ANALYSIS:

Federal regulations require the City of Corona to prepare an Annual Action Plan (Action Plan) in order to receive Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) funds from the United States Department of Housing and Urban Development (HUD). To meet this requirement, the City prepared its Action Plan and placed the draft document on public review for a period of 30 days prior to the June 21, 2017 City Council Meeting. The public review period affords the public an opportunity to comment on the Action Plan prior to City Council approval and submission to HUD. The Action Plan is attached to this report as Exhibit A.

For the 2017-18 Fiscal Year, the City estimates that it will receive \$1,133,716 of CDBG funds and \$296,986 of HOME funds from HUD. When combined with available prior year resources, the Action Plan proposes appropriations of \$1,220,203 of CDBG funds and \$778,056 of HOME funds.

Each of the proposed projects included in the Action Plan are designed to meet specific measurable goals established in the City's 2015-19 Consolidated Plan submission to HUD that was approved by the City Council on April 15, 2015.

CDBG Public Service projects 1-6 represent the first of two possible renewals of grants awarded under the City's competitive Notice of Funding Availability ("NOFA") for three-year CDBG Public Service Capacity Building Grants. These grants provide each public service provider with a stable source of funding for a three-year period, with renewals based on meeting pre-determined performance goals and complying with CDBG program rules. After the three year period of July 1, 2015 through June 30, 2018, the public service providers will not be eligible to apply for future CDBG funds unless their application is for a new service, a new program or constitutes a quantifiable increase above and beyond the level of service already provided (inclusive of 2015-17 CDBG).

Projects 7-14 represent housing, community and economic development projects to be implemented by City Departments, developers and nonprofit providers to address high priority needs identified in the Consolidated Plan. Projects 15-16 include funds necessary to administer, implement and monitor the performance of the CDBG and HOME programs in compliance with HUD regulations. Project 17 represents an agreement with the Fair Housing Council of Riverside County to assist the City in meeting its obligations under HUD rules to affirmatively further fair housing choice through the provision of landlord-tenant mediation, fair housing discrimination services and educational workshops for residents, prospective residents and housing providers.

Citizen Participation

A public notice of availability of the draft Action Plan for review and of the Public Hearing before the City Council was published in the *Sentinel Weekly News* on May 19, 2017. COMMITTEE ACTION:

The proposed CDBG and HOME appropriations were considered at the April 12, 2017 Public Services Committee meeting. The Committee received a presentation including details about the activities recommended for funding in the Action Plan. The Committee discussed the proposed 2017-18 CDBG and HOME appropriations and did not recommend any changes.

Approval of the proposed CDBG and HOME appropriations for the projects noted above aids the City to meet Strategic Plan *Goal # 4a*. As noted in the Strategic Plan, *Goal #4 - Actively Engage in Public and Private Partnerships to Provide Services and Amenities, a - Seek creative partnership opportunities to allow private agencies to provide programs and services for youth, senior and special needs groups within the City*.

Specifically, the City achieves the goal through funding six programs in partnership with five local service providers noted in the Analysis Section of this report under CDBG Projects 1-6 and detailed in the 2017-18 Action Plan.

FISCAL IMPACT:

There will be no impact to the General Fund. The Action Plan allocates \$1,220,203 of new and prior year unspent CDBG funds and \$778,056 of new and prior year unspent HOME funds to eligible projects. The funding will be appropriated during the City's annual budget process. And, as noted in the Recommended Action, CDBG program income receipts from loan payoffs received by the City shall be appropriated to the Residential Rehabilitation Program, CIP 67133431 and HOME program income receipts from loan payoffs received by the City prior to June 30, 2017 shall be appropriated to the Residential Rehabilitation Program, CIP 67133432.

ENVIRONMENTAL ANALYSIS:

The development of required plans and the allocation of CDBG and HOME program funds is an administrative activity exempt under 24 CFR Part 58, Section 58.34 of the National Environmental Policy Act of 1969 ("NEPA"), as amended. Additionally, these activities are not considered to be a "project" under the California Environmental Quality Act ("CEQA"). Individual construction activities will be assessed under NEPA and CEQA.
