AGENDA REPORT REQUEST FOR CITY COUNCIL ACTION

DATE: 08/05/2020

TO: Honorable Mayor and City Council Members

FROM: Police Department

SUBJECT:

City Council consideration of accepting and appropriating \$119,000 from the State of California Office of Traffic Safety for the 2020-2021 Selective Traffic Enforcement Program Federal Award.

RECOMMENDED ACTION:

That the City Council:

- Authorize the acceptance of the State of California Office of Traffic Safety 2020-2021 Selective Traffic Enforcement Program Federal Award of \$119,000 for Local Law Enforcement Agencies.
- Appropriate \$119,000 of onetime money from the unappropriated General Fund Balance to be reimbursed from the State of California Office of Traffic Safety and increase the General Fund estimated revenue by the same amount for the program award.
- Authorize the Chief of Police to execute any required grant documents that are in compliance with the City Council's actions hereunder.

ANALYSIS:

The Police Department has successfully applied for funding from the State of California Office of Traffic Safety for the Selective Traffic Enforcement Program (STEP) for Local Law Enforcement Agencies.

The goal of the Selective Traffic Enforcement Program is to reduce the number of victims killed and injured by identified traffic safety problems in cities participating in the program.

The Office of Traffic Safety combined various minor grants into the STEP program for program administration ease. Specific projects will address STEP priorities including driving under the influence (DUI) saturation patrols, sobriety checkpoints, traffic safety education, distracted driving enforcement, traffic enforcement, bicycle and pedestrian enforcement, and motorcycle safety enforcement.

The grant will provide support of these activities. In addition, the City of Corona's Police Department will participate in and report data for various campaigns, such as the *Distracted Driving Awareness Month* in April 2021 and participate in the statewide *Click It or Ticket* mobilization period in May 2021.

Additionally, funding was awarded for the purchase of DUI checkpoint equipment and supplies as well as for training costs. The approved training funding will allow four officers to attend standardized field sobriety testing (SFST) and Advanced Roadside Impaired Driving Enforcement (ARIDE) classes, one officer is authorized to attend the Drug Recognition Expert (DRE) Training, and one officer will attend the DRE Recertification training.

The grant is a one-time award for General Fund reimbursement of equipment, designated training, and project overtime in support of the program. The grant performance period is October 1, 2020 to September 30, 2021.
