### REQUEST FOR CITY COUNCIL ACTION

**DATE:** 05/17/2023

**TO:** Honorable Mayor and City Council Members

**FROM:** Community Services Department

**SUBJECT:**

CITY COUNCIL APPROVAL OF THE 2024-2026 CITY OF CORONA TRANSIT SERVICE TITLE VI PROGRAM IN COMPLIANCE WITH THE FEDERAL TRANSIT ADMINISTRATION CIVIL RIGHTS ACT OF 1964

### EXECUTIVE SUMMARY:

This staff report asks the City Council to approve and adopt the 2024-2026 City of Corona Transit Service Title VI Program. As a recipient of Federal Transit Administration funds, transit agencies must prepare a Title VI Program every three years. The proposed 2024-2026 Title VI Program has been revised and updated in compliance with Federal Transit regulations Circular 4702.1B and must be approved and adopted by the City Council and submitted to the federal regional civil rights office by June 1, 2023.

### RECOMMENDED ACTION:

**That the City Council** approve and adopt the 2024-2026 City of Corona Transit Title VI Program in

accordance with Federal Transit Administration Circular 4702.1b.

## **BACKGROUND & HISTORY:**

Title VI of the Civil Rights Act of 1964 is a federal law that prohibits recipients and sub-recipients of federal financial assistance (e.g., states, local governments, transit providers) from discriminating based on race, color, or national origin in their programs or activities and obligates federal funding agencies to enforce compliance. Under Title VI, the United States Department of Transportation has the responsibility to provide oversight of recipients and to enforce their compliance with Title VI.

On February 11, 1994, Executive Order (EO) 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," was enacted by President Clinton. The Presidential memorandum accompanying EO 12898 identified Title VI of the Civil Rights Act of 1964 as one of several federal laws that should be applied "to prevent minority communities and low-income communities from being subject to disproportionately high and adverse environmental effects." This executive order added regulations to provide meaningful access for persons with limited English proficiency.

Per the Federal Transit Administration's (FTA) Title VI Circular 4702.1B dated October 12, 2012, recipients of FTA funds must prepare and submit a Title VI Program to their FTA regional civil rights office once every three years. Title VI additionally requires recipients of federal assistance to monitor and evaluate federally assisted programs for compliance.

The City of Corona receives federal assistance for the provision of public transit services and must comply with the Civil Rights Act of 1964 and the provision of Title VI.

## **ANALYSIS:**

The current 2021-2023 Title VI Program was approved and adopted by the City Council on September 9, 2020, and is valid through September 30, 2023. In compliance with the three-year cycle, staff must prepare and adopt its City of Corona Transit Service (CCTS) Title VI Program. Accordingly, the 2024-2026 CCTA Title VI Program has been prepared in compliance with Title 49 of the Code of Federal Regulations (CFR) Section 21.9(b) and the FTA.

Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.
