### AGENDA REPORT REQUEST FOR CITY COUNCIL ACTION

**DATE:** August 7, 2019

**TO:** Honorable Mayor and City Council Members

**FROM:** Public Works Department

**SUBJECT:**

City Council consideration of accepting the public improvements associated with 1375 Peridot Drive and release the appropriate Grading and Improvement Securities - Jesse L. Ramirez and Shelly R. Ramirez, husband and wife as community property with right of survivorship.

#### RECOMMENDED ACTION:

That the City Council:

1. Accept the public improvements associated with 1375 Peridot Drive.
2. Retain twenty-five percent of the Faithful Performance Security for one year beyond the acceptance of the improvements as security for repair or replacement of any improvements that fail to meet City Standards at the end of the one-year period (1000965997-FP).
3. Retain the Labor and Material Security for six months beyond the acceptance of the improvements, and automatically release the security, unless any claims are filed

(1000965997-LM).

4. Release the Precise Grading and Erosion Control Securities (1000965998-FP and PWPR2018-0021-R8023).

**ANALYSIS:**

On September 5, 2018, Jesse L. Ramirez and Shelly R. Ramirez, the owners of a vacant lot located at 1375 Peridot Drive in the R1-8.4 (Single-Family Residential Zone), entered into Grading and Improvement Agreements with the City to construct a single-family residence on the 0.24-acre lot, as shown on Exhibit "A."

All of the grading and improvements secured by these agreements have now been completed and inspected to ensure conformation with City specifications.

Twenty-five percent of the Faithful Performance Security will be retained for a period of one-year to guarantee repair or replacement of any improvements that fail prior to the end of the one-year period. Any written claims against the performance security must be made prior to the one-year guarantee period, which is set to expire August 7, 2020. City Staff must release the Faithful Performance Security one year after acceptance of the improvements by the City Council, pursuant to California Government Code Section 66499.9 (c).

It is necessary to retain the Labor and Material Security for a period of six months, in accordance with the State Subdivision Map Act.

The site has been precise graded in accordance with all City Standards and the approved Grading Plan. Therefore, it is appropriate to release the Precise Grading and Erosion Control Securities at this time.
