### REQUEST FOR CITY COUNCIL ACTION

**DATE:** 07/07/2021

**TO:** Honorable Mayor and City Council Members

**FROM:** Finance Department

**SUBJECT:**  
Resolution levying special taxes to be collected during Fiscal Year 2022 for the maintenance and services Community Facilities District No. 2001-1.

#### EXECUTIVE SUMMARY:

Adoption of the recommended resolution will allow the City to levy and collect Fiscal Year 2022 special taxes.

#### RECOMMENDED ACTION:

**That the City Council** adopt Resolution No. 2021-078, levying special taxes to be collected during Fiscal Year 2022 for the payment of annual cost of the operation and maintenance of parkways and open space within Community Facilities District No. 2001-1.

#### BACKGROUND & HISTORY:

Pursuant to the Mello-Roos Community Facilities Act of 1982, Community Facilities District No. 2001-1 (the "District") was formed to levy special taxes for the payment of annual cost of the operation

and maintenance of parkways and open space within the District and the surrounding area, and for the payment of administrative expenses incurred in connection with the levy and collection of said special taxes.

**ANALYSIS:**

It is necessary that the City Council levy special taxes for the payment of annual cost of the operation and maintenance of parkways and open space within the District, pursuant to Section 53340 of the Government Code. Special taxes within the District are levied in an amount necessary to satisfy the Operation and Maintenance Special Tax Requirement, as defined in the District’s Rate and Method of Apportionment (the “RMA”). Any necessary replenishment or expenditure of the reserve funds and an amount estimated for administrative expenses during the year are included in the levy. The special taxes levied will not exceed the authorized amounts as provided in the RMA.

**FINANCIAL IMPACT:**

The following is a summary of the Fiscal Year 2022 budgeted revenues and expenditures for the District:

<u>CFD Issue</u>	<u>Estimated Operating Co</u>	<u>Estimated Assessments</u>	<u>Estimated Deficit</u>	<u>Percentage o Maximum Tax</u>	<u>YOY % Change in Levy Rate</u>
CFD No. 2001-1	\$ 670,197	\$ 644,103	\$ (26,094)	31.49%	0%

The proposed levy rate for Fiscal Year 2022 is the same as the levy in Fiscal Year 2021. The estimated operating deficit will be covered by a one-time contribution from the excess capital reserve fund.

Pursuant to the Mello-Roos Community Facilities Act of 1982 (the “Act”), an adequate amount is retained in the reserve fund to maintain the financial stability of the District.

**ENVIRONMENTAL ANALYSIS:**

This action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the action is not subject to CEQA. This action merely sets the special taxes to be levied and collected within the District for Fiscal Year 2022, and there is no possibility that adopting the resolution will have a significant effect on the environment. Therefore, no environment analysis is required.
