of various developments within South Corona. The method of assessment is based on approximately 3,700 benefit units with a residential dwelling equal to one benefit unit.

**Benefit Zone 20** - SPA90-09 proposes 3,248 residential units of varying densities, 15.1 acres of commercial developments, and 15.8 acres of quasi-public land use. Currently, there are 2,754 residential units, 10.1 acres of commercial development, and 6.91 acres of quasi-public land use. At the present time the benefit zone maintains 62.47 acres of landscaping.

### **Prior Proposition 218 Proceedings for Rate Increase**

**Benefit Zone 1** – In 2001, due to increased maintenance costs and low reserves, a special election was held to increase Benefit Zone 1 from \$22.54 per assessment unit to \$33.54 per assessment unit (an \$11.00 increase per assessment unit). The proposed increase failed to receive a majority ballot approval. Consequently, the trees and turf suffered considerably due to the lack of irrigation. Maintenance and operating service costs were reduced to eliminate tree trimming, replacement, and any landscape enhancement. In 2012, the turfgrass was removed and decomposed granite ("DG") was installed to help further reduce maintenance costs.

**Benefit Zone 4** - After a failed election in 2002, the City received many complaints from property owners within Benefit Zone 4 due to the condition of the landscape. Therefore, the City again conducted a special election pursuant to the provisions of Proposition 218 for Benefit Zone 4 in July of 2003. The proposed increase for Benefit Zone 4 was from \$75.00 to \$138.00 (\$63.00 per assessment unit). In order to provide sufficient funds from the levy and collection of assessments within the benefit zone in future Fiscal Years to pay increasing costs due to inflation, it was proposed that the assessments levied on assessable parcels of property in Benefit Zone 4 should be subject to annual increases in future years, commencing in Fiscal Year 2007, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario ("CPI") or three percent (3%), whichever is less. Benefit Zone 4 received a favorable majority vote and the charge per assessment unit was increased from \$75.00 to \$138.00 commencing in Fiscal Year 2007. The maximum assessment per benefit unit for Benefit Zone 4 will escalate three and zero one hundredths percent (3.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$192.55.

**Benefit Zone 10** - After a failed election in 2007, the City received many complaints from property owners within Benefit Zone 10 due to the condition of the landscape. On April 2, 2008, the City Council, in response to input from residents, approved a petition and re-ballot process to allow for property owners to re-vote. The procedure required signed petitions from at least 25% of the properties within the benefit zone to trigger a re-vote. This requisite equated to approximately 725 signed petitions from the record property owners indicating their intended support of the proposed annual levy increase from \$335.61 to \$540.00 per assessment unit. Benefit Zone 10 met the required minimum number of petitions favoring the re-ballot process, and a public hearing on the proposed levy increase was scheduled for June 18, 2008. Benefit Zone 10 received a favorable majority vote and the charge per assessment unit was increased for Fiscal Year 2009. The rate per assessment unit for Benefit Zone 10, is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2012, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per benefit unit, for Benefit Zone 10 will escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum charge assessment per benefit unit \$648.54.

**Benefit Zone 14** - After two failed elections, the irrigation and maintenance in Benefit Zone 14 was reduced due to lack of funding, causing the landscape areas to deteriorate. In order to revitalize declined areas and keep up with inflation and rising costs, this benefit zone underwent a third Proposition 218 ballot proceeding on August 28, 2007. Benefit Zone 14 received a favorable majority vote and the charge per benefit unit was increased from \$100 to \$230 in Fiscal Year 2009. The rate per benefit unit for Benefit Zone 14 is subject to an annual increase in future Fiscal Years, commencing Fiscal Year 2013, by the percent increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. The maximum assessment per unit for Benefit Zone 14, escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$270.81.

The landscaped and irrigated areas increased to approximately 31.44 acres in Fiscal Year 2009 and due to the increase in the assessment, a phased capital improvement program was implemented to revitalize areas that had been subjected to previous years' cutbacks. This phased program started in Fiscal Year 2009 with the first year's allocation of approximately \$636,000. Of this amount, \$450,000 was borrowed from Fund 289, to be paid back over 10 years at 4.2% interest. The loan was paid in full in Fiscal Year 2019.

**Benefit Zone 19** - The 1996-97 Notice of Public Meeting and Hearing noticed (and subsequently confirmed by the City Council) a \$7.00 per benefit unit per Fiscal Year increase from \$107.00 to a maximum of \$126.00 per year. Therefore, Fiscal Year 2015 and future years' annual levy for maintenance expenses will be the same as the prior Fiscal Year 2014 levy of \$126.00 per benefit unit (at the maximum). Since this benefit zone is lacking an inflation factor in its assessment methodology the maintenance costs will continue

to increase while the revenues remain the same, causing this benefit zone's deficit to increase annually. A Proposition 218 Ballot proceeding will be necessary for this benefit zone in order to eliminate the deficit and replenish the reserves.

**Benefit Zone 20** - After a failed election, Benefit Zone 20 property owners met the City's requisite of 621 signed petitions that triggered a re-vote on August 6, 2008 to increase the annual rate per benefit unit from \$180.00 to \$360.00 and to be subject to an inflationary factor in future Fiscal Years, commencing Fiscal Year 2011, by the percentage increase, if any, in the Consumer Price Index, All Items, Riverside-San Bernardino-Ontario or two percent (2%), whichever is less. Due to the approved measure, the added revenue from the increase allows Zone 20 to keep up with the rising costs in labor, utilities, plant materials, and irrigation parts and implement a much needed Capital Improvement and/or Plant Rehabilitation Program which began in Fiscal Year 2009. The maximum charge assessment per benefit unit for Benefit Zone 20 escalate two and zero one hundredths percent (2.00%), which represents the lesser of percentage increase in the CPI for Fiscal Year 2022, making the maximum assessment per benefit unit \$440.39.

### Reserves Outlook

After reviewing all of the benefit zones within the District, it is apparent that a majority of the benefit zones have the ability to generate reserves. However, Benefit Zones 2, 6, 17, 18, and 19 continue to draw on reserve funds at an increasing rate primarily as result of the increase in utility costs and the absence of an annual inflator for the assessment rates. Measures have been taken to reduce operating costs through turf removal projects for Zones 2 and 17, see Appendix C. It will be necessary to conduct Proposition 218 Assessment Ballot proceedings for Benefit Zones 17 and 19 in the next few years for the benefit zones to be self-sustaining. Currently, Benefit Zones 1, 4, 7, 10, 14, 15, and 20 are building their reserve funds.

**Whereas**, on May 5th, 2021 the City Council, under the Act, adopted its Resolution Initiating Proceedings for the Annual Levy of Assessments and Ordering the Preparation of an Engineer's Report for Landscape Maintenance District No. 84-2.

**Whereas**, the Resolution of Initiation directed Spicer Consulting Group, LLC. to prepare and file a Report presenting plans and specifications describing the general nature, location, and extent of the improvements to be maintained; an estimate of the costs of the maintenance, operations, and servicing of the improvements for LMD No. 84-2 for the referenced Fiscal Year; a diagram for LMD No. 84-2 showing the area and properties to be assessed; and an assessment of the estimated costs of the maintenance, operations, and servicing the improvements, assessing the net amount upon all assessable lots and/or parcels within the District in proportion to the special benefit received;

**Now Therefore**, the following assessment is made to cover the portion of the estimated costs of maintenance, operation, and servicing of said improvements to be paid by the assessable real property within LMD No. 84-2 in proportion to the special benefit received.

### Estimated Benefit Assessments

Each of the parcels within the benefit zones listed below has been deemed to receive proportional special benefit from the maintenance and operation of the improvements within that benefit zone. The percentage change in allowable Fiscal Year 2022 assessment from the allowable Fiscal Year 2021 assessment is as follows:

*Table 4-1  
Proposed Assessment Summary*

Zone	Estimated Charge FY 2022	Estimated Benefit Units	Maximum Assessment per BU FY 2021	Maximum Assessment per BU FY 2022	Maximum Assessment Rate Change (%)	Actual Assessment per BU FY 2022
Benefit Zone 1	\$4,147.36	184.00	\$22.54	\$22.54	0.00%	\$22.54

FRANCISCO MARTINEZ JR  
PROFESSIONAL CIVIL ENGINEER NO. 84640  
ENGINEER OF WORK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was filed with me on the \_\_\_\_\_ day of \_\_\_\_\_, 2021, by adoption of Resolution No. 2021-\_\_\_\_ by City Council.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

I HEREBY CERTIFY that the enclosed Engineer's Report, together with the Assessment Roll and Assessment Diagram thereto attached, was approved and confirmed by the City Council of the City of Corona, California on the \_\_\_\_\_ day of \_\_\_\_\_, 2021.

\_\_\_\_\_  
CITY CLERK  
CITY OF CORONA  
STATE OF CALIFORNIA

The actual assessment and the amount of the assessment for the Fiscal Year 2022 apportioned to each parcel as shown on the latest equalized roll at the County Assessor's office are referenced in Appendix A of this Report. The description of each lot or parcel is part of the records of the County Assessor of the County of Riverside and such records are, by reference, made part of this Report. If any APN identified therein is submitted for collection and identified by the County Auditor/Controller of the County of Riverside to be an invalid parcel number for any fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment, as described in this Report and approved by the City Council.

The District boundary coincides with the boundary of the parcels included within the District as of the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

Reference is made to the County Assessor's Roll and Maps for a detailed description of the lines and dimensions of any lot or parcel. The lines and dimensions of each lot shall conform to those shown on the County Assessor's Maps for the Fiscal Year to which the Report applies.

An Assessment Diagram for each Zone is attached hereto in Appendix B, showing the boundaries of LMD No. 84-2 and the boundaries of each Benefit Zone established within the District as the same existed at the time of the adoption of the Resolution of Intention and the initiation of these proceedings.

# APPENDIX C

## Capital Improvement Projects

SPIKER CONSULTING  
G R O U P

The Community Services Department is developing a master plan for each zone that would include capital projects, operational activities, and revenue requirements to meet the objectives and service levels desired. Revenue requirements are set to cover annual operating costs and build reserves over time to perform focused capital replacements year over year, or large capital replacements in one anticipated year. Projects will be brought before City Council for approval as they are developed through the master plan. Zone specific projects are listed below:

#### *Zone 1 Capital Project*

In Fiscal Year 2012, all turf was removed and replaced with decomposed granite and trees on drip irrigation. Constituents have expressed a desire to add more color to the area, and so funds will be used to add in some additional vegetation. Future projects will be developed through the master plan process referenced above.

#### *Zone 2 Capital Project*

In Fiscal Year 2018, Zone 2 retrofitted approximately 28,000 square feet of landscaping, consisting of parkway turf removal and replanting and irrigation retrofit of the medians along Corydon Street. Future projects will be developed through the master plan process referenced above.

#### *Zone 4 Capital Project*

Zone 4 had 7,000 square feet of parkway turf along Ontario Avenue removed and replaced with low-water use plants and high-efficiency irrigation in Fiscal Year 2018. In future years, upon build-up of reserves, the City will re-bid the previously designed areas along Fullerton Avenues and Old Temescal Road. Future projects will be developed through the master plan process referenced above.

#### *Zone 6 Capital Project*

In Fiscal Year 2018, the medians along Promenade Avenue in Zone 6 received in-fill planting. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 7 Capital Project*

The 62,780 square feet of landscaping renovation for Zone 7 was completed in Fiscal Year 2018. The landscape renovation project in Zone 7 parkways along Ontario Avenue from Oak to Mangular Avenues was completed in Fiscal Year 2019. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 10 Capital Projects*

The first year landscape renovation project in Zone 10 was completed by the end of the Fiscal Year 2018. This project renovated approximately 125,000 square feet of landscaping for Year 1 of Zone 10's ten-year capital improvement plan.

The parkways along the south side of Oakridge Drive were completed in FY 2020. The Oakridge portion of the project renovated 12,400 square feet of parkways, totaling \$105,000. Year 2 construction was completed during FY 2021. This project rehabilitated 63,745 square feet of slope areas and parkways, including the removal of ice plant, installation of low-precipitation rotary nozzles and acacia for slope stability. Additionally, a new irrigation controller, decomposed granite and bench seating was installed in an open space area along Rutland Drive. The total project cost was \$711,551.15.

Additionally, the City of Corona contracted with Ninyo & Moore, a geotechnical and environmental sciences consulting firm, to further examine several slope areas in Zone 10, Areas 55, 89, and 272. These areas were previously observed to have some surficial slope erosion and damage to concrete drainage ditches which required more investigation. After receiving the report from Ninyo & Moore, the City focused in on an area behind two homes located along Dominguez Rancho Road based on Ninyo & Moore's findings. The City subsequently requested a more detailed report, including soils sampling and testing, focused on this area from a company named GeoTek, Inc. GeoTek's findings indicate that future remediation actions will be necessary on the slope in this area, however, the slope itself at its base is stable. The City is currently working with an engineering design firm, Hunsaker and Associates, for design services based upon GeoTek's recommendations. Cost estimates are unavailable at this time, since the final design solution is unknown.

#### *Zone 14 Capital Projects*

Just over 23,000 square feet of turf was removed from the parkways along Hidden Valley Parkway in Zone 14 and replaced with drip irrigation and low-water use plants in Fiscal Year 2018. In Fiscal Year 2020, the turf removal from parkways on Hidden Valley

Parkway continued from the current project limits all the way to the Zone 14 boundary near Ranch Vista Road. This area totals almost 47,000 square feet, and cost approximately \$370,000. Additional areas for turf removal projects will continue to be identified for future projects. Future projects will be developed through the master plan process referenced above.

A landscape audit is planned to be completed for each meter, along with additional contract work to include: identifying and fixing any irrigation issues, completing in-fill planting, identifying and completing additional weeding and area clean-up projects, fertilizing, and mulching.

#### *Zone 15 Capital Projects*

The project to remove and re-landscape the turf along both sides of Railroad was completed in Fiscal Year 2018.

#### *Zone 17 Capital Projects*

13,629 square feet of landscaping for Zone 17 was renovated in Fiscal Year 2018. The turf was removed and replaced with an efficient drip system and low water use plant materials. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 18 Capital Projects*

Zone 18 parkways and monument area at the corner of River Road and Lincoln Avenue, totaling 24,569 square feet of landscaping, were renovated to include water-efficient plants, drip irrigation, in addition to some cobblestone hardscape, in Fiscal Year 2018. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 19 Capital Projects*

The City continues to look for opportunities to help reduce expenses for the zone, such as rebates for landscaping renovations and low-interest loans. Future projects will be developed through the master plan process referenced above pending availability of funds.

#### *Zone 20 Capital Projects*

Approximately 68,700 square feet of landscaping was renovated in Zone 20 in Fiscal Year 2018. Planned projects for the greenbelt area include: installing additional pet waste stations, replacing lighting as needed, developing a schedule for bench and picnic table replacement and completing these replacements, replacing fitness equipment, and replacing trash cans. Future projects will be developed through the master plan process referenced above.

A landscape audit is planned to be completed for each meter, along with additional contract work to include: identifying and fixing any irrigation issues, completing in-fill planting, identifying and completing additional weeding and area clean-up projects, fertilizing, and mulching.

\*All rebate funding for the various zones has been received by Fiscal Year 2020.

## **RESOLUTION NO. 2021-063**

### **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, CONFIRMING THE DIAGRAM AND ASSESSMENT WITHIN ZONES 1, 2, 4, 7, 10, 14, 15, 17, 18, AND 20 OF LANDSCAPE MAINTENANCE DISTRICT NO. 84-2 FOR FISCAL YEAR 2022**

**WHEREAS**, on June 2, 2021, the City Council of the City of Corona (the “City Council”) adopted Resolution No. 2021-042, a resolution of intention pursuant to Section 22624 of the Streets and Highways Code, which among other things, scheduled a public hearing on the levy and collection of assessments on the lots and parcels of the assessable property within Zones 1, 2, 4, 7, 10, 14, 15, 17, 18, and 20 of Landscape Maintenance District No. 84-2 (the “District”) for Fiscal Year 2022 pursuant to the Landscaping and Lighting Act of 1972, Part 2 (commencing with Section 22500) of Division 15 of the Streets and Highways Code (the “Act”) for 6:30 p.m. on July 7, 2021, in the City Council Chambers of the City of Corona, at 400 South Vicentia Avenue, Corona, California; and

**WHEREAS**, notice of said hearing was duly published as required by Sections 22552 and 22553 of said Act; and

**WHEREAS**, at the time and place of said hearing, as set forth in said resolution of intention, the City Council held the hearing and afforded all interested persons an opportunity to be heard, and considered all oral statements and all written protests or communications made or filed by any interested persons, and at the conclusion of said hearing determined that a majority protest, to wit: written protests filed and not withdrawn by property owners owning more than 50 percent of the area of assessable land within the District, had not been received.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:**

**SECTION 1. Findings and Approval of Final Report.** The City Council find that:

- (a) The foregoing recitals are true and correct;
- (b) Compliance has been maintained with all of the applicable requirements of the Act;
- (c) A majority protest to the levy and collection of the proposed assessment has not been filed;
- (d) The City Council may therefore proceed to confirm the boundary and assessment for the District for Fiscal Year 2022, and order levy and collection of the assessment;
- (e) The assessment proposed to be levied on the lots and parcels of assessable property within the District for the maintenance and servicing of public landscaping and

appurtenant facilities during Fiscal Year 2022, as contained in the Final Annual Engineer's Report as it pertains to Zones 1, 2, 4, 7, 10, 14, 15, 17, 18, and 20, prepared by Spicer Consulting Group, LLC on file with the City Clerk (the "Report"), are based on the proportionate special benefit derived by such lots and parcels from the availability of such public landscaping and appurtenant facilities;

(f) The proportionate special benefit derived by each such lot or parcel has been determined in relationship to the entirety of the cost of the maintenance and servicing of such public landscaping and appurtenant facilities;

(g) Such assessments do not exceed the reasonable cost of the proportional special benefit conferred on each such lot and parcel;

(h) Such assessments will not be increased over the amounts previously approved by the electors of the District or as otherwise permitted by the Act and Article XIID of the California Constitution; and

(i) Based on the foregoing and the full record before the City Council, the Report as whole and each part thereof are finally approved and confirmed.

**SECTION 2. Levy of Assessment.** Pursuant to Section 22631 of the Streets and Highways Code, the adoption of this resolution constitutes the levy of the assessment for the maintenance and servicing of public landscaping and appurtenant facilities within the District during Fiscal Year 2022, as contained in the Report, and such assessment is hereby levied. The City Clerk is directed to file a certified copy of this resolution together with the diagram and assessment contained in the Report with the County Auditor of the County of Riverside, who, pursuant to Section 22645 of the Streets and Highways Code, shall enter on the County Assessment Roll opposite each lot or parcel of land the amount assessed thereupon, as shown in the said assessment.

**PASSED, APPROVED AND ADOPTED** this 7th day of July, 2021.

**File #:** 21-0646

---

**REQUEST FOR CITY COUNCIL ACTION**

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Community Development Department

**SUBJECT:**

Precise Plan Modification 2020-0004 for the review of the demolition of an existing convenience store and the reconstruction of a 3,628 square foot convenience store and modification to the existing signage associated with an existing automobile service station located at 230 S. Lincoln Avenue in the C-3 (General Community Commercial) zone.

**EXECUTIVE SUMMARY:**

Precise Plan Modification 2020-0004 (PPM2020-0004) is an application to rehabilitate an existing automobile service station that involves the demolition of an existing 2,056 square foot convenience store that will be replaced by a new 3,628 square foot convenience store. Signage associated with the existing service station is also being modified in addition to the on-site circulation.

**RECOMMENDED ACTION:**

**That the City Council:**

- a. Take no action, thereby affirming the Planning and Housing Commission's action granting PPM2020-0004, based on the findings contained in the staff report and conditions of approval.

OR

- b. Set the item for review at a subsequent meeting.

**BACKGROUND & HISTORY:**

The project site is 0.50 acres and located at 230 S. Lincoln Avenue in the C-3 (General Commercial) zone. The property includes an existing automobile service station with four double-sided fuel pumps, a 2,056 square foot single-story convenience store, a freestanding price sign located on the southeast corner of the property and an existing 55'-6" high freeway sign that faces State Route 91.

The owner and operator of the service station is proposing to demolish the existing convenience store and replace it with a new 3,628 square foot two-story building to accommodate a 7-Eleven convenience store with the store's office located on the second floor. The existing fuel canopy and fuel pumps are to remain in place and are not affected by the rehabilitation. The existing pylon signs are also to remain in place with the sign cabinets being modified to accommodate space for the 7-Eleven name.

## **ANALYSIS:**

### Site Plan

The existing convenience store is located near the northwest corner of the project site and is angled away from the north and west property lines. The fuel canopy is located near Lincoln Avenue and in the front of the convenience store. The owner proposes to demolish the existing convenience store and reconstruct a new convenience store that will have a zero setback to the north and west property lines. The zero setback allows the building to create a solid perimeter condition along the property lines, especially along the west property line adjacent to the existing alley. The C-3 zone requires a front yard and street side yard setback of 10 feet and allows a zero setback for interior side yards and rear yard.

New parking spaces are proposed in front of the convenience store and along the property's north and west property lines. A single loading space is also located near the north property line. New landscaping will be installed in the areas in front of the new parking spaces and along Lincoln Avenue and D Street. A new trash enclosure is proposed to the south of the convenience store with the opening facing the alley. The City's waste service provider will access the trash enclosure from the alley without having to access the project site. The trash enclosure will also be fully enclosed with a perimeter block wall, metal gates, and a metal screen between the roof and side walls.

### Architecture

The new convenience store will be two stories. The storefront is flanked by two columns, accent medallions, and decorative lighting. An aluminum awning is mounted above the entrance. The primary exterior building materials include stucco and stone veneer. The color palette is neutral.

The height of the building is 22 feet measured to the top of the first-floor parapet wall, and 29 feet high to the top of the second-floor parapet wall. The building complies with the 40-foot building height limit established by the C-3 zone.

The mechanical equipment for the convenience store will be placed on the building's first floor roof behind a parapet wall and will not be visible from ground view. The Planning and Housing Commission added a condition of approval that the upper portion of the building's façade have a varied roofline instead of a flat parapet roofline.

### Access

The project site has two existing driveways on Lincoln Avenue, and two existing driveways on D Street. The two driveways on Lincoln Avenue are restricted to right-in and right-out turn movements. Left turn movements are restricted because of the existing southbound left-turn lanes

on Lincoln Avenue in front of the project site. The City's Traffic Engineer is requiring the easternmost driveway on D Street to be removed because of its proximity to the Lincoln Avenue and D Street intersection. Additionally, eliminating the easternmost driveway will improve the on-site circulation. The driveway to the west will remain and allows right and left turn movements.

No additional rights-of-way are required for Lincoln Avenue and D Street adjacent to the project site. However, the project will require the applicant to grind and overlay the west half of Lincoln Avenue adjacent to the site, plus 10 feet from the centerline on the east half of Lincoln Avenue. Additional requirements include grinding and overlay the north half of D Street adjacent to the site, plus 10 feet from the centerline on the south side of D Street. The existing driveways from the street are also required to be improved to the City's current commercial driveway standards.

### Parking

The City's Parking Ordinance requires convenience stores to have one parking space for every 250 square feet of building area. Therefore, the new convenience store requires the site to have 14 parking spaces. The site provides the 14 parking spaces.

### Signage

The property contains an existing 31'-6" high pylon sign on the southeast corner of the property. The pylon sign was constructed and permitted in and around 1991. The overall size of the existing sign is 175 square feet, which includes 25 square feet of gas price information. Gas price signage up to 25 square feet is exempt from the City's allowed signage area per state law.

The applicant is proposing to remove the bottom two sign cabinets that currently advertise Food Mart and V-Power from the on-site pylon sign and add a new sign cabinet for the 7-Eleven. The sign will have a total sign area of 172 square feet, which includes the 25 square feet of signage for gasoline prices. The size of the sign is within the sign area originally approved, and the changes do not affect the height or structural components.

The property's existing freeway pole sign facing State Route 91 is 55.5 feet high. The overall sign area is 461 square feet and currently advertises Shell and McDonalds. McDonalds is located on the adjacent property south of the project site. The sign was originally constructed in 1965 and its height was permitted by Variance 65-14, which allowed the sign to exceed the maximum height of 40 feet. The McDonalds sign cabinet was permitted by Conditional Use Permit 77-10, which allowed the signage to technically be advertised as an off-site sign. McDonalds also obtained approval with Variance 77-04, which allowed the sign area to be increased from 300 square feet to 461 square feet. To not exceed the overall sign area allowed by V77-04, the applicant is proposing to reduce the existing Shell sign cabinet to accommodate space for a new sign cabinet for 7-Eleven. Additionally, the existing McDonalds sign cabinet will be re-centered over the sign's three existing support posts to provide a symmetrical appearance. The overall square footage for the freeway sign will be 438 square feet, which is within the 461 square foot sign area approved by V77-04.

The Planning and Housing Commission added a condition of approval to require the sign cabinets to be encased in a comprehensive manner rather than having the appearance of three separate sign cabinets.

**FINANCIAL IMPACT:**

The applicant paid the application processing fees of \$5,408 to cover the cost of the Precise Plan Modification.

**ENVIRONMENTAL ANALYSIS:**

Per Section 15301 of the State Guideline for Implementing the California Environmental Quality Act (CEQA) and Section 3.22 of the City's Local CEQA Guidelines, a Notice of Exemption has been prepared for the project because the project qualifies as a Class 1 (Existing Facilities) categorical exemption. The project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store on property that is fully developed with a gas station, parking, and landscaping with adequate access from the adjacent streets. The proposed modifications to the property are not expected to result in any impacts to the environment.

**PLANNING AND HOUSING COMMISSION ACTION:**

At its meeting of June 21, 2021, the Planning and Housing Commission considered the subject matter and took the following action:

Motion was made, seconded (Meza/Siqueland) and carried with Commissioner Woody voting "No" that the Planning and Housing Commission adopt Resolution No. 2570 granting PPM2020-0004, based on the findings contained in the staff report and the conditions of approval including the conditions added by the Commission. The added conditions of approval require the following:

- a) A photometric analysis at the time of plan check to ensure the property has adequate exterior lighting for security purposes and that the applicant submit a security camera plan for the exterior of the property.
- b) The second-floor office shall be limited to the convenience store operation.
- c) The upper portion of the building shall have a varied roofline rather than a flat parapet roofline.
- d) The signage cabinets on the freeway pole sign shall be encased in a comprehensive manner to provide a more uniform appearance.
- e) The freeway sign poles shall be refinished and painted.
- f) Security fencing shall be installed around the base of the freeway pole sign.
- g) As shown in the staff report for the trash enclosure exhibit, the trash enclosure shall be fully enclosed, which includes the space between the roof and side walls. The gates shall also be

designed with an automatic lock system.

The minutes of the Planning and Housing Commission meeting are included as Exhibit 4.

**PLANNING AND HOUSING COMMISSION  
STAFF REPORT**

DATE: 6/21/2021  
TO: Honorable Chair and Commissioners  
FROM: Community Development Department

**APPLICATION REQUEST:**

**PPM2020-0004:** A precise plan modification to demolish an existing 2,056 square foot convenience store and construct a new 3,628 square foot convenience store, reconfigure the parking lot and landscaping, and add new signage for an existing Shell gas station located at 230 S. Lincoln Avenue in the C-3 (General Community Commercial) zone. (Applicant: Adan Madrid with ASI Development, 5932 Bolsa Avenue, Suite 107, Huntington Beach, CA 92649).

**RECOMMENDED ACTION:**

**That the Planning and Housing Commission** adopt Resolution No. 2570 GRANTING PPM2020-0004 based on the findings contained in the staff report and conditions of approval.

**PROJECT SITE SUMMARY**

**Area of Property:** 0.50 acres

**Existing Zoning:** C-3 (General Community Commercial)

**Existing General Plan:** GC (General Commercial)

**Existing Land Use:** Shell gas station and convenience store

**Proposed Land Use:** Shell gas station and 7-Eleven convenience store

**Surrounding Zoning/Land Uses:**

**N:** C-3/Motel

**E:** Lincoln Avenue with C-3/undeveloped commercial beyond

**S:** D Street with C-3/McDonald's drive-through restaurant beyond

**W:** Corona Del Rey apartments/R-3

**BACKGROUND**

The 0.50-acre property is located at 230 S. Lincoln Avenue and zoned C-3 (General Community Commercial). The property is developed with a Shell gas station that includes four double-sided fuel pumps, a 2,056 square foot single-story convenience store and a freestanding price sign on the

southeast corner of the property. The property also contains an existing 55'-6" high freeway sign that is located by the 91 freeway. The sign is located on a narrow extension of the property that terminates adjacent to the freeway. Refer to the Locational & Zoning Map attached as Exhibit 2.

The applicant is proposing to demolish the existing convenience store and replace it with a new 3,628 square foot two-story building to accommodate a 7-Eleven convenience store with offices on the second floor. The parking and landscaping on-site are being upgraded, and the existing freestanding signs are being modified to include an additional cabinet for 7-Eleven. No changes are proposed to the existing Shell fuel canopy and fuel pumps. The building modification proposed by this precise plan modification application, PPM2020-0004, affects more than 30 percent of the building facade; therefore, the proposal requires approval of the Planning and Housing Commission. It should be noted that there is no existing precise plan record for the original development of the gas station and convenience store because its development predates the city's Precise Plan review process, which was established in 1999.

The project was initially reviewed by city staff at the Development Plan Review meeting on August 8, 2019. The applicant submitted a formal precise plan modification application on July 2, 2020, which was reviewed and determined incomplete by the Project and Environmental Review Committee on July 23, 2020. The applicant subsequently submitted a complete application, and the application was scheduled for the May 21, 2021 Planning and Housing Commission meeting.

## **PROJECT DESCRIPTION**

### **Site Plan**

As shown by the applicant's site plan in Exhibit 3.A, the project site is located on the northwest corner of Lincoln Avenue and D Street. The existing fuel canopy is located on the eastern portion of the property. A new convenience store is proposed on the northwest corner of the property with its main entrance located on the southeast side of the building.

New parking spaces are proposed in front of the store and along the property's north and west perimeters. A single loading space is located at the north perimeter of the property next to the convenience store. New landscaping will be installed along the property's north, east, south, and west perimeters. A new trash enclosure is proposed at the property's west perimeter, which is accessible by Waste Management from the adjacent alley that abuts the west side of the property.

The development standards for the C-3 zone in the Corona Municipal Code require a minimum front yard setback of 10 feet, a street side yard setback of 10 feet, and no setbacks for the interior side or rear yards. Based on the location of the new convenience store and the overall design of the site, the project meets the setbacks required by the zone.

### **Floor Plan**

The floor plans for the 7-Eleven convenience store are shown in Exhibits 3.C and 3.D. The convenience store is located on the first floor, which is 2,400 square feet. The store features a merchandise sales area, including a hot food, coffee, soda fountain, slurpee station, refrigerators, restroom, electrical room, backroom, hallway, and stairs. The second floor is 1,228 square feet and includes two offices, a restroom, and stairs. The second floor will be used by convenience store

personnel for their daily office functions. Access into the offices is from a separate door located at the northeast corner of the building.

### **Architecture**

The convenience store is a two-story structure with a flat roof. The storefront is flanked by two columns, accent medallions, and decorative lighting. An aluminum awning is mounted above the entrance. The primary exterior building materials include stucco and stone veneer. The color palette is neutral. The C-3 zone does not prescribe a specific architectural theme for commercial buildings. The elevation plans are shown in Exhibit 3.E. A rendering of the project is attached as Exhibit 3.F.

The height of the building is 22 feet measured to the top of the first-floor parapet wall, and 29 feet high to the top of the second-floor parapet wall. The building complies with the 40-foot building height limit established by the C-3 zone.

The mechanical equipment for the convenience store will be placed on the building's first floor roof behind a parapet wall and will not be visible from ground view. The mechanical equipment is shown on the roof plan on Exhibit 3.G.

The new trash enclosure will have a stone veneer finish along the bottom portion, stucco finish to match the building along the top portion, a metal screen mesh on the upmost portion, and a standing seam metal roof. The design of the trash enclosure prevents illegal dumping and unauthorized individuals from accessing the waste bins. Plans for the trash enclosure are shown in Exhibit 3.H.

### **Access and Parking**

The property has two existing driveways on Lincoln Avenue, and two existing driveways on D Street. The two driveways on Lincoln Avenue are restricted to right-in and right-out turns. Because of the two existing left-turn southbound lanes in front of the project site on Lincoln Avenue, left turn movements at these driveways are prohibited. For the two driveways on D Street, the City's Traffic Engineer is requiring the driveway to the east to be removed because it is too close to the Lincoln and D Street intersection. Additionally, eliminating the eastern driveway will improve the site's internal circulation. The west driveway will remain, and allow for full turn movements.

The General Plan classifies Lincoln Avenue as a secondary four-lane street and D Street as a collector street. Both streets are fully improved with curb, gutter, and sidewalk; and both streets are constructed to their ultimate right-of-way widths. Therefore, street widenings and dedications are not necessary. However, the Public Works Department is requiring the applicant to make the following public improvements:

- Repair any curb, gutter and sidewalk that needs repair along both streets.
- Grind and overlay the west half of Lincoln Avenue adjacent to the site, plus 10 feet on the east half of Lincoln Avenue.
- Grind and overlay the north half of D Street adjacent to the site, plus 10 feet on the south side of D Street.
- Upgrade the existing driveways to the City's current commercial driveway standards.

Per the Corona Municipal Code, the parking required for convenience stores is one space for every 250 square feet of building area (1:250). Based on the size of the proposed building, 14 parking spaces are required. Currently, the Corona Municipal Code (CMC) requires service stations to provide a minimum of 3 parking spaces. However, at the time of its original development, the site was not required to provide parking for the fuel canopy. Because the canopy is not being enlarged or reconstructed, parking is only required for the building (CMC 17.90.050). The project is providing 14 parking spaces onsite, which complies with the City's parking requirements. Table A summarizes the parking requirements for the project site.

Table A - Parking Summary

Use	Square Footage	Parking Ratio	Parking Required	Parking Provided
1 <sup>st</sup> Floor Convenience Store	2,273 sq. ft. <sup>1</sup>	1:250	9	
2 <sup>nd</sup> Floor Office	1,228 sq. ft.	1:250	5	
<b>Total</b>			<b>14</b>	<b>14</b>

1. The 2,273 sq. ft. floor area is the net square footage for the 1<sup>st</sup> floor convenience store. It excludes the electrical room (35 sq. ft.) and stairwell (92 sq. ft.), which are not required to be parked per CMC § 17.04.258.

### **Landscaping**

The entire project site will be relandscaped (Exhibit 3.J). The plant pallet features a variety of drought tolerant materials, including three types of trees and a variety of flowering shrubs and groundcover. Prior to the issuance of building permits, the applicant's landscape plans will be reviewed by the Community Development Department for compliance with the Corona Municipal Code and landscape design guidelines for commercial properties.

### **Fence and Walls**

The applicant will construct a new block wall along the west perimeter of the property from the building to the south property line to separate the property from the adjacent alley. The wall is 6 feet in height, with the exception of the 10-foot section of the wall that is located closest to the south property line. This 10-foot section will be 3 feet in height because the area falls within the property's front yard setback area, and the area is located next to the driveway of the adjacent alley. The 3-foot high height complies with the Corona Municipal Code's corner cut-off visibility requirements for driveway and street intersections. The new block wall is required to be a split face block, and is subject to a standard conditioned of approval requiring an anti-graffiti coating. The property's north perimeter contains an existing wrought iron fence, which will remain in place.

### **Signage**

An exterior 7-Eleven wall sign is conceptually shown on the southeast elevation of the proposed building (Exhibit 3.E). Wall signs are required to comply with the sign standards for the C-3 zone (Corona Municipal Code Chapter 17.74). The standards regulate the allowable size, height, and location of wall and freestanding signs.

The property contains an existing 31'-6" high pylon sign on the southeast corner of the property. The pylon sign was constructed in around 1991 and was permitted with an overall sign area of 175 square feet, which includes 25 square feet of gas price information that the State exempts from city regulations. The sign is considered nonconforming because it exceeds the current allowable height and sign area for freestanding signs in the C-3 zone. However, the applicant can modify the existing sign provided it is not structurally altered or enlarged.

The applicant is proposing to remove the bottom two cabinets ("Food Mart" and "V-Power") from the on-site pylon sign, and add a new sign cabinet for 7-Eleven between the existing Shell and gas price cabinets. The sign will have a total sign area of 172 square feet, including the 25 square feet of the gas price signage exempted under state law. The size of the sign is within the sign area originally approved, and the changes do not affect the height or structural components.

The property's existing freeway sign is 55.5 feet high, has a sign area of 461 square feet and currently advertises Shell and McDonalds, which is located south of the project site. The sign was originally constructed in 1965. Its height was permitted by Variance 65-14 which allowed the sign to exceed the sign code's maximum allowable sign height of 40 feet for freeway signs. The off-site McDonalds sign was permitted by Conditional Use Permit 77-10. McDonalds also obtained approval of Variance 77-04, which allowed the sign area to be increased from 300 square feet to 461 square feet. The applicant is proposing to reduce the existing Shell sign cabinet in order to accommodate a new sign cabinet for 7-Eleven. In addition, the existing McDonalds sign cabinet will be re-centered over the sign's three existing support posts. The overall square footage for the freeway sign will be 438 square feet, which is within the 461 square foot sign area approved by V77-04. Photos of the existing signs and the proposed changes to the signs are shown in Exhibit 3.I.

## **ENVIRONMENTAL ANALYSIS**

Per Section 15301 of the State Guideline for Implementing the California Environmental Quality Act (CEQA) and Section 3.22 of the City's Local CEQA Guidelines, a Notice of Exemption has been prepared for the project because the project qualifies as a Class 1 (Existing Facilities) categorical exemption. The project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store on property that is fully developed with a gas station, parking, and landscaping with adequate access from the adjacent streets. The proposed modifications to the property are not expected to result in any impacts to the environment. The Notice of Exemption is attached as Exhibit 4.

## **FISCAL IMPACT**

The applicant has paid the application processing fees to cover the cost of the precise plan modification review, as required by City resolution.

## **PUBLIC NOTICE AND COMMENTS**

A 10-day public notice was mailed to all property owners within a 500-foot radius of the project site, as well as advertised in the *Sentinel Weekly News* and posted at the project site. As of the preparation of this report, the Community Development Department has not received any inquiries from the public in response to the notice.

## STAFF ANALYSIS

The proposed project will result in the rehabilitation of an older gas station that is in need of improvements. The new convenience store is capable of complying with the applicable development standards for the C-3 zone, including building setbacks and height limitation. The architectural design and color palette proposed for the building are compatible with the residential and commercial buildings in the area. The building's two-story design is in scale with the neighboring two-story motel and residential buildings. The new parking spaces and landscaping conform to current development standards. The modifications to the existing freestanding signs remain in compliance with their existing approvals. The overall site improvements will enhance the property, retain existing and attract new customers, and provide a "facelift" that will enhance the area, which is heavily traveled due to its proximity to the 91 freeway.

PPM2020-0004 is consistent with General Plan Land Use Policy LU-4.4, which promotes the adaptive re-use and infill of economically underutilized, obsolete, and dilapidated commercial and industrial sites within existing urbanized areas, in consideration of the uses, scale, and character of adjoining uses.

The Planning Division recommends approval of PPM2020-0004 based on the findings listed below and staff's recommended conditions of approval.

## FINDINGS OF APPROVAL FOR PPM2020-0004

1. A preliminary exemption assessment has been conducted by the City of Corona and it has shown that this project does not require further environmental assessment because the project qualifies as a Class 1 (Existing Facilities) categorical exemption. The project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store on property that is fully developed with a gas station, parking and landscaping with adequate access from the adjacent streets. The proposed modifications to the property are not expected to result in any impacts to the environment.
2. All the conditions necessary to granting a Precise Plan as set forth in Section 17.91 of the Corona Municipal Code exist in reference to PPM2020-0004 for the following reasons.
  - a. *The proposal is consistent with the site's General Commercial land use designation of the General Plan because the General Commercial designation accommodates a broad range of commercial uses, including gas stations with convenience stores.*
  - b. *The proposal complies with the C-3 zone and other design standards governed by the Corona Municipal Code.*
  - c. *The proposal has been reviewed in compliance with the California Environmental Quality Act and all applicable requirements and procedures of the act have been followed. As justified in Finding # 1, the project is exempt from further review.*
  - d. *The site is of a sufficient size and configuration to accommodate the design and scale of proposed development, including buildings and elevations, landscaping, parking and other physical features of the proposal, as demonstrated in Exhibit A of this report. The proposed modifications are capable of meeting the minimum building setback requirements, parking,*

*landscaping, architectural design, and other applicable development standards as prescribed by the C-3 zone.*

- e. The design, scale and layout of the proposed modifications will not unreasonably interfere with the use and enjoyment of neighboring existing or future developments, will not create traffic or pedestrian hazards, and will not otherwise have a negative impact on the aesthetics, health, safety or welfare of neighboring uses because the proposal complies with the development standards for the C-3 zone and other applicable development standards governed by the Corona Municipal Code to ensure orderly development.*
- f. The architectural design of the proposed development is compatible with the character of the surrounding neighborhood, will enhance the visual character of the neighborhood by improving an outdated convenience store, and will provide for harmonious, orderly, and attractive development of the site by bringing the parking and landscaping in conformance with current development standards.*
- g. The design of the proposed development will provide a desirable environment for its occupants and visiting public as well as its neighbors through good aesthetic use of materials, texture, and color that is aesthetically appealing and will retain a reasonably adequate level of maintenance. As shown by the applicant's plans, the architecture of the building features construction materials that are commonly used in commercial buildings and are of high quality in nature. The neutral color scheme is pleasant, and the proposed landscaping will enhance the overall look of the property.*
- h. The proposed architecture for the new convenience store is compatible with the character of the surrounding neighborhood and will enhance the visual appearance of the surrounding neighborhood by providing an attractive development. Additionally, the proposal includes new landscaping for the entire project site, which will further enhance the surrounding area.*

3. The proposal is consistent with the General Plan for the following reason:

- a. PPM2020-0004 is consistent with General Plan Land Use Policy LU-4.4, which promotes the adaptive re-use and infill of economically underutilized, obsolete, and dilapidated commercial and industrial sites within existing urbanized areas, in consideration of the uses, scale, and character of adjoining uses.*

4. The proposal is consistent with the C-3 (General Community Commercial) zone for the following reason:

- a. The project is consistent with the C-3 zone because the proposed 7-Eleven convenience store is a permitted use in the C-3 zone. The project is also capable of complying with the development standards of the C-3 zone in terms of building setbacks, building height, parking, and landscaping.*

**RESOLUTION NO. 2570**

**APPLICATION NUMBER: PPM2020-0004**

**A RESOLUTION OF THE PLANNING AND HOUSING COMMISSION OF THE CITY OF CORONA, CALIFORNIA, GRANTING A PRECISE PLAN MODIFICATION TO DEMOLISH AN EXISTING 2,056 SQUARE FOOT CONVENIENCE STORE AND CONSTRUCT A NEW 3,628 SQUARE FOOT CONVENIENCE STORE, RECONFIGURE THE PARKING LOT AND LANDSCAPING, AND NEW SIGNAGE AT AN EXISTING SHELL GAS STATION LOCATED AT 230 S. LINCOLN AVENUE IN THE C-3 (GENERAL COMMERCIAL) ZONE. (APPLICANT: ADAN MADRID, ASI DEVELOPMENT)**

**WHEREAS**, the application to the City of Corona, California, for a Precise Plan Modification 2020-0004 under the provisions of Chapter 17.91 in the Corona Municipal Code, has been duly submitted to said City's Planning and Housing Commission for the demolition of an existing 2,056 square foot convenience store, construction of a new 3,628 square foot convenience store, reconfiguration of the parking lot and landscaping, and the addition of new signage at an existing Shell gas station located at 230 S. Lincoln Avenue in the C-3 (General Commercial) zone.

**WHEREAS**, the Planning and Housing Commission held a noticed public hearing for PPM2020-0004 on June 21, 2021, as required by law; and

**WHEREAS**, the Planning and Housing Commission finds that this project is exempt from CEQA pursuant to Section 15301 of the State CEQA Guidelines and Section 3.22 of the City of Corona Local Guidelines for Implementing CEQA because the project qualifies as a Class 1 (Existing Facilities) categorical exemption since the project site is already developed and is in an urbanized area, and the additional area is less than 10,000 square feet.

**WHEREAS**, after close of said hearing, the Commission by formal action, found that all the conditions necessary to granting a Precise Plan Modification as set forth in Corona Municipal Code Section 17.91.070 do exist in reference to PPM2020-0004 based on the evidence presented to the Commission during said hearing; and

**WHEREAS**, the Planning and Housing Commission based its recommendation to approve the PPM2020-0004 on certain conditions of approval and the findings set forth below.

**NOW, THEREFORE, THE PLANNING AND HOUSING COMMISSION OF THE CITY OF CORONA, CALIFORNIA, DOES ORDAIN AS FOLLOWS:**

**SECTION 1. CEQA Findings.** As the decision-making body for this PPM2020-0004, the Planning and Housing Commission has determined that this project does not require further environmental assessment because the project qualifies as an exemption under CEQA per Section 15301 of the State Guidelines and Section 3.22 of the City of Corona adopted Local Guidelines for Implementing CEQA, because the project qualifies as a Class 1 (Existing Facilities) categorical exemption since the project site is already developed and is in an urbanized area, and the additional area is less than 10,000 square feet.

**SECTION 2. Precise Plan Modification Findings.** Pursuant to Corona Municipal Code (“CMC”) Section 17.91.070 and based on the entire record before the Planning and Housing Commission, including all written and oral evidence presented to the Commission, the Commission hereby makes and adopts the following findings:

1. A preliminary exemption assessment has been conducted by the City of Corona and it has shown that this project does not require further environmental assessment because the project qualifies as a Class 1 (Existing Facilities) categorical exemption. The project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store on property that is fully developed with a gas station, parking and landscaping with adequate access from the adjacent streets. The proposed modifications to the property are not expected to result in any impacts to the environment.
2. All the conditions necessary to granting a Precise Plan as set forth in Section 17.91.070 of the Corona Municipal Code exist in reference to PPM2020-0004 for the following reasons.
  - a. *The proposal is consistent with the site’s General Commercial land use designation of the General Plan because the General Commercial designation accommodates a broad range of commercial uses, including gas stations with convenience stores.*
  - b. *The proposal complies with the C-3 zone and other design standards governed by the Corona Municipal Code.*
  - c. *The proposal has been reviewed in compliance with the California Environmental Quality Act and all applicable requirements and procedures of the act have been followed. As justified in Finding # 1, the project is exempt from further review.*
  - d. *The site is of a sufficient size and configuration to accommodate the design and scale of proposed development, including buildings and elevations, landscaping, parking and other physical features of the proposal, as demonstrated in Exhibit A of this report. The proposed modifications are capable of meeting the minimum building setback requirements, parking, landscaping, architectural design, and other applicable development standards as prescribed by the C-3 zone.*

- e. The design, scale and layout of the proposed modifications will not unreasonably interfere with the use and enjoyment of neighboring existing or future developments, will not create traffic or pedestrian hazards, and will not otherwise have a negative impact on the aesthetics, health, safety or welfare of neighboring uses because the proposal complies with the development standards for the C-3 zone and other applicable development standards governed by the Corona Municipal Code to ensure orderly development.*
  - f. The architectural design of the proposed development is compatible with the character of the surrounding neighborhood, will enhance the visual character of the neighborhood by improving an outdated convenience store, and will provide for harmonious, orderly, and attractive development of the site by bringing the parking and landscaping in conformance with current development standards.*
  - g. The design of the proposed development will provide a desirable environment for its occupants and visiting public as well as its neighbors through good aesthetic use of materials, texture, and color that is aesthetically appealing and will retain a reasonably adequate level of maintenance. As shown by the applicant's plans, the architecture of the building features construction materials that are commonly used in commercial buildings and are of high quality in nature. The neutral color scheme is pleasant, and the proposed landscaping will enhance the overall look of the property.*
  - h. The proposed architecture for the new convenience store is compatible with the character of the surrounding neighborhood and will enhance the visual appearance of the surrounding neighborhood by providing an attractive development. Additionally, the proposal includes new landscaping for the entire project site, which will further enhance the surrounding area.*
3. The proposal is consistent with the General Plan for the following reason:
- a. PPM2020-0004 is consistent with General Plan Land Use Policy LU-4.4, which promotes the adaptive re-use and infill of economically underutilized, obsolete, and dilapidated commercial and industrial sites within existing urbanized areas, in consideration of the uses, scale, and character of adjoining uses.*
4. The proposal is consistent with the C-3 (General Community Commercial) zone for the following reason:
- a. The project is consistent with the C-3 zone because the proposed 7-Eleven convenience store is a permitted use in the C-3 zone. The project is also capable of complying with the development standards of the C-3 zone in terms of building setbacks, building height, parking, and landscaping.*

**BE IT FURTHER RESOLVED** that a copy of this Resolution be delivered to the City Clerk of said City and a copy thereof be sent to the applicant therefore at the address of said applicant as set forth in the application for said Precise Plan Modification.

Adopted this 21<sup>st</sup> day of June, 2021.

Craig Siqueland, Chair  
Planning and Housing Commission  
City of Corona, California

**ATTEST:**

Stella West  
Secretary, Planning and Housing Commission  
City of Corona, California

I, Stella West, Secretary to the Planning and Housing Commission of the City of Corona, California, do hereby certify that the foregoing Resolution was regularly introduced and adopted in a regular session of said Planning and Housing Commission duly called and held on the 21<sup>st</sup> day of June, 2021, and was duly passed and adopted by the following vote, to wit:

**AYES:** Siqueland, Alexander, Meza and Sherman

**NOES:** Woody

BUILDING	Dana Andrews
	<ol style="list-style-type: none"> <li>17. An approved Construction Waste Management Plan and Recycling Worksheets shall be kept on site and maintained by the applicant, and made available for inspection by City representatives at all times in accordance with the California Green Building Standards Code. Documentation which demonstrates compliance with the minimum recycling of waste materials required by CAL Green shall be provided to the building inspector prior to issuance of Certificate of Occupancy or Final Approval.</li> <li>18. Trash and recycling enclosures shall be accessible per CBC chapter 11B and meet Public Works Department minimum dimensions for the City's waste hauler. Provide enlarged plans and details for construction of trash/recycling enclosures.</li> <li>19. Construction documents shall be prepared in accordance to current applicable codes (2019 Codes).</li> <li>20. Provide Accessible Route from Public Way, No abrupt Changes in Path of Travel, Ramps Shall Not Exceed 8.33% Slope, Cross Slope Shall Not Exceed 2%.</li> <li>21. Provide list of Deferred Submittals. Deferred submittals shall be submitted to Building Dept for Review &amp; Approval before beginning installation.</li> <li>22. Provide a list of required Special Inspections per 2019 CBC section 1705 &amp; required Structural Observations.</li> <li>23. At the time of plan check please incorporate the required California Green Code Mandatory Measures such as E.V. and or Solar Ready, clean air vehicle parking, bicycle parking, best management practices and storm water pollution prevention, light pollution reduction, energy efficiency, indoor and outdoor water usage efficiency, construction waste management plan, etc.</li> </ol>
FIRE	Cindi Schmitz
	<ol style="list-style-type: none"> <li>1. Place Fire Department DPR comments on plans as general notes.</li> <li>2. Any revised site plan shall be submitted to the Fire Department for screen check approval prior to building plan submittal.</li> <li>3. All projects shall comply with the City of Corona Fire Department Site Construction Standard. A copy of which is available at the coronaca.gov. Projects shall have approved all weather access from two (2) directions and fire hydrants providing the required fire flow tested and accepted prior to combustible construction.</li> <li>4. A minimum fire flow of 1500 gallons per minute at 20 psi shall be provided.</li> <li>5. Fire hydrants are to be spaced a maximum 300 feet apart.</li> <li>6. Provide Class A roofing material on all structures per the Corona Municipal Code.</li> <li>7. A specific address, assigned by the City of Corona, Public Works Department, shall be provided for each building as specified by the fire department address standard which can be obtained at coronaca.gov/fire. Addresses must be illuminated during all hours of darkness.</li> <li>8. Any overhead obstruction such as the second story of a building, Porte cochere, etc., that intrudes into the required clear width of fire vehicle access drives shall provide a minimum clear height of fifteen (15) feet unless otherwise approved by the Fire Chief.</li> </ol>
PLANNING	Lupita Garcia
	<ol style="list-style-type: none"> <li>1. To the fullest extent permitted by law, the applicant shall defend, indemnify and hold the City of Corona and its directors, officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, proceedings, costs, expenses, liabilities, losses, damages or injuries of any kind, in law or equity, in any manner arising out of, pertaining to, or incident to any attack against or attempt to challenge, set aside, void or annul any approval, decision or other action of the City of Corona, whether such approval, decision or other action was by its City Council, Planning and Housing Commission or other board, director, official, officer, employee, volunteer or agent. To the extent that Government Code Section 66474.9 applies, the City will promptly notify the applicant of any claim, action or proceeding made known to the City to which Government Code Section 66474.9 applies and the City will fully cooperate in the defense. The Applicant's obligations hereunder shall include, without limitation, the payment of any and all damages, consultant and expert fees, and attorney's fees and other related costs and expenses. The City shall have the right to retain such legal counsel as the City deems necessary and appropriate.</li> </ol>

# Project Conditions

## City of Corona

PLANNING	Lupita Garcia
<p>2. Nothing herein shall be construed to require City to defend any attack against or attempt to challenge, set aside, void or annul any such City approval, decision or other action. If at any time Applicant chooses not to defend (or continue to defend) any attack against or attempt to challenge, set aside, void or annul any such City approval, decision or other action, the City may choose, in its sole discretion, to defend or not defend any such action. In the event that the City decides not to defend or continue the defense, Applicant shall be obligated to reimburse City for any and all costs, fees, penalties or damages associated with dismissing the action or proceeding. If at any time both the Applicant and the City choose not to defend (or continue to defend) any action noted herein, all subject City approvals, decisions or other actions shall be null and void. The Applicant shall be required to enter into any reimbursement agreement deemed necessary by the City to effectuate the terms of this condition.</p> <p>3. This permit hereby allowed is conditional upon the privileges being utilized by the securing of the first permit thereof, Precise Plan permit within two (2) years after the effective date of the Precise Plan approval and if construction work is not begun within said time and carried on diligently to completion, this authorization shall become void, and any privilege or permit granted shall be deemed to have lapsed.</p> <p>4. The project shall comply with all applicable requirements of the Corona Municipal Code (CMC) and ordinances and the relevant Specific Plan, if any, including the payment of all required fees.</p> <p>5. All landscaping, onsite and within the parkway, shall be installed per the approved plans prior to issuance of certificate of occupancy.</p> <p>6. Landscape plans shall be submitted as a separate submittal to the Building Division for plan check. At time of submittal, the developer shall submit a landscape deposit in the amount of \$2,500 to the Planning Division for landscape plan check and inspection services. This is separate from the Building Division's landscape plan check submittal fee. Any money left remaining from the deposit will be reimbursed to the developer upon project completion.</p> <p>7. All signage shall comply with the sign standards under Chapter 17.74 of the Corona Municipal Code for the C-3 zone in addition to any previously approved variance. Signs shall be submitted and permitted separately over the public counter.</p> <p>8. This project is subject to applicable MSHCP fees at time of building permit issuance.</p> <p>9. If human remains are encountered, California Health and Safety Code Section 7050.5 states that no further disturbance shall occur until the Riverside County Coroner has made the necessary findings as to origin. Further, pursuant to California Public Resources Code Section 5097.98(b) remains shall be left in place and free from disturbance until a final decision as to the treatment and disposition has been made. If the Riverside County Coroner determines the remains to be Native American, the Native American Heritage Commission must be contacted within 24 hours. The Native American Heritage Commission must then immediately identify the "most likely descendant(s)" of receiving notification of the discovery. The most likely descendant (s) shall then make recommendations within 48 hours, and engage in consultations concerning the treatment of the remains as provided in Public Resources Code 5097.98.</p> <p>10. The applicant shall install an anti-graffiti coat or some type of planting material on all new block walls, including the new block wall proposed on the westerly perimeter adjacent to the alley, which shall be constructed of split-face block.</p> <p>11. All new onsite and parkway landscaping shall comply with the City's commercial landscaping requirements established under Chapter 17.70 of the Corona Municipal Code and the Landscape Design Guidelines for Commercial &amp; Industrial Developments.</p> <p>12. The applicant shall obtain a building permit for the improvements associated with PPM2020-0004.</p> <p>13. Any structural changes to the existing pylon sign located on the corner of Lincoln Avenue and D Street shall require the sign to be brought into compliance with current codes as prescribed per CMC 17.74 Signs.</p> <p>14. Any increase to the sign area or sign height for the existing freeway pylon sign requires the approval of a major variance application.</p> <p>15. Prior to plancheck submittal, the applicant shall revise the height of the existing freeway sign to 55'-6" as approved by the 1965 Variance.</p> <p>16. At the time of plancheck submittal, the applicant shall submit a photometric analysis to ensure that the property has adequate exterior lighting for security purposes. The applicant shall also submit a security camera plan for the exterior of the property to the Community Development Department for review. [Added by the Planning and Housing Commission on June 21, 2021.]</p>	

# Project Conditions

## City of Corona

PLANNING	Lupita Garcia
	<ol style="list-style-type: none"> <li>17. The second-floor office area shall be restricted to staff and employees associated with the convenience store and gas station and shall not be sublet to another tenant for any other use. [Added by the Planning and Housing Commission on June 21, 2021.]</li> <li>18. The applicant shall enhance the upper portion of the building's façade with an additional feature to create a break in the flat roofline design. [Added by the Planning &amp; Housing Commission on June 21, 2021.]</li> <li>19. Prior to receiving a final on the sign permit, the applicant shall encase or frame the overall display area for the freeway sign. The frame shall fill in the space on both sides of the Shell and 7-11 sign cabinets to meet the width of the McDonald's sign cabinet to create a more uniformed look for the display area. [Added by the Planning and Housing Commission on June 21, 2021.]</li> <li>20. Prior to receiving a final on the sign permit, the applicant shall refinish and repaint the freeway sign poles. [Added by the Planning and Housing Commission on June 21, 2021.]</li> <li>21. Prior to receiving a final on the sign permit, the applicant shall install security fencing around the base of the of the freeway to control unwanted access to the sign poles. [Added by the Planning and Housing Commission on June 21, 2021.]</li> <li>22. The trash enclosure gates shall not open/encroach into the alley. Per the trash enclosure exhibit provided in the staff report, the trash enclosure shall be fully enclosed to prevent openings, including the space between the roof and the roof and side walls. The trash enclosure gates shall be designed with an automatic locking system. The plans submitted to the Building Division for a building permit shall reflect the trash enclosure revisions. [Added by the Planning and Housing Commission on June 21, 2021.]</li> </ol>
PUBLIC WORKS	
	<ol style="list-style-type: none"> <li>1. The Public Works and the Departments of Water and Power, Maintenance and Parks and Landscaping Conditions of Approval for the subject application and shall be completed at no cost to any government agency. All questions regarding the intent of the conditions shall be referred to the Public Works Department Land Development Section. Should a conflict arise between City of Corona standards and design criteria and any other standards and design criteria, City of Corona standards and design criteria shall prevail.</li> <li>2. The developer shall comply with the State of California Subdivision Map Act and all applicable City ordinances and resolutions.</li> <li>3. Prior to issuance of grading permit, the applicant shall demonstrate to the satisfaction of the Public Works Director that the proposed project will not unreasonably interfere with the use of any easement holder of the property.</li> <li>4. All improvement and grading plans shall be drawn on twenty-four (24) inch by thirty-six (36) inch Mylar and signed by a registered civil engineer or other registered/licensed professional as required.</li> <li>5. The submitted site plan shall correctly show all existing easements, traveled ways, and drainage courses. Any omission or misrepresentation of these documents may require said site plan to be resubmitted for further consideration.</li> <li>6. In the event that off-site right-of-way or easements are required for the City of Corona master plan facilities to comply with these conditions of approval, the developer is required to secure such right-of-way or easements at no cost to the City.</li> <li>7. All existing and new utilities adjacent to and on-site shall be placed underground in accordance with City of Corona ordinances.</li> <li>8. Prior to issuance of a Certificate of Occupancy, the developer shall cause the engineer of record to submit project base line work for all layers in AutoCAD DXF format on Compact Disc (CD) to the Public Works Department. If the required files are unavailable, the developer shall pay a scanning fee to cover the cost of scanning the as-built plans.</li> </ol>

# Project Conditions

## City of Corona

### PUBLIC WORKS

9. The developer shall monitor, supervise and control all construction and construction related activities to prevent them from causing a public nuisance including, but not limited to, insuring strict adherence to the following:
- (a) Removal of dirt, debris or other construction material deposited on any public street no later than the end of each working day.
  - (b) Construction operations, including building related activities and deliveries, shall be restricted to Monday through Saturday from 7:00 a.m. to 8:00 p.m., excluding holidays, and from 10:00 a.m. to 6:00 p.m. on Sundays and holidays, in accordance with City Municipal Code, unless otherwise extended or shortened by the Public Works Director or Building Official.
  - (c) The construction site shall accommodate the parking of all motor vehicles used by persons working at or providing deliveries to the site.

Violation of any condition or restriction or prohibition set forth in these conditions shall subject the owner, applicant, developer or contractor(s) to remedies as noted in the City Municipal Code. In addition, the Public Works Director or Building Official may suspend all construction related activities for violation of any condition, restriction or prohibition set forth in these conditions until such time as it has been determined that all operations and activities are in conformance with these conditions.

10. Prior to issuance of a building permit, the developer shall finish the construction or post security guaranteeing the construction of all public improvements. Said improvements shall include, but are not limited to, the following:
- a) All street facilities along Lincoln Ave, D St, and public alley half-width plus 10-ft fronting the property.
  - b) All drainage facilities
  - c) All required grading, including erosion control.
  - d) All required sewer, water and reclaimed water facilities.
  - e) All required landscaping
  - f) All under grounding of overhead utilities, except for cables greater than 32k volts.
11. All the grading design criteria shall be per City of Corona standards, Corona Municipal Code Title 15 Chapter 15.36 and City Council Ordinance Number 2568, unless otherwise approved by the Public Works Director.
12. Prior to approval of grading plans, the applicant shall submit two (2) copies of a soils and geologic report prepared by a Registered Engineer to the Public Works Department Land Development Section. The report shall address the soil's stability and geological conditions of the site. If applicable, the report shall also address: deep seated and surficial stability of existing natural slopes; modified natural slopes which are subject to fuel zones; manufactured slopes and stability along proposed daylight lines; minimum required setbacks from structures; locations and length of proposed bench drains, sub-drains or french drains; and any other applicable data necessary to adequately analyze the proposed development.
13. Prior to approval of grading plans, erosion control plans and notes shall be submitted and approved by the Public Works Department Land Development Section.
14. Prior to the issuance of a grading permit the developer shall submit recorded slope easements or written letters of permission from adjacent landowners in all areas where grading is proposed to take place outside of the project boundaries.
15. Prior to issuance of building permits, the developer shall cause the civil engineer of record and soils engineer of record for the approved grading plans to submit pad certifications and compaction test reports for the subject lots where building permits are requested.
16. All City of Corona NPDES permit requirements for NPDES and Water Quality Management Plans (WQMP) shall be met per Corona Municipal Code Title 13 Chapter 13.27 and City Council Ordinance Numbers 2291 and 2828 unless otherwise approved by the Public Works Director.
17. Prior to issuance of a grading permit, the project shall incorporate LID Principles (Site Design) and Source Control BMPs, as applicable and feasible, into the project plans for review and approval by the Public Works Department.
18. All the drainage design criteria shall be per City of Corona standards and the Riverside County Flood Control and Water Conservation District standards unless otherwise approved by the Public Works Director.
19. Prior to approval of any improvement plans, the applicant shall submit a detailed hydrology study. Said study shall include the existing, interim and the ultimate proposed hydrologic conditions including key elevations, drainage patterns and proposed locations and sizes of all existing and proposed drainage devices. The hydrology study shall present a full breakdown of all the runoff generated on- and off-site.

## Project Conditions

### City of Corona

#### PUBLIC WORKS

20. Prior to approval of improvement plans, the improvement plans submitted by the applicant shall address the following: The project drainage design shall be designed to accept and properly convey all on- and off-site drainage flowing on or through the site. The project drainage system design shall protect downstream properties from any damage caused by alteration of drainage patterns such as concentration or diversion of flow. All residential lots shall drain toward the street. Lot drainage to the street shall be by side yard swales independent of adjacent lots or by an underground piping system. Concentrated drainage on commercial lots shall be diverted through parkway drains under sidewalks. All non-residential lots shall drain toward an approved water quality or drainage facility. Once onsite drainage has been treated it may continue into an approved public drainage facility or diverted through under-sidewalk parkway drains.
21. Street design criteria and cross sections shall be per City of Corona standards, approved Specific Plan design guidelines and the State of California Department of Transportation Highway Design Manual unless otherwise approved by the Public Works Director.
22. Prior to approval of improvement plans, the improvement plans submitted by the applicant shall include the following:
  - a) All local and/or major arterial highways' vertical and horizontal alignments shall be approved by the Director of the Public Works Department.
  - b) All driveways shall conform to the applicable City of Corona standards and shall be shown on the street improvement plans.
  - c) All street intersections shall be at ninety (90) degrees or as approved by the Public Works Director.
  - d) All reverse curves shall have a minimum tangent of fifty (50) feet in length.
  - e) Under grounding of existing and proposed utility lines.
  - f) Street lights.
  - g) Construction of any missing sidewalk and closure of driveway approach as shown on the site plan.
  - h) All other public improvements shall conform to City of Corona standards.
23. Prior to approval of improvement plans, the improvement plans shall show all the streets to be improved to half width plus ten (10) additional feet unless otherwise approved by the Public Works Director. At the discretion of the applicant, the existing pavement maybe cored to confirm adequate section and R values during the design process and any findings shall be incorporated into the project design. Therefore improvements may include full pavement reconstruction, grind and overlay, or slurry seal. All striping shall be replaced in kind.
24. Prior to release of public improvement security, the developer shall cause the civil engineer of record for the approved improvement plans to submit a set of as-built plans for review and approval by the Public Works Department.
25. Prior to acceptance of improvements, the Public Works Director may determine that aggregate slurry, as defined in the Standard Specifications for Public Works Construction, may be required one year after acceptance of street(s) by the City if the condition of the street(s) warrant its application. All striping shall be replaced in kind. The applicant is the sole responsible party for the maintenance of all the improvements until said acceptance takes place.
26. Prior to issuance of a building permit and/or issuance of a Certificate of Occupancy, the applicant shall pay all development fees, including but not limited to Development Impact Fees (DIF) per City Municipal Code 16.23 and Transportation Uniform Mitigation Fees (TUMF) per City Municipal Code 16.21. Said fees shall be collected at the rate in effect at the time of fee collection as specified by the current City Council fee resolutions and ordinances.
27. All the potable water, reclaimed water, and sewer design criteria shall be per City of Corona Department of Water and Power standards and Riverside County Department of Health Services Standards unless otherwise approved by the Public Works and Department of Water and Power Directors.
28. Prior to recordation or approval of improvement plans, the applicant shall obtain all necessary easements for any required offsite water and sewer facilities.
29. Prior to issuance of any building permits, a domestic water and fire flow system shall be approved by the Public Works Department and constructed by the developer, to the satisfaction of the Public Works Director and Fire Chief.
30. Prior to improvement plans approval, the applicant shall ensure that all water meters, fire hydrants or other water appurtenances shall not be located within a drive aisle or path of travel.
31. Prior to issuance of any building permits, the developer shall pay all water and sewer fees, including but not limited to connection fees, wastewater treatment fees, sewer capacity fees and all other appropriate water and sewer fees.

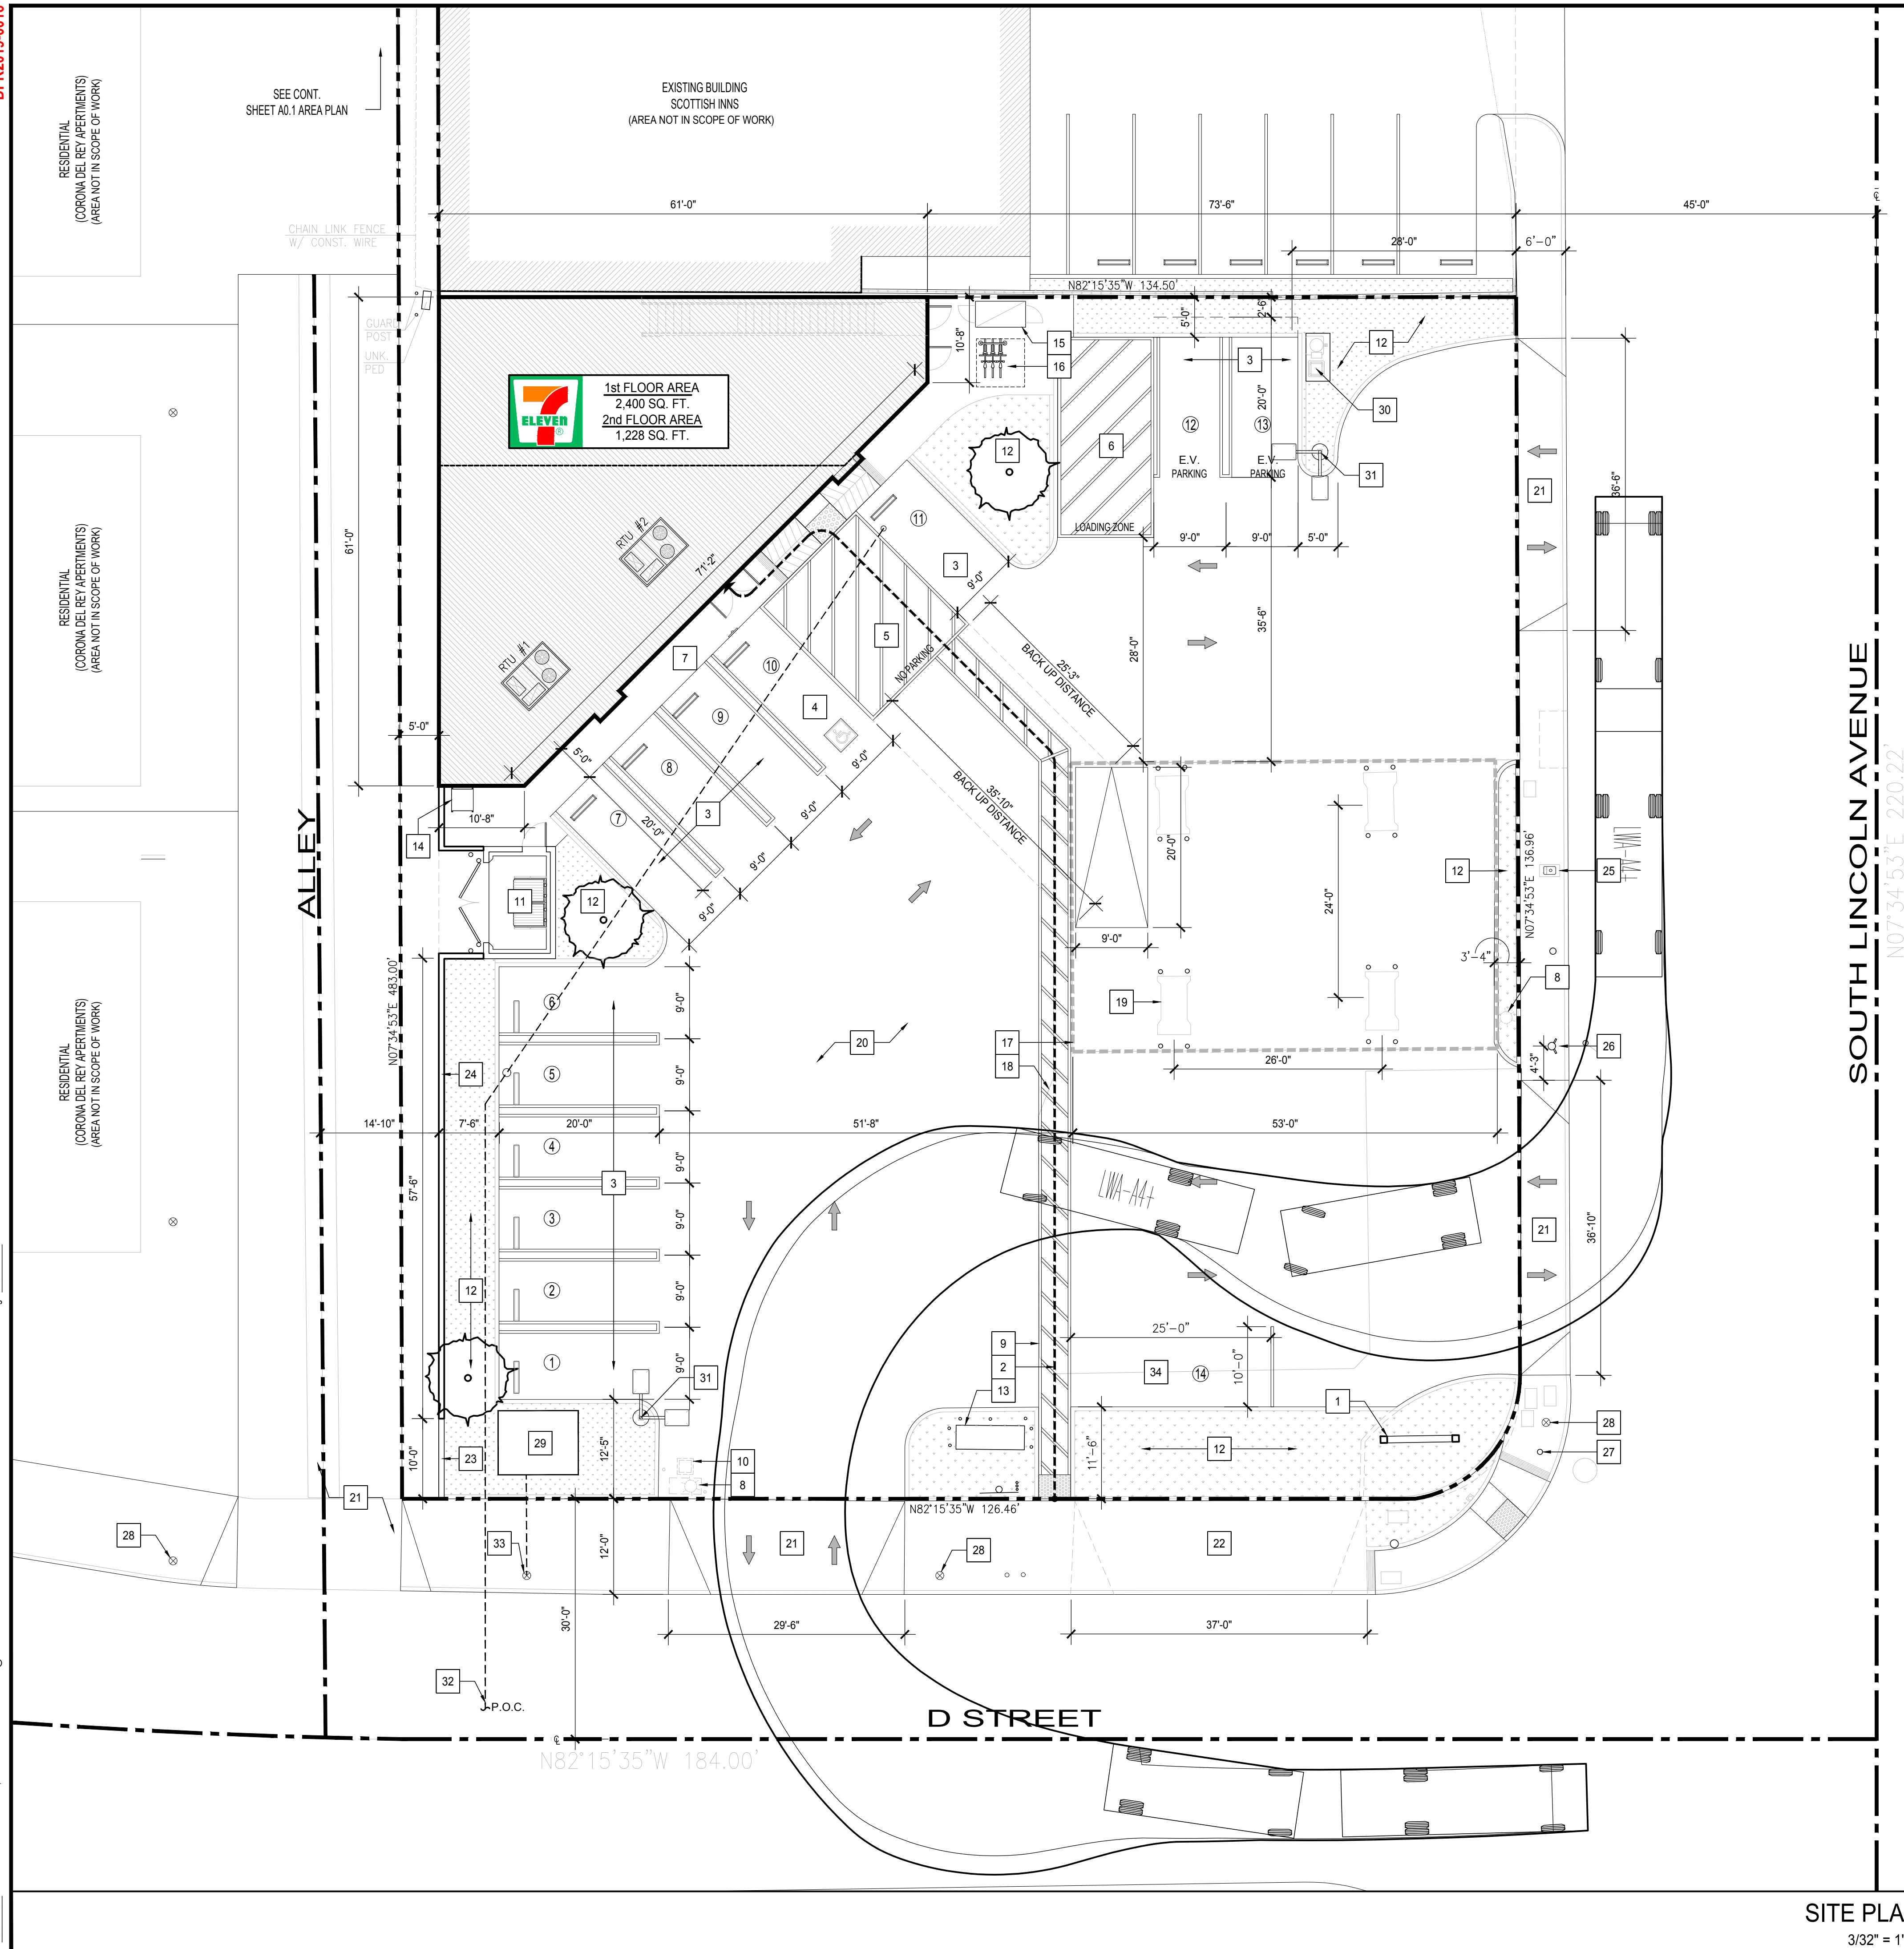

## Project Conditions

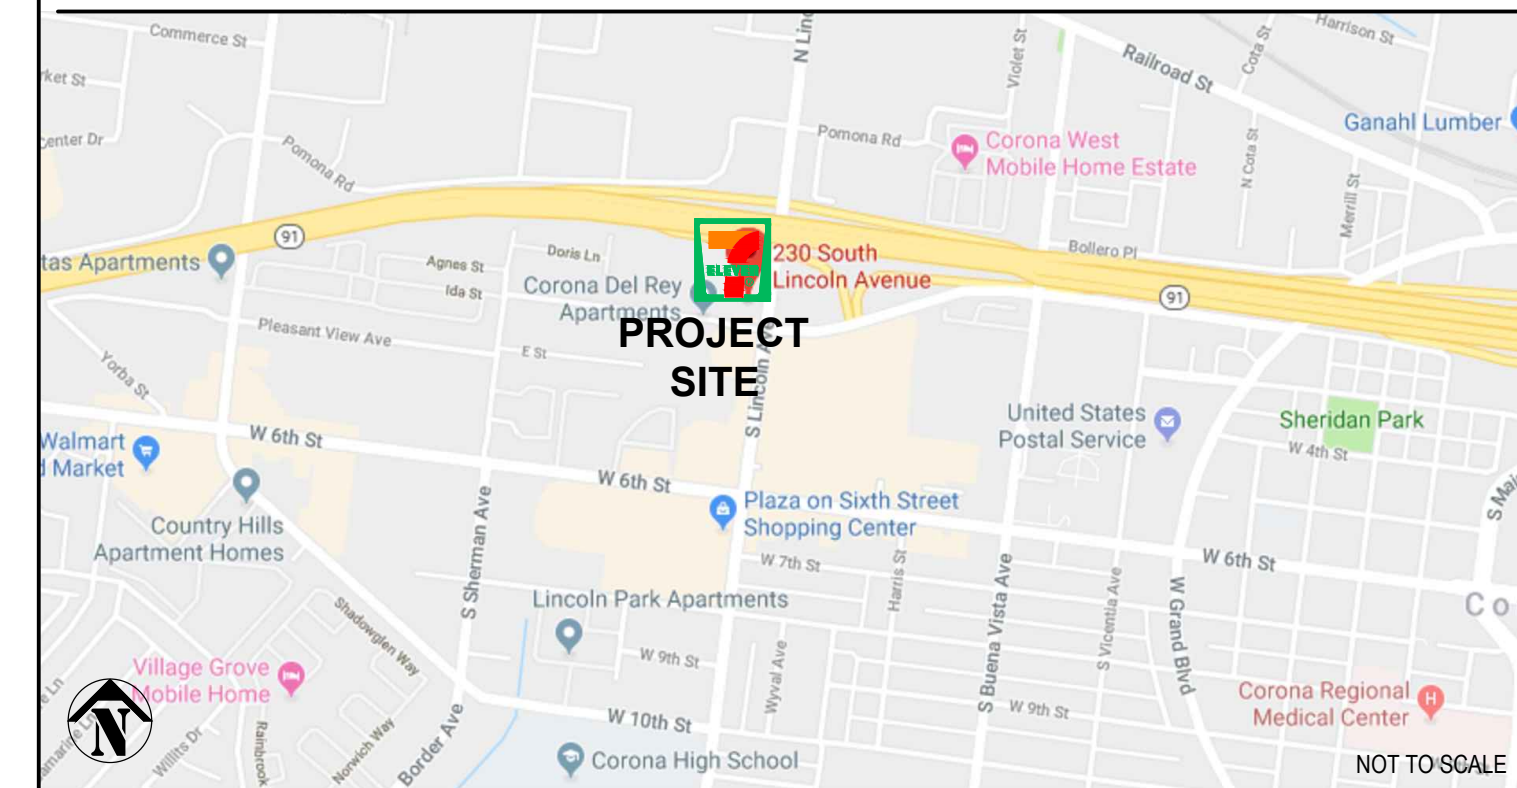

### City of Corona

PUBLIC WORKS	
32. Prior to building permit issuance, the applicant shall construct or guarantee the construction of all required public improvements including but not limited to any modifications to existing potable water services, sewer laterals, and reduced pressure principle assemblies within the public right of way and-or easements.	
33. The applicant shall dedicate easements for all public water, reclaimed water, sewer and electric facilities needed to serve the project in accordance the Department of Water and Power standards. The minimum easement width shall be 20 feet for one utility and 30 feet for more than one public utility facility. All public water and sewer facilities shall be provided a minimum 20 foot wide paved access road unless otherwise approved by the General Manager. Structures and trees shall not be constructed or installed within a public utility easement.	
34. Fire Hydrants shall be a maximum 250-300 feet apart or as directed by the Fire Department.	
35. Manhole rim elevations shall be lower than all pad elevations immediately downstream. Otherwise a back flow prevention valve will be required.	
36. Static pressures exceeding 80 psi require an individual pressure regulator.

# APPLICATION SUPPLEMENTAL

230 S. Lincoln Ave., Corona, CA

Updated: December 29, 2020

## APPLICATION REQUEST:

The applicant is requesting approval of a Major Precise Plan Modification pursuant to Chapter 17.91 of Title 17 of the Corona Municipal Code ("CMC") to demolish an existing 1-story 2,056 sq. ft. convenience store associated with an existing Shell gas station and to replace it with a new 2,400 sq. ft. convenience store with a partial 2-story consisting of 1,228 sq. ft. of general office space.

The applicant is also requesting approval to add signage to the existing legal non-conforming multi-tenant freeway sign previously approved for a total of 461 sq. ft. by Variance no. V77-04. The existing Shell cabinet sign will be reduced in size to 12 ft. x 12 ft. and the proposed 7-Eleven sign cabinet will measure 12 ft. x 12 ft. so that the aggregate square footage of all the signage does not exceed the previously approved 461 square feet. The existing McDonald's sign cabinet will also be repositioned so as to be centered on the three (3) existing support structures.

## SUBJECT PROPERTY / EXISTING CONDITIONS AND ENTITLEMENTS:

The subject property is in the C-3 General Community Commercial Zone and is located on the northwest corner of Lincoln Avenue and "D" Street and consists of one (1) irregular-shaped parcel approximately 0.5 acres in size with approximately 136 linear feet of frontage on Lincoln Avenue and approximately 126 linear feet of frontage on "D" Street. The subject property is developed with a Shell gas station consisting of a fueling canopy with four (4) Multi-Product Dispensers (MPD's), underground fuel storage tanks located near the street corner and a 2,056 sq. ft. convenience store licensed by the State Department of Alcoholic Beverage Control (ABC) to engage in the off-sale of beer and wine.<sup>1</sup> The subject property is also developed with an asphalt surface parking lot with minimal landscaping and a 32-ft. tall 2-leg free-standing fuel pricing and business identification sign at the street corner.

The subject property also has a 5-ft. wide strip of land along the westerly property line that extends north towards State Hwy 91 and terminates in a 10-ft. wide x 30-ft long area that is developed with an on-premise 55-ft. – 6-inch tall freeway sign currently shared by Shell and McDonald's. The freeway sign was originally approved circa 1965 for a 204 sq. ft. Texaco sign along with a Variance to exceed the height limit. The City later approved Conditional Use Permit (CUP-77-10) and Variance (V-77-04) circa 1978 to add a double-faced McDonald's sign consisting of 257 sq. ft. per sign face for a total aggregate sign area of 461 square feet.

---

<sup>1</sup> ABC Type-20 License no. 416101 currently active and transferred from License no. 135777 having an original issue date of Mar. 15, 1983

There are no records of a prior Conditional Use Permit approval for the off-sale of alcoholic beverages for the subject property. It is the applicant's understanding that the ABC license origination date of March 15, 1983 for license no 135777 (now license no. 416101) pre-dates the City's requirement for approval of a Conditional Use Permit for retail establishments engaged in the off-sale of alcoholic beverages in the C-3 General Community Commercial Zone.

**SURROUNDING ZONES:**

North: C-3 General Community Commercial  
South: C-3 General Community Commercial  
East: State Hwy 91 on-ramp and off-ramps with C-3 General Community Commercial beyond  
West: 20-ft. wide public alley with R-3 Multiple Family Residential beyond

**SURROUNDING LAND USES:**

North: Scottish Inn & Suites  
South: McDonald's  
East: State Hwy 91 on-ramps and off-ramps  
West: 20-ft. wide public alley with multi-family residential beyond

**PRECISE PLAN MODIFICATION REQUIRED FINDINGS – SECTION 17.91.070:**

***A. The proposal is consistent with the Corona General Plan;***

The subject property is zoned C-3 General Community Commercial, which is consistent with the General Plan land use designation. "Automobile Service Stations" are a permitted use in the C-3 zone and "Convenience stores" with the off-sale of alcoholic beverages are a conditionally permitted use in the C-3 zone.

***B. The proposal complies with the zoning ordinance, other applicable provisions of the Corona Municipal Code and, if applicable, the South Corona Community Facilities Plan or Specific Plans;***

Please see attached code compliance matrix.

***C. The proposal has been reviewed in compliance with the California Environmental Quality Act and all applicable requirements and procedures of the act have been followed;***

The project qualifies as an exempt project under Section 15322 (In-Fill Development Projects) of the California Environmental Quality Act (CEQA) guidelines.

- D. The site is of a sufficient size and configuration to accommodate the design and scale of proposed development, including buildings and elevations, landscaping, parking, and other physical features of the proposal;*

The applicant is requesting approval of a Major Precise Plan Modification pursuant to Chapter 17.91 of Title 17 of the Corona Municipal Code ("CMC") to demolish an existing 1-story 2,056 sq. ft. convenience store associated with an existing Shell gas station and to replace it with a new 2,400 sq. ft. convenience store with a partial 2-story consisting of 1,228 sq. ft. of general office space. The subject property is 21,780 sq. ft. in size and fronts on a secondary arterial street and a collector street with existing points of ingress and egress. The proposed site plan complies with the City's minimum landscaping, parking, and setback requirements. Please see attached code compliance matrix.

- E. The design, scale and layout of the proposed development will not unreasonably interfere with the use and enjoyment of neighboring existing or future developments, will not create traffic or pedestrian hazards and will not otherwise have a negative impact on the aesthetics, health, safety or welfare of neighboring uses;*

The primary use of the subject property has been a gasoline service station and convenience store for several decades and it has operated without any issues or concerns with the adjoining Scottish Inn & Suites to the north and the existing multi-family residential located across the public alley to the west. There also have not been any issues of compatibility with the McDonalds to the south. The proposed new convenience store, revised site plan, landscaping and parking as well as the proposed decorative block wall along the westerly property line will refresh the property with new aesthetically pleasing architecture, landscaping and screening.

- F. The architectural design of the proposed development is compatible with the character of the surrounding neighborhood, will enhance the visual character of the neighborhood and will provide for the harmonious, orderly and attractive development of the site;*

The proposed convenience store will be located towards the northwest corner of the property in a "Homeplate" configuration with the storefront oriented towards the street corner. The building elevations will incorporate various architectural design elements including but not limited to a varying roofline, a prominent entrance with stone veneer, decorative wall lighting and an aluminum awning. The proposed stucco paint color scheme juxtaposed with the stone veneer and aluminum awning along with new landscaping will also be attractive and enhance the visual character of the area. In addition, the proposed partial 2<sup>nd</sup> story will abut the adjoining 3-story Scottish Inn & Suites building which is in keeping with the existing size and scale of development.

- G. The design of the proposed development would provide a desirable environment for its occupants and visiting public as well as its neighbors through good aesthetic use of materials, texture and color that will remain aesthetically appealing and will retain a reasonably adequate level of maintenance;*

The proposed convenience store will be located towards the northwest corner of the property in a "Homeplate" configuration with the storefront oriented towards the street corner. The building elevations will incorporate various architectural design elements including but not limited to a varying roofline, a prominent entrance with stone veneer, decorative wall lighting and an aluminum awning. The proposed stucco paint color scheme juxtaposed with the stone veneer and aluminum awning along with new landscaping will also be attractive and enhance the visual character of the area. In addition, the proposed partial 2<sup>nd</sup> story will abut the adjoining 3-story Scottish Inn & Suites building which is in keeping with the existing size and scale of development.

- H. The proposed development is compatible with and enhances the design of existing buildings and other physical features of the site.*

The proposed replacement convenience store, off-street parking, landscaping, and trash enclosure are in harmony with the existing underground fuel storage tanks, as well as with the existing fuel canopy and gasoline pumps which will remain. The proposed site plan has also been fully vetted with Planning Staff and the various City departments through the Development Plan Review application process.

## CITY OF CORONA

### PRELIMINARY EXEMPTION ASSESSMENT (Certificate of Determination When attached to Notice of Exemption)

#### Name, Description and Location of Project:

**PPM2020-0004:** A precise plan modification application to replace an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store, reconfigure the parking lot and landscaping, and new signage for an existing Shell gas station located at 230 S. Lincoln Avenue in the C-3 (General Community Commercial) zone.

#### Entity or Person Undertaking Project:

- ☐ A. Public Agency:
- ☒ B. Other (private): Adan Madrid  
ASI Development  
5932 Bolsa Avenue, Suite 107  
Huntington Beach, CA 92649

#### Staff Determination:

The City's staff, having undertaken and completed a preliminary review of this project in accordance with the City's Resolution entitled "Local Guidelines of the City of Corona Implementing the California Environmental Quality Act (CEQA)" has concluded that this project does not require further environmental assessment because:

- ☐ A. The proposed action does not constitute a project under CEQA.
- ☐ B. The project is a Ministerial Project.
- ☐ C. The project is an Emergency Project.
- ☐ D. The project constitutes a feasibility or planning study.
- ☒ E. The project is categorically exempt: **Class 1 Categorical Exemption under CEQA Section 15301 (Existing Facilities)** because the project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store, a reconfiguration of the parking lot and landscaping, and new signage. The activity is not expected to result in any impacts to the environment.
- ☐ F. The project is a statutory exemption:
- ☐ G. The project is otherwise exempt on the following basis:
- ☐ H. The project involves another public agency which constitutes the lead agency. Name of Lead Agency:

Date: \_\_\_\_\_

\_\_\_\_\_  
Lupita Garcia, Associate Planner  
Lead Agency Representative

## NOTICE OF EXEMPTION

TO: CLERK OF THE BOARD OF  
SUPERVISORS COUNTY OF RIVERSIDE

FROM: CITY OF CORONA  
COMMUNITY DEVELOPMENT DEPARTMENT  
400 S. VICENTIA AVE, SUITE 120  
CORONA, CA 92882

1. Project title: PPM2020-0004
2. Project location (specific): 230 S. Lincoln Avenue Corona, CA 92882 Assessor's Parcel Number: 118-171-050
3. a. Project location - City of Corona  
b. Project location - County of Riverside
3. Description of nature, purpose and beneficiaries of project:

**PPM2020-0004:** A precise plan modification application to replace an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store, reconfigure the parking lot and landscaping, and new signage for an existing Shell gas station located at 230 S. Lincoln Avenue in the C-3 (General Community Commercial) zone.

5. Name of public agency approving project: City of Corona
6. Name of Person or Agency undertaking the project, including any person undertaking an activity that receives financial assistance from the Public Agency as part of the activity or the person receiving a lease, permit, license, certificate, or other entitlement of use from the Public Agency as part of the activity:

a. Adan Madrid, ASI Development, 5932 Bolsa Avenue, Suite 107, Huntington Beach, CA 92649

7. Exempt Status (check one):
  - a. ☐ Ministerial Project (Pub. Res. Code § 21080(b)(1);
  - b. ☐ Not a project.
  - c. ☐ Emergency project (Pub. Res. Code § 21080(b)(4);
  - d. ☒ **Categorical Exemption. State type and class number: **Class 1 Categorical Exemption Under CEQA Section 15301 (Existing Facilities)** because the project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store, a reconfiguration of the parking lot and landscaping, and new signage. The activity is not expected to result in any impacts to the environment.**
  - e. ☐ Declared Emergency (Pub. Res. Code § 21080(b)(3);
  - f. ☐ Statutory Exemption. State code section number
  - g. ☐ Other: Explain:

8. Reasons why the project is exempt: PPM2020-0004 qualifies under review for Class 1 Categorical Exemption under CEQA Section 15301 (Existing Facilities) because the project consists of replacing an existing 2,056 square foot convenience store with a new 3,628 square foot convenience store, a reconfiguration to the parking lot and landscaping, and new signage for an existing Shell gas station.

## **Planning and Housing Commission Minutes - Draft**

**Monday, June 21, 2021**

**Council Chambers - 6:00 p.m.**

**Craig Siqueland, Chair  
Karen Alexander, Vice Chair  
Diana Meza, Commissioner  
Bridget Sherman, Commissioner  
Matt Woody, Commissioner**

## ROLLCALL

**Present** 5 - Vice Chair Karen Alexander, Chair Craig Siqueland, Commissioner Diana Meza, Commissioner Bridget Sherman, and Commissioner Matt Woody

## CALL TO ORDER

Chair Siqueland called the meeting to order.

## PLEDGE OF ALLEGIANCE

Vice Chair Alexander led the Pledge of Allegiance.

## COMMUNICATIONS FROM THE PUBLIC

None.

## MEETING MINUTES

**These minutes were approved.**

1. Approval of minutes for the Planning and Housing Commission meeting of Monday, May 24, 2021.

**Attachments:** [Planning and Housing Commission minutes - DRAFT](#)

**A motion was made by Vice Chair Alexander, seconded by Commissioner Sherman, that these minutes be approved. The motion carried by the following vote:**

**Aye:** 4 - Vice Chair Alexander, Commissioner Meza, Commissioner Sherman, and Commissioner Woody

**Abstain:** 1 - Chair Siqueland

## CONSENT ITEMS

None.

## PUBLIC HEARINGS

2. **PPM2020-0004:** A precise plan modification to demolish an existing 2,056 square foot convenience store and construct a new 3,628 square foot convenience store, reconfigure the parking lot and landscaping, and add new signage for an existing Shell gas station located at 230 S. Lincoln Avenue in the C-3 (General Community Commercial) zone. (Applicant: Adan Madrid with ASI Development, 5932 Bolsa Avenue, Suite 107, Huntington Beach, CA 92649).

**Attachments:** [Staff Report](#)[Exhibit 1 - Resolution No. 2570](#)[Exhibit 2 - Locational Zoning Map](#)[Exhibit 3.A - Site Plan](#)[Exhibit 3.B - Conditions of Approval](#)[Exhibit 3.C - First Floor Plan](#)[Exhibit 3.D - Second Floor Plan](#)[Exhibit 3.E - Elevations](#)[Exhibit 3.F - Color Street Scape View Rendering](#)[Exhibit 3.G - Roof Plan](#)[Exhibit 3.H - Trash Enclosure Plan](#)[Exhibit 3.I - Photographs of existing & proposed signs](#)[Exhibit 3.J - Conceptual Landscape Plan](#)[Exhibit 3.K - Applicant's letter dated December 29, 2020](#)[Exhibit 4 - Environmental Documentation](#)[Powerpoint Presentation](#)

Lupita Garcia, Associate Planner, reviewed the staff report and exhibits for PPM2020-0004.

Discussion ensued between city staff, the Commissioners and applicant, Adan Madrid with ASI Development, regarding set backs on the north and west side of the building, public safety, use of the second floor, the freeway sign cabinets and aesthetics, designated employee parking, the roof line of the gas station, and the trash enclosure. The applicant stated he is open to discussing modifications. Commissioner Woody expressed his concern with the safety of the residential apartment complex located west of the project, conversations he had with apartment residents, and materials stored at the rear of the gas station. He requested that lighting and surveillance cameras be added to the alleyway to keep nearby residents safe.

Joe Morgan, resident, expressed his concern about not seeing a second floor elevator, specifically related to accessibility improvements. He would like to see old freeway signs brought up to current design standards.

**A motion was made Commissioner Woody to continue the item to the first meeting in August. Motion did not receive a second. An alternative motion was made by Commissioner Meza, seconded by Chair Siqueland, that the Planning and Housing Commission adopt Resolution No. 2570 granting PPM2020-0004 based on the findings contained in the staff report and conditions of approval, with the added conditions #16, #17, #18, #19, #20, #21 and #22 under the Planning Division that state: At the time of building permit plan check submittal, the applicant shall submit a photometric analysis to ensure that the property has adequate exterior lighting for security purposes; The applicant shall submit a security camera plan for the exterior of the property to the Community Development Department for review; the**

second-floor office area shall be restricted to staff and employees associated with the convenience store and gas station and shall not be sublet to another tenant or any other use; The applicant shall enhance the upper portion of the building's façade with an additional feature to create a break in the design of the flat roof line; Prior to receiving a final on the sign permit, the applicant shall encase or frame the overall display area for the freeway sign, and the frame shall fill in the space on both sides of the Shell and 7-11 sign cabinets to meet the width of the McDonald's sign cabinet, to create a more uniform look for the display area; Prior to receiving a final on the sign permit, the applicant shall refinish and repaint the freeway sign poles; prior to receiving a final on the sign permit, the applicant shall install security fencing around the base of the freeway sign to control unwanted access to the sign poles; the trash enclosure gates shall not open or encroach into the alley, and per the trash enclosure exhibit provided in the staff report, the trash enclosure shall be fully enclosed to prevent openings to prevent loitering, dumping and camping. The motion carried by the following vote:

**Aye:** 4 - Vice Chair Alexander, Chair Siqueland, Commissioner Meza, and Commissioner Sherman

**Nay:** 1 - Commissioner Woody

## WRITTEN COMMUNICATIONS

None.

## ADMINISTRATIVE REPORTS

### 3. Housing Element Update 2021-2029 Draft Document

**Attachments:** [Staff Report](#)

[Housing Element Update 2021-2029 Draft](#)

[Powerpoint Presentation](#)

Joanne Coletta, Director, presented a report on the Housing Element Update for the planning period of 2021-2029. Discussion ensued with the Commissioners in regards to how the locations are chosen for housing and potential rezoning.

Joe Morgan, resident, expressed that housing should be more spread out throughout the city, not just near public transportation.

## PLANNING AND HOUSING COMMISSIONERS' REPORTS AND COMMENTS

None.

## ADJOURNMENT

Chair Siqueland adjourned the meeting at 7:57 p.m. to the Planning and Housing Commission meeting of Monday, July 12, 2021, commencing at 6:00 p.m. in the City Hall Council Chambers.
