ANALYSIS:

The Police Department has successfully applied for funding for the Alcohol Beverage Control (ABC) Alcohol Policing Partnership (APP) Program, for Fiscal Year 2020-2021. The mission of the APP Program is to assist local law enforcement agencies in developing an effective, comprehensive, and strategic approach to eliminating the crime and public nuisance problems associated with problem alcoholic beverage outlets. The APP grant utilizes ABC enforcement activities to help protect the safety of Corona's citizens. The grant will address ABC priorities including: Shoulder Tap operations to deter adults from purchasing alcohol for youth, Minor Decoy operations, undercover operations, saturation patrols, and other alcohol related projects and their associated alcohol problems within the City limits.

The Corona Police Department ABC liaison officer will work in conjunction with the local ABC liaison agent, to provide training for patrol officers, educational and preventive programs, and coordinate all other designated projects with ABC inspections and operations.

The performance period for the grant will be July 1, 2020, through June 30, 2021. The one-time award will reimburse the City of Corona for designated personnel expenditures and other related supplies.
