ANALYSIS:

On December 6, 1989 City Council adopted Resolution No. 89-157, establishing a policy for the destruction of obsolete general city records and Resolution No. 2014-08 on April 2, 2014, establishing a policy for the destruction of obsolete Police Department records. The policies provide for the destruction of obsolete records on an annual basis pursuant to Government Code Section 34090.

An inventory of obsolete city records is compiled by each department, submitted to the City Clerk for

review, and forwarded to the City Attorney for final review and approval. The inventory of records is presented to the City Council for final destruction authorization.

The following Department's records are proposed for destruction:

1. Administrative Services - Finance Division: Budget/Revenue, Business License, Human Resources
2. City Clerk Division
3. Community Development Department
4. Legal & Risk Management Department
5. Library & Recreation Services - Recreation Division
6. Police Department
7. Public Works Department

The records proposed are obsolete and past the obligatory retention period and are no longer required. Therefore, staff recommends that the City Council approve the destruction of the records.
